11 PREAMBLE: RCW 70.05.035 requires the county legislative authority to
12 establish a local board of health. The jurisdiction of the board is
13 coextensive with the boundaries of the county. The King County Council
14 adopted Ordinance 12098 in December 1995, which established a
15 federated board of health with membership from the King County
16 Council, elected officials of the City of Seattle, elected officials from
17 suburban cities of King County, and health professionals. Ordinance
18 12098 also ratified the existing rules and regulations of the former board
19 of health of the City of Seattle until such time as amended or repealed by
20 the King County Board of Health. In 1997, the Seattle City Council
21 adopted Resolution 29615 to transmit the “Seattle Health Code” to the
22 King County Board of Health. The Seattle Health Code consists of 28
23 items in the Seattle Municipal Code that the Seattle City Council

24 identified for adoption into the Board of Health Code. It is the intent of
25 the King County Board of Health to identify the sections of the Seattle
26 Health Code to be transmitted in accordance with Seattle City Resolution
27 29615 to the Seattle City Council; to identify and readopt and ratify
28 sections of the Seattle Health Code which this Board may at a later date
29 consider for amendment or repeal; and to readopt and ratify the Code of
