

SECTION 100

ADMINISTRATION AND OVERVIEW

SECTION 101 – PURPOSE AND EFFECTIVE DATE OF AUDIT GUIDE

.01 The purpose of the City of Philadelphia Subrecipient Audit Guide is to implement the City of Philadelphia's single audit requirements to be utilized by organizations and their independent auditors in preparing for and performing audits of organizations which receive financial assistance under an award from the City of Philadelphia. In addition, the City of Philadelphia Subrecipient Audit Guide will serve as:

1. A reference manual communicating additional financial and compliance requirements relating to specific State of Pennsylvania and City of Philadelphia programs;
2. An audit requirement to be referenced when contracting for single audit services, enabling the auditing entity to submit an acceptable reporting package to the City of Philadelphia;
3. A vehicle for passing compliance requirements to lower tier agencies; and
4. Additional guidance used in conjunction with pronouncements from Section 202 of this Audit Guide.

The Audit Guide is intended to be an initial non-authoritative, reference source for an organization and their independent auditor. The Audit Guide is comprised of the following sections:

- Section 100 - Administration and Overview
- Section 200 - Summary of Applicable Literature
- Section 300 - General Auditing Standards and Requirements
- Section 400 - Reporting Standards and Requirements - Single Audits
- Section 500 – Auditing and Reporting Standards and Requirements – Program Audit on an Award (Non-Single Audit)
- Section 600 - Specific Audit Requirements of Awarding City of Philadelphia Departments.
- Sections 1000 through 6000 - Specific Audit Requirements (applicable to the City of Philadelphia Department awarding the funds to be audited).

.02 Audit/reporting requirements for subrecipient organizations not covered by this Audit Guide will be communicated by the awarding City of Philadelphia department.

.03 This Audit Guide supersedes any previous audit guides issued by the City of Philadelphia.

.04 Audits required under this Guide are to be performed on an annual basis for Single and Program Audits under OMB Circular A-133 (Revised June 30, 1997).

SECTION 101 (CONT.)

.05 This Audit Guide is not a complete manual of procedures nor should it supplant the auditor's judgment of the audit work required in a particular situation. Because of the variety of federal, state, and local financial assistance programs and the complexity of the regulations that govern them, the procedures contained in this Audit Guide cannot cover all circumstances or conditions that would be encountered in an audit of every organization. The auditor should use professional judgment to tailor their procedures to meet the conditions of the particular engagement so that the audit objectives may be achieved.

.06 The provisions of this Audit Guide are effective upon publication and shall apply to audits of subrecipient organizations receiving financial assistance from the City of Philadelphia.

SECTION 102 – APPLICABILITY OF AUDIT GUIDE

.01 The provisions of this Audit Guide apply to subrecipient organizations expending Federal financial assistance of \$300,000 or more during the organization's fiscal year and any part of the financial assistance was received directly or indirectly from the City of Philadelphia **(1)**. In addition, this Audit Guide has been prepared to assist the independent auditor in examining and reporting on subrecipient organizations who receive financial assistance from the City of Philadelphia. To ascertain which subrecipient organizations meet the federal audit threshold, a Schedule of Governmental Funding (Appendix B) shall be completed by the organization and forwarded to the awarding City Department, before the end of the fiscal year. The organization must engage an independent auditor to perform a Single Audit and would adhere to the following standards:

- Single Audit under OMB Circular A-133 would encompass:
 - a. All direct federal financial assistance;
 - b. All federal assistance received as a pass-through award from the Commonwealth of Pennsylvania or any other locality; and
 - c. All financial assistance received from the City of Philadelphia (which could include federal, state or city-funded portions of an award). These awards may include federal, state or City financial assistance.

.02 Refer to Sections 1000 to 6000 of the Audit Guide for additional reporting requirements of awarding City of Philadelphia departments.

SECTION 103 – ENGAGEMENT LETTER AND AUDITOR QUALIFICATIONS

.01 Most organizations and their independent auditors recognize the necessity of a written communication between the client (organization) and the independent auditor that specifies the responsibilities of both the client and auditor. That communication, referred to as an "engagement

(1) A City of Philadelphia Department, in certain instances, may require an audit of an award below \$300,000, in those instances the appropriate provisions of this Guide would apply.

SECTION 103 (CONT.)

letter," is not required by generally accepted auditing standards, but is widely utilized to avoid misunderstanding as to the auditor's responsibility and the organization's responsibility during the audit, and to notify the organization of the inherent limitations of an audit. (Most auditors also include fee terms and other arrangements in this correspondence.) Both the organization and the independent auditor sign the engagement letter indicating their acceptance of and agreement with the contents of the letter. For all audits performed under the provisions of this Audit Guide the independent auditor and the organization must have a written and executed engagement letter. In addition, audit work papers shall be made available upon request at the completion of the audit, as part of a quality review, to resolve audit findings, or to carry out oversight responsibilities. Access to working papers includes the right to obtain copies of working papers as is reasonable and necessary.

.02 It is in the interest of both the auditor and the organization to document the scope of the audit in the engagement letter. This will ensure a proper understanding of the responsibilities of each party. The engagement letter should consider including, in addition to those items normally included, items such as:

- The requirements of Government Auditing Standards.
- The additional reports required by OMB Circular A-133.
- The requirements of the City of Philadelphia Subrecipient Audit Guide.
- The auditor's and organization's responsibility with respect to reporting illegal acts noted during the audit. (See pages 63 to 65 of Government Auditing Standards 2003 Revision.)

.03 Where the auditor is to make the distribution of the final audit report, the engagement letter should indicate what officials or organizations are to receive the report.

.04 The subrecipient organization should ascertain that the audit firm engaged to perform any audit under this Audit Guide meets the qualifications specified in Sections 103.06 to 103.08.

Auditor Qualifications - CPE and External Quality Control Review

.05 Audits performed in accordance with the City of Philadelphia Subrecipient Audit Guide are to conform to the requirements established in Government Auditing Standards. Those standards in part require the auditor and the audit firm to adhere to continuing professional education and peer review requirements. In addition:

- The auditor should be proficient in the appropriate accounting principles and standards and in government auditing.
- The public accountants engaged to conduct audits should be: (a) licensed certified public accountants or persons working for a licensed certified public accounting firm or (b) public accountants licensed on or before December 31, 1970, or persons working for a public accounting firm licensed on or before December 31, 1970.

SECTION 103 (CONT.)

.06 Government Auditing Standards (GAS) under the first general standard for auditing requires that the staff assigned to conduct the audit should collectively possess adequate professional proficiency for the tasks required. To meet that standard, the auditor(s) are required to participate in a program of continuing education and training. Every two years, auditors performing audits in accordance with GAS should complete at least eighty credit hours that contribute directly to their professional proficiency. At least twenty of these hours should be completed in each year of the two-year period and at least twenty-four hours should be in topics directly related to the government environment and governmental auditing. A detailed interpretation of the CPE standards, Interpretation of Continuing Education and Training Requirements, is available from the Government Printing Office. During engagement planning, auditors and audit organizations should ensure that appropriate members of the audit team have met the CPE requirement.

.07 Government Auditing Standards under the fourth general standard for auditing requires that the audit organization conducting government audits should have an appropriate internal quality control system in place and participate in an external quality review program.

To meet that standard the audit firm should have in place an internal quality-control system and participate in an external quality-review program. An external quality review is to be conducted once every three years.

.08 In order to monitor adherence to the external quality review requirement and to ensure City of Philadelphia subrecipient audits are performed by only qualified independent auditors the following is to be submitted to each Department within the City of Philadelphia that the subrecipient receives funding from during the fiscal year.

- A completed "Notification of Engagement of Independent Auditor". (See Appendix A of this Audit Guide for the notification form.) This form, to be submitted by the subrecipient organization, is due prior to end of the organization's fiscal year for a Single Audit or a program audit. This notification is to be completed and submitted on an annual basis. The "Notification of Engagement of Independent Auditor" is not considered as a replacement of the engagement letter required by Section 103.01 and 103.02 of this Audit Guide.
- The independent audit firm is to transmit a copy of the audit firm's external quality review opinion. For opinions other than unqualified, the audit firm is also required to submit a copy of the letter of comments and the reviewed firm's response to the letter of comments.

.09 Auditors or audit firms which do not meet Government Auditing Standards, such as continuing professional education or external quality control review, need to disclose in the auditors' reports those audit standards not met. These auditor's reports will not be accepted by the City of Philadelphia.

SECTION 104 - AUDIT REPORT DELIVERY AND DISTRIBUTION

.01 The completed OMB Circular A-133 audit report is due within 120 days after the close of the subrecipient organization’s fiscal year for both single and program audits.

.02 A single copy of the audit report is to be delivered to the:

City of Philadelphia
Grants Accounting Unit
Municipal Services Building
1401 John F. Kennedy Boulevard
Room 1380
Philadelphia, Pennsylvania 19102-1693

.03 In addition to the above, bound copies of the audit report, based upon the City Department funding the organization being reported upon, are to be delivered to the appropriate City Department, for the number of copies specified below. **In addition, this section specifies the number of reporting packages (Audit Report, OMB Data Collection Form, and Management Letter) that must be submitted to each respective City Department to whom a report is to be delivered.**

<u>City Department</u>	<u>Number of Reporting Packages</u>
• Department of Commerce Economic Development Administrator Office of Economic Development One Parkway Building, 12th Floor Philadelphia, Pennsylvania 19102	4 (1) (2)
• Department of Human Services Contracts Audit Unit 1601 Cherry Street, 7 th Floor Philadelphia, Pennsylvania 19102	3
• Empowerment Zone Director of Administration Room 168, City Hall Philadelphia, Pennsylvania 19107	3
• Mayor’s Office of Community Services Fiscal Officer 990 Spring Garden Street 7 th floor Philadelphia, Pa 19123	5

SECTION 104 (CONT.)

- Office of Housing and Community Development
Audit Manager - Audit Department
1234 Market Street, 17th Floor
Philadelphia, Pennsylvania 19107 7
- Office of Emergency Shelter and Services 3 (2)
Contracts Auditor-Fiscal Unit
1315 Cherry Street, 2nd Floor
Philadelphia, Pennsylvania 19107
- Department of Public Health 5
Contract Audit Supervisor
Audit Unit-Special Financial Services
1101 Market Street, 10th Floor
Philadelphia, Pennsylvania 19107

(1) Where the audit report covers Pennsylvania Department of Community and Economic Development funding three additional copies of the audit report are required.

(2) Where U.S. Department of Housing and Urban Development federal programs under CFDA Numbers 14.218, 14.221, 14.227, 14.239, 14.241, 14.231, 14.238 and 14.900 are included in the audit report, then seven additional copies of the report must be sent to the City of Philadelphia, Office of Housing and Community Development.

.04 The Organization is required to submit, at a minimum, one copy of the final audit report (or additional copies if required) and the original Data Collection Form to:

Federal Audit Clearinghouse
Bureau of the Census
1201 E. 10th Street
Jeffersonville, IN 47132

Extensions/Report Sanctions

.05 If the Independent Public Accountant believes that an extension of the deadline for submission of the report is necessary, the request must be in writing and be specific in nature. The reasons for the request and the expected delivery date must be stated.

.06 The request for extension must be requested by the Independent Public Accountant, on their letterhead, and received by the City of Philadelphia Department, that is to receive the audit report, as soon as the organization becomes aware of the need for an extension and at least 20 days prior to the date the report is due.

.07 The City of Philadelphia or a City Department may impose sanctions in cases where the audit report is not submitted on a timely basis and an extension request has not been approved.

SECTION 105 - WHO TO CONTACT FOR ASSISTANCE

.01 In preparing for or conducting an audit, the personnel at the subrecipient organization and/or their independent auditor may have questions which arise concerning the implementation of the requirements of this Audit Guide. These questions should be directed to the contact listed below for the City Department which has awarded the funds to be audited.

<u>City Department</u>	<u>Title of Contact</u>	<u>Telephone Number</u>	<u>Fax Number</u>
Commerce Department	Economic Development Administrator	683-2023	557-8538
Human Services Department	Contracts Audit Supervisor	683-4207	683-4298
Empowerment Zone	Auditor	686-0466	686-0462
Mayor's Office of Community Services	Fiscal Officer	685-3643	685-3643
Office of Housing and Community Development	Audit Manager	686-9728	686-9800
Office of Emergency Shelter and Services	Deputy Director	686-7180	686-7187
Public Health Department	Contract Audit Supervisor	685-5310	685-5348

Note: use area code 215 for above phone numbers.

SECTION 200

SUMMARY OF APPLICABLE LITERATURE

SECTION 201 – GENERAL INFORMATION

.01 In performing a governmental type audit at a government agency or not-for-profit organization, the Statements on Auditing Standards (SAS's) are applicable. Therefore, the auditor should perform the audit, at a minimum, in accordance with Generally Accepted Governmental Auditing Standards (GAGAS). However, in governmental type audits and audits for the City of Philadelphia, there are numerous other official publications of which the auditor must be knowledgeable, and the auditor must perform the audit in accordance with the provisions of these additional regulations. The AICPA recognized these additional standards and/or procedures and concluded the following in Ethics Ruling 501-3:

Failure to follow standards and/or procedures or other requirements in governmental audit. Engagements for audits of government grants, government units or other recipients of government monies typically require that such audits be in compliance with government audit standards, guides, procedures, statutes, rules and regulations, in addition to generally accepted auditing standards. If a member has accepted such an engagement and undertakes an obligation to follow specified government audit standards, guides, procedures, statutes, rules and regulations, in addition to generally accepted auditing standards, he is obligated to follow such requirements. Failure to do so is an act discreditable to the profession in violation of Rule 501, unless the member discloses in his report the fact that such requirements were not followed and the reasons therefore.

.02 Failure to follow the standards and/or procedures listed in Section 202 of this Audit Guide, without disclosure in the auditor's report, will be a violation of Ethics Rule 501. In addition, reference in the auditor's report that the audit was conducted in accordance with the provisions of the City of Philadelphia Subrecipient Audit Guide incorporates the applicable provisions of the publications cited in Section 202.

.03 The auditor should obtain and become familiar with promulgation's from Section 202 prior to auditing the programs of the subrecipient organization. The organization and the auditor should refer to actual publications for guidance.

SECTION 202 – LISTING OF APPLICABLE LITERATURE

.01 The most recent versions of the following promulgations are critical in the performance of a governmental type audit and must be understood and utilized by the auditor:

.02 American Institute of Certified Public Accountants:

SAS No. 54 Illegal Acts by Clients .

SECTION 202 (CONT.)

- SAS No. 55 Consideration of the Internal Control Structure in a Financial Statement Audit.
- SAS No. 60 Communication of Internal Control Matters Noted in an Audit
- SAS No. 61 Communication with Audit Committees, as amended by SAS 90, Audit Committee Communications
- SAS No. 74 Compliance Auditing Considerations in Audits of Governmental Entities and Recipient of Governmental Financial Assistance.
- SAS No. 99 Consideration of Fraud in a Financial Statement Audit Summary.

SECTION 300

GENERAL AUDITING STANDARDS AND REQUIREMENTS

SECTION 301 – MAJOR PROGRAM DETERMINATION

.01 In accordance with OMB Circular A-133 (Revised June 24, 1997) auditors are to utilize a risk-based approach to determine which Federal programs are major programs. For the purposes of this Audit Guide only the Federal portion of a City of Philadelphia contract award is to be considered in the determination of major programs. Prior to determining which programs are to be audited as major programs for the purposes of this Guide, the recipient organization should identify for the auditor, the following:

- a. All direct federal financial assistance.
- b. All federal financial assistance received from the Commonwealth of Pennsylvania or other localities.
- c. All financial assistance received from the City of Philadelphia (whether it includes federal, state or city assistance)

.02 A single audit performed in accordance with this Audit Guide will require the auditor to determine major programs (using the risk-based approach) based upon direct and pass-through federal financial assistance (items a. and b. above) and also the awards received from the City of Philadelphia as disclosed in item c. above. In order to determine the correct audit coverage, the listing of financial assistance prepared by the organization should delineate the financial assistance by each award for the proportionate amount of federal, state and local (City of Philadelphia) financial assistance. The delineation by the federal, state or city share for each contract award is also necessary for the presentation in the audit report of a Schedule of Federal, state and city financial assistance. This schedule must delineate a particular award by each component of funding (Federal, State or City).

.03 An example of a proper delineation of City of Philadelphia award expenditures by type would require a detail of financial assistance as follows:

	<u>Total</u>	<u>Assistance From</u>		
		<u>Federal</u>	<u>State</u>	<u>City</u>
Program No. 1	\$ 500,000	\$ 400,000	\$ 100,000	\$
Program No. 2	300,000	300,000		
Program No. 3	100,000	25,000	75,000	
Program No. 4	75,000	25,000	50,000	
Program No. 5	<u>100,000</u>	<u>50,000</u>		<u>50,000</u>
	<u>\$ 1,075,000</u>	<u>\$ 800,000</u>	<u>\$ 225,000</u>	<u>\$ 50,000</u>

SECTION 301 (CONT.)

.04 Upon receipt of the listing of all financial assistance the auditor is to follow the risk-based approach process as presented in Section 520 in OMB Circular A-133 (Revised June 24, 1997). In addition, the auditor should also determine if the organization under audit meets the criteria for a low-risk auditee as defined in Section.530 of OMB Circular A-133 (Revised June 24, 1997).

Major Program Testing

.05 For all major programs, the auditor should perform tests of controls to evaluate the effectiveness of the design and operation of internal control structure policies and procedures that he or she considers relevant to preventing or detecting material noncompliance with the requirements stipulated in the OMB Circular Compliance Supplement.

.06 The auditor should consider the results of these tests of controls in evaluating control risk in the process of forming a basis for expressing an opinion on compliance with laws and regulations applicable to major programs, as discussed in Section 400 of this Audit Guide.

.07 When the auditor is performing testing of major programs for compliance, the selection and testing must include a sufficient number of transactions from each major program to support the opinion on each major program.

SECTION 302 – AUDITING REQUIREMENTS

City of Philadelphia Compliance Audit Requirements

.01 When a City of Philadelphia contract award to a recipient organization has been determined to be a major program as defined in Section 301 of this Audit Guide and/or an audited Supplemental Financial Schedule is required by a particular City of Philadelphia Department (See Sections 1000 to 6000) the auditor must perform the procedures specified in items a. and b. below:

- a. The procedures delineated in Sections 1000 to 6000 or this Audit Guide as they pertain to a particular program.
- b. The following procedures presented in the following Sections 302.02 to 302.06.

These procedures should be coordinated with any of the specific financial and compliance procedures detailed in Sections 1000 through 6000 of this Audit Guide.

Indirect Costs/Cost Allocations

.02 Indirect costs are those incurred for a common or joint purpose benefiting more than one cost objective or not readily assignable to the cost objective specifically benefited without effort disproportionate to the results achieved. Indirect costs can be allocated on an individual line-item basis or collected in an expense pool and allocated in total, utilizing a base on which to allocate the indirect expenses. In order to achieve equitable cost allocation, a plan must be established to define which costs are to be charged directly and which are to be treated as common or indirect.

SECTION 302 (CONT.)

Not all organizations charge indirect costs to their awards. The auditor should determine if the organization charges indirect costs to the award. If indirect costs are not charged to the award being audited, no audit procedures for indirect costs are required.

.03 However, if indirect costs are charged to the award being audited, then the auditor has some responsibilities concerning the reasonableness of the indirect costs. The main purpose in allocating indirect costs is to ensure that the particular city award bears its fair share of costs compared to other agency programs. Indirect costs are charged through a cost allocation plan. A cost allocation plan should ensure that:

- Its costs are consistent and logical;
- It includes only costs incurred for a common or joint purpose that benefit more than one award and are not readily assignable to one award;
- The award bears its fair share of costs compared to other awards; and
- Indirect costs are not charged as both direct and indirect costs.

.04 Where the cost allocation plan was negotiated, approved and/or audited by a federal agency, the auditor should determine whether:

- The rate(s) and base(s) used in computing charges for indirect costs conform with the provisions of the approved plan;
- The costs accumulated in the pool are in conformity with the approved plan;
- The costs charged to the pool are not also charged directly to the award; and
- All components of the plan approved by a federal agency are applicable to the award under audit.

.05 Where the cost allocation plan was not negotiated, approved and/or audited by a federal agency, the auditor should review the plan and determine whether:

- Indirect costs are allocable and allowable, in conformity with the guidelines of the award and OMB circulars, and were incurred in the period being audited;
- Costs are treated consistently as either direct or indirect costs and are not duplicated between the two classifications;
- Indirect costs are distributed on a basis that takes into account the proportion of goods and/or services received by the applicable cost objective and, as such, is up-to-date;
- Indirect costs are applied consistently under generally accepted accounting principles and can be reconciled to the books of account; and

SECTION 302 (CONT.)

- The same indirect cost amounts were not charged to different awards.

.06 In either instance, the auditor, on a test basis, should determine that indirect costs and/or allocated costs were charged in accordance with the organization's plan and that such plan provides a fair and equitable charge to City of Philadelphia awards and that the same costs are not being charged to different awards.

SECTION 400

REPORTING STANDARDS AND REQUIREMENTS - SINGLE AUDITS

SECTION 401 - BACKGROUND

.01 In order to satisfy the "single audit" reporting requirements of Office of Management and Budget (OMB) Circular A-133 and the requirements of the City of Philadelphia under this Audit Guide, the auditor shall determine and report whether:

- The financial statements of the organization presents fairly its financial position and changes in net assets in accordance with generally accepted accounting principles, and that the schedule of expenditures of federal, state and city awards is presented fairly in all material respects in relation to the organizations financial statements taken as a whole;
- The organization has an internal control structure to provide reasonable assurance that the organization is managing federal, state and City of Philadelphia awards in compliance with applicable laws and regulations, and controls that ensure compliance with laws and regulations that could have a material impact on the financial statements; and
- The organization has complied with laws and regulations that may have a direct and material effect on its financial statement amounts and on each major federal program.

.02 When performing a "Single Audit" under the requirements of this Audit Guide and OMB Circular A-133, the audit report should include the following:

Financial Audit:

- Basic financial statements
- Schedule of expenditures of federal, state and city awards.
- Notes to basic financial statements and notes to schedule of expenditures of federal, state and city awards.
- Independent auditor's opinions on the basic financial statements and the schedule of expenditures of federal, state and city awards.

Compliance and Internal Control:

- Independent auditor's report on internal control related to the financial statements and major programs.
- A report on compliance with laws, regulations, and the provisions of contract or grant agreement(s) and an opinion as to whether the organization complied with laws, regulations, and the provisions of contract or grant agreement(s) which could have a direct and material effect on each major program.

SECTION 401 (CONT.)

Other Schedules and Reports:

- Supplementary financial schedule(s) required by the City of Philadelphia Department making the award to the organization. (The type of financial schedule is specified by the City Department in Sections 1000 to 6000.) (See Sections 409.02 to 409.04)
- Independent auditor's opinion or agreed upon procedures report on the required City of Philadelphia supplementary schedule(s). (See Sections 409.05 to 409.07)
- Special purpose auditor's reports required by a City of Philadelphia Department as specified in Sections 1000 to 6000. (See Sections 409.08 and 409.09)
- Schedule of findings and questioned costs. (See Section 408)
- Separate communication of nonmaterial findings and a management letter. (See Sections 408.11 and 408.12)
- Report on illegal acts, if any. (See Sections 408.13 and 408.14)

SECTION 402 - AUDIT PERIOD

.01 The annual audit period under a single audit for the City of Philadelphia is the organization's fiscal year end. The audit report would cover all financial transactions of the organization including an audit of appropriate federal, state or city financial awards expended during the fiscal year of the organization, along with appropriate reporting on internal control and compliance.

