Your Committee further finds that the nominees have been appointed based upon their credentials, integrity, and a desire to make Hawaii better through their participation on the State Council on Developmental Disabilities to which they have been nominated.

Your Committee received testimony supporting the nomination of each of these individuals from the State Council on Developmental Disabilities and Family Voices of Hawaii. Your Committee received additional testimony from the Department of Health, University of Hawaii John A. Burns School of Medicine, and Easter Seals Hawaii supporting the nomination of David Fray; additional testimony from the University of Hawaii John A. Burns School of Medicine supporting the nomination of Patricia Heu, M.D.; and additional testimony from The Arc of Kauai and Responsive Caregivers supporting the nomination of Patricia Nishimoto.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Respectfully submitted on
behalf of the members of the
