CSS LETTER NO. 01-19

TO: ALL IV-D DIRECTORS

ALL DISTRICT ATTORNEYS

ALL COUNTY ADMINISTRATIVE OFFICERS

ALL BOARDS OFSUPERVISORS

SUBJECT: CLARIFICATION OF EXCESS PAYMENT CALCULATION

The purpose of this letter is to clarify the methodology counties must utilize when calculating an excess payment paid to a CalWORKs family. As you know, the pass-on has been eliminated effective April 1, 2000, as referenced in the Elimination of Pass-On Regulatory Package (ORD #0069-12). Therefore, the counties are to use the methodology outlined in this letter when processing excess payments.

Effective April 1, 2000, the entire collection amount (current and/or arrears) including the disregard paid to the family must be applied to the total cumulative unreimbursed assistance pool (UAP), if one exists. Any amount of support that exceeds the UAP balance must be paid to the family as current and/or arrears excess.

Under the distribution methodology for current CalWORKs cases, the disregard should be excluded from the calculation used to determine the excess. For example, a \$175 current support collection is received. The cumulative UAP is \$120, after reducing the cumulative UAP by the \$120, the custodial parent would be distributed a \$50 disregard and \$55 in current excess for a total disbursement of \$105 from the collection.

Current Collection \$175
Recoupment (cumulative UAP) - 120
Current Excess \$55

Disregard <u>+ 50 (paid out of State's General Fund share</u>

of collection)

Total paid to the Family \$105