SECTION 403 - INDEPENDENT AUDITOR'S REPORT ON THE BASIC FINANCIAL STATEMENTS AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL, STATE AND CITY AWARDS

.01 OMB Circular A-133 and this Audit Guide require the auditor to express an opinion about whether the basic financial statements of an organization as a whole are presented fairly in conformity with generally accepted accounting principles (GAAP). In addition, this report is to include an opinion as to whether the schedule of expenditures of federal, state and city awards is presented in all material respects in relation to the basic financial statements taken as a whole. The financial statements provide the City of Philadelphia and other appropriate funding agencies with an understanding of an organization's accounting policies and procedures.

.02 This report should make specific reference to the audit having been performed in accordance with Government Auditing Standards and the City of Philadelphia Subrecipient Audit Guide.

SECTION 403 (CONT.)

.03 An illustrative report is presented in Section 412.

SECTION 404 - SCHEDULE OF EXPENDITURES OF FEDERAL, STATE AND CITY AWARDS

.01 OMB Circular A-133 requires the auditor to report on the Schedule of Expenditures of Federal Awards. The schedule should list all federal financial assistance administered by the organization.

.02 OMB Circular A-133 requires that the City of Philadelphia's redistribution of federal financial assistance known as "pass-through awards," to other "quasi- government" or not-for-profit organizations be treated by the last recipient as though they were received directly from the federal government. The recipient of a pass-through award is a subrecipient. Accordingly, pass-through awards should be included on the same basis as federal financial assistance programs that are received directly. The schedule should separately report assistance received directly and assistance received through pass-through awards. The listing of the pass-through awards should include both the federal CFDA (Catalog of Federal Domestic Assistance) number and the pass-through grant award number.

.03 For a single audit under the requirements of this Audit Guide, besides following the requirements specified above, the auditor will be required to report upon the following:

- a. All direct federal financial assistance;
- b. All federal assistance received as a pass-through award from the Commonwealth of Pennsylvania or any other locality; and
- c. All financial assistance received from the City of Philadelphia. These awards may include federal, state or city financial assistance.

.04 Based upon the above, the Schedule of Expenditures of Federal Awards could include federal, state or city financial assistance. Based upon the type of funding audited, the schedule will be appropriately headed. For example, where an organization receives federal, state and city financial assistance, the schedule will be labeled as "Schedule of Expenditures of Federal, State and City Awards"; or if only federal and state assistance is received, the schedule will be labeled "Schedule of Expenditures of Federal and State Awards".

.05 The Schedule of Expenditures of Federal, State and City Awards required by this Audit Guide will have the following format:

- The schedule is to reflect the appropriate portion of a multi-funded City of Philadelphia program (one that has federal, state and city funds) under each of the three funding categories. A multi-funded city award is not to be presented on the schedule as one line item. A breakdown is required for federal purposes under OMB Circular A-133 and the City is requiring separate information on the state and city funded portions of the award.

SECTION 404 (CONT.)

.06 The organization and/or the City of Philadelphia is responsible for identifying what portion of each award is either federal, state or city funded. Where this determination cannot be made, then the total award is to be reported on the Schedule of Expenditures of Federal, State and City Awards under federal awards. This total combined reporting should include a footnote that the delineation by federal, state or city funded portion is not determinable.

.07 The Schedule of Expenditures of Federal, State and City Awards requires the inclusion of a CFDA number for all federal financial assistance received directly or as a "pass-through award". The CFDA numbers are listed in the Catalog of Federal Domestic Assistance and for many of the City of Philadelphia funded awards in Sections 1000 to 6000 of this Guide, by program type.

.08 If the CFDA number is not available, the schedule should include the first two digits, that identify the federal agency, and leave the remaining digits blank.

.09 The financial information included in the schedule should be derived from the organization's books and records from which the basic financial statements were prepared. It should be prepared to the greatest extent practical on a basis consistent with the contract/grant reports. However, the schedule's data may not fully agree with the contract/grant reports because, among other reasons, the contract/grant reports:

- May be prepared on a different fiscal period.
- May include cumulative amounts (from prior years) rather than only current-year data.

.10 The expenditures reported on the Schedule of Expenditures of Federal, State and City Awards for the City of Philadelphia are to be in agreement with the amounts reflected in any supplemental financial schedule as required by Sections 1000 to 6000 of this Audit Guide. These expenditures should agree since the financial information on the Schedule of Expenditures of Federal, State and City Awards and the Supplementary Schedule are both based upon the organization's books and records, as audited by the independent auditor.

Where an award includes program income generated by the program operations, then such program income and any resultant expenditures are to be considered in the determination of the activity to be reported as expenditures.

.11 In certain instances, the total program expenditures may exceed the maximum reimbursement under the award when additional non-grant sources provide support for a program. The Schedule of Expenditures of Federal, State and City Awards should separately identify funded expenditures but may also show non-funded expenditures as separate amounts, or as an explanatory note to the schedule.

When the organization has submitted a budget modification to raise the budget ceiling, believes it will be approved, and intends to bill the City of Philadelphia for those expenditures in excess of the current approved budget, the actual total expenditures should be reflected on the Schedule of Expenditures of Federal, State and City Awards. The amount and circumstances concerning the excess should be disclosed in a footnote.

SECTION 404 (CONT.)

.12 In assessing the completeness of the schedule, the auditor should consider, among other things, evidence obtained from audit procedures performed in the audit of financial statements, such as procedures performed to evaluate the completeness and classification of recorded expenditures. This may include sending confirmations to granting federal agencies or recipient governments when conducting an audit of a subrecipient.

.13 An illustrative Schedule of Expenditures of Federal, State and City Awards is presented in Section 413.

SECTION 405 - NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL, STATE AND CITY AWARDS

.01 There should be notes to the schedule to ensure it is presented fairly. The information that should be included in the notes follows:

- Basis of accounting of the data.
- Disclosure of the nature of the differences between the amounts presented in the schedule and the amounts reported in related financial reports to the funding source.
- Explanation of the relationship of the data presented to the basic financial statements.
- Assumptions used to value noncash programs and means of calculations.
- Unique matters necessary to understand the amounts presented for any individual program.
- Information on subrecipients the organization had contractual agreements with related to federal, state or city awards. This would include names of the subrecipients and related expenditure amounts.
- Other matters considered necessary to ensure that the schedule is not misleading.

.02 An example of some notes is presented in Section 414.

SECTION 406 - INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

.01 This report, required by OMB Circular A-133 and Government Auditing Standards reports on:

- Internal control related to the financial statements.
- Compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements.

SECTION 406 (CONT.)

This report shall describe the scope of testing of internal control and the results of the tests, and, where applicable, refer to the separate Schedule of Findings and Questioned Costs described in Section 408 of this Audit Guide.

.02 The report's compliance with Government Auditing Standards, as specified on page 52, requires that:

The report on financial statements should either: (1) describe the scope of the auditors' testing of compliance with laws and regulations and internal controls and present the results of those tests or (2) refer to separate reports containing that information. In presenting the results of those tests, auditors should report irregularities, illegal acts, other material noncompliance, and reportable conditions in internal controls. In some circumstances, auditors should report irregularities and illegal acts directly to parties external to the audited entity.

Auditors may report on compliance with laws and regulations and internal controls in the report on the financial statements or in separate reports. When auditors report on compliance and controls in the report on the financial statements, they should include an introduction summarizing key findings in the audit of the financial statements and the related compliance and internal controls work. Auditors should not issue this introduction as a stand-alone report. When auditors report separately on compliance and controls, the report on the financial statements should state that they are issuing those additional reports.

.03 Illustrative reports on Compliance and Internal Control in accordance with Government Auditing Standards are presented in Sections 415 and 416.

SECTION 407 - INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND THE INTERNAL CONTROL STRUCTURE OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

.01 This report, required by OMB Circular A-133 includes a:

- Report on internal control related to major programs.
- An opinion as to whether the organization complied with laws, regulations, and the provisions of contracts or grant agreements which could have a direct and material effect on each major program.

This report shall describe the scope of testing of internal control and the results of the tests, and, where applicable, refer to separate Schedule of Findings and Questioned Costs described in Section 408 of this Audit Guide.

.02 When a City of Philadelphia contract has been designated as a major program, a reference that the audit was performed in accordance with the City of Philadelphia Subrecipient Audit Guide must be included in the report.

.03 Illustrative reports on compliance and internal control related to major programs under OMB Circular A-133 are presented in Sections 417 and 418.

SECTION 408 - SCHEDULE OF FINDINGS AND QUESTIONED COSTS

.01 Under the requirements of OMB Circular A-133 and this Audit Guide, a report issued in accordance with these directives shall include a Schedule of Findings and Questioned Costs. This schedule shall include the following three components:

I. Summary of Auditor's Results

This section would include:

- a. The type of report the auditor issued on the financial statements of the organization (i.e., unqualified opinion, qualified opinion, adverse opinion, or disclaimer of opinion);
- b. Where applicable, a statement that reportable conditions in internal control were disclosed by the audit of the financial statements and whether any such conditions were material weaknesses;
- c. A statement as to whether the audit disclosed any noncompliance which is material to the financial statements of the organization;
- d. Where applicable, a statement that reportable conditions in internal control over major programs were disclosed by the audit and whether any such conditions were material weaknesses;
- e. The type of report the auditor issued on compliance for major programs (i.e., unqualified opinion, qualified opinion, adverse opinion, or disclaimer of opinion);
- f. A statement as to whether the audit disclosed any audit findings which the auditor is required to report under Section 408.03 of this Audit Guide.
- g. An identification of major programs;
- h. The dollar threshold used to distinguish between Type A and Type B programs.
- i. A statement as to whether the auditee qualified as a low-risk auditee.

II. Summary of Findings Relating to Government Auditing Standards

This section would summarize each finding and provide a reference number to the actual detailed audit finding.

III. Summary of Findings and Questioned Costs Related to Federal, State and City Federal Awards

This section would summarize each finding and questioned cost and provide a reference to the actual detailed finding and/or questioned cost.

SECTION 408 (CONT.)

Presentation of Findings and Questioned Costs

.02 When the auditor is reporting a finding on internal control or compliance, whether dollar related (questioned cost) or non-dollar related, the audit finding presentation should adhere to the requirements of Government Auditing Standards, which requires that:

- Auditors should report significant audit findings, and where applicable, the auditors' conclusions.
 - Auditors should report the significant findings developed in response to the audit objective. In reporting the findings, auditors should include sufficient, competent and relevant information to promote adequate understanding of the matters reported and to provide convincing but fair presentations in proper perspective. Auditors should also report appropriate background information that readers need to understand the findings.
 - Audit findings have often been regarded as containing the elements of criteria, condition and effect, plus cause when problems are found. However, the elements needed for a finding depends entirely on the objectives of the audit. Thus, a finding or set of findings is complete to the extent that the audit objectives are satisfied and the report clearly relates those objectives to the finding's elements.
 - The report should contain conclusions when called for by the audit objectives. Conclusions are logical inferences about the program based on the auditors findings.
- Auditors should report recommendations for actions to correct problem areas and to improve operations.
 - Auditors should report recommendations when the potential for significant improvement in operations and performance is substantiated by the reported findings. Recommendations to effect compliance with laws and regulations and improve management controls should also be made when significant instances of noncompliance are noted or significant weaknesses in controls are found.

.03 Audit findings in accordance with OMB Circular A-133, would require the auditor to report:

- Reportable conditions in internal control over a major program. The auditor's determination of whether a deficiency in internal control is a reportable condition for the purpose of reporting an audit finding is in relation to a type of compliance requirement for a major program or an audit objective identified in the compliance supplement. The auditor shall identify reportable conditions which are individually or cumulatively material weaknesses.

SECTION 408 (CONT.)

- Material noncompliance with the provisions of laws, regulations, contracts, or grant agreements related to a major program. The auditor's determination of whether a noncompliance with the provisions of laws, regulations, contracts, or grant agreements is material for the purpose of reporting an audit finding is in relation to a type of compliance requirement for a major program or an audit objective identified in the compliance supplement.
- Known questioned costs which are greater than \$10,000 for a type of compliance requirement for a major program **or when an opinion is required on a supplemental schedule as specified in Sections 408.02 to 408.05 of this Audit Guide.**
- The auditor shall also report known questioned costs when likely questioned costs are greater than \$10,000 for a type of compliance requirement for a major program **or when an opinion is required on a supplemental schedule as specified in Sections 408.02 to 408.05 of this Audit Guide.** Known questioned costs are those specifically identified by the auditor. In evaluating the effect of questioned costs on the opinion on compliance, the auditor considers the best estimate of total costs questioned (likely questioned costs), not just the questioned costs specifically identified (known questioned costs).
- Known questioned costs which are greater than \$10,000 for a federal program which is not audited as a major program. Except for audit follow-up, the auditor is not required to perform audit procedures for such a federal, state or city program; therefore, the auditor will normally not find questioned costs for a program which is not audited as a major program. However, if the auditor does become aware of questioned costs for a program which is not audited as a major program (e.g., as part of audit follow-up or other audit procedures) and the known questioned costs are greater than \$10,000, then the auditor shall report this as an audit finding.
- The circumstances concerning why the auditor's report on compliance for major programs is other than an unqualified opinion, unless such circumstances are otherwise reported as audit findings in the Schedules of Findings and Questioned Costs for Federal, State or City awards.
- Known fraud affecting a federal, state or city award, unless such fraud is otherwise reported as an audit finding in the Schedule of Findings and Questioned Costs for Federal, State or City Awards. This paragraph does not require the auditor to make an additional reporting when the auditor confirms that the fraud was reported outside of the auditor's reports under the direct reporting requirements of GAGAS.
- Instances where the results of audit follow-up procedures disclosed that the summary schedule of prior audit findings prepared by the auditee in accordance with Section 410 materially misrepresents the status of any prior audit finding.

.04 Audit findings shall be presented in sufficient detail for the organization to prepare a corrective action plan and take corrective action and for federal agencies and the City of Philadelphia to arrive at a management decision. The following specific information shall be included, as applicable, in audit findings.

SECTION 408 (CONT.)

- Federal program and specific federal award identification including the CFDA title and number, federal award number and year, name of federal agency, and name of the applicable pass-through entity. When information, such as the CFDA title and number or federal award number, is not available, the auditor shall provide the best information available to describe the federal award.
- Where applicable, the City of Philadelphia Department making the award along with the City of Philadelphia contract number and contract period.
- The criteria or specific requirement upon which the audit finding is based, including statutory, regulatory, or other citation.
- The condition found, including facts that support the deficiency identified in the audit finding.
- Identification of questioned costs and how they were computed.
- Information to provide proper perspective for judging the prevalence and consequences of the audit findings, such as whether the audit findings represent an isolated instance or a systemic problem. Where appropriate, instances identified shall be related to the universe and the number of cases examined and be quantified in terms of dollar value.
- The possible asserted effect to provide sufficient information to the organization and federal agency, or the City of Philadelphia, to permit them to determine the cause and effect to facilitate prompt and proper corrective action.
- Recommendations to prevent future occurrences of the deficiency identified in the audit finding.
- Views of responsible officials of the auditee when there is disagreement with the audit findings, to the extent practical.

.05 Each audit finding in the Schedule of Findings and Questioned Costs shall include a reference number to allow for easy referencing of the audit findings during follow-up.

.06 Audit findings (e.g., internal control findings, compliance findings or questioned costs) which relate to the same issue should be presented as a single audit finding. Where practical, audit findings should be organized by federal agency or by City of Philadelphia pass-through activity.

.07 Audit findings which relate to both the financial statements and federal awards, as reported under Sections 406 and 407 of this Audit Guide, respectively, should be reported in both sections of the Schedule of Findings and Questioned Costs. However, the reporting in one section of the schedule may be in summary form with a reference to a detailed reporting in the other section of the schedule.

.08 The organization at the completion of the audit, shall prepare a corrective action plan to address each audit finding included in the current year auditor's reports. The corrective action plan shall provide the name(s) of the contract person(s) responsible for corrective action, the corrective

SECTION 408 (CONT.)

action planned, and the anticipated completion date. If the organization does not agree with the audit findings or believes corrective action is not required, then the corrective action plan shall include an explanation and specific reasons.

.09 The corrective action plan is due upon presentation of the report to the City of Philadelphia. A report will not be considered complete and acceptable by the City of Philadelphia until the corrective action plan is submitted.

.10 An example of the proper presentation of audit findings and questioned costs is presented in Section 422.

Separate Written Communications

.11 Where the auditor has issued a separate written communication to the management of the audited organization such communication, commonly referred to as a "Management Letter", must be submitted to the City of Philadelphia.

.12 The management letter is to be transmitted along with the audit report, when the audit report is transmitted to the City of Philadelphia. A report will not be considered complete and acceptable by the City of Philadelphia until the management letter is submitted.

Reporting on Irregularities and Illegal Acts

.13 Where the auditor determines that a report on an irregularity or illegal act is necessary the guidance previously provided in Section 310 of this Audit Guide should be followed.

.14 Reporting of any potential illegal act or irregularity under a City of Philadelphia award would include notification to appropriate officials at the City of Philadelphia, Department of Finance and the City Department(s) providing financial assistance to the organization. In all instances of reporting such information, the auditor should consult with appropriate legal counsel.

SECTION 409 – OTHER SCHEDULES AND REPORTS

.01 In addition to the financial schedules, reports and opinions required under an audit in accordance with OMB Circular A-133, the City of Philadelphia under this Audit Guide will require additional information and disclosures. These additional requirements are specified in this section.

Supplementary Financial Schedule

.02 On almost all City of Philadelphia awards the organization is normally required to submit periodic reports of financial and/or program activity. A supplementary schedule of this activity must be presented in the audit report as specified in Sections 1000 to 6000 of this Audit Guide.

SECTION 409 (CONT.)

.03 The type of supplementary schedule to be presented in the audit report depends upon the City of Philadelphia Department providing the award to the organization. For the specific type of supplementary schedule to be presented, the organization and its independent auditor should refer to the appropriate subsection in Sections 1000 to 6000 of this Audit Guide.

.04 When the period of the award from the City of Philadelphia is different than the organization's fiscal year, then the reporting of the supplementary financial information will require special presentation. In such instances the supplementary financial schedule must reflect separate reporting for all contracts in which the organization had activity during the fiscal year. For example, when the organization's fiscal year is March 31 and the City contract award is on a June 30 year, the supplementary schedule must include:

- The financial activity of the award for the period April 1st to June 30th (the last three months of the award which has continued from the prior fiscal year); and
- The financial activity of the new award for the period July 1st to March 31st (the first nine months of the award).

.05 In some instances the supplemental financial schedules will require an auditor's opinion in accordance with the City of Philadelphia, Subrecipient Audit Guide. In other instances the supplemental financial schedules will only require an agreed-upon procedures report on whether the amounts reflected in the schedules are in agreement with the agency's books of account. The type of report/opinion for a particular City Department is specified in Sections 1000 to 6000.

.06 The auditor's report on the supplemental financial schedules should make specific reference to the audit or agreed-upon procedures having been performed in accordance with the City of Philadelphia Subrecipient Audit Guide and provides an opinion on the fair presentation of the schedule "in relation to" the basic financial statements.

.07 Illustrative reports for both the presentation of an opinion on the supplementary schedule(s) and agreed upon procedures report are presented in Sections 419 and 420, respectively.

Special Purpose Auditor's Report(s)

.08 Certain City of Philadelphia Departments may require the auditor to issue reports in addition to those reports required in Sections 403, 406, 407 and 409.05 of this Audit Guide. Those additional reports, if any, are specified in Sections 1000 to 6000 of this Guide.

.09 An example of these additional reports would be the reports on cost allocations required by the Department of Human Services (Section 2000) and Department of Public Health (Section 6000).

SECTION 410 - FOLLOW-UP OF PRIOR AUDIT REPORT FINDINGS

.01 In accordance with Government Auditing Standards (Chapter 4, paragraph 4.10) auditors should follow up on known findings and recommendations from the previous audit that could affect the current financial statement audit. They should do this to determine whether the organization has taken timely and appropriate corrective actions. Auditors should report the status of uncorrected material findings and recommendations from prior audits that affect the current financial statement audit.

.02 Under OMB Circular A-133 and the requirements of the City of Philadelphia, Subrecipient Audit Guide, the organization is responsible for follow-up and corrective action on all audit findings. As part of this responsibility, the organization is to prepare a summary schedule of prior audit findings. The summary schedule of prior audit findings shall include the reference numbers the auditor assigns to audit findings. Since the summary schedule may include audit findings from multiple years, it shall include the fiscal year in which the finding initially occurred.

.03 The summary schedule of prior audit findings (prepared by the organization) is to report the status of all audit findings included in the prior audit report. The summary schedule is to also include audit findings reported in the prior audit report except audit findings listed as corrected in accordance with paragraph (1) below, or no longer valid or not warranting further action in accordance with paragraph (4) below.

- (1) When audit findings were fully corrected, the summary schedule need only list the audit findings and state that corrective action was taken.
- (2) When audit findings were not corrected or were only partially corrected, the summary schedule shall describe the planned corrective action as well as any partial corrective action taken.
- (3) When corrective action taken is significantly different from corrective action previously reported in a corrective action plan or in the federal agency's or a City of Philadelphia department's management decision, the summary schedule shall provide an explanation.
- (4) When the organization believes the audit findings are no longer valid or do not warrant further action, the reasons for this position shall be described in the summary schedule. A valid reason for considering an audit finding as not warranting further action is that all of the following have occurred:
 - (i) Two years have passed since the audit report in which the finding occurred was submitted to the federal clearinghouse and to the City of Philadelphia;
 - (ii) The federal agency or the City of Philadelphia is not currently following up with the subrecipient on the audit finding; and
 - (iii) A management decision was not issued.

SECTION 410 (CONT.)

.04 The auditor is to determine whether the follow-up stated by the organization in the Summary Schedule of Prior Audit Findings accurately reflects the actual action taken by the organization based upon the current audit. Instances where the results of audit follow-up procedures disclosed that the summary of prior audit findings prepared by the organization materially misrepresents the status of prior audit finding, then the auditor needs to note such and present a finding in the Summary Schedule of Findings and Questioned Costs.

SECTION 411 - OTHER INFORMATION

Table of Contents

.01 All audit reports are to include a Table of Contents including page number references.

Freedom of Information Act

.02 Under the Freedom of Information Act (Public Law 90-23), reports become available for release to the public, once they are accepted, finalized and issued to the City of Philadelphia, to the extent that information contained in them is not subject to exemptions of the Act. Accordingly, the auditor should not include names, social security numbers or other personal identification in either the body of the report or any attached schedules.

SECTION 412 - UNQUALIFIED OPINION ON FINANCIAL STATEMENTS AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL, STATE AND CITY AWARDS

Independent Auditor's Report

[Addressee]

We have audited the accompanying statement of financial position of *(Name of Organization)* as of June 30, 20XX, and the related statements of activities and cash flows **(1)** for the year then ended. These financial statements are the responsibility of *(Name of Organization)*'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of *(Name of Organization)* as of June 30, 20XX, and the changes in its net assets and its cash flows for the year then ended in conformity with generally accepted accounting principles.

