USDA Information Technology Showcase

The 6th Annual USDA Information Technology Showcase took place on October 22 and 23 in Washington, D.C. on the patio area of the Jamie L. Whitten Building and in room 107-A. The theme of the event was *Discovering USDA Enterprise Architecture*. The opening presentation was delivered by Ira Hobbs followed by a ribbon cutting ceremony by Ira Hobbs, Kathleen Rundle, and Dave Combs to open the enterprise portal. Additional briefings by Chris Niedermayer on the status of "eGovernment" and Gregory Parham on establishing "Portfolio Management" were presented.
