<sup>1</sup> Data from 1970-1991 are based on the March Current Population Survey.

<sup>2</sup> Includes persons with a high school diploma or equivalent.

<sup>3</sup> Includes persons with bachelor's, master's, professional, and doctoral degrees.

<sup>4</sup> Beginning in 1992, data on educational attainment are annual averages and are based

on the "highest diploma or degree received" rather than the "number of years of school completed."