In accordance with *Government Auditing Standards*, we have also issued our report dated [date of report] on our consideration of *(Name of Organization)*'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of *(Name of Organization)* taken as a whole. The accompanying schedule of expenditures of federal, state and city awards is presented for purposes of additional analysis as required by U. S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and the City of Philadelphia Subrecipient Audit Guide, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

(2) (3) (4)

[Signature]

[Date]

SECTION 412 (CONT.)

- (1) If the not-for-profit organization is a voluntary health and welfare organization, this phrase should be modified to read “ and the related statements of activities, functional expenses and cash flows....”
- (2) When reporting on supplementary information, the auditor should consider the effect of any modifications to the report on the basic financial statements. Further, if the report on supplementary information is other than unqualified, this paragraph should be modified. Guidance for reporting in these circumstances is described in SAS No. 29, *Reporting on Information Accompanying the Basic Financial Statements in Auditor Submitted Documents* (AICPA, *Professional Standards*, vol. 1, AU sec. 551, paragraphs 551.09-.11 and 551.13-.14)
- (3) This paragraph should be deleted if the schedule of expenditures of federal, state and city awards is not presented with the financial statements (i.e., a separate single audit package is issued). In such circumstance, the required reporting on the schedule may be incorporated in the report issued to meet the requirements of U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and *City of Philadelphia Subrecipient Audit Guide*. See Sections 417 and 418 and footnotes 2 and 3, respectively, for additional guidance.
- (4) If reporting on additional supplementary information, this paragraph should be modified to describe the additional supplementary information. SAS No. 29 (AICPA, *Professional Standards*, vol. 1, AU sec. 551), provides useful guidance.

(2) Accrued expenditures in accordance with the requirements of Sections 404.10 and 404.11 of this Audit Guide.

(3) All federal financial assistance by federal department providing the financial assistance, with sub-totals by federal department. The listing should differentiate between direct awards and pass-through awards.

SECTION 413 (CONT.)

- (4) Federal awards received by the organization directly from the Commonwealth of Pennsylvania.
- (5) Federal awards received by the organization from the City of Philadelphia either indirectly from the State to the City or from the Federal government to the City.
- (6) This Audit Guide is not requiring a single audit of state financial assistance received directly from the Commonwealth of Pennsylvania. However, if there is such assistance and it is not reported, the auditor should appropriately disclose this information in the notes to this schedule. (See Section 414).
- (7) This part of the schedule should list City general revenue funding of awards by City department.
- (8) For all contract awards funded through the Department of Community and Economic Development (DCED) of the Commonwealth of Pennsylvania, the auditor is required by DCED to provide the DCED Project Number. This should be obtained on direct program awards on the award agreement or on pass-through awards from the Office of Housing and Community Development (OHCD) of the City of Philadelphia by contacting OHCD.

SECTION 414 - NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL, STATE AND CITY AWARDS

The following represents sample notes to the Schedule of Expenditures of Federal, State and City Awards.

(Name of Organization)
Notes to Schedule of Expenditures of Federal, State and City Awards
Year ended June 30, 20XX

1. General Information:

The accompanying schedule of expenditures of federal, state and city awards presents the activities in all the federal, state and city financial assistance programs of *(Name of Organization)*. All financial assistance received directly from federal, state or city agencies as well as financial assistance passed through other governmental agencies or not-for-profit organizations are included on the schedule. **(1)**

2. Basis of Accounting:

The accompanying schedule of expenditures of federal, state and city awards is presented using the accrual basis of accounting. The amounts reported in this schedule as expenditures may differ from certain financial reports submitted to federal, state or city funding agencies due to those reports being submitted on either a cash or modified accrual basis of accounting.

3. Relationship to Basic Financial Statements:

Federal, state and city awards expenditures are reported on the statement of functional expenses as program services. In certain programs, the expenditures reported in the basic financial statements may differ from the expenditures reported in the schedule of federal, state and city awards due to program expenditures exceeding grant or contract budget limitations which are not included as federal, state and city awards.

4. Subrecipient Funding:

A portion of the contract awards received from *(Name of Grantor)*, as reflected in the accompanying schedule of expenditures of federal, state and city awards, was subcontracted to the following organizations:

Subrecipient Name

Subrecipient Expenditures

(1) State financial assistance awards not received from the City of Philadelphia are not a required part of an audit in accordance with the City of Philadelphia Subrecipient Audit Guide. Where such state financial assistance is not reflected in the schedule of expenditures of federal, state and city awards, this paragraph should be appropriately modified. Those state financial assistance awards not audited should be disclosed.

SECTION 415 - REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*
[No Reportable Instances of Noncompliance and No Material Weaknesses (No Reportable Conditions Identified)]

[Addressee]

We have audited the financial statements of (*Name of Organization*) as of and for the year ended June 30, 20XX, and have issued our report thereon dated September 15, 20XX (1). We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether (*Name of Organization*)'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. (2)

Internal Control Over Financial Reporting

In planning and performing our audit, we considered (*Name of Organization*)'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. (3)

This report is intended solely for the information and use of the audit committee, management, and federal awarding agencies and pass-through entities and is not intended and should not be used by anyone other than these specified parties.

[Signature]

[Date]

SECTION 415 (CONT.)

- (1) Describe any departure from the standard report (e.g., qualified opinion, modification as to consistency due to change in accounting principle, reference to the report of other auditors, etc.)
- (2) If the auditor has issued a separate letter to management to communicate matters that do not meet the criteria for reporting in paragraph 5.18 of *Government Auditing Standards*, this paragraph should be modified to include a statement such as the following:

However, we noted certain immaterial instances of noncompliance that we have reported to management of (*Name of Organization*) in a separate letter dated September 15, 20XX.

- (3) If the auditor has issued a separate letter to management to communicate other matters involving the design and operation of the internal control over financial reporting, this paragraph should be modified to include a statement such as the following:

However, we noted other matters involving the internal control over financial reporting that we have reported to management of (*Name of Organization*) in a separate letter dated September 15, 20XX.

SECTION 416 - REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS
[Reportable Instances of Noncompliance and Reportable Conditions Identified]

[Addressee]

We have audited the financial statements of *(Name of Organization)* as of and for the year ended June 30, 20XX, and have issued our report thereon dated September 15, 20XX. (1) We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether *(Name of Organization)*'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance that are required to be reported under *Government Auditing Standards* which are described in the accompanying schedule of findings and questioned costs as items *[List related finding reference numbers]* (2)

Internal Control Over Financial Reporting

In planning and performing our audit, we considered *(Name of Organization)*'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted certain matters involving the internal control over financial reporting and its operation that we consider to be reportable conditions. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect *(Name of Organization)*'s ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. Reportable conditions are described in the accompanying schedule of findings and questioned costs as items *[List related finding reference numbers]*.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we believe none of the reportable conditions described above is a material weakness. (3) (4)

SECTION 416 (CONT.)

This report is intended solely for the information and use of the audit committee, management, and federal awarding agencies and pass-through entities and is not intended and should not be used by anyone other than these specified parties.

[Signature]

[Date]

- (1) Describe any departure from the standard report (e.g., qualified opinion, modification as to consistency due to change in accounting principle, reference to the report of other auditors, etc.)
- (2) If the auditor has issued a separate letter to management to communicate matters that do not meet the criteria for reporting in paragraph 5.18 of *Government Auditing Standards*, this paragraph should be modified to include a statement such as the following:

We also noted certain immaterial instances of noncompliance that we have reported to management of (Name of Organization) in a separate letter dated September 15, 20XX.

- (3) If conditions believed to be material weaknesses are disclosed, the report should identify the material weaknesses that have come to the auditor's attention. The last sentence of this paragraph should be replaced with language such as the following:

However, of the reportable conditions described above, we consider items [List related finding reference numbers] to be material weaknesses.

- (4) If the auditor has issued a separate letter to management to communicate other matters involving the design and operation of the internal control over financial reporting, this paragraph should be modified to include a statement such as the following:

We also noted other matters involving the internal control over financial reporting that we have reported to management of (Name or Organization) in a separate letter dated September 15, 20XX.

SECTION 417 – REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

[Unqualified Opinion on Compliance and No Material Weaknesses (No Reportable Conditions Identified)]

[Addressee]

Compliance

We have audited the compliance of *(Name of Organization)* with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 20XX. *(Name of Organization)*'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of *(Name of Organization)*'s management. Our responsibility is to express an opinion on *(Name of Organization)*'s compliance based on our audit.

We conducted our audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and the *City of Philadelphia Subrecipient Audit Guide (1)*. Those standards, OMB Circular A-133 and the *City of Philadelphia Subrecipient Audit Guide (1)* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about *(Name of Organization)*'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on *(Name of Organization)*'s compliance with those requirements.

In our opinion, *(Name of Organization)* complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 20XX. However, the results of our auditing procedures disclosed instances of noncompliance with those requirements that are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs as items *[List related finding reference number]*. (2)

Internal Control Over Compliance

The management of *(Name of Organization)* is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered *(Name of Organization)*'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133 and the *City of Philadelphia Subrecipient Audit Guide (1)*.

SECTION 417 (CONT.)

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses. (3)

This report is intended solely for the information and use of the audit committee, management, and federal awarding agencies and pass-through entities and is not intended and should not be used by anyone other than these specified parties.

[Signature]

[Date]

- (1) When a City of Philadelphia contract has been designated as a major program, then this reference to the City of Philadelphia Subrecipient Audit Guide must be included in the report.
- (2) When there are no such instances of noncompliance identified in the schedule of findings and questioned costs, the last sentence should be omitted.
- (3) As noted in footnote 3 in Section 412, there may be instances where it would be appropriate to report on the schedule of expenditures of federal, state and city awards in this report (i.e., a separate single audit package is issued). In such a circumstance, a new section should be added immediately following this paragraph as follows:

Schedule of Expenditures of Federal, State and City Awards

We have audited the basic financial statements of (Name of Organization) as of and for the year ended June 30, 20XX, and have issued our report thereon dated September 15, 20XX. Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedule of expenditures of federal, state and city awards is presented for purposes of additional analysis as required by OMB Circular A-133 and the City of Philadelphia Subrecipient Audit Guide and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

SECTION 418 - REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

[Qualified Opinion on Compliance and Reportable Conditions Identified]

[Addressee]

Compliance

We have audited the compliance of *(Name of Organization)* with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 20XX. *(Name of Organization)*'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of *(Name of Organization)*'s management. Our responsibility is to express an opinion on *(Name of Organization)*'s compliance based on our audit.

We conducted our audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and the *City of Philadelphia Subrecipient Audit Guide (1)*. Those standards, OMB Circular A-133 and the *City of Philadelphia Subrecipient Audit Guide (1)* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about *(Name of Organization)*'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on *(Name of Organization)*'s compliance with those requirements.

As described in item *[List related finding reference number]* in the accompanying schedule of findings and questioned costs, *(Name of Organization)* did not comply with requirements regarding *[identify type(s) of compliance requirement]* that are applicable to its *[identify major federal program]*. Compliance with such requirements is necessary, in our opinion, for *(Name of Organization)* to comply with requirements applicable to that program.

In our opinion, except for the noncompliance described in the preceding paragraph, *(Name of Organization)* complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 20XX. **(2)**

Internal Control Over Compliance

The management of *(Name of Organization)* is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered *(Name of Organization)*'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133 and the *City of Philadelphia Subrecipient Audit Guide (1)*.

SECTION 418 (CONT.)

We noted certain matters involving the internal control over compliance and its operation that we consider to be reportable conditions. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over compliance that, in our judgment, could adversely affect (*Name of Organization*)’s ability to administer a major federal program in accordance with applicable requirements of laws, regulations, contracts and grants. Reportable conditions are described in the accompanying schedule of findings and questioned costs as items [*List related finding reference numbers*].

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we believe none of the reportable conditions described above is a material weakness. **(3) (4)**

This report is intended solely for the information and use of the audit committee, management, and federal awarding agencies and pass-through entities and is not intended and should not be used by anyone other than these specified parties.

[Signature]

[Date]

(1) When a City of Philadelphia contract has been designated as a major program, then this reference to the City of Philadelphia Subrecipient Audit Guide must be included in the report.

(2) When other instances of noncompliance are identified in the schedule of findings and questioned costs as required by OMB Circular A-133, the following sentence should be added:

The results of our auditing procedures also disclosed other instances of noncompliance with those requirements that are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs as items [*List related finding reference number*].

(3) If conditions believed to be material weaknesses are disclosed, the report should identify the material weaknesses that have come to the auditor’s attention. The last sentence of this paragraph should be replaced with language such as the following:

However, of the reportable conditions described above, we consider items [*List related finding reference number*] to be material weaknesses.

SECTION 418 (CONT.)

- (4) As noted in footnote 3 in Section 412, there may be instances where it would be appropriate to report on the schedule of expenditures of federal, state and city awards in this report (i.e., a separate single audit package is issued). In such a circumstance, a new section should be added immediately following this paragraph as follows:

Schedule of Expenditures of Federal, State and City Awards

We have audited the basic financial statements of (*Name of Organization*) as of and for the year ended June 30, 20XX, and have issued our report thereon dated September 15, 20XX. Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedule of expenditures of federal, state and city awards is presented for purposes of additional analysis as required by OMB Circular A-133 and the City of Philadelphia Subrecipient Audit Guide and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

**SECTION 419 - INDEPENDENT AUDITOR'S OPINION ON SUPPLEMENTARY FINANCIAL SCHEDULES
REQUIRED BY SECTIONS 1000 TO 6000**

[*Addressee*]

We have audited the financial statements of (*Name of Organization*) for the year ended June 30, 20XX, and have issued our report thereon dated September 15, 20XX. These financial statements are the responsibility of (*Name of Organization*) management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards; *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *City of Philadelphia Subrecipient Audit Guide*. Those standards and the *City of Philadelphia Subrecipient Audit Guide* require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was made for the purpose of forming an opinion on the basic financial statements of (*Name of Organization*) taken as a whole. The accompanying (*specify appropriate financial schedule(s) as required by Sections 1000 to 6000*) is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information in that schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

(*Signature*)

(*Date*)

SECTION 420 - AGREED-UPON PROCEDURES REPORT ON SUPPLEMENTARY FINANCIAL SCHEDULES REQUIRED BY SECTIONS 1000 TO 6000

[Addressee]

We have performed the procedures enumerated below, which were agreed to by the City of Philadelphia and the *(Name of Organization)* for the year ended June 30, 20XX, solely to assist you in complying with the requirements of the *City of Philadelphia Subrecipient Audit Guide*. This engagement to apply agreed-upon procedures was performed in accordance with the standards established by the American Institute of Certified Public Accountants. These agreed-upon procedures have been performed in conjunction with, and in addition to, our audit of the *(Name of Organization)* as of and for the year ended June 30, 20XX on which we have issued our report dated September 15, 20XX. The sufficiency of the procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and associated findings are as follows:

- a. We have applied procedures to determine whether the amounts presented in the schedules listed below are in agreement with the amounts recorded in the books of account of the *(Name of Organization)* for the year ended June 30, 20XX.

<u>City of Philadelphia Department</u>	<u>Contract Number</u>	<u>Schedule Reference</u>
--	----------------------------	-------------------------------

(List each supplemental schedule by City of Philadelphia award)

(Specify in detail as to any differences noted between those amounts as reflected in the schedules and in the books of account.)

- b. We inquired of management regarding any adjustment to the amounts reflected in the supplementary schedules identified in item a. above. These inquiries disclosed the following adjustments: **(1)**

(Detail any adjustments, or if required by Section 1000 to 6000 of this Audit Guide provide reference to a supplementary schedule of adjustments.)

We were not engaged to, and did not, perform an audit, the objective of which would be the expression of an opinion on the specified elements, accounts, or items. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

SECTION 420 (CONT.)

This report is solely for the use of management and the City of Philadelphia, (*specify City Department(s)*) and should not be used for any other purpose. This restriction is not intended to limit the distribution of this report which, upon acceptance by the City of Philadelphia, (*specify City Department(s)*) is a matter of public record.

(*Signature*)

(*Date*)

(1) If there were no adjustments, then this sentence should read:

These inquiries disclosed no adjustments.

SECTION 421 - SAMPLE SCHEDULE OF FINDINGS AND QUESTIONED COSTS

(Name of Organization)
Schedule of Findings and Questioned Costs
For the year ended June 30, 20XX

Section I – Summary of Auditor’s Results

Financial Statements

Type of auditors’ report issued: [unqualified, qualified, adverse, or disclaimer]

Internal control over financial reporting:

- Material weakness(es) identified? _____yes _____no
- Reportable condition(s) identified that are not considered to be material weaknesses? _____yes _____none reported

Noncompliance material to financial statements noted? _____yes _____no

Federal Awards

Internal control over major programs:

- Material weakness(es) identified? _____yes _____no
- Reportable condition(s) identified that are not considered to be material weaknesses? _____yes _____none reported

Type of auditor’s report issued on compliance for major programs: [unqualified, qualified, adverse, or disclaimer] **(1)**

Any audit findings disclosed that are required to be reported in accordance with section 510(a) of Circular A-133? _____yes _____no

(1) If the audit report for one or more major programs is other than unqualified, indicate the type of report issued for each program. For example, if the audit report on major program compliance for an auditee having five major programs includes an unqualified opinion for three of the programs, a qualified opinion for one program, and a disclaimer of opinion for one program, the response to this question could be as follows: “Unqualified for all major programs except for [name of program], which was qualified and [name of program], which was a disclaimer.

SECTION 421 (CONT.)

(Name of Organization)
Schedule of Findings and Questioned Costs
For the Year Ended June 30, 20XX
(continued)

Identification of major programs (2)

CFDA Number(s) (3)

Name of Federal Program or Cluster (4)

Dollar threshold used to distinguish
between type A and type B programs:

\$ _____

Auditee qualified as low-risk auditee?

_____ yes _____ no

-
- (2) Major programs should generally be identified in the same order as reported on the schedule of expenditures of federal awards.
 - (3) When the CFDA number is not available, include other identifying number, if applicable.
 - (4) The name of the federal program or cluster should be the same as that listed in the schedule of expenditures of federal awards. For clusters, auditors are only required to list the name of the cluster and not each individual program within the cluster.

SECTION 421 (CONT.)

(Name of Organization)
Schedule of Findings and Questioned Costs
For the Year Ended June 30, 20XX
(continued)

Section II – Financial Statement Findings

[This section identifies the reportable conditions, material weaknesses, and instances of noncompliance related to the financial statements that are required to be reported in accordance with paragraphs 5.18 through 5.20 of Government Auditing Standards. Auditors should refer to those paragraphs, as well as the reports content section of chapter 7 of Government Auditing Standards, for additional guidance on preparing this section of the schedule.

Identify each finding with a reference number. If there are no findings, state that no matters were reported. Audit findings that relate to both the financial statements and federal awards should be reported in both section II and section III. However, the reporting in one section may be in summary form with a reference to a detailed reporting in the other section of the schedule. For example, a material weakness in internal control that effects an entity as a whole, including its federal awards, would generally be reported in detail in this section. Section III would then include a summary identification of the finding and a reference back to the specific finding in this section.

<u>Finding Summary</u>	<u>Finding Reference</u>
<i>(Provide a brief description on the finding)</i>	<i>(Provide applicable finding reference number)</i>

SECTION 421 (CONT.)

(Name of Organization)
Schedule of Findings and Questioned Costs
For the Year Ended June 30, 20XX
(continued)

Section III – Federal, State and City Award Findings and Questioned Costs

[This section identifies the audit findings required to be reported by section 510(a) of Circular A-133 (for example, reportable conditions, material weaknesses, and instances of noncompliance, including questioned costs). Where practical, findings should be organized by federal agency or pass-through entity.

Identify each finding with a reference number. If there are no findings, state that no matters were reported. Audit findings that relate to both the financial statements and federal awards should be reported in both section II and section III. However, the reporting in one section may be in summary form with a reference to a detailed reporting in the other section of the schedule. For example, a finding of noncompliance with a federal program law that is also material to the financial statements would generally be reported in detail in this section. Section II would then include a summary identification of the finding and a reference back to the specific finding in this section.

<u>Finding Summary</u>	<u>Reference</u>	<u>Finding</u>	<u>Questioned Costs</u> <u>Amount</u>
<i>(Provide a brief description on the finding)</i>		<i>(Provide applicable finding reference number)</i>	<i>(If a dollar amount related to finding provide total amount)</i>

(Name of Organization)
 Schedule of Findings and Questioned Costs
 For the year ended June 30, 20XX

Finding Description	Program Name	CFDA Number	Award Number	Questioned Costs			
				Total	Federal Share	State Share	City Share
1. <u>Indirect Costs Claimed in Excess of Allowable</u>	<i>ABC Program</i>	XX.XXX	XX-XXX	\$ 20,337	\$15,253	\$3,051	\$2,033

Condition:

The (Name of Organization) invoiced the City of Philadelphia, Department of (specify City Department) for \$20,337 of indirect costs in excess of the amount allowable. The questioned costs resulted from the Organization misclassifying equipment costs as materials and supplies and therefore utilizing equipment costs in the calculation of indirect costs, which is not allowable, as follows:

Total allowable direct costs	\$ 862,260
Indirect cost rate	<u>13.93%</u>
Allowable indirect costs	120,113
Less: indirect costs billed to City	<u>140,450</u>
Difference - questioned costs	<u>\$ 20,337</u>

Cause:

Fiscal personnel at the Organization were unaware of the misclassification of equipment costs to the materials and supplies expense account.

Effect:

The (Name of Organization) overbilled the City of Philadelphia \$20,337 of indirect costs.

(Name of Organization)
 Schedule of Findings and Questioned Costs (Cont.)
 For the year ended June 30, 20XX

<u>Finding Description</u>	<u>Program Name</u>	<u>CFDA Number</u>	<u>Award Number</u>	<u>Questioned Costs</u>			
				<u>Total</u>	<u>Federal Share</u>	<u>State Share</u>	<u>City Share</u>
1. (Cont.)							
<u>Criteria:</u>							
OMB Circular A-122, Attachment A, Subsection D(2)(b) excludes capital expenditures from the computation of indirect costs.							
<u>Recommendation:</u>							
We recommend that the (Name of Organization) remit the overbilled amount of \$20,337 to the City of Philadelphia.							
2. <u>Lack of Time and Attendance Records</u>	<i>XYZ Program</i>	XX.XXX	XX-XXX	\$ 21,254	\$ 5,314	\$ 15,940	\$ -0-

Condition:

We are questioning \$21,254 of salaries and wages and related fringe benefits for the job position of the Assistant Project Coordinator, because time and attendance records were not maintained for the individual.

The time and attendance records are necessary to substantiate the costs charged to this award since only 53% of the total individual's time was charged to the award.

(Name of Organization)
 Schedule of Findings and Questioned Costs (Cont.)
 For the year ended June 30, 20XX

<u>Finding Description</u>	<u>Program Name</u>	<u>CFDA Number</u>	<u>Award Number</u>	<u>Questioned Costs</u>			
				<u>Total</u>	<u>Federal Share</u>	<u>State Share</u>	<u>City Share</u>

2. (Cont.)

Calculation of questioned costs as follows:

Total salaries and wages charged to the award	\$ 17,280
Plus: applicable fringe benefits (calculated at 23% of salaries and wages)	<u>3,974</u>
Total	<u>\$ 21,254</u>

Cause:

The individual whose time and attendance was not available was a new employee who did not get instructions on the requirement of submitting a time record.

