

With Early Start... We Can Make A Difference

If your infant or toddler, or one in your care, shows signs of developmental delay, it is important to get help as early as possible. California's Early Start Program can assist.

For information on early intervention services near you, call 800-515-BABY.

Sponsorship provided by the Department of Developmental Services (DDS) as a component of Early Start's Comprehensive System of Personnel Development (CSPD).
