begs leave to report as follows:

Upon review of the statements submitted by the nominees, your Committee finds that the aforementioned nominees will work with compassion and commitment to assist in administering the government functions related to elder affairs services. Your Committee further finds that the nominees have been appointed based upon their credentials, integrity, and a desire to make Hawaii better through their participation on the Policy Advisory Board for Elder Affairs to which they have been nominated.

Your Committee received testimony supporting the nomination of each of these individuals from the Executive Office on Aging. Your Committee received additional testimony supporting the nomination of Hyung K. Cha from Ohana Pacific Bank, and one private individual. Additional testimony supporting the nomination of Paul Kim was received from six private individuals. Additional testimony supporting the nomination of Sara A. As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Respectfully submitted on behalf of the members of the Committee on Health,
