Re: CPF No. 58506

Dear Mr. Havener:

On April 4, 2003, a Final Order was issued to Wyoming Refining Company by the Associate Administrator for the Office of Pipeline Safety. It made findings of violation and required certain corrective action.

All actions required in the Compliance Order have been completed. Based on the recommendation of the Director, Western Region, this case is now closed and no further enforcement action is contemplated with respect to the matters involved in the case. Thank you for your cooperation in our joint effort to ensure pipeline safety.

Sincerely,

Gwendolyn M. Hill
