

Pray to Stop Abortion!

6/10/01

FDA:

Please do not make
available the morning-after
abortion pill over the counter.

Would prefer it to be
eliminated altogether, of course.

We need to protect
Life -- not destroy it --

God is the only one
who can destroy life. It is not
up to the human being. We are all
made in his image!!

Life begins at inception!
Laws are made by men, but
commandments are given by God!!

Please don't support
those groups who advocate
destroying life!!

Thank you & God Bless!
