Jen (Tutor): I can help you.
Jen (Tutor): Can you tell me what the homework problem is?
You: cool
You: I need to find the circumference of a circle whos radius is 4
Jen (Tutor): Ok, I am going to draw that on the white board
Jen (Tutor): The circumference is c and the radius is r which equals 4
You: Ok
Jen (Tutor): Do you remember the formula for circumference?
You: Yes, when I know the radius its 2 r Pi
Jen (Tutor): Great! I'll write that on the board also.

Session Info & Help
Technical help is always a click away.

Real-Time Chat
Notifies the student when the tutor is writing.

Whiteboard
Full array of text and drawing tools. Tutors can add more boards as necessary.

How It Works: Utilizing the Web

Student and tutor can share useful webpages and browse Web-based resources together as part of the learning and problem-solving process online.

When using all of the convenient tab-based features of the online classroom, the tutor always "steers" the session and can control flow to guide the learning process.

Students & Parents: What They're Saying

"I entered the service to see how it worked before I told my kids about it. I really like it...did a great job of walking me through my questions and tried to help me understand what I was doing wrong."

Teacher

I have been waiting a long time for something like this to come. My kids and I thank ya'll from the bottom of our hearts.

Parent of 4th Grader

I like how they don't give you the answer until you figure it out yourself.

6th Grader

Thank goodness for this site. I'm the mom and I didn't know the answer to the 5th grade math problem. It helped my daughter with her math, and I learned something new too!

Parent of 5th Grader

Wow! I'm in shock...for once I actually understand my chemistry homework! If it weren't for these tutors, I would be failing.

9th Grader

I have gone from D's in math to A's. Thanks for all the help.

5th Grader

Wow—what an amazing tutor. I'm speechless...my self esteem has increased due to this experience. 😊

12th Grader

What a nice service. I didn't have to take my child to the library at 8 PM on a school night. A parents dream.

Parent of 6th Grader

Its better than a real classroom cause you are not afraid to ask them questions!
