

STAND. COM. REP. NO.

144

Honolulu, Hawaii

Feb 7, 2007

RE: H.B. No. 1862

H.D. 1

Honorable Calvin K.Y. Say
Speaker, House of Representatives
Twenty-Fourth State Legislature
Regular Session of 2007
State of Hawaii

Sir:

Your Committee on Health, to which was referred H.B. No. 1862
entitled:

"A BILL FOR AN ACT RELATING TO TRANSPORTATION,"

begs leave to report as follows:

The purpose of this bill is to protect people with serious
skin conditions and for whom exposure to sunlight would pose a
danger to their health, as documented by a licensed physician.
Allowing them to use a darker window tint on their vehicles than
allowed by law would provide added protection from the sun.

Several concerned individuals supported this bill. T&T
Tinting Specialists, Inc., opposed this measure.

Your Committee has amended this bill by:

- (1) Clarifying that the damaging factor which some people
with certain skin conditions need protection from is
ultraviolet (UV) rays; and
- (2) Allowing family members of a person with a skin
condition affected by UV rays to use tinting that may be
darker than is currently allowed for greater protection
from UV rays.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1862, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1862, H.D. 1, and be referred to the Committee on Transportation.

Respectfully submitted on
behalf of the members of the
Committee on Health,

JOSHUA B. GREEN, M.D., Chair

HSR 144
