

**WILLAMETTE/LOWER COLUMBIA TECHNICAL RECOVERY TEAM MEETING
OREGON STATE OFFICE BUILDING
800 NE OREGON ST., ROOM 120C**

**SEPTEMBER 8, 2003
PROPOSED AGENDA**

Objectives:

- Discuss LCFRB technical foundation review efforts thus far;
- Finalize review of LCFRB technical foundation; and
- Assess efforts thus far on development of the Data and Analysis Template to be used in evaluating population status for Oregon and Washington.

9:00 – 9:15 Welcome and Agenda Review

9:15 – 11:45 Discussion of LCFRB Technical Foundation Components *(break included)*

1. Overall Document (Overarching) – Jim
2. Factors for Decline (Volume I, Chapter 6) – Steve
3. Habitat Analysis (Volume IV, Chapter 5) – Tom
4. EDT (Volume IV, Chapters 3-4) – Cleve
5. Life-cycle Model (Volume IV, Chapter 2) – Paul
6. Goals (Volume I, Chapter 5) – Craig
7. Technical Foundation (Overarching) – Paul
8. Case Studies (Volume II) – Ashley

Discussion of each component will begin with a brief presentation of analysis thus far from the 'lead' TRT member; the group will then evaluate each component for strengths, weaknesses, and defensibility.

11:45 – 12:30 Lunch

12:30 – 1:45 Finalize TRT Review of LCFRB Technical Foundation

1:45 – 2:00 Break

2:00 – 3:45 Review/Revise Data and Analysis Template for Evaluating Population Status

- Preliminary Results – Paul McElhany, Jim Myers, and Ashley Steel

3:45 – 4:00 Action Items and Confirm Next Meeting Dates/Agenda

4:00 Adjourn
