Notes:

- 1) Estimated prices reflect weighted average ex-vessel prices reported for all fixed gear types (longline, troll, jig, handline, and pot) and all delivery/condition types.
- 2) Estimates reflect deliveries by catcher vessels to shoreside processors.
- 3) Estimates are for commercial catches only, and exclude harvests from test fishing, confiscated catch, personal use, discards, and other harvests taken but not sold.
- 4) Statewide prices are weighted averages estimated from harvests and earnings over all IFQ areas.