Effect:

Salaries and wages costs were incurred in the operation of the program, the propriety of which cannot be determined since documentation in the form of a time and attendance records is not available.

(Name of Organization)
 Schedule of Findings and Questioned Costs (Cont.)
 For the year ended June 30, 20XX

<u>Finding Description</u>	<u>Program Name</u>	<u>CFDA Number</u>	<u>Award Number</u>	<u>Questioned Costs</u>		
				<u>Total</u>	<u>Federal Share</u>	<u>State Share</u>

2. (Cont.)

Criteria:

OMB Circular A-122 Attachment B, under item 6 "Compensation for Personnel Services, Subsection L "Support of Salaries and Wages" requires that:

- Reports reflecting the distribution of activity of each employee must be maintained for all staff members (professionals and non-professionals) whose compensation is charged in whole or in part, directly to awards.
- The reports must reflect an after-the-fact determination of the actual activity of each employee. Budget estimates do not qualify as support for charges to award.
- The reports must be signed by the individual employee, or by a responsible supervisory official having first hand knowledge of the activities performed by the employee.
- The reports must be prepared at least monthly and must coincide with one or more pay periods.
- The reports must indicate the total number of hours worked each day by each employee.

 For the year ended June 30, 20XX

<u>Finding Description</u>	<u>Program Name</u>	<u>CFDA Number</u>	<u>Award Number</u>	<u>Questioned Costs</u>			
				<u>Total</u>	<u>Federal Share</u>	<u>State Share</u>	<u>City Share</u>

2. (Cont.)

Recommendation:

We recommend that the (Name of Organization) obtain adequate alternate documentation to support the allocation of the 53% allocation of time. In the future a time record of actual hours expended by program should be prepared and maintained.

3. <u>Excessive Cash Balances</u>	<i>CBA Program</i>	XX.XXX	XXXX	-0-		
--	--------------------	--------	------	-----	--	--

Condition:

The (Name of Organization) drew down advance funding via letters of credit in excess of immediate cash needs and did not deposit such funds in an interest bearing account, as follows:

<u>Date of Drawdown</u>	<u>Advance Amount</u>	<u>Funds Utilized</u>	<u>Excess Funds</u>
3/19/XX	\$ 450,000	\$ 200,000	\$ 250,000
5/16/XX	375,000	260,000	115,000

Cause:

The Organization's fiscal personnel were under the assumption that such interest income could be utilized for the benefit of the program without reporting the amount to the City of Philadelphia.

 Schedule of Findings and Questioned Costs (Cont.)
 For the year ended June 30, 20XX

<u>Finding Description</u>	<u>Program Name</u>	<u>CFDA Number</u>	<u>Award Number</u>	<u>Questioned Costs</u>			
				<u>Total</u>	<u>Federal Share</u>	<u>State Share</u>	<u>City Share</u>

3. (Cont.)

Effect:

As a result of the above the federal government had \$365,000 of idle funds, which based upon interest rates during that period, resulted in lost interest income of \$1,200.

Criteria:

OMB Circular A-110, Attachment F, paragraph 2(e), requires the recipient of federal funds advanced by the letter-of-credit method to make drawdowns as close as possible to the time of making disbursements.

Recommendation:

We recommend that the \$1,200 be deducted against the next drawdown of funds.

(Name of Organization)
 Schedule of Findings and Questioned Costs (Cont.)
 For the year ended June 30, 20XX

Finding Description	Program Name	CFDA Number	Award Number	Questioned Costs			
				Total	Federal Share	State Share	City Share
4. <u>Missing Documentation</u>	TAL Program	N/A	XXX-XXX	\$12,400	\$10,000	\$2,400	\$ -0-

Condition:

We are questioning \$12,400 of equipment costs because the (Name of Organization) could not provide to us supporting documentation, in the form of a vendor's invoice, for the following items:

Equipment Purchase	Date	No.	Amount
(3) Computers	4/20/XX	103	\$10,323
(4) Office Desks and			
(4) Chairs	5/1/XX	137	<u>2,077</u>
Total			<u>\$12,400</u>

The above missing invoices were the only items not provided to us as part of an audit sampling of 50 transactions.

Cause:

The vendor invoices were apparently misfiled, and cannot be located.

Effect:

Program costs were incurred which the Organization could not provide documentation as to the propriety of the expenditure.

(Name of Organization)

4. (Cont.)							
<u>Criteria:</u>							
OMB Circular A-110, Attachment F (2)(g) requires accounting records to be supported by source documentation.							
<u>Recommendation:</u>							
We recommend that the Organization attempt to locate the missing documentation or contact the vendor for copies of the invoices.							
Total questioned costs				<u>\$ 53,991</u>	<u>\$ 30,567</u>	<u>\$ 21,391</u>	<u>\$ 2,035</u>

Grantee's Comment and Corrective Action Plan:

(The Grantee's comments to the deficiencies noted and the corrective actions to be instituted are to be presented here or in a separate attachment to the report.)

SECTION 500

AUDITING AND REPORTING STANDARDS AND REQUIREMENTS - PROGRAM AUDIT ON AN AWARD (NON SINGLE AUDIT)

SECTION 501 - BACKGROUND

.01 Under the provisions of this Audit Guide, the organization may have to engage their auditor to have an audit on an individual City of Philadelphia program award rather than a "single audit", as described in Section 300 of this Guide.

.02 A program audit would be required under the provisions of Office of Management and Budget (OMB) Circular A-133 when the subrecipient organization expends \$300,000 or more of Federal financial assistance under one Federal program during the organization's fiscal year. The Federal funds expended could be received directly, or indirectly, from the City of Philadelphia.

.03 The program audit must be conducted in accordance with certain provisions of this Audit Guide as specified in Section 503, and in accordance with Government Auditing Standards. The type of audit being performed on the City of Philadelphia program in accordance with Government Auditing Standards (GAS) is a financial related audit, defined on page 13 of GAS, as follows:

Financial related audits include determining whether (1) financial information is presented in accordance with established or stated criteria, (2) the entity has adhered to specific financial compliance requirements, or (3) the entity's internal control structure over financial reporting and/or safeguarding assets is suitably designed and implemented to achieve the control objectives.

Financial related audits may include, as detailed in item 2.5a. on page 13 of GAS, an audit of:

Segments of financial statements; financial information (for example, statement of revenue and expenses, statements of cash receipts and disbursements, ...); budget requests, and variances between estimated and actual financial performance.

SECTION 502 - AUDIT PERIOD

.01 All program audits are performed on an annual basis based upon the organization's fiscal year.

SECTION 503 - AUDITING REQUIREMENTS

.01 When performing a program audit, the auditor is required to adhere to certain sections of this Audit Guide. The following is a listing of those sections the auditor is required to utilize in performance of the program audit:

SECTION 503 (CONT.)

<u>Section No.</u>	<u>Section and Subsection Heading</u>	<u>Section No. Reference Applicable to Program Audit</u>
100	Administration and Overview	Entire Section
200	Summary of Applicable Literature	Entire Section
300	General Auditing Standards and Requirements	
	• Auditing Requirements	302.01 to 306.06
1000	Commerce Department	Entire Section
2000	Human Services Department	Entire Section
3000	Mayor's Office of Community Services	Entire Section
4000	Office of Housing and Community Development	Entire Section
5000	Offices of Services to the Homeless and Adults	Entire Section
6000	Public Health Department	Entire Section

SECTION 503 (CONT.)

.02 As the above chart indicates most of the required procedures specified in this Audit Guide are applicable to a program audit. The only procedures not applicable generally relate to a single audit.

SECTION 504 - REPORTING REQUIREMENTS

.01 When performing a program-specific audit under the requirements of this Audit Guide, the audit report should include the following:

- a. Financial Statements:
 - A schedule of expenditures of federal, state and city awards.
 - Supplementary financial schedule(s) required by City of Philadelphia Department making the award to the organization. (The specific type of financial schedule is specified by the City Department in Sections 1000 to 6000.)
 - Notes to the financial schedules.
- b. Independent Auditor's Reports:
 - Independent auditor's opinion on the Schedule of Expenditures of Federal, State and City Awards and supplementary schedule(s) required by this Audit Guide. (In certain instances an audit report is not required on supplementary schedules required by a particular City of Philadelphia Department, but rather, an agreed-upon procedures report).
 - Independent auditor's report on compliance with requirements applicable to a federal, state, and/or city program and on internal control over compliance in accordance with the program-specific audit option under OMB Circular A-133.
- c. Other Schedules and Reports:
 - Special purpose auditor's reports required by a City of Philadelphia Department as specified in Sections 1000 to 6000.
 - Schedule of findings and questioned costs.
 - Schedule of prior audit findings.

SECTION 504 (CONT.)

- Separate communication of nonmaterial compliance findings and a management letter.
- Report on illegal acts, if any.

.02 The above report requirements, in most instances would cover one City of Philadelphia contract award. In some instances one federal program could contain “cluster of programs” (as defined in OMB Circular A-133, Subpart A, Section 105) which may have multiple City of Philadelphia contract awards. Where there are multiple awards being reported upon for the same or different City of Philadelphia Department(s), the contract awards are to be combined in one audit report. This combined report must, however, still disclose separate financial information in the basic financial statements and any supplementary schedules by each contract award for each City of Philadelphia department.

Financial Statements

.03 The program audit report shall include the following financial statements on each City of Philadelphia award audited:

- a. A Schedule of Expenditures of Federal, State and City Awards. This schedule (as illustrated in Section 505) requires information by award for the expenditures of federal, state or city funding. The schedule is to reflect the appropriate portion of a multi-funded City of Philadelphia program (one that has federal, state and city funds) under each of the three funding categories. A multi-funded city award is not to be presented on the schedule as one line item. A breakdown is required for federal purposes and the city is requiring separate information on the state and city funded portions of the award. The organization and/or the City of Philadelphia is responsible for identifying what portion of each award is either federal, state or city funded. Where this determination cannot be made, then the total award is to be reported on the statement under federal award, with a footnote that the delineation by federal, state or city funding is not determinable.

The expenditures reported on this statement are to be in agreement with the amounts reflected in any supplemental financial schedule as required by Sections 1000 to 6000 of this Audit Guide. These expenditures should agree since the financial information on this statement and the Supplementary Schedule are both based upon the organization's books and records, as audited by the independent auditor.

- b. Supplementary financial schedules. On almost all City of Philadelphia awards the organization will be required to submit periodic reports of financial and/or program activity. Under the requirements of this Audit Guide a supplementary schedule of this activity (if required) must be presented in the audit report. The type of supplementary schedule to be presented in the audit report depends upon the City of Philadelphia Department providing the award to the organization. For the specific type of supplementary schedule to be presented, the organization and its independent auditor should refer to the appropriate subsection in Sections 1000 to 6000 of this Audit Guide.

SECTION 504 (CONT.)

- c. Notes to financial statements. The notes to the above statements which describe the significant accounting policies utilized in preparing the statements along with any other relevant information.

Independent Auditor's Report on Schedule of Expenditures of Federal, State and City Awards Financial Statements and Supplementary Financial Schedules

.04 This Audit Guide requires the auditor to express an opinion about whether the financial statements relating to the program award being audited are presented fairly in all material respects in conformity with the stated accounting policies.

.05 For an organization to comply with this Audit Guide, it is not necessary that the financial statements be presented in conformity with GAAP; it is sufficient if the auditor merely reports on such conformity in accordance with GAAS, Government Auditing Standards and the City of Philadelphia Subrecipient Audit Guide. For various reasons, such as to comply with reporting of program expenditures in accordance with contract award conditions, the organization may prepare their financial statements on a basis of accounting other than GAAP. When this is the case, the auditor's report should be prepared in accordance with SAS No. 62, Special Reports (AICPA, Professional Standards, Vol. 1, AU Sec. 623), which requires that it include a paragraph that (a) states the basis of presentation and refers to the note to the financial statements describing the basis and (b) states that the basis of presentation is a comprehensive basis of accounting other than GAAP.

.06 In addition to the opinion on the financial statements of the program being audited, the auditor's report should also include an opinion on any supplementary financial schedules included in the report as required by Sections 1000 to 6000 of this Audit Guide when an opinion is required. Certain City of Philadelphia Departments only require an agreed-upon procedures report. Whether the City of Philadelphia Department requires an opinion or an agreed-upon procedures report is specified in Sections 1000 to 6000 of this Audit Guide. The agreed-upon procedures report is presented in Section 420.

.07 The auditor must state in the auditor's report that the audit was conducted in accordance with the City of Philadelphia Subrecipient Audit Guide. The appropriate language for the report is currently being developed by the AICPA. The auditor, when issuing a program specific audit report to the City of Philadelphia should follow the directives issued by the AICPA.

Auditor's Report on Compliance and Internal Control

.08 The format for this report is included in Section 507 of this Audit Guide.

SECTION 504 (CONT.)

Other Schedules and Reports

.09 The other types of schedules and reports listed in Section 504.03b., have been previously discussed in Sections 408 to 410 of this Audit Guide. Listed below are the appropriate provisions of Sections 408 to 410 that are applicable to a program audit.

<u>Schedule and/or Report</u>	<u>Section No. Reference Applicable to Program Audit</u>
Special Purpose Auditor's Report	409.08 and 409.09
Presentation of Findings and Questioned Costs	408.01 to 408.10
Separate Written Communications on Findings/Management Letter	408.11 and 408.12
Reporting on Illegal Acts	408.13 and 408.14
Follow-up of Prior Audit Report Findings	410

Other Information

.10 All audit reports are to include a Table of Contents including page number references.

.11 In accordance with the principles of the Freedom of Information Act (Public Law 90-23), reports, once they are accepted, finalized and issued to the City of Philadelphia are available, if they are requested, to members of the press and the general public, to the extent that information contained in them is not subject to exemptions of the Act. Accordingly, the auditor should not include names, social security numbers or other personal identification in either the body of the report or any attached schedules.

SECTION 505 – UNQUALIFIED OPINION ON THE SCHEDULE OF FEDERAL, STATE AND CITY AWARDS

Independent Auditors' Report

We have audited the accompanying schedule of expenditures of federal, state and city awards for the [identify the program] of (*Name of Organization*) for the year ended June 30, 20XX. This financial statement is the responsibility of (*Name of Organization's*) management. Our responsibility is to express an opinion on the financial statement of the program based on our audit.

We conducted our audit in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the City of Philadelphia Subrecipient Audit Guide; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards, OMB Circular A-133 and the City of Philadelphia Subrecipient Audit Guide require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the schedule of expenditures of federal, state and city awards referred to above presents fairly, in all material respects, the expenditures of federal, state and city awards under the [identify the program] in conformity with generally accepted accounting principles **(1)**

[Signature]

[Date]

(1) The auditor should follow the guidance in SAS No. 62, Special Reports when the auditee prepares the financial statement of the program in conformity with a basis of accounting other than GAAP.

Total			<u>\$ XX,XXX</u>

See accompanying notes to these financial statements. **(3)**

(1) Catalog of Federal Domestic Assistance.

(2) Accrued expenditures in accordance with the requirements of Section 504.03 of this Audit Guide.

(3) See Section 414 of this Audit guide for sample notes.

SECTION 507 – REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO THE FEDERAL, STATE, CITY PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE PROGRAM-SPECIFIC AUDIT OPTION UNDER OMB CIRCULAR A-133

[Unqualified Opinion on Compliance and No Material Weaknesses (No Reportable Conditions Identified)]

[Addressee]

Compliance

We have audited the compliance of *(Name of Organization)* with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 20XX. *(Name of Organization)*'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of *(Name of Organization)*'s management. Our responsibility is to express an opinion on *(Name of Organization)*'s compliance based on our audit.

We conducted our audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and the *City of Philadelphia Subrecipient Audit Guide (1)*. Those standards and OMB Circular A-133 and the *City of Philadelphia Subrecipient Audit Guide (1)* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about *(Name of Organization)*'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on *(Name of Organization)*'s compliance with those requirements.

In our opinion, *(Name of Organization)* complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 20XX. However, the results of our auditing procedures disclosed instances of noncompliance with those requirements that are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs as items *[List related finding reference number]*. (2)

Internal Control Over Compliance

The management of *(Name of Organization)* is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered *(Name of Organization)*'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133 and the *City of Philadelphia Subrecipient Audit Guide (1)*.

SECTION 507 (CONT.)

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses. **(3)**

This report is intended solely for the information and use of the audit committee, management and federal awarding agencies and pass-through entities and is not intended and should not be used by anyone other than these specified parties.

[Signature]

[Date]

- (1)** When a City of Philadelphia contract has been designated as a major program, then this reference to the City of Philadelphia Subrecipient Audit Guide must be included in the report.
- (2)** When there are no such instances of noncompliance identified in the schedule of findings and questioned costs, the last sentence should be omitted.
- (3)** As noted in footnote 3 in Section 412, there may be instances where it would be appropriate to report on the schedule of expenditures of federal, state and city awards in this report (i.e., a separate single audit package is issued). In such a circumstance, a new section should be added immediately following this paragraph as follows:

Schedule of Expenditures of Federal, State and City Awards

We have audited the basic financial statements of (Name of Organization) as of and for the year ended June 30, 20XX, and have issued our report thereon dated September 15, 20XX. Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedule of expenditures of federal, state and city awards is presented for purposes of additional analysis as required by OMB Circular A-133 and the City of Philadelphia Subrecipient Audit Guide and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

SECTION 600

SUPPLEMENTARY FINANCIAL SCHEDULES FOR CITY OF PHILADELPHIA DEPARTMENTS

SECTION 601 – CITY DEPARTMENT’S SPECIFIC AUDIT REQUIREMENTS

.01 If the auditor is seeking a hard copy (other than receiving Sections 1000 to 6000 from the City of Philadelphia Web Site) of Departmental Auditing guidelines in preparing for or conducting an audit, the personnel at the subrecipient organization and/or their independent auditor must contact the appropriate person(s) below for a copy of their respective department’s section. Requests should be directed to the contact listed below for the City Department which has awarded the funds to be audited.

<u>City Department</u>	<u>Title of Contact</u>	<u>Telephone Number</u>	<u>Fax Number</u>
Commerce Department	Economic Development Administrator	683-2023	557-8538
Human Services Department	Contracts Audit Supervisor	683-4207	683-4298
Mayor's Office of Community Services	Assistant Fiscal Director of Finance	685-3643	683-0491
Empowerment Zone	Auditor	686-0466	686-0462
Office of Housing and Community Development	Audit Manager	686-9728	686-9800
Office of Emergency Shelter and Services	Contracts Auditor, Fiscal Unit	686-7180	686-7187
Public Health Department	Contract Audit Supervisor	685-5310	685-5348

SECTION 1000

CITY REPRESENTATIVE AND DEPARTMENT OF COMMERCE

SECTION 1001 - GENERAL INFORMATION

.01 City Representative and Department of Commerce contracts fund Economic Development Programs using Federal, State and City funds. The Federal Funding source is the U.S. Department of Housing and Urban Development's Community Development Block Grant Funds (CDBG) and the Economic Development Administration. The source of State funding is the Commonwealth of Pennsylvania's Department of Community and Economic Development (DCED).

.02 The Economic Development Programs require that all subrecipients of Community Development Block Grant (CDBG) funds either create employment opportunities for low and moderate income people, provide goods or services to low and moderate income neighborhoods, provide benefits to an area where a majority of the residents are low and moderate income persons, undertake general improvements to a neighborhood business area which services a primarily residential area with a majority of low and moderate income persons or prevents or eliminates slum or blight.

.03 Subrecipients who receive CDBG funds for job generation, under Commerce's Financial or Technical Assistance Programs must provide Commerce with a time schedule for the job positions which are anticipated to be created during the two years after the completion of this project. This information is provided to public employment agencies which attempt to place low and moderate income individuals. Philadelphia Industrial Development Corporation (PIDC) and Philadelphia Commercial Development Corporation (PCDC), each have a close-working relationship with the Philadelphia Workforce Development Corporation to ensure the placement of low and moderate income Philadelphia residents. The subrecipients of loans or grants have to report their current employment situation for at least two years after completing their CDBG funded activity. (In some cases, these subrecipients receive on-going technical assistance for two to three years to ensure the successful expansion of a subrecipient).

.04 The Enterprise Zone Areas, Neighborhood Commercial Revitalization, and Neighborhood and Special Commercial Programs provide a mixture of job generation, employment placement and public improvement programs. Subrecipients must provide an array of data on program beneficiaries contingent upon the individual project design. For example, the Lighthouse Job Bank Program requires that the number of job referrals and placements must be reported, and that the types of jobs must be reported. Enterprise Zone Area Programs are involved in three low income neighborhoods in the City: American Street, Hunting Park West, and West Parkside and a fourth Enterprise Zone is located at the Port of Philadelphia.

SECTION 1100

.01 The City Representative and Department of Commerce administer various programs as detailed in the following section.

SECTION 1110 - PROGRAM DESCRIPTIONS AND OPERATIONS

Neighborhood Revitalization/Programs to Assist Businesses

.01 Subrecipients shall actively support revitalization by providing service to the businesses in the district through the operation of a Business Service Center. Through the Business Association, subrecipients shall respond to informational requests, city services requests, and/or complaints from individual businesses and refer business to appropriate economic development agencies such as PCDC or PIDC.

Job Resource Services

.02 Subrecipients operate a Job Resource Center (JRC) in cooperation with and in conjunction with the local Job Network and other community/service organizations and businesses to maximize employment opportunities for low and moderate income area residents.

Financial Assistance to For-Profit and Non-Profit Businesses

.03 The Philadelphia Industrial Development Corporation - Local Development Corporation (PIDC-LDC) may undertake Community Development Block Grant (CDBG) funded activities to provide financial assistance to for-profit and non-profit businesses located in Philadelphia. These activities shall be undertaken in accordance with the Federal Regulations under 24 CFR 570.203.b and 24 CFR 570.204.c.3. The various programs are fundable under the following tasks:

- Job Creation and Retention Programs:

Subrecipients shall provide financial assistance for the purpose of creating and/or maintaining low and moderate income employment opportunities. At least fifty-one percent (51%) of the created and/or retained employment opportunities must be available for low and moderate income people.

Subrecipients who receive CDBG funds for job generation, under Commerce's Financial or Technical Assistance Programs must provide Commerce with a time schedule for the job positions which are anticipated to be created during the two years after the completion of this project. This information is provided to public employment agencies which attempt to place low and moderate income individuals.

- Commercial Assistance in Low and Moderate Income Neighborhood Programs:

Subrecipients shall provide financial assistance to for-profit businesses who provide goods and services to residents of low and moderate income neighborhoods. At least fifty-one percent (51%) of the people who reside in these neighborhoods must be low and moderate income.

- Prevention or Elimination of Slums or Blight Programs:

Subrecipients shall provide financial assistance for the prevention or elimination of slums and blight.

SECTION 1110 – (CONT.)

Targeted Neighborhood Commercial Area (TNCA) Program

.04 In order to assist the City of Philadelphia's Department of Commerce in the implementation of its economic development strategy, The Philadelphia Commercial Development Corporation (PCDC) will work in thirty-eight (38) low and moderate income neighborhoods throughout the city. PCDC will provide direct assistance to for-profit businesses and non-profit organizations which act as key service providers and employers in these areas through the Targeted Neighborhood Commercial Area (TNCA) Program. The principal goal of the TNCA Program is to enable these businesses to remain and to expand while providing needed goods, services and employment opportunities for Philadelphia's low and moderate income residents.

