By the terms of the proposed Agreement, the Settling Parties will pay a combined total of \$2,710,542.59 to the Hazardous Substance Superfund. This payment represents approximately 53% of the \$5,086,748,001.01 in past response costs incurred through September 30, 2002. The Settling Parties manifested 1,461,777.75 gallons of hazardous substances to the Site. This amount represents approximately 94% of the 1,552,849.32 gallons of hazardous substances manifested to the Site by all generators. The amount that each individual PRP will pay, as shown above, was based upon the number of gallons of hazardous substances manifested to the Site. To be eligible for the settlement, each generator must have submitted a response to EPA's Request for Information.

Dated: November 25, 2003.

Carol Rushin,

Assistant Regional Administrator, Office of Enforcement, Compliance, and Environmental Justice, Region VIII.
