Programs

BabyFirstTV features more than 40 programs specifically tailored to meet the needs of infants and toddlers. The program content focuses on areas of development ranging from language and math, to sensory skills to creative play. BabyFirstTV helps inform parents about the educational value of each segment with its unique color-coded system. The BabyFirstTV flower logo changes colors according to the specific content in the program.

- Thinking Journey
- Language Playground
- Imagination Lane
- Feelings Garden
- Numbers Parade
- Sensory Wonderland
- Rainbow Dreams

Engages children in identifying patterns of thinking and developing creative ways of viewing the world.

< Tillie Knock Knock
Join Tillie the duck as she guesses which animal friend is knocking at her door.

< Danny and Daffy
Join Danny & Daffy in figuring out just what Danny has in mind as he paints the picture of the day.