.05 To effectively work in the stabilization and revitalization of a TNCA, PCDC requires that the local business form a business association. The business association should represent at least sixty percent of the retail/commercial businesses in the TNCA. This requirement assists PCDC in determining the needs of the entire commercial district and provides important information on public services and capital improvement needed to maintain and improve the overall area. PCDC will contact the business association in each TNCA area at least once a month to review their needs and to assist them as determined to be applicable..

Programs to Assist Businesses Which Provide Benefits to Low and Moderate Income Neighborhoods

.06 The Philadelphia Commercial Development Corporation - Urban Local Development Corporation (PCDC-ULDC), and other subrecipients, shall assist small businesses in obtaining financing for business expansion and start-up. Funds shall be secured from private and public lending agencies and the Small Business Revolving Loan Fund (SBRLF) to assist firms with financing for business start-up or expansion. In addition, PCDC-ULDC shall provide limited technical assistance.

Programs to Create Low/Moderate Income Employment Opportunities

.07 PCDC-ULDC, and other subrecipients, shall assist small businesses in obtaining financing for business expansion and start-up, working capital, and real estate for business uses. Funds shall be secured from private and public lending agencies and the Small Business Revolving Loan Fund (SBRLF) to assist firms with financing for business start-up or expansion. In addition, PCDC-ULDC shall provide limited technical assistance, as necessary, to complete financing packaging activities.

The Small Business Revolving Loan Fund and Program Income

.08 PCDC-ULDC shall work to maximize the Small Business Revolving Loan Fund (SBRLF). The SBRLF is designed primarily to aid commercial firms, neighborhood service firms, and small firms requiring venture capital to overcome obstacles to starting up, expanding and/or increasing or retaining employment in Philadelphia.

SECTION 1110 (CONT.)

Neighborhood Commercial Revitalization Security Program and Micro-Enterprise Assistance

.09 PCDC-ULDC shall assist in combating crime which affects for-profit and non-profit firms which provide goods or services to the low and moderate income neighborhoods located in the TNCA's.

.10 Micro-Enterprise Assistance – PCDC-ULDC and other subrecipients shall provide and complete technical and non-CDBG funded loan packaging assistance services through its Micro Loan Program.

Community Economic Development Program

.11 In order to facilitate neighborhood development and commercial revitalization efforts, and in response to the City's concerns for vacant business properties and targeting of development sites, subrecipients shall initiate a coordinated series of real estate activities. Subrecipients shall work with neighborhood based organizations to identify and assemble vacant or improved parcels of land in their target low and moderate income neighborhood for commercial and/or mixed-use residential and commercial development. These efforts may include the analysis of ownership, usage, value, rehabilitation costs etc. of selected properties.

Housing Rehabilitation Assistance Program

.12 PCDC shall implement a CDBG-funded Housing Rehabilitation Assistance Program. PCDC shall work with the City's CDBG-funded housing agencies in their efforts to rehabilitate privately and publicly owned residential units for low and moderate income Philadelphians. It is anticipated that at least 108 residential units shall be completed during the term of this agreement. PCDC shall utilize a revolving fund established with the City under contract (#6-81061), in order to provide \$1.5 million in working capital lending to small and minority housing contractors that have been selected by the CDBG-funded housing agencies to complete the residential rehabilitation activities.

Real Estate Management Activities

.13 PCDC shall manage property acquired by PCDC using CDBG funds as needed. In addition, PCDC may acquire properties for the Old Philadelphia Company Store with the prior written approval by the City. Projects under his paragraph shall be fundable in accordance with 24 CFR 570.208 (s)(1)(i), principally benefiting low and moderate-income people.

Planning Activities

.14 PCDC-ULDC shall review the status of services and the physical conditions of each of the thirty-one (31) designated TNCA areas and submit a revised action plan on a quarterly basis. The action plan shall include a complete history of all public and private investment in each TNCA area.

PCDC-ULDC shall develop a plan to identify capital improvement projects in the TNCA districts. PCDC-ULDC shall comply in whole with the requirements set forth by the City's Finance Department in qualifying proposed capital projects as eligible for said use.

PDCD-ULDC shall develop comprehensive strategic plans for neighborhood economic

SECTION 1110 (CONT.)

development, historic preservation, mixed-use real estate, etc. These plans shall include need assessment, feasibility and capacity development. This shall include a review, status report and update of all existing strategic plans that PCDC-ULDC has undertaken since January, 1, 1980.

PCDC-ULDC shall participate in the coordination of economic development projects with City departments and City-related agencies. PCDC-ULDC shall attend meeting with the Office of Housing and Community Development and the Commerce Department. PCDC-ULDC shall work in conjunction with City and related-City agencies in the development of plans and programs for the federally designated Empowerment Zone, especially in relationship to the development of programs and projects related to the Old Philadelphia Company Store, the Youth Mall and Cecil B. Moore Avenue.

PCDC-ULDC shall identify new TNCA areas and identify their needs for presentation to the Commerce Department for inclusion in the CDBG Plan.

The Philadelphia Company Store

PCDC-ULDC shall modify and implement its training program for low and moderate income people under the Old Philadelphia Company Store. Under the revised program, it is anticipated that at least twenty-five (25) people shall be trained.

Acquisition/Site Development

.15 Subrecipients shall acquire and/or construct properties for commercial and residential units. The commercial space shall be occupied by businesses which provide additional retail goods and services to the low and moderate income neighborhood. The residential units shall be available for low and moderate income families.

Feasibility Studies/Predevelopment Planning/Project Development

.16 Subrecipients, in cooperation with the Commerce Department, will undertake a feasibility analysis and a predevelopment plan for various projects. Subrecipients, as awarded, shall undertake project development activities. Refer to the Scope of Services in the Contract.

Urban Development Action Grant (UDAG)

.17 PIDC-LDC will undertake the administration of the UDAG Program which shall include the preparation of UDAG applications and supporting documentation, negotiations with HUD and UDAG developers, project management and monitoring, reporting to HUD, contracting with and/or coordinating with UDAG consultants, disbursing UDAG loans to developers and collecting UDAG

loan repayments. All agreements with developers negotiated by PIDC-LDC which affect, concern, or relate to the disbursement and/or collection of UDAG loan repayments shall be subject to the approval of the Director of Commerce and shall be reviewed by the Law Department of the City of Philadelphia prior to the execution of said agreements.

.18 In addition, the PIDC-LDC staff funded under this agreement may undertake administrative work in connection with activities which are eligible under the Title I of the Federal Housing and Community Development Act of 1974, as amended, with the prior written approval of the Director

SECTION 1110 (CONT.)

of Commerce.

.19 Miscellaneous revenue generated from the UDAG loan repayments may be utilized to fund the cost for the administration of the UDAG Program. Prior to the use of miscellaneous revenue for administration, an administrative budget must be submitted to and approved by the Director of

Commerce. The balance of UDAG miscellaneous revenue and all program income from all UDAG projects must be utilized consistent with program income regulations.

Economic Development Programs Funded with the Commonwealth of Pennsylvania's Department of Community and Economic Development

.20 The Department of Community and Economic Development (DCED) funds several Economic Development Projects including the Enterprise Zones and contracts used for acquisition, construction and rehabilitation of commercial, industrial and mixed use properties. In addition to the requirements set forth in 1130.34 refer to the CDBG section for requirements on specific types of service.

Technical and Financial Assistance Program

.21 Subrecipients shall provide technical assistance in entrepreneurial skills and business management to micro-businesses. Entrepreneurs that complete this program shall be eligible to participate in the low interest non-CDBG funded loan program. Participants must be certified as low or moderate income upon in-take into the program.

SECTION 1120 - FEDERAL CFDA NUMBERS/OTHER REGULATIONS

.01 The Federal CFDA Number is 14.218 for all programs listed in Section 1110 except the Housing Rehabilitation Assistance Program and UDAG. The UDAG Federal CFDA Number is 14.221. The Housing Rehabilitation Assistance Program is all City funds; therefore, a Federal CFDA Number is not applicable.

.02 All programs listed in Section 1110 are subject to the Administrative and Financial Management Guidelines for the Office of Housing and Community Development and its Delegate Agencies.

SECTION 1130 - PROGRAM COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Findings and Questioned Costs.

SECTION 1130 – (CONT.)

.02 The following reporting requirements are applicable to all programs listed in Section 1110:

- Generally reporting is required as follows (refer to the contract scope for specific reporting requirements):

Subrecipients are required to submit to the City Commerce Department's Economic

Development Contract administrator monthly reports with the monthly subrecipient invoice form. These reports shall succinctly state the progress toward each activity of the contract.

Subrecipients are required to submit to the Economic Development Contract Administrator or designee quarterly reports that reflect the activities performed by the paragraph in the Scope of Services. These reports will include any and all information that is required by the City Ordinance 1029AA utilizing forms prepared by the Economic Development Contract Administrator or designee, with specific details on very low, low and moderate income and minority beneficiaries. These quarterly reports are to be delivered within fifteen (15) working days after the conclusion of the quarter.

The audit procedures for reporting requirements are:

1. Determine that reports were submitted timely as required by the contract.
2. Determine that the monthly and quarterly reports reflect the activities identified in paragraphs of the Scope of Services in the Contract.

Neighborhood Revitalization/Programs to Assist Businesses

.03 Generally subrecipients shall perform the following tasks (refer to the Scope of Services in the Contract):

- Subrecipients shall provide staff support to the Business Association. This includes the organizing and scheduling of meetings, projects and special events.
- Through the Business Association the subrecipient shall respond to informational requests, city services requests and/or complaints from individual businesses. Subrecipients shall maintain an appropriately detailed record keeping system on services provided to businesses.
- Subrecipients shall solicit and recruit members for the Business Association in order to increase paid enrollment.
- Subrecipients shall assemble information and publish a quarterly newsletter that focuses on economic development activities and issues. The newsletter shall be distributed to businesses, community organizations, government officials and the press.
- For subrecipients in designated Enterprise Zones an updated listing of available commercial/industrial real estate shall be maintained. The inventory shall be distributed

SECTION 1130 – (CONT.)

to Philadelphia area industrial real estate brokers and businesses interested in locating within the enterprise zone.

The audit procedure for the above is:

- Select a sample of business service transactions and trace to source documentation.

Files should include the name of the business and the type of service provided.

Job Resource Services

.04 Generally, subrecipients who operate a Job Resource Center (JRC) in cooperation with and in conjunction with the local Job Network and other community/service organizations and businesses shall perform the following tasks (refer to the Scope of Services in the contract for specific details):

- The subrecipient JRC shall place low and moderate area residents in full and part-time employment.
- The subrecipient JRC shall solicit notice of job openings from city wide companies and shall recruit applicants for such openings from the community.
- The subrecipient JRC shall screen job applicants according to the minimum standards for the available position or training opportunity.
- When appropriate, the subrecipient JRC shall refer applicants to appropriate providers of job readiness skill training to enhance the employability of applicants. Also, the subrecipient shall provide information and referral service to clients needing educational or social services.
- The subrecipient JRC shall follow-up with the job applicants and the employer on all persons employed as a result of its referrals. The follow-up shall occur within thirty days and again after sixty days of placement. Written records shall be maintained for referrals, placements and follow-ups.

The audit procedure for the above is:

- Use a selected sample to determine that files are documented for the screening, referrals, placements and follow-ups for each applicant.

Financial Assistance to For-Profit and Non-Profit Businesses

.05 Subrecipients who provide assistance for job creation activities are to use the following definition in order to define employment opportunities which are expected to be available to low and moderate income people:

- Jobs shall be classified as unskilled, semi-skilled and skilled. All unskilled jobs shall be classified as available to low and moderate income persons and do not require skills

SECTION 1130 – (CONT.)

with substantial training or work experience or education beyond high school, or jobs where the business agrees to hire unqualified persons and provide training. Semi-skilled jobs shall be broken into two categories: "Semi-skilled will train" and "Semi-skilled with experience". Only the "Semi-skilled will train" jobs shall be classified as available to low and moderate income people, and shall be defined as jobs requiring no more than one year of training, related work experience or education beyond high school.

.06 The City requires that the assisted business agree to provide the Philadelphia Workforce Development Corporation (PWDC) a detailed listing of all employment opportunities that shall be created as result of the CDBG assistance. This information shall include the job title, skills and experience necessary, and the time frame for filling the positions. PWDC shall refer Jobs Training Partnership Act (JTPA) eligible persons to the business and the business shall give them first consideration for filling such jobs.

.07 The subrecipient business shall be required to submit summary reports with the attached family income data forms for at least the first and second years following the completion of the funded activity.

.08 If necessary, the Company may be given up to two additional years to comply with the job creation objectives set forth under the original project description, if the additional time is justified and may result in the achievement of the original goals.

.09 If the Company fails to meet the projections, then the agencies shall impose all available legal remedies and, when appropriate, the uniform sanction policy and/or debarment.

The audit procedures for the above are:

- Select a sample of transactions and determine that the files include required documentation such as the fundability/eligibility form, the public benefits analysis form, the conflict of interest disclosure form and employment data information.
- Select a sample of job creation reports and determine they were submitted timely using required classifications.

Targeted Neighborhood Commercial Area (TNCA) Program

.10 The TNCA service areas are divided into three categories: Targeted Public Investment Areas (TPIA's), Planning Public Investment Areas (PPIA's) and Limited Public Investment Areas (PLIA's). The TPIA designation is for neighborhood retail areas that have been identified for the infusion of public funding to ensure the stability and the potential for retail expansion. In the TPIA.s, PCDC will focus its Small Business Lending, Public Improvement and Façade Rehabilitation activities. The PPIA designation indicates that a particular area is either new to the program or needs some level of planning and development assistance, but is not ready for the infusion of public funds. PCDC will focus its efforts under this contract to developing appropriate levels of support and planning in order to implement a public and/or private investment strategy in the 2000 program period. The Limited Public Investment Areas (LPIUA's) designation is for neighborhood shopping areas where the City and PCDC has identified on-going needs to ensure the

SECTION 1130 – (CONT.)

continued stability of the retail shopping area. The LPIA's at one point were TPIA's or PPIA's.

Regardless of the designation of the given TNCA, the following types of services will be available: technical assistance, Small business Revolving Loan and Micro Loan services to new businesses and business expansions, and Storefront and Security Façade Rebate Grants to new businesses. In addition, PCDC will work with local businesses, the local business associations, and with the local neighborhood organizations, when appropriate, to aid in the stabilization and revitalization of the targeted low and moderate-income neighborhoods.

The audit procedure for the above is:

- Select a sample of assistance provided and determine that assistance was in the TNCA designated areas.

.11 PCDC-ULDC and other subrecipients shall assist in the disposition of publicly and privately owned vacant commercial and/or mixed use properties in project areas, including neighborhood development projects and TNCA areas. Subrecipients shall prepare and distribute two (2) times during the contract year a Hot List of commercial properties located in TNCA areas which are available for rent, lease or purchase. The Hot List shall be distributed to real estate brokers, developers and retailers. The goal is to reduce and maintain a lower vacancy rate in project areas where vacancy is a problem.

The audit procedure for the above is:

- Determine that the Hot List is prepared and distributed two times a year.

.12 PCDC-ULDC and other subrecipients shall assist in the delivery of public improvement projects in the coordination of City-funded public improvements provided by the City and/or the Redevelopment Authority and/or PIDC in such a way as to maintain the confidence of the business and residential communities. This task shall be performed only if sufficient public improvement resources are available through other contracts or funding sources to undertake these activities.

Programs to Assist Businesses Which Provide Benefits to Low and Moderate Income Neighborhoods

.13 PCDC-ULDC and other subrecipients shall provide financial and technical assistance to for-profit firms which provide goods or services to neighborhoods at least fifty-one percent (51%) of whose residents are low and moderate income persons. This assistance is not limited solely to TNCA areas.

.14 PCDC-ULDC and other subrecipients shall provide and complete technical assistance services regarding start-up or expansion, which provide goods or services to low/moderate income neighborhoods. (Negative feasibility studies for projects shall not be included in completed technical assistance.)

.15 On-going technical assistance shall not be provided to firms for which PCDC-ULDC has arranged financing in prior years. If a firm has previously been assisted by PCDC-ULDC, PCDC-ULDC must qualify and quantify the new technical assistance that the firm is to be provided and

SECTION 1130 – (CONT.)

report it as a new activity, in accordance with the "Technical Assistance Guidelines".

.16 PCDC-ULDC shall provide limited technical assistance to individual firms in the TNCA area in order to facilitate their private investment, viability or participation in the NCR process. Various types of assistance shall be provided, including but not limited to management, sales promotions, public relations, inventory and financing. This technical assistance shall be principally delivered by the TNCA Manager's staff. Assistance is considered to be successfully completed when a business implements the recommendation(s) developed by PCDC-ULDC staff.

.17 PCDC-ULDC shall provide technical assistance to certified for-profit minority and female-owned businesses which receive City of Philadelphia contracts to do public improvements in low and moderate income areas.

The audit procedure for the above is:

- Select a sample of transactions and determine that the "Technical Assistance Guidelines" are followed.

Programs to Create Low/Moderate Income Employment Opportunities

.18 Subrecipients who provide assistance for job creation activities are to use the following definition in order to define employment opportunities which are expected to be available to low and moderate income people:

- Jobs shall be classified as unskilled, semi-skilled and skilled. All unskilled jobs shall be classified as available to low and moderate income persons and do not require skills with substantial training or work experience or education beyond high school, or jobs where the business agrees to hire unqualified persons and provide training. Semi-skilled jobs shall be broken into two categories: "Semi-skilled will train" and "Semi-skilled with experience". Only the "Semi-skilled will train" jobs shall be classified as available to low and moderate income people, and shall be defined as jobs requiring no more than one year of training, related work experience or education beyond high school.

.19 The City requires that the assisted business agree to provide the Philadelphia Workforce Development Corporation (PWDC) a detailed listing of all employment opportunities that shall be created as result of the CDBG assistance. This information shall include the job title, the skills and experience necessary and the time frame for filling the positions. PWDC shall refer Jobs Training Partnership Act (JTPA) eligible persons to the business and the business shall give them first consideration for filling such jobs.

.20 The subrecipient business shall be required to submit summary reports with the attached family income data forms for at least the first and second years following the completion of the funded activity.

.21 If necessary, the Company may be given up to two additional years to comply with the job creation objectives set forth under the original project description, if the additional time is justified and may result in the achievement of the original goals.

SECTION 1130 (CONT.)

.22 If the Company fails to meet the projections, then the agencies shall impose all available legal remedies and, when appropriate, the uniform sanction policy and/or debarment.

The audit procedures for the above are:

- Select a sample of transactions and determine that the "Technical Assistance Guidelines" are followed.
- Select a sample of transactions and determine that the files include required documentation such as the fundability/eligibility form, the public benefits analysis form, the conflict of interest disclosure form and employment data information.
- Select a sample of job creation reports and determine that they were submitted timely using required classifications.

The Small Business Revolving Loan Fund and Program Income

.23 The SBRLF shall be utilized for loans and grants. It is anticipated that at least one job shall be created for every \$15,000 used, unless otherwise approved by the City. PCDC-ULDC shall service and collect SBRLF loans and ATC investments/loans. Refer to the contract for detail on the "Terms and Conditions for Providing Financial Assistance".

The audit procedure for the above is:

- Select a sample of transactions and determine that minimum requirements were met.

Neighborhood Commercial Revitalization Security Program and Micro-Enterprise Assistance

.24 PCDC-ULDC shall assist in combating crime which affects **for-profit and non-profit firms** which provide goods or services to the low and moderate income neighborhoods located in the TNCA areas. This activity shall be carried out through the provision of technical assistance which shall be provided for interior or exterior, nonfacade security deficiencies of the firm that could lead to criminal victimization. (This type of assistance is normally provided through individual security audits.)

The audit procedure for the above is:

- Select a sample of security transactions and determine that the Technical Assistance Guidelines are followed.

.25 Micro-Enterprise Assistance – Area Benefit

PCDC-ULDC and other subrecipients shall provide and complete technical and non-CDBG funded loan packaging assistance services through its Micro-Loan Program to at least four (4) firms, regarding start-up or expansion, which provide goods or services to low and moderate income neighborhoods. (Negative feasibility studies for projects shall not be included in completed technical assistance).

SECTION 1130 (CONT.)

.26 Micro-Enterprise Assistance

PCDC-ULDC shall provide and complete technical and non-CDBG funded loan packaging assistance service through its Micro Loan Program to at least twenty-four (24) firms, regarding start-up or expansion. A firm shall qualify as a micro-enterprise if the number of people employed on a full or part-time basis, including the owner(s) of the firm, is equal to or less than five persons and at least 51% of those persons are either low or moderate income, pursuant to 24 CFR 570-201 (c). Once a firm is qualified as a small business, then PCDC-ULDC shall continue to provide assistance to the firm for a period up to three years without recertifying it. Assistance may include the provision of direct or indirect lending. (Negative feasibility studies for projects shall not be included in completed technical assistance). In addition to the Micro Loan Program, PCDC-ULDC shall design and implement a program to assist firms utilizing available funding from but not limited to, the Philadelphia Contractors Assistance (Loan) and Comcast (Loan) program which meet the micro-enterprise criteria pursuant to 24 CFR 570.201(c). PCDC-ULDC shall undertake this work through the Small Business Support Center/One Stop Capital Shop, the Micro Loan Fund and the Skilled Tradesperson facility.

The audit procedure for the above is:

- Select a sample of Micro-Enterprise transactions and determine that the requirements were met.

Community Economic Development Program

.27 In order to facilitate neighborhood development and commercial revitalization efforts subrecipients shall: prepare financial and site feasibility studies, prepare development packages and assist in the completion of the neighborhood development projects which shall be owned by the NBO or the NBO and a private developer team, and assist in the marketing of publicly and privately owned vacant commercial and/or mixed-use properties in the project areas, including Neighborhood Development project and Neighborhood Commercial Revitalization areas.

The audit procedure for the above is to select a transaction from the quarterly reports and determine that the subrecipient has documented the activity.

CDBG-Funded Housing Rehabilitation Assistance Program

.28 PCDC-ULDC shall assist small and minority housing contractors with managerial assistance delivered through individual consultations. The goal is to increase the managerial and technical capabilities of the assisted small contractors to enable the firms to successfully perform housing rehabilitation projects. This shall entail assisting at least three (3) contractors in the completion of the bonding package and bonding negotiations. It is anticipated that seven (7) of these contractors shall be minority-owned construction contracting firms.

.29 PCDC-ULDC shall evaluate the contractor's financing needs and recommend financing in the amount and form required. This shall include the preparation of a short term financial assistance plan with technical assistance recommendations and sources from which the technical assistance can be obtained. This short term financial assistance plan might include:

- Utilizing a revolving fund as established with the City, one of the annual objectives of PCDC-ULDC's Housing Rehabilitation Assistance Program is to provide \$1.5 million in working capital lending to small and minority housing contractors. This lending

SECTION 1130 (CONT.)

shall help to make possible the rehabilitation of 100 housing units, fifty-one percent

(51%) or more of which shall be available to low-to-moderate income Philadelphia residents.

Real Estate Management Activities

.30 Projects under this task shall be fundable in accordance with 24 CFR 570.208.a.1, principally benefiting low and moderate income people.

The audit procedure for the above is:

- Determine that the tasks performed benefit low and moderate income people.

