

What Others Have Said

“There’s a whole landscape of possibilities with MI! I’m really excited to put my new skills into practice!”

“Great new ideas and methods for interacting with clients.”

“The trainers provided caring, gentle guidance. It was a pleasure to watch them model their skills.”

“I liked everyone’s willingness to really practice and risk making mistakes.”

“...more experiential than almost anything I have ever been to.”

Trainers

Kathy Silverman is a Health Educator with the HIV/AIDS Program. She trains on HIV/AIDS, counseling skills, crisis and suicide assessment and intervention, harm reduction, and behavior change. Kathy is also a WA State HIV Prevention Counseling Trainer.

Susan Kingston is a Drug Use and HIV Prevention Health Educator with the HIV/AIDS Program and trains on harm reduction, HIV prevention, and counseling strategies with substance users. She specializes in injection drug use, methamphetamine, and substance use among gay/bisexual men.

The **HIV/AIDS Program** offers free and low-cost training in King County on such topics as:

- HIV/AIDS/hepatitis and STDs
- HIV counseling and testing
- Risk assessment/risk reduction counseling
- Street drug pharmacology and use trends
- Injection drug user health and culture
- Needle exchange and syringe access
- Harm reduction
- Substance use and HIV among gay/bisexual men

Additional educational services include:

- Case consultation for staff working with substance-involved clients.
- Video, computer, and library resources on HIV/AIDS.
- Extensive collection of print materials on HIV, STDs, and drug user health.

For more information, contact Kathy Silverman at 206-205-0586 or by email at kathy.silverman@kingcounty.gov.

Workshop Schedule

Public Health—Seattle & King County

Motivational Interviewing is a “client-centered, directive method for enhancing intrinsic motivation to change by exploring and resolving ambivalence.”

ABOUT OUR TRAININGS

Each workshop includes:

- 2 days of blended theory, discussion and hands-on practice of core MI skills.
- A third to day to debrief and hone skills after a period of real-life practice.
- A complete training manual and post-course resources.
- A fabulous lunch!

Training Benefits:

- *Improved listening, conversation skills, and techniques for enhancing motivation.*
- *Increased confidence in helping clients explore and sustain change.*
- *Reduced frustration and client resistance.*

2008 WORKSHOP DATES

Series I: February 5, 6 and March 6

Series II: April 9, 10 and May 1

Series III: June 3, 4 and July 1

Series IV: October 21, 22 and November 13

9:00 am - 4:30 pm each day.

Attendance on all 3 days is required to ensure learning continuity and to receive a certificate of completion.
