RE: Notification of Nutritional Support Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of CCM Calcium, a dietary supplement. Source Naturals® is the manufacturer of CCM Calcium.

Statements being made in the labeling of CCM Calcium:

(1) In recent scientific, a specific combination of calcium citrate and calcium malate was found to be more beneficial for bone tissue than other forms of calcium. This is because calcium citrate/malate are among the most bioactive forms available, offering superior absorption and utilization.

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