Acquisition/Site Development

.31 At least fifty-one percent (51%) of the residential units shall be available for low or moderate income families.

The audit procedure for the above is:

- Determine that the residential units are occupied at least fifty-one percent 51% by low and moderate income families.

Feasibility Studies/Predevelopment Planning/Project Development

.32 Refer to the Scope of Services in the contract for specific compliance requirements.

UDAG

.33 Program Income and Miscellaneous Revenue generated by Urban Development Action ("UDAG") Grants is governed by OMB Circular A-102, Attachment E and the applicable UDAG Grant Agreement for each UDAG Project.

The audit procedures for the above is:

- Determine if program income and/or miscellaneous revenue was generated and if such income and/or revenue was recorded and reported in accordance with OMB requirements.

Economic Development Programs Funded with the Commonwealth of Pennsylvania's Department of Community and Economic Development (DCED)

.34 For contracts funded with both CDBG and DCED funds refer to the CDBG Programmatic Compliance Procedures. Generally contracts funded only with DCED funds provide for Support Revitalization, Business Services, Acquisition and Site Development. The guidelines for CDBG are also applicable for these types of service. Refer to the Scope of Services in the contract for specific details.

SECTION 1130 (CONT.)

The audit procedures for the above are:

- Determine that contract goals are achieved.
- Determine that the reports required by the contract were submitted timely.
- Select a sample of reported data and trace to source documentation.

Technical and Financial Assistance Program

.35 Refer to the Scope of Services of the contract for specific contract compliance.

SECTION 1140 - FINANCIAL COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Findings and Questioned Costs.

.02 The financial compliance procedures specified in Section 1140.03 to 1140.05 are applicable to all programs listed in Section 1110.

.03 Non-profit organizations that contract with the Commerce Department using Community Development Block Grant Funds are required to follow the Administrative and Financial Management Guidelines issued by the Office of Housing and Community Development including maintaining the Uniform Program Management System (UPMS). The UPMS describes the procedures and controls that the organization is following for Accounting and Internal Control Procedures, Filing Systems, Personnel Policies, Personal Property, Procurement, Conflict of Interest Policies and the Cost Allocation Plan.

The audit procedures for the above are:

- To determine, as part of the review of the internal control structure, that the organization has established procedures and controls necessary to comply with the UPMS.
- Trace selected transactions of the UPMS to determine that procedures and controls are operating.

.04 Agencies using indirect costs are required to develop and follow their indirect cost plan in accordance with OMB Circular A-122.

SECTION 1140 (CONT.)

The audit procedure for the above is:

- The auditor is required to test that the indirect cost plan and rationalization for determining indirect costs are valid.

.05 The monthly subrecipient invoice shall reflect the administrative/planning and programmatic costs for the period in a format provided by the City. The Subrecipient invoice forms are to be submitted no later than ten (10) days after the report period. The City shall reimburse subrecipients solely for costs which have been paid.

The audit procedure for the above:

- Determine that the organization has adhered to the invoice filing requirements specified by the City Representative and Department of Commerce.

UDAG

.06 Auditors performing an audit of UDAG funds must complete the following questionnaire and include such in their audit working papers along with appropriate supporting documentation.

	<u>YES</u>	<u>NO</u>	<u>N/A</u>	Working Paper <u>Ref.</u>
1. Has the Developer submitted all applicable employment reporting information to the City/PIDC, in compliance with the terms of the contract?	—	—	—	—
2. Is the information contained in No. 1, above, reliable and accurate?	—	—	—	—
3. Has the Developer submitted all applicable housing unit reporting information to the City/PIDC, in compliance with the terms of the contract?	—	—	—	—
4. Is the information contained in No. 3, above, reliable and accurate?	—	—	—	—
5. Has the Developer submitted to the City/PIDC, all documentation necessary to report Federal, State and Local taxes, as specified in the contract?	—	—	—	—
6. Is the information contained in No. 5, above, reliable and accurate?	—	—	—	—

SECTION 1140 (CONT.)

	<u>YES</u>	<u>NO</u>	<u>N/A</u>	Working Paper <u>Ref.</u>
7. Has the Developer paid all taxes to the appropriate authorities, as specified in the contract, and as required by Federal, State and Local laws and regulations? (If no, provide a schedule of delinquent taxes as a part of this report.)	—	—	—	—

SECTION 1150 - SUPPLEMENTAL FINANCIAL SCHEDULES AND REPORTS

.01 The organization's audit report must include the following supplemental financial schedules for each City of Philadelphia contract, in addition to the financial statements and auditor's reports as specified in Sections 400 and 500 of this Audit Guide. In addition, the supplementary schedules must contain all contract funding sources. A designation has been made for those supplemental schedules required for a "single audit" report (Section 400) or a "program audit" report (Section 500). The auditor's report on the Supplemental Schedules listed below will be an agreed-upon procedures report as specified in Section 400 of this Audit Guide.

SECTION 2000

DEPARTMENT OF HUMAN SERVICES

SECTION 2001 - GENERAL INFORMATION

.01 The Philadelphia Home Rule Charter of 1951 assigned to the Department of Public Welfare (now the Department of Human Services) the following principal functions:

- To receive, care for and place dependent, mentally defective, neglected, incorrigible and delinquent children, and mentally defective, aged, infirm and destitute adults whose support is paid for out of the City Treasury; to investigate from time to time the manner in which they are being cared for; and to locate, care for and return to their places of residence, transients who because of age, lack of means, or other appropriate reasons require such assistance.
- To approve or disapprove all bills rendered to the City for the care of children and adults; and to transmit to the Department of Collections for collection all accounts due to the City for the care and placement of children and adults, and the care and return of transients.

.02 The Department of Human Services seeks to contribute to the quality of life in the City of Philadelphia through the provision of a comprehensive, effective system of human services. The Department of Human Services is dedicated to the protection, safety and promotion of the well-being of the City of Philadelphia's most vulnerable citizens: dependent and delinquent children and youth and the aged and their families. The Department's services and programs focus on the individual within the context of their families and communities. The Department is committed to the goal of enhancing the capacities of families and communities to assume responsibility for their children, youth and elderly. In addition to the provision of service, the Department is committed to assuming a leadership role in policy and advocacy in the areas of child welfare and juvenile justice on the local, State and national level.

.03 The Department is charged with the public mandate to provide child welfare and juvenile justice services to children, youth and their families. Services of the Department are directed towards ensuring the safety and well-being of children and youth, toward preserving families, ensuring the achievement of permanent, secure and nurturing homes for all children and youth, and preparing dependent youth for independent living. The Department services are based on the philosophy that each child and youth is entitled to an environment which assures his or her growth and safety and protects him/her from abuse and neglect.

.04 The Department is charged with the responsibility and financing for services for juvenile delinquents in the City of Philadelphia. The Department assures the provision of a comprehensive juvenile delinquency program, works with the Court system and others in the juvenile justice system to prevent, deter, and treat juvenile delinquents, provides appropriate placements and seeks to work with others in the community towards the prevention of juvenile delinquency.

SECTION 2001 (CONT.)

.05 The mission of the Department incorporates an understanding and acceptance of the trust given to us by the Commonwealth of Pennsylvania and the City of Philadelphia to protect the welfare of our most vulnerable citizens. We seek to work cooperatively with all public and private sectors in the community to accomplish the mandates given to the Department and to cooperate in the achievement of the ultimate goal of protecting the vulnerable from abuse and neglect through the provision of a comprehensive, effective system of human services.

SECTION 2100

CHILDREN AND YOUTH DIVISION AND JUVENILE JUSTICE SERVICES

SECTION 2101 - GENERAL INFORMATION

Children and Youth Division

.01 This Division has the public mandate to provide child welfare to children and youth and their families. All of the services are aimed at ensuring the safety of children and youth, and also preserving families, achieving permanent, secure and nurturing homes for all children and youth, and enhancing the capacities of families and communities to assume responsibility for their children.

Basic Components:

- | | |
|--|---|
| Family Centers | - Delivery of social work services to children, youth and their families with the aim of reuniting them or keeping them intact wherever possible. |
| Adoptions | - Assistance with the placement of children where the biological family cannot provide the necessary care. |
| Parent Action Network | - Prevention of abuse and re-abuse. |
| Emergency Foster Homes Unit | - Monitor foster homes designated for emergency use. |
| Liaison Unit | - Facilitation of effective cooperative working relationships with other human services. |
| Resource Information and Development | - Review and analysis of programs/proposals for new contract services.
- Availability of resources. |
| Diagnostic | - Case consultation and requests for psychological and psychiatric assessments. |
| Policy, Planning and Administration Center | - Planning Process
- Policy Development
- Delivery Capacity
- Training |

Juvenile Justice Services

.02 This Division is charged with the following responsibilities:

- To protect the community by providing safe and secure temporary custody in a

SECTION 2101 (CONT.)

restrictive environment for alleged juvenile offenders as ordered by the Family Court of Philadelphia, pursuant to the Juvenile Act of Pennsylvania, as provided by the Department of Human Services for Philadelphia.

- To provide a structured program designed to promote the positive growth and development of detained youth, including activities that encourage options that are conducive to appropriate behavior.
- To consistently promote and advocate a Juvenile Justice System with a full range of services responsive to the needs of the community, family and youth.

Basic Components:

- | | | |
|---------------------------------------|---|---|
| Youth Study Center | - | Provide detention juveniles as ordered by the Court, in accordance with the Juvenile Act. |
| Community Based
Emergency Services | - | Alternative to detention. |

SECTION 2110 - PROGRAM DESCRIPTIONS AND OPERATIONS

.01 Contractual services are provided for both dependent (overseen by the Children and Youth Division) and delinquent (overseen by Juvenile Justice Services) youth. These contractual services consist of the following:

Placement Services

.02 FOSTER CARE: Foster Family Care is substitute family care for no more than six youth (including the natural children of the foster parents) in a foster home for a planned period of time. It is provided on a 24-hour basis in an Agency-supervised, privately-owned or rented home of persons evaluated and approved as foster parents.

.03 GROUP HOME CARE: Group Home Service consists of 24-hour residential group care and auxiliary services for 6 to 12 youth. It is provided in an Agency-owned or rented facility in an open community setting from institutional grounds.

.04 INSTITUTIONAL CARE: Institutional Care Services provides 24-hour residential care for more than 12 youth in a large congregate care facility or several smaller facilities located on the same grounds.

.05 SUPERVISED INDEPENDENT LIVING: Supervised Independent Living Service provides 24-hour residential placement for youth 16 1/2 - 18 years in individual rental apartments or in a boarding home setting in the community together with social work supervision and supportive services. This service provides guided activities and interactions for youth in the greater society

SECTION 2110 (CONT.)

through which they gradually acquire the necessary life skills with which to manage the societal expectations and responsibilities of adulthood.

Non-Placement Services

.06 SERVICES TO CHILDREN IN THEIR OWN HOMES: S.C.O.H. Services provides a specific constellation of services, delivered primarily in the family's home, to maintain, enhance, or rehabilitate parent, child and family functioning in the home and the community at large.

.07 DAY CARE SERVICES: Day Care Services provides out-of-home care for part of a 24-hour day to children 3 months to 13 years of age. It excludes care provided by relatives or day care furnished in places of worship during religious services.

.08 DAY TREATMENT SERVICES: Day Treatment Services, under social service auspices, is the non-residential or daytime equivalent to Residential Treatment Services. It provides or arranges for treatment services in a center during daytime and early evening hours.

.09 IN HOME DETENTION: In Home Detention provides non-placement supervisory and social services in the youth's own home.

.10 COMMUNITY BASED DETENTION: Community Based Detention Services are provided to pre-adjudicated youth in foster homes, their own homes, or more secure settings.

SECTION 2120 - FEDERAL CFDA NUMBERS/OTHER REGULATIONS

.01 In general, the Federal CFDA Number is 93.658 for placement services and 93.558 for non-placement services. A Schedule of Funding Sources will be provided to the auditor.

.02 All Programs listed in Section 2110 are subject to Title 55 Public Welfare Chapter 3170 "Allowable Costs and Procedures for County Children" and the City of Philadelphia Contract Cost Principles and Guidelines.

SECTION 2130 - PROGRAM COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department Program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed below are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Finding and Questioned Costs.

.02 For Fee-for-Service Contracts the client care contracts are written for a group of unspecified clients to receive a covered group of services at specified per diems, usually written for a period of one year.

SECTION 2130 (CONT.)

.03 The auditor should perform tests, relating to Fee-for-Service, to determine that:

- Provider maintains case records for all clients appearing on monthly billings.
- Client attendance and participation in the service is documented.

SECTION 2140 - FINANCIAL COMPLIANCE PROCEDURES

.01 Contracted agencies are required to have in place a cost allocation plan to account for indirect costs relating to the provision of program services in accordance with the Commonwealth of Pennsylvania, Department of Public Welfare, Chapter 3170 Regulations (DPW), Section 3170.60. The auditor should determine that this allocation plan is in compliance with the DPW Section 3170.60 regulations and the "Indirect Cost Allocations" Section of the Instructions For Completing The Report of Functional Expenditures as specified in Exhibit B in this Guide Section.

SECTION 2150 - SUPPLEMENTAL FINANCIAL SCHEDULES AND REPORTS

.01 The Organization's audit report must include the following Supplemental Financial Schedules for each City of Philadelphia contract, in addition to the financial statements as specified in Sections 400 and 500 of this Audit Guide. A designation has been made for those supplemental schedules required for a "single audit" report (Section 400) or a "program audit" report (Section 500). The auditor will be required to issue an opinion on the Supplemental Schedules listed below as specified in Section 400 of this Audit Guide.

<u>Supplemental Financial Schedule</u>	<u>Section Ref. to Sample Format</u>	<u>Single Audit Report</u>	<u>Program Audit Report</u>
• Report of Revenue by Functional Program (1)	2150.02	Yes	Yes
• Report of Functional Expenditures (1)	2150.03	Yes	Yes

SECTION 2150.04

INDEPENDENT AUDITOR'S REPORT ON COST ALLOCATION PLAN

We have audited the financial statements of *(Name of Organization)* for the year ended June 30, 20XX and have issued our report thereon dated September 15, 20XX. As part of our audit, we audited the methods used by *(Name of Organization)* to allocate indirect costs as reflected in the City of Philadelphia, Department of Human Services Report of Functional Expenditures as required by the Commonwealth of Pennsylvania, Department of Public Welfare, Section 3170.60 of the Chapter 3170 Regulations; and the "Indirect Cost Allocations" Section of the City of Philadelphia Subrecipient Audit Guide - Instructions For Completing The Report of Functional Expenditures (Section 2000, Exhibit B).

The Commonwealth of Pennsylvania, Department of Public Welfare, Section 3170.60 of the Chapter 3170 Regulations state that "The overall objective of the allocation process is to distribute the indirect costs of the Agency to its various services or cost categories in reasonable proportion with the benefits provided to these services or categories." The Regulations require that the method used "shall result in a fair and equitable distribution of costs and shall be in direct relation to actual benefits accruing to the services to which costs are charged."

In our opinion, the cost allocation plan of *(Name of Organization)*, results in a distribution of indirect costs, as reflected in the City of Philadelphia, Department of Human Services Report of Functional Expenditures for the year ended June 30, 20XX in accordance with Section 3170.60 of the Chapter 3170 Regulations issued by the Commonwealth of Pennsylvania, Department of Public Welfare and the "Indirect Cost Allocations" Section of the City of Philadelphia Subrecipient Audit Guide - Instructions For Completing The Report of Functional Expenditures.

This report is intended for the information of the audit committee, management, and the city of Philadelphia, Department of Human Services. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

EXHIBIT A

INSTRUCTIONS FOR COMPLETING THE REPORT OF REVENUE BY FUNCTIONAL PROGRAM (85-396)

All revenue, from whatever source, should be disclosed on the Report of Revenue by Functional Program. As the name of the report implies, all revenue should be shown for each functional program provided by the Agency. If certain types of income or revenue are not directly attributable to a specific agency function, the revenue should be pro-rated among the various functions in the same ratio as the costs of the various functions. Total revenue for all functions should also be indicated.

Columnar headings are provided for total revenue as well as for selected program services. For other services, the type(s) of service or function should be typed in one or more of the blank columnar headings provided for this purpose.

Revenue is to be reported in a manner which conforms to that used in the agency's CPA audit, listing all revenue sources indicated on the report. The agency should state which accounting method it utilizes, whether cash or accrual, or any variant thereof, in the space at the lower right of the form.

For sources of revenue not specifically indicated on the form, the agency should utilize one of the spaces marked "other" and specify what the source of revenue is, in that space. Bequests and contributions are examples of "other" sources of revenue.

Revenue from the Federal government should be listed first, followed by State sources of revenue, Philadelphia Department of Human Services, other counties, and then miscellaneous public and private revenue sources.

A definition of each revenue source listed on the form follows:

Line 61 Title I – refers to the Elementary and Secondary Education Act (ESEA). This title is for grants to improve basic skills achievement for educationally deprived children who live in the attendance areas that have high concentrations of children from low income families.

Line 62 Title II – This also refers to ESEA. It includes grants to provide additional library resources, textbooks, and other instructional materials for all children.

Line 63 Title XIX - refers to the Social Security Act, as amended. This title provides for grants for Medical Assistance Programs to furnish: (1) medical assistance on behalf of families with dependent children, and (2) rehabilitation and other services to help such families to attain or retain capability for independence or self-care.

Line 64 Title XX - also refers to the Social Security Act. It provides for grants for basic social services to prevent or reduce dependency to prevent or reduce neglect, abuse, or exploitation of children, and to prevent or reduce inappropriate

EXHIBIT A (CONT'D)

institutional care by providing for community-based care, home based care, or other forms of less intensive care.

Lines 65-70 Any other Federal source of funding should be reported on lines 65 through 70, if needed. These other sources would include Social Security benefits in behalf of a child, Railroad Retirement benefits, Supplemental Security Income, and Veterans Administration benefits. In addition, Titles IV-A and IV-B, of the Social Security Act, as defined below, should be included under "other federal" revenue sources.

Title IV-A - grants for aid and services to needy families with dependent children, which includes money payments with respect to, or medical care in behalf of, dependent children.

Title IV-B - grants for child welfare services which supplement, or substitute for, parental care and supervision for the purpose of preventing or remedying the neglect, abuse, exploitation, or delinquency of children.

Lines 71-73 Any funding provided by the State Government should be shown on these lines. If funds are received from any other state than Pennsylvania, specify which state.

Line 74 Philadelphia DHS - indicates per-diem rate funds received from the Children and Youth Agency. Total annual funds should be reported here, not the daily rate.

Line 75 Philadelphia DHS Community Block Grants - These are City of Philadelphia Councilmanic grants used in the prevention of juvenile delinquency, and providing recreational activities and counseling.

A Group - up to \$15,000, for licensed facilities
B Group - up to \$6,500, unlicensed facilities
C Group - up to \$5,000, to non-structured, small community based, unlicensed groups.

Lines 76-79 Other counties. Funding from any other County Children and Youth Agency should be reported here. The County providing the funds should be specified.

Line 80 Board of Education - Funding provided by the Board of Education should be indicated on this line. If funds are received from a School District outside the City of Philadelphia, specify which school board provides the funds.

Line 81 C.O.D.A.A.P. - This is the City of Philadelphia Coordinating Office for Drug and Alcohol Abuse Programs. This office passes on funds from the Governor's Council on Drug & Alcohol Abuse, as well as from other sources.

Line 82 MH/MR - Funds received from the local Mental Health/Mental Retardation agency should be reported here. If the MH/MR agency is outside the City of Philadelphia, specify which agency provides the funds.

EXHIBIT A (CONT'D)

- Lines 83-84 Funds from any other State or local government agency should be reported here. The source of the funds should be specified.
- Line 85 Funds received from any source of private fund raising should be reported here, whether from corporate grants, bake sales, etc.
- Lines 86-87 Investment Income - In from, investment income may include interest, dividends, royalties, gains on dispositions of securities, and even net earnings from activities conducted solely for the production of income. Enter all such income on this line.
- Line 88 Rental Income - This includes income from the rental of real estate, buildings, or property, whether the facility or resource is owned by the agency or is available for its use as an income-producer.
- Line 89 Endowment Fund - A fund arising from a bequest, gift, or other donor instrument, the income of which is devoted to a specific purpose until a specified time, or the occurrence of a specific event, or in perpetuity. The income from the fund should be reported here.
- Line 90 Foundation Income - Income received from any foundation should be reported here. The name of the foundation should be indicated on Line 90, after the word "foundation".
- Line 91 United Way - These funds include three main categories: (1) deficit financing; (2) grants, which are determined by various review committees, and are not linked to a particular service; and (3) project funding, for specified services of an agency, usually of an innovation nature. In addition, there is some funding for particular items of expense, such as capital improvements.
- Line 92 Program Income - This category should include revenue from activities that, although administered by it, a voluntary agency regards as incidental to its primary services, or from activities that are conducted primarily as therapeutic training or vocational training. Income from the operation of a farm is an example of the latter type of activity.
- Line 93 Client Fees - These are direct fees charged the clients for program services rendered.
- Line 94 Other - Include revenue from any other source not mentioned in instructions.
- Line 95 Grand Total - Total of all funds, grants and revenue.

EXHIBIT A (CONT'D)

For revenue specifically earmarked for a particular function, the agency should place an asterisk to the left of such revenue item(s) on the form.

For multiple year funding, a code letter should be used to indicate whether the, funding will continue and which year of funding has been received in the fiscal period just ended. "A" should be used to indicate the first year of funding; "B" the second year; and "C" the third year of funding.

(For any additional years of funding, use "D", "E", "F", for 4th, 5th, and 6th year, respectively.) If the funding is to be continued in the next fiscal period (i.e. the fiscal period following the one just ended and reported on herein), use a "Y" to indicate this fact. If the funding will not be continued in the current fiscal year, use an "X" to indicate this. The code letters A, B, or C should be placed to the upper right of the revenue figure: the code letter Y or X should be placed to the lower right of the figure.

EXHIBIT B

INSTRUCTIONS FOR COMPLETING THE REPORT OF FUNCTIONAL EXPENDITURES 85-185 (REV. 5195)

INTRODUCTION

Cost accounting is an essential element of compliance with the regulations governing purchase of care by public child welfare agencies as set forth in Pennsylvania Department of Public Welfare 55 PA Code, Chapter 3170 "Allowable Costs and Procedures For County Children and Youth".

Careful determination of costs is essential to the continued vigor of programs conducted under contracts with provider agencies. Recognition is given that there are both direct and indirect costs which contribute to the quality and viability of services.

REIMBURSABLE AND NON-REIMBURSABLE EXPENDITURES

Effective for the Contract Year beginning July 1, 1995, the City of Philadelphia has issued Contract Cost Principles And Guidelines. This document contains instructions for the determination of Direct and Indirect costs, basic guidelines for allowability of costs, reasonableness of costs and standards for selected cost items.

In determining allowable expenses for this report, Contract cost Principles And Guidelines should be considered in conjunction with the 55 PA Code, Chapter 3170, entitled "*Allowable Costs And Procedures For County Children And Youth*" and the Office of Management And Budget Circular A-122 entitled *Cost Principles For Nonprofit Organizations*".

All phases of a function should be included so that both intake and post-placement (after care) service costs are reflected.

