## Storm Data and Unusual Weather Phenomena

November 2003

Location	Date	Time Local/ Standard	Path Length (Miles)	Path Width (Yards)	Number of Persons Killed	Injured	Estimated Damage Property	Crops	Character of Storm
----------	------	----------------------------	---------------------------	--------------------------	--------------------------------	---------	---------------------------------	-------	--------------------

### ARKANSAS, Southeast

#### Ashley County

2 S Fountain Hill	27	1752CST			0	0	2K		Thunderstorm Wind (EG50)
-------------------	----	---------	--	--	---	---	----	--	--------------------------

A few trees were blown down on powerlines.

### LOUISIANA, Northeast

#### Catahoula Parish

Sicity Is	18	0413CST			0	0	1K		Thunderstorm Wind (ES55)
-----------	----	---------	--	--	---	---	----	--	--------------------------

A few trees were blown down.

#### Franklin Parish

2 E Ft Necessity	18	0415CST			0	0	50K		Thunderstorm Wind (ES68)
------------------	----	---------	--	--	---	---	-----	--	--------------------------

Significant roof damage occurred on several homes along with several sheds being destroyed as a downburst occurred between Fort Necessity and Winnsboro. A few other homes in the area sustained minor roof damage and several trees were snapped or uprooted.

#### Franklin Parish

1 W Wisner to 2 N Wisner	18	0430CST 0435CST			0	0	140K		Thunderstorm Wind (ES87)
-----------------------------	----	--------------------	--	--	---	---	------	--	--------------------------

A significant downburst, associated with a line of thunderstorms, occurred near the town of Wisner. Just west of Wisner, on Calhoun Road, two mobile homes were destroyed along with minor roof damage to a few well constructed homes. Several sheds were destroyed or damaged on Charlie Stephens Road along with a few roofs sustaining severe damage. Also at this location, a few tractors and motor vehicles were damaged. Minor roof damage also occurred at Wisner Elementary School.

#### Tensas Parish

St Joseph	18	0435CST			0	0	1K		Thunderstorm Wind (ES50)
-----------	----	---------	--	--	---	---	----	--	--------------------------

Numerous large limbs blown down.

#### Madison Parish

Tallulah	18	0515CST			0	0	2K		Thunderstorm Wind (ES52)
----------	----	---------	--	--	---	---	----	--	--------------------------

Several trees were blown down.

#### West Carroll Parish

Fiske	26	2158CST			0	0	5K		Hail(1.50)
-------	----	---------	--	--	---	---	----	--	------------

Ping-Pong ball sized hail broke a portion of a sunroof on a car. This car also had small dents from the hail.

#### West Carroll Parish

Oak Grove	26	2205CST			0	0	2K		Thunderstorm Wind (EG50)
-----------	----	---------	--	--	---	---	----	--	--------------------------

A few trees were blown down on powerlines.

### MISSISSIPPI, Central

#### Bolivar County

Cleveland	18	0430CST 0530CST			0	0	20K		Flash Flood
-----------	----	--------------------	--	--	---	---	-----	--	-------------

Heavy rains, between 3 and 4 inches, fell across Cleveland MS in one to two hours. This heavy rain flooded several streets with a few businesses having nearly one foot of water in them.

#### Bolivar County

Pace	18	0430CST			0	0	1K		Thunderstorm Wind (ES55)
------	----	---------	--	--	---	---	----	--	--------------------------

A few windows were blown out of a jeep.

#### Claiborne County

Port Gibson	18	0525CST			0	0	1K		Thunderstorm Wind (ES52)
-------------	----	---------	--	--	---	---	----	--	--------------------------

A few trees were blown down.