MH/MR , EDUCATIONAL AND MEDICAL COSTS

When calculating MH/MR, Educational and Medical costs, consider only the costs that are an addition to the normal social service and child care costs (e.g. The salary and wage cost for a social worker who provides the same service for all clients whether in special MH/MR or Medical programs or not would all be considered social service cost. The salary and wage cost for a worker who specializes in the care of MH/MR or medical clients and works with these clients only would be considered MH/MR or medical cost).

EXHIBIT B (CONT'D)

REPORT FORMAT

A) Column Headings - DHS Contracted Services

- 1) Columns must be headed by functional services titles as they appear on the agency's monthly billings to the city.
- 2) A separate column must be prepared for each service.

e.g., If the agency bills for several different categories of Foster Family Care, a separate column must be prepared for each specific foster care service. It is not acceptable to combine services and list them in one column such as combining several different categories of foster family care under the heading "Foster Care".

- 3) Reporting by agency cost center is not acceptable if these cost centers do not directly correspond with specific DHS contracted services.

If agency costs centers do not correspond with specific DHS contracted services, a method of allocation must be used to determine costs attributable to specific services.

e.g., A column headed by Administration and Management is not acceptable. These costs must be allocated to individual services.

B) Column Headings - Non-DHS Contracted Services

- 1) Figures for functions performed by the agency which are not purchased by DHS must be included so that the "Total All Functions" column will agree with the total per the Statement of Revenue, Expenses and Changes in Fund Balance.
- 2) Functions not purchased by DHS may be listed individually or may be combined in one column with the heading "All Non-DHS Services".

C) Column Heading - Total All Functions

- 1) Amounts in this column should include all agency expenditures (DHS and Non-DHS) for all programs and the Grand Total of All expenses must agree with the total per the Statement of Revenue, Expenses and Changes in Fund Balances.
- 2) All line items must be correctly cross-footed.

Please note only properly formatted reports will be accepted.

EXHIBIT B (CONT'D)

DESCRIPTION OF-REPORT FORM ENTRIES

Enter all items whether allowable or non-allowable. The total of non-allowable expenses is to be entered on Line 80.

SALARIES AND WAGES

Lines 1 through 5

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-5

Include:

- Full time and part-time employees.
- Direct charges and indirect charge allocations.
-

-Do Not Include:

- Consultants and others engaged on a contract basis.
- Employees who provide Mental Health/Mental Retardation, Educational or Medical services.

Lines 6 through 9

CONTRACT COST PRINCIPLES SECTION II PARAGRAPH D-5

Include:

- The FICA, Unemployment Compensation, Workmen's Compensation and Employee Benefits (Pension Plans, Health Insurance, etc.) applicable to the wages listed on Lines 1 through 5.

Line 10

Include:

- All salaries and wages paid which do not fall into any of the previous classifications, plus the applicable taxes and benefits.
- Specify the type of wage expense listed.

EXHIBIT B (CONT'D)

Line 11 is the total of Lines 1 through 10.

Line 12

Include:

- Only the wages paid to employees who provided MH/MR services. These are employees who specialize in the care and treatment of clients who experience mental retardation and/or acute and extended mental illness.

Lines 13 through 16

Include:

- The FICA, Unemployment Compensation, Workmen's Compensation and Employee Benefits applicable to the wages listed on Line 12.

Line 17 is the total of Lines 12 through 16.

Line 18

Include:

- Only the wages paid to employees who provided educational services. This would encompass teachers and employees in teaching related positions who are engaged in an accredited education program.

Do Not Include:

- Tutors who are not part of an accredited education program that are providing supplementary teaching services. List these wages on Line 2.

Lines 19 through 22

Include:

- The FICA, Unemployment Compensation, Workmen's Compensation and Employee Benefits applicable to the wages listed on Line 18.

Line 23 is the total of Lines 18 through 22.

Line 24

Include:

- Only the wages paid to employees who provided medical services. These are employees who specialize in the care and-treatment of clients who experience severe medical afflictions or prolonged illness. This would encompass doctors, nurses, physical therapists and employees in other health care related positions.

EXHIBIT B (CONT'D)

Lines 25 through 28

Include:

- The FICA, Unemployment Compensation, Workmen's Compensation and Employee Benefits applicable to the wages listed on Line 24.

Line 29 is the total of Lines 24 through 28.

Line 30 is the sum of Lines 11, 17, 23 and 29.

OPERATING EXPENSE AND ADMINISTRATION

Line 31 - Professional Fees And Contract Payments

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-19

- Include fees and-expenses of professional practitioners and consultants who are not employees of the agency and are engaged as independent contractors for specified services on a fee or other individual contract basis such as legal, auditing and consulting fees and expenses.

Line 32 - Supplies

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-16

- Include the cost of office supplies and materials.

Line 33 – Telephone

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-4

Include telephone charges.

- Line 34 - Postage And Shipping

CONTRACT COST PRINCIPLES SECTION III PARAGRAPH D-4

- Include postage, parcel post, trucking and other delivery expenses.

Line 35 - Local Transportation

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-24

- Include expenses of travel and transportation for staff and clients such as bus, taxi or railroad fares and the expenses of operating agency vehicles such as gas, oil, repairs, etc. Also include mileage allowances for the use of employee or volunteer automobiles and parking charges and tolls.

EXHIBIT B (CONT'D)

Line 36 - Outside Printing, Artwork, Etc.

CONTRACT COST PRINCIPLES SECTION III PARAGRAPH D-18

- Include the costs of printing, commercial artists, art work, photographs and other costs of in-house publications such as annual reports, brochures, newsletters, etc.

Line 37 - Conferences, Conventions And Meetings

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-17

- Include all expenses of conducting or of staff attendance at meetings related to an agency's activities such as transportation, mileage allowances, hotel, meals and incidental expenses of out-of-town conferences and conventions. Also include speaker honorariums, meeting space, equipment rentals and other related expenses.

Line 38 - Subscriptions, Publications

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-17

- Include the costs of subscriptions, reference and resource publications, technical journals, books and pamphlets.

Line 39 - Membership Dues

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-17

- Include all membership dues in other organizations, both individual and agency, quota payments and other formula-based or prescribed payments to local or national organizations.

Line 40 - Awards And Grants

CONTRACT COST PRINCIPLES SECTION 11, PARAGRAPH D-11

- Include amounts paid to individuals or organizations for support of research, fellowship, scholarship and other health or welfare programs.

Line 41 - Rental Expense of Equipment, Furniture And Motor Vehicles

CONTRACT COST PRINCIPLES SECTION 11, PARAGRAPH D-20

- Include the rental or lease expense of equipment, furniture and motor vehicles essential to the operation of the programs under contract.

EXHIBIT B (CONT'D)

Line 42 - Use Allowance For Equipment, Furniture And Motor vehicles

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-7

- Determine the use allowance for Equipment, Furniture and Motor Vehicles in accordance with the instructions contained in Paragraph D-7.

Line 43 - Fund Raising

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-9

- Include all expenses of activities that constitute or are an integral part of an appeal for financial support.

Line 44 - Other

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPHS D-2, 3, 8, 10, 13, 23

Include:

- All operating and administrative expenses which are not reportable under Lines 31 through 43 and Lines 46 through 48.
- Specify the type of expense listed.

Line 45 is the Sum of Lines 31 through 44

Line 46 - Operating Expense - MH/MR

- Include the total of all expenses which could be classified under Lines 31 through 44 but were incurred specifically in the provision of services to clients who experience mental retardation and/or acute and extended mental illness.

Line 47 - Operating Expense - Educational

- Include the total of all expense which could be classified under Lines 31 through 44 but were incurred specifically in the provision of an accredited education program.

Line 48 - Operating Expenses - Medical

- Include the total of all expenses which could be classified under Lines 31 through 44 but were incurred specifically in the provision of services to clients who experience severe medical afflictions or prolonged illness.

Line 49 in the Sum of Lines 45 through 48.

EXHIBIT B (CONT'D)

OCCUPANCY

Line 50 - Office Rent

CONTRACT COST PRINCIPLES SECTION II PARAGRAPH D-20

- Include amounts paid under rental or lease agreements for buildings or offices used in providing contracted services.
- The parties must be unrelated and continue as such. When an agency enters into a sale and lease back agreement with a related purchaser, the expense is non-allowable.
- The amount of rent charged to any given program shall be prorated in direct relation to the amount of space utilized by the general public for similar space in that geographical area.

Line 51 - Building And Building Equipment Insurance

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-12

- Include the cost of all insurance associated with the use of buildings and the related equipment such as property and fire insurance.

Line 52 - Building And Grounds Maintenance And Repairs

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPHS D-15, 21

- Include the costs of repairs and maintenance of buildings, grounds or space which is used for the activities of the agency such as janitorial services, garbage collection, pest control and grounds maintenance costs.
- Repairs are costs incurred for necessary maintenance or upkeep of buildings which neither add to the permanent value of the property, nor appreciably prolong its intended life, but keep it in an efficient operating condition.

Line 53 - Utilities

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-25

- Include the cost of electricity, heat, water and other utilities associated with the occupancy of buildings.
- Include only the interest portion of mortgage payments for agency property used in providing contracted services.

EXHIBIT B (CONT'D)

Please note that expenses formerly listed on Line 54 Amortization, Line 55 - Mortgage interest and Line SG Depreciation are now to be included on Line 50 - Office Rent.

Line 57 – Other

CONTRACT COST PRINCIPLES SECTION 11, PARAGRAPH D-22

Include:

- All occupancy expenses which are not reportable under Lines 50 through 56 and Lines 59 through 61.
- Specify the type of expense listed.

Line 58 - is the Sum of Lines 50 through 57.

Line 59 - Occupancy Expense - MH/MR

- Include the total of all expenses which could be classified under Lines 50 through 57 but were incurred specifically in the provision of services to clients who experience mental retardation and/or acute and extended mental illness.

Line 60 - Occupancy Expense - Educational

- Include the total of all expenses which could be classified under Lines 50 through 57 but were incurred specifically in the provision of an accredited education program.

Line 61 - Occupancy Expense - Medical

- Include the total of all expenses which could be classified under Lines 50 through 57 but were incurred specifically in the provision of services to clients who experience severe medical afflictions or prolonged illness.

Line 62 is the Sum of Lines 58 through 61.

CHILDREN'S DIRECT EXPENSE

Line 63 - Food or Board Payments

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-16

- Include all board payments to foster parents regardless of the agency definition and extent to which payments meet the cost of care.
- Also include food costs for group or institutional care whether a purchased service or provided directly by the agency.

EXHIBIT B (CONT'D)

Line 64 - Subsidy Payments To Foster Parents

CONTRACT COST PRINCIPLES SECTION II PARAGRAPH D-19

- Include only payments to foster parents which are in the nature of salaries or bonuses.

Line 65 - Clothing, Cleaning And Repairing

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-16

- Include the cost of the purchase of all clothing for the children for whom the agency has responsibility.
- Also include the cost of alterations, repair and cleaning.

Line 66 - Activities, Recreation, Camp

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-6

- Include the cost of providing recreation for the children whether on grounds or off grounds, such as tickets for sporting, entertainment or cultural events.
- Do not include the cost of staff for supervision or the cost of transportation.

Line 67 - Personal Expenses

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-16

- Include the cost for children's personal allowance and personal grooming costs.

Line 68 – Transportation

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-24

- Include all child related transportation, recreation-related transportation and transportation funds used by clients for home visitation and court appearance.

Line 69 - Medical And Dental Fees And Supplies

EXHIBIT B (CONT'D)

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-16

- Include the cost of medical and dental care for children who are not eligible for medical assistance or other insurance or when medical assistance services are not available.
- Do not include the costs of medical and dental care that specifically apply to clients included on Lines 72 and 74.

Line 70 - Other

CONTRACT COST PRINCIPLES SECTION II, PARAGRAPH D-16

Include:

- All children's direct expenses which are not reportable under Lines 63 through 69 and Lines 72 through 74.
- Specify the type of expense listed.

Line 71 is the Sum of Lines 63 through 69.

Line 72 Children's Direct Expense - XH/XR

- Include the total of all expenses which could be classified under Lines 63 through 70 but were incurred specifically in the provision of services to clients who experience mental retardation and/or acute and extended mental illness.

Line 73 - Children's Direct Expense - Educational

- Include the total of all expenses which could be classified under Lines 63 through 70 but were incurred specifically in the provision of an accredited educational program.

Line 74 - Children's Direct Expense - Medical

- Include the total of all expenses which could be classified under Lines 63 through 70 but were incurred specifically in the provisions of services to clients who experience severe medical afflictions or prolonged illness.

Line 75 is the Sum of Lines 71 through 74.

Line 76 - is. the total of Lines 11, 45, 58 and 71 less any unallowable expenses.

Line 77 - is the total of Lines 17, 46, 59 and 72 less any unallowable expenses.

Line 78 - is the total of Lines 23, 47, 60 and 73 less any unallowable expenses.

EXHIBIT B (CONT'D)

Line 79 - is the total of Lines 29, 48, 61 and 74 less any unallowable expenses.

Line 80 - is the total of all unallowable expenses that were excluded in Lines 76 through 79.

Line 81 is the Sum of Lines 76 through 80 and should equal the total of Lines 30, 49, 62 and 7S.

Total Days Of Care - All Children

Record in the appropriate Program Function Column the total number of days of care provided during the fiscal period of the report for all children, whether the financial responsibility of Philadelphia Department of Human Services or not. Days of care provided must agree with the total of days billed for all counties for the report period.

Total Days Of Care - DHS Children

Record in- the appropriate Program Function Column the total number of days of care provided during the fiscal period of the report for children who were the financial responsibility of Philadelphia Department of Human Services. These amounts are to be derived from the monthly DHS billings for the report period and are to be accumulated per the attached "Schedule of Days of Care".

Capacity of All Facilities

Record in each Program Function Column the total bed capacity of all of your agency's facilities for that function. For example, if you operate three group homes, record the total number of beds in all three-group homes.

Bed capacity is defined as that number of beds which your agency had to provide care and service during your fiscal year.

If, during the fiscal year, a new facility was opened, please provide the date opened and its capacity separately. For those facilities no longer used during the year, please list the capacity and the date child care usage stopped.

Exhibit D

Using the Report of Revenue by Functional Program (2150.02) and the Report of Functional Expenditures (2150.03) as basis, a Report of Excess Revenue should be constructed. All of the information necessary for the report has already been obtained for purposes of completing the functional revenue and expenditure reports.

All revenue received from the Philadelphia Department of Human Services (DHS) should be listed in column format according to the service provided by the agency for Philadelphia DHS. The expenses should then be listed in column format, also segregated according to service provided by agency for DHS. The expense line items should be the total dollar amounts expended for Salaries & Wages, Operating & Administration, Occupancy, and Children's Direct Expense. The above line item expenses should then be totaled and placed in line item labeled "Total DHS Expenses." The total DHS expenses should then be subtracted from DHS revenue to obtain the "Excess of Revenue/(Expenditures)." Please refer to section 2150.05 for the format to be used.

SECTION 2200

OTHER HUMAN SERVICES PROGRAMS

.01 The Department of Human Services administer various other Programs as detailed in the following Section.

SECTION 2210 - PROGRAM DESCRIPTIONS AND OPERATIONS

Human Services Development Fund

.01 The Human Services Development Fund (HSDF) was implemented in Fiscal Year 1984-85 in response to the request of Counties for more discretion and flexibility to accommodate local needs and priorities within the Human Service Programs for which Counties are responsible. The HSDF affords Counties the opportunity to develop innovative services tailored to meet particular needs which may not be met within the categorical funding structure; to develop processes which are intended to enhance the coordination of activities among Human Service Agencies, advocates and Programs; and to expand existing categorical services within the County-operated Programs.

.02 The Human Services Development Fund provides funding for the provision of services through the Adult Services, Aging, Children and Youth, Drug and Alcohol, Homeless Assistance and the Community Mental Health and Mental Retardation Programs in order to promote, improve and sustain the quality of family life in Pennsylvania.

.03 Services are provided to eligible persons for the purpose(s) of:

- Achieving or maintaining economic self-support to prevent, reduce or eliminate dependency;
- Achieving or maintaining self-sufficiency, including reduction or prevention of dependency;
- Preventing or remedying neglect, abuse or exploitation of children and adults unable to protect their own interests, or preserving, rehabilitating, or reuniting families;
- Preventing or reducing inappropriate institutional care by providing for community-based care, home-based care, or other forms of less intensive care; or
- Securing referral or admission for institutional care when other forms of care are not appropriate.

.04 HSDF funds may be used only for services within the seven program areas for which counties are responsible. These funds may be used to expand existing services in any or all of the above program areas for the Coordination of Services among those programs, for Generic Services targeted toward clients of two or more of the programs, for Specialized

SECTION 2210 (CONT.)

Services focused upon one or more of the seven programs, and for Volunteer Recruitment and Training. Counties may also, within limits, use HSDF funds for administrative costs relative to managing their HSDF programs.

Family Preservation Program

.05 The purpose of this program is to provide intensive crisis intervention to families at high risk of having their children placed out of home; to motivate these families to accept services by intervention at a point of crisis within the family; to enhance the family's ability to care for their children; to increase the life skills and coping capacities of family members; to promote the well-being of the children of such families and to assist families in obtaining needed services in health, education, housing, training, employment, etc.

Department of Health and Human Services Discretionary Grant (Training)

.06 The purpose of this program is to raise competency levels and increase morale by promoting self-confidence through enhancing workers' knowledge and level of skill in the areas of Social Work, Supervision, Policy, Planning and Administration, Clerical and Foster Parenting.

Adolescent Initiative

.07 To purpose of this program is to move youth further from institutionalized dependency and counterproductive life styles and towards the acquisition of the skills, knowledge and outlooks necessary to achieve responsible adult independence.

SECTION 2220 - FEDERAL CFDA NUMBERS/OTHER REGULATIONS

.01 The Federal CFDA Number is 93.554 for the Department of Health and Human Services Discretionary Grant (Training) Program. The Adolescent Initiative Federal CFDA Number is 72.014. The Human Services Development Fund and Family Preservation Programs are State funded; therefore, a Federal CFDA Number is not applicable.

Human Services Development Fund

.02 Applicable Other Regulations:

- Human Services Development Fund, 1991-1992 - Instructions and Requirements (Commonwealth of Pennsylvania, Department of Public Welfare, Office of Social Programs - Issued December 1991)

SECTION 2220 (CONT.)

Family Preservation Program

.03 Applicable Other Regulations:

- Commonwealth of Pennsylvania, Department of Public Welfare - Special Transmittal dated April 20, 1991 - Family Preservation Service Grant - Fiscal Reporting

Department of Health and Human Services Discretionary Grant (Training)

.04 Applicable Other Regulations:

- OMB Circular A-21, Cost Principles for Educational Institutions

Adolescent Initiative

.05 Applicable Other Regulations:

- Commonwealth of Pennsylvania, Department of Public Welfare - Children, Youth and Families Bulletin - 1991/92 Title IV-E Independent Living Program Guidelines and Application Process

SECTION 2230 - PROGRAM COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed below are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Findings and Questioned Costs.

Human Services Development Fund

.02 Counties are not prohibited from contracting for HSDF services with agencies which also provide other Social Service Programs. If the County elects to contract with such an agency (which receives separate funding to provide other services), the County must ensure that adequate documentation is maintained by that agency to show that HSDF funds are used only for approved

SECTION 2230 - (CONT.)

HSDf services to HSDf clients. HSDf funds may not be used to subsidize programs and/or services which are not allowable and which have not been approved in the HSDf plan.

.03 The auditor should perform tests to determine that:

- Clients receiving services under HSDf are not receiving similar services billed under another program.
- Wage expense charged to HSDf is not for employees who are actually performing services for clients billed under another program.

.04 At this time there are no specific program compliance audit procedures for the additional programs listed in Section 2210.

SECTION 2240 - FINANCIAL COMPLIANCE PROCEDURES

.01 At this time there are no additional specific financial compliance audit procedures for any of the programs listed in Section 2210, other than those procedures required by Section 307 of this Audit Guide.

SECTION 2250 - SUPPLEMENTAL FINANCIAL SCHEDULES AND REPORTS

.01 At this time there are no supplemental financial reports and schedules for any of the programs listed in Section 2210.

SECTION 3000

MAYOR'S OFFICE OF COMMUNITY SERVICES

SECTION 3001 - GENERAL INFORMATION

.01 The Mayor's Office of Community Services (MOCS) is an Agency founded over twenty-seven (27) years ago to fight the "War on Poverty." It does so by providing specialized services to citizens within their respective communities so that they may reach the goal of self-sufficiency and break the cycle of poverty and dependency. To achieve this goal, MOCS has created programs for youth, senior citizens, the homeless and single parents. MOCS has also enacted services that address unemployment, inadequate housing, aids, drug and alcohol abuse, etc. by direct case management as well as through referral services.

SECTION 3100

.01 The Mayor's Office of Community Services administers various programs as detailed in the following section.

SECTION 3110 - PROGRAM DESCRIPTIONS AND OPERATIONS

Foster Grandparents Program

.01 The Foster Grandparents Program (FGP) was established under the Older Americans Act in 1965, to enable low-income seniors to serve children with special needs. There are 20 host institutions located throughout the city where foster grandparents volunteer to serve as a "special friend" and companion to children who are deprived of the benefit of a normal relationship with a mature, caring adult, largely due to a physical or mental handicap. The foster grandparent engages in daily activities which facilitate constructive person to person relationships. They comfort and reassure the children, and they foster self-worth, growth and confidence. A strong advisory board is supportive of the foster grandparents by sponsoring recreational events, fundraising projects and providing technical experience in developing goals. The foster grandparents are paid a small hourly stipend in return for four hours of service five days a week. They also receive a hot meal daily, vacation and sick leave, a free annual physical examination and reimbursement for transportation to and from the institution. The program is open to low-income males and females, age sixty (60) and over, who are in good health, live in Philadelphia and are interested in working with children and adolescents with special needs. Funding for this program is provided by the Mayor's Office of Community Services and ACTION, a Federal Agency.

Adolescent Initiative Program (AIP)

.02 The Mayor's Office of Community Services (MOCS) serves as an evaluation mechanism for the Adolescent Initiative Project (AIP) operated through the Philadelphia Department of Human Services and financed by a Federal Grant. The Program is open to dependent and delinquent children, in-care, sixteen (16) and older, who are soon to graduate from high school and from the child welfare system, the only home some know. Some of the teens are frightened and immature, and most are not ready to venture into the adult world. This Program is designed to prepare them for that experience. The Independent Living Program provides structured group sessions to teach

SECTION 3110 (CONT.)

both tangible and intangible life skills. Skills training includes, but is not limited to employability, money management, housing, education, communication, decision-making, self-esteem, sexuality, leisure, problem-solving, health, transportation, substance abuse and use of community resources. Foster parents throughout Philadelphia have been extensively trained to help prepare young people for independent life. Trained foster parents and the Independent Living Program will increase the chances of our youth being well-prepared for a life of self-sufficiency.

The adolescents are rewarded with stipends throughout the program. They "graduate" at the end of the twelve week training. They receive certificates of achievement along with gift certificates from various retailers. Although the youth are emancipated from the foster care system at age 18, they are eligible to receive services up to age 22.

West Oak Lane Senior Center (WOLSC)

.03 The West Oak Lane Senior Center (WOLSC) provides congregate meals, transportation, social and health services and recreational activities to senior citizens on a daily basis. The Center works closely with other City, State and Federal Agencies to enhance the quality of service delivery for these citizens. This Program is open to adults sixty (60) years and older who reside in the northwestern part of the city and do not require day treatment. The WOLSC Advisory Council is comprised of Center participants whose primary responsibility is to function as an informal reference base, and provide information which addresses the needs of the seniors who are actively involved at the center. The Advisory Council also manages fundraising projects to provide trips and seasonal entertainment. General funding is provided by the Philadelphia Corporation for Aging and the Mayor's Office of Community Services.

Neighborhood Operations

.04 Neighborhood Operations is the outreach component of the Mayor's Office of Community Services (MOCS) which serves economically disadvantaged residents within the city and county of Philadelphia. The Mayor's Action Centers (MACs) are established in seven community based locations and present community services to residents through eight neighborhood area offices. Each of the MACs host community services satellite sites through their perspective service area boundary zip codes.

Continuously the staff of the MAC's are actively involved in door-to-door canvassing and distributing outreach information, in an ongoing attempt to reach out to Philadelphia's economically disadvantaged residents. The staff also coordinates Informational Forums in an effort to present comprehensive information to residents in need. The range of topics include, but are not limited to:

- Community Voter Education
- Racial Harmony
- Efficiency and energy related Consumer Information
- Community Housing and Health Issues
- Employment Seeking
- Senior Health & Insurance
- Community Town Meeting Issues

SECTION 3110 (CONT.)

The MACs provide emergency food cupboard services to eligible Philadelphia residents at all seven (7) community base locations located in Frankford, North West, North Central, North Philadelphia, east of Broad, South Philadelphia, West and Southwest Philadelphia while also providing USDA Commodity Food distribution through community satellite distribution sites.

Work Experience Program/Experience Based Education

.05 The Work Experience (Phil-A-Job) Program is a Program funded by the Private Industry Council designed to provide sixty (60) youth with valuable summer work experience in which they could gain self confidence, an understanding of the work place, increased personal knowledge and a more sophisticated perspective of the labor market.

.06 The curriculum for the experience based education program is very ambitious. The youth are taught to read, comprehend, write and compute in ways that challenge their personal awareness, ability to solve personal problems and expand their social horizons. The youths are exposed to many new and critically important concepts with respect to drugs, sexuality, personal hygiene and responsibility in a format that permits them to question, reflect, and internalize the information they receive.

The Neighborhood Lending Closet

.07 The Neighborhood Lending Closet is a program sponsored by MOCS and the Philadelphia Dept. of Public Health, Office of Maternal and Infant Health. The purpose of the Lending Closet is to provide necessary items and goods to pregnant women and parents of infants in the West Philadelphia area. Merchandise such as cribs, car seats, high chairs, strollers, etc. will be lent on a first come, first serve basis. Parents or guardians must be able to verify that an infant, (0 to 12 months of age), is in their care and receiving pediatric care regularly.

Adult Education Program

.08 This program provides educational training and support to its clients in a multi-level classroom setting. The program offers instruction in Basic Literacy, Adult Basic Education and GED preparation. Comprehensive Case Management Services are also provided to those clients who are in need of additional support. This program is funded through the PA Department of Community and Economic Development.

Family Development Center

.09 The MOCS Family Development Center provides intensive case management services to at-risk families in the South Philadelphia community. FDC's mission is to help the family become self-sufficient by providing training, counseling and emergency support. This program is funded through PA Department of Community and Economic Development.

SECTION 3110 (CONT.)

Urban ARTScape Program

.10 ARTScape is an after school program designed for economically disadvantaged youth ages 14 through 18. This program helps youth who are adjudicated become productive citizens through personal skills development and creative arts. Funded through the City of Philadelphia.

Workwise Program

.11 This is a comprehensive program designed to address problems that have prevented Public Assistance recipients from obtaining employment. Workwise is committed to making a positive impact on these individuals so that they are absolutely ready to embrace the workforce. Program activities include Life Skills Training, Job Development and Job Placement. Job Coaches are assigned to participate throughout the employment process to assist in the transition from unemployment to employment. This program is funded through the PA Department of Public Welfare.

Youth Web Program

12. YouthWeb is an afterschool computer based program which provides technology-oriented skills development training for youth between the ages of 13 and 18. Instruction is given in Computer Applications, Internet Training, Computer Repair and Job-Readiness Skills. This program is funded through the PA Department of Community and Economic Development.

Philadelphia Empowerment Zone (EZ)

13. The Philadelphia Empowerment Zone is a federal initiative spearheaded by the U.S. Department of Housing and Urban Development, and funded with a \$79 million Social Services Block Grant through the U.S. Department of Health and Human Services. Six urban EZs were established nationally in 1994 to foster economic development and to revitalize target communities by attracting business development and investment; creating jobs and training residents to fill them; by involving community residents in creating a vision for their neighborhoods; and by granting residents the power to make decisions related to the allocation of funding for specific programs. The three neighborhoods that make up the Philadelphia EZ have created programs that span from non-profit community lending institutions and housing trust funds to public health outreach and job training programs. As the initiative was intended to have flexibility in the regulatory sense, the primary program monitoring objective is to ensure that all programs meet four broad goals as mandated by HUD, and that all programs demonstrate benefit to Empowerment Zone residents.

SECTION 3120 - FEDERAL CFDA NUMBERS/OTHER REGULATIONS

.01 The following Federal CFDA Numbers are applicable to MOCS programs:

<u>Program</u>	<u>CFDA No.</u>
Foster Grandparents	72.001
Neighborhood Operations	93.569
Work Experience/Experience Based Education	17.250
Neighborhood Lending Closet	93.926
Empowerment Zone	93.585

.02 With the exception of the Empowerment Zone, all Programs listed in paragraph .01 above are subject to the Special Programs for the Aging, Title III, Parts A and B Grants for State and Community Programs on Aging. (Part C applies to nutrition services for the West Oak Lane Senior Center.) The Work Experience Program/Experience Based Education Program is subject to the Commonwealth of Pennsylvania, Department of Labor and Industry JTPA Policies and Procedures Manual.

.03 The Empowerment Zone program is subject to the U.S. Dept. of Housing and Urban Development 24 CFR Part 598; designated sections of the U.S. Dept. of Health and Human Services 45 CFR Part 96 for SSBG regulations, including Social Services in Empowerment Zones and Enterprise Communities Terms and Conditions; and the Pennsylvania Department of Public Welfare Grant between the Commonwealth and the City of Philadelphia, Grant No. 707151470. All documents are on file with the Empowerment Zone Director of Program Administration.

SECTION 3130 - PROGRAM COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department Program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the Program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Findings and Questioned Costs.

.02 With the exception of the Empowerment Zone, the essential features relating to program operations of all other MOCS Programs are as follows:

- Income Eligibility Guidelines

Eligibility for participation in CSBG Program is set at one hundred twenty-five percent (125%) of the Federal poverty guidelines.

SECTION 3130 - (CONT.)

Income eligibility determination shall be based on total family unit income for the ninety (90) day period immediately preceding the date of application for services. The Federal poverty level is based on annual income. Annual income is derived by multiplying income for the past ninety (90) days times four (4).

Please refer to CSBG Directive for definitions of Family Unit, Income and Income Exclusions.

- Intake Form/Application
 - Every client should have proper documentation contained in his/her file.
- Client lives within City of Philadelphia/County.
- Board/Advisory Committee/Council's Minutes maintained.
- Quarterly Report properly prepared and submitted timely.
- Policy and Procedure Manual of the Agency
 - PPM should contain statement(s) concerning equal employment, non-discrimination, affirmative action, etc.
- Empowerment Zone: The essential features relating to program operations of the Empowerment Zone are as follows:
 - All projects/programs must be consistent with the four broad program goals as mandated by HUD and with the approved Strategic Plan.
 - All projects/programs must demonstrate benefit to Zone residents, the latter being defined by the local governance structure.
 - All projects/programs must be approved by the local governance structure prior to the expenditure of any funds allocated to community-created benchmarks.

.03 The programmatic audit procedures for the Empowerment Zone are documented as "Contract Monitoring Procedures" and are available in the office of the Empowerment Zone Director of Program Administration.

SECTION 3140 - FINANCIAL COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department Program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the Program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Findings and Questioned Costs.

.02 The essential features relating to financial operations of all MOCS Programs are as follows:

- Tax filings to all government agencies and "copy" of payment.
- Fidelity Bonding Insurance
 - Must equal at least twenty-five percent (25%) of full contract amount insuring employees handling cash for the contract period.

.03 The audit procedures for the above are to:

- Verify timeliness of tax filings and deposits.
- Determine adequacy of bonding insurance.

.04 The financial audit procedures for all Empowerment Zone programs, including specific requirements directed toward revolving loan funds, are consistent with A-133 requirements and are documented as "Fiscal Monitoring Procedures". This document is available in the office of the Empowerment Zone Director of Program Administration.

SECTION 3150 - SUPPLEMENTAL FINANCIAL SCHEDULES AND REPORTS

.01 The Organization's audit report must include the following Supplemental Financial Schedules for each City of Philadelphia contract, in addition to the financial statements as specified in Sections 400 and 500 of this Audit Guide. A designation has been made for those supplemental schedules required for a "single audit" report (Section 400) or a "program audit" report (Section 500). The auditor's report on the Supplemental Schedules listed below will be an agreed-upon procedures report as specified in Section 40 of this audit Guide.

<u>Supplemental Financial Schedule</u>	<u>Section Ref. To Sample Format</u>
• Statement of Source and Status of Funds	3510.02
• Statement of Program Expenditures	3150.03
• Schedule of Program Income	3150.04

SECTION 4000

OFFICE OF HOUSING AND COMMUNITY DEVELOPMENT

SECTION 4001 - GENERAL INFORMATION

.01 The Office of Housing and Community Development (OHCD) plans and allocates the various program resources which it receives annually from the U.S. Department of Housing and Urban Development (HUD).

SECTION 4100

.01 The Office of Housing and Community Development administers various programs as detailed in the following section.

SECTION 4110 - PROGRAM DESCRIPTIONS AND OPERATIONS

.01 The creation of viable urban neighborhoods is the primary objective of the CDBG program. Since the program's establishment in 1974, neighborhood activists and public officials have debated how best to achieve this broad goal, reaching a consensus on many of the necessary activities. They are:

- **Housing Rehabilitation, Construction and Preservation** - These have emerged as the highest priorities for neighborhood revitalization in Philadelphia. At the heart of bringing back a community are restoring, building and maintaining homes in which low- and moderate-income families can live.
- **Economic Development and Community Revitalization** - Retail strips and industrial corridors form the main streets of most Philadelphia neighborhoods. As they decline, so do the residential neighborhoods. Rebuilding a shopping district or manufacturing zone can create the economic momentum for the revival of the neighborhood.
- **Property Acquisition and Capital Improvements** - Deteriorated curbs and sidewalks, run-down facilities and dilapidated buildings also contribute to neighborhood decline. Local government has a responsibility to acquire (and restore) aging property through its capital program and related investments. Local government can also help to improve the quality of life in Philadelphia neighborhoods by supporting and promoting urban gardening, side yard and other improvement programs.
- **Human Development** - Public investment in neighborhood housing and business will not work unless the people who live there can take advantage of the resulting opportunities. Government must reinforce housing and economic development programs with job training and social services for individuals and families. Promoting self-sufficiency is a crucial ingredient in community revitalization and empowerment strategies.

SECTION 4110 (CONT.)

- **Community Planning** - A neighborhood cannot develop until its residents are prepared to work together. Government cannot by itself organize a community. Government can, however, promote neighborhood participation by involving block clubs, civic associations and grassroots organizations in the planning and implementation of all programs to rebuild the community for its residents.
- **Home Investment in Affordable House** - The Home Program is designed to (1) expand the supply of decent and affordable housing, particularly rental housing, for low-and very low-income Americans; (2) strengthen the abilities of State and local governments to design and implement strategies for achieving adequate supplies of decent, affordable housing; (3) provide both financial and technical assistance to participating jurisdictions, including the development of model programs for developing affordable low-income housing and; (4) extend and strengthen partnerships among all levels of government and the private sector, including for-profit and nonprofit organizations, in the production and operation of affordable housing.
- **Housing Opportunities for Persons with Aids (HOPWA)** - To provide States and localities with the resources and incentives to devise long-term comprehensive strategies for meeting the housing needs of persons with AIDS and related diseases and their families.
- **Neighborhood Transformation Initiative:** - NTI is a strategy to rebuild Philadelphia's neighborhoods as thriving communities with clean and secure streets, recreational and cultural outlets and quality housing. NTI strives to build the capacity of community based organizations to identify needs and develop new housing and employment strategies within their communities while garnering the support of the private sector through innovative partnerships and by leveraging resources. All funding for the NTI is from bonds issued by the Philadelphia Redevelopment Authority for the City of Philadelphia.

SECTION 4120 - FEDERAL CFDA NUMBERS/OTHER REGULATIONS

.01 The Federal CFDA Numbers for Federal funding received by the Office of Housing and Community Development are as follows:

Community Development Block Grant	CFDA 14.218
UDAG	CFDA 14.221
Community Development Block Grants/ Special Purpose Grants/Technical Assistance Program	CFDA 14.227
HOME	CFDA 14.239
HOPWA	CFDA 14.241
Emergency Shelter Grants Program	CFDA 14.231
Shelter Plus Care	CFDA 14.238
Lead-Based Hazard Control in Priority Housing	CFDA 14.900

SECTION 4120 (CONT.)

.02 All programs listed above are subject to the following:

- Code of Federal Regulations (CFR), Chapter 24, Housing and Urban Development.
- Contractor's contract with City of Philadelphia, Office of Housing and Community Development.
 - Exhibit A - Scope of Services
 - Exhibit B - Budget
 - Exhibit C - General Terms and Conditions

.03 For all contracts funded by the Pennsylvania Department of Community and Economic Development (DCED) through the Office of Housing and Community Development of the City of Philadelphia, the Schedule of Federal, State and City Awards and all supplemental financial schedules must include the DCED project number. This project number only pertains to State funded programs. Please refer to Section 400 (Schedule of Federal, State and City Awards) and Section 4150 (Supplemental Financial Schedules) for the correct disclosure of the DCED Project Number. DCED project numbers should be obtained from the subrecipient or by calling OHCD at the telephone number listed in Section 104.03.

SECTION 4130 - PROGRAM COMPLIANCE PROCEDURES

.01 Program compliance requirements and suggested audit procedures for HUD Agency programs are found in the "OMB Circular A-133 Compliance Supplement." The City of Philadelphia, Office of Housing and Community Development (OHCD) also requires compliance testing of all requirements indicated via reference to the Agency's contract with OHCD. In addition, the auditor should refer to the appropriate CFDA reference numbers in the "Catalog of Federal Domestic Assistance" for additional assistance in determining appropriate auditing procedures.

.02 All Pennsylvania Department of Community and Economic Development (DCED) projects must be audited at the 'major' program level regardless of dollar amounts. 'Major' programs are programs selected for audit.

.03 All Neighborhood Transformation Initiative projects with grantees subject to the audit requirements set forth at OMB Circular A-133 will be subject to audit requirements set forth by the Government Auditing Standards, issued by the U.S. General Accounting Office. Audits in accordance with Government Auditing Standards are required for all NTI grants to agencies not subject to single audits and expending NTI grant funds of \$100,000 or more during the organization's fiscal year.

.04 All grants and subgrants to non-profit organizations, not subject to audit procedures by the terms of OMB Circular A-133 or any specific audit requirements set forth in the grants "Contract Terms and Conditions," should provide a copy of the annual tax return for Organizations Exempt from Income Tax, Form 990, to the Office of Housing and Community Development. A copy of any financial statements issued should accompany the Form 990.

SECTION 4140 - FINANCIAL COMPLIANCE PROCEDURES

.01 The principal compliance requirements of Federal Programs are found in the “OMB Circular A-133 Compliance Supplement.” The City of Philadelphia, Office of Housing and Community Development (OHCD), also requires compliance testing of all requirements specified by the Agency’s contract with OHCD. In addition, the auditor should refer to the appropriate CFDA reference numbers in the “Catalog of Federal Domestic Assistance” for additional assistance in determining appropriate auditing procedures.

.02 All OHCD contract awards which result in the award recipient subcontracting funds to other organizations during the audited fiscal year, must be disclosed in the audit report in accordance with OMB Circular A-133. Therefore, the organization should prepare such listing and the auditor should determine the adequacy of such listing during the audit. Each subrecipient funded is to be identified as to the subrecipient(s) name and sub-contract award amount in the notes to the schedule of federal, state and city financial assistance, to the extent practical. The note disclosure is required even if there are no OHCD funded subrecipients (See example in Section 420.)

SECTION 4150 - SUPPLEMENTAL FINANCIAL SCHEDULES AND REPORTS

.01 The Organization's audit report must include the following Supplemental Financial Schedules for each City of Philadelphia contract, in addition to the financial statements as specified in Sections 400 and 500 of this Audit Guide. A designation has been made for those supplemental schedules required for a "single audit" report (Section 400) or a "program audit" report (Section 500). The supplemental disclosure may be designated as notes to the financial statements.

<u>Supplemental Financial Schedule</u>	<u>Section Ref. To Sample Format</u>
• Statement of Source and Status of Funds	4150.02
• Statement of Program Expenditures	4150.03
• Schedule of Program Income	4150.04
• Reconciliation Schedule	4150.05

.02 The Pennsylvania Department of Community and Economic Development (DCED) may impose special audit reporting requirements when the contract period ends on a contract between OHCD and a subrecipient. This special reporting requirement could necessitate a separate audit report on the DCED funds. The subrecipient and its auditor should contact the OHCD Audit Manager for further instructions on this matter.

Philadelphia, PA 19107

SECTION 5000

OFFICE OF EMERGENCY SHELTER AND SERVICES

SECTION 5001 - GENERAL INFORMATION

.01 The Office of Emergency Shelter and Services (OESS) is a City of Philadelphia department. OESS's mission is to provide housing and/or related services to homeless individuals.

.02 OESS plans, prioritizes, coordinates and allocates federal, state and local resources to service providers under four basic categories of service providers to meet its objectives of providing services to the homeless and adults:

- Maintenance of Self-Sufficiency: programs/services are - eviction prevention, emergency relocation, protective services, homemaker services, emergency food and case management.
- Basic Care: programs/services are - intake services, evening and weekend reception, street outreach and shelter services.
- Supportive Services to Assist Homeless Persons: programs/services are - case management of singles and families, substance abuse counseling and Employment Project Services.
- Post-Shelter Transitional & Housing: programs/services are - Housing, Bridge Housing, PENNFREE Transitional Housing and Voucher Program.

.03 OESS initiates a proposal each contract year which outlines the budget and service provisions for the program/services to address the needs of the clients. OESS monitors the service providers against both budget and service projections and for compliance with applicable regulations. Any program or fiscal management technical assistance needed by the service provider is provided. OESS also functions as a liaison between the contract programs and Federal/State funding and regulatory agencies.

.04 The above noted OESS operations are funded through potential providers via a contract award which may be either program funded or fee-for-service funded. The following briefly describes these funding mechanisms:

- Program funded projects are privately administered and staffed and are reimbursed for their total personnel, operating and fixed asset expenses as predetermined by the City of Philadelphia - OESS less all interest or other incomes derived by the Agency from the use of agreement funds.
- Fee-for-Service also referred to as unit of service funding are service providers which are privately administered, staffed and funded by a contracted per-diem or fee rate by the City of Philadelphia - OESS.

SECTION 5100

.01 The Office of Emergency Shelter and Services administers various programs as detailed in the following section.

SECTION 5110 - PROGRAM DESCRIPTIONS AND OPERATIONS

Bridge Housing Program

.01 The Bridge Housing Program is funded by the Pennsylvania Department of Public Welfare (DPW) through OESS. The Bridge Housing Program is designed to provide transitional housing from three to twelve months to homeless adults. There are six Bridge Housing Programs that serve: single males with psychiatric or substance abuse problems; single substance abusing females; single 18-21 year old males; single women and their children, physically abused women and their children; and homeless males. Each of these programs provide a supportive environment that focuses on achieving the goals of independence and self-sufficiency. Services supported by OESS include: supervised transitional housing, case management, job readiness/employment counseling (life skills training), housing counseling, personal/group counseling, substance abuse management and post service follow-up for one year.

Case Management Program

.02 The Case Management Program is funded by the Pennsylvania Department of Public Welfare (DPW) through OESS. Case management programs provide ongoing coordination with the client of all the helping activities needed by the client from the administering agency and other resources in the community to achieve the goal of self-sufficient living. Intensive case management services are provided to homeless individuals and families in designated shelters referred by OESS. Clients are seen on an individual basis 3-4 times a week at the shelter site. In addition, specialized case management services are provided to individuals whose primary problem is substance abuse. Street Outreach is also provided as part of these services. Other services supported by OESS include: assessment, service planning, referrals and on-site educational groups.

Emergency Shelter Grants Program: Stewart B. McKinney Homeless Assistance Act (DCED-McKinney)

.03 The Emergency Shelter Grants Program (ESGP) is a federally funded program through the Pennsylvania Department of Commerce's – Department of Community and Economic Development (DCED) and OESS. This program is called DCED - McKinney by OESS to distinguish it from the McKinney ESGP that OESS receives directly from the federal government. The ESGP provides for one or more of the following activities:

- Renovation, major rehabilitation or conversion of buildings for use as emergency shelters for the homeless.
- Provision of essential services, including (but not limited to) services concerned with employment, health, substance abuse, education or food.

SECTION 5110 (CONT.)

Host Program

.04 The Host Program is funded by the Pennsylvania Department of Public Welfare (DPW) through OESS. The Host program provides housing and other supportive services to individuals who are homeless or near-homeless and who are defined as Transitionally Needy (TN) by the DPW, Office of Income Maintenance. Services supported by OESS include: Supervised transitional housing, case management, job readiness/employment counseling (life skills training), housing counseling, personal/group counseling, substance abuse management and post service follow-up for one year.

Housing Assistance Program

.05 The Housing Assistance Program is funded by the Pennsylvania Department of Public Welfare (DPW) through OESS. The Housing Assistance program provides assistance to individuals and/or families who are homeless or near homeless in Philadelphia. A one-time grant may provide payment of rent, security deposit or utilities. The goal is to prevent homelessness by maintaining individuals or families in their own residences or enable clients to move into new ones. Services supported by OESS include: supportive services, tenants rights classes and referrals.

Human Services Development Fund (HSDF)

.06 The Human Services Development Fund program is funded by the Pennsylvania Department of Public Welfare (DPW) through the Office of Emergency Shelter and Services (OESS). Programs provided under the HSDF category of Adult Services serve the 18-59 age group and provide a collection of various supportive services. Services supported by OESS include: homemaker services, adult placement, protective services, employment and service planning/case management.

Innovative Homeless Initiatives Demonstration Project

.07 The Innovative Homeless Initiatives Demonstration Project is a federally funded program by the Department of Housing and Urban Development through a Community Development Block Grant which is passed through the City of Philadelphia's Office of Housing and Community Development (OHCD) and Office of Emergency Shelter and Services (OESS). The Innovative Homeless Initiatives Demonstration Project provides employment and training to homeless persons including selection, orientation, job readiness, literacy training, basic education, job placement and follow up services.

Pennfree Program

.08 The PENNFREE Program provides for transitional housing and support services for homeless persons with substance abuse problems. PENNFREE is one hundred percent (100%) federally funded using Prevention and Treatment of Substance Abuse Block Grant (SABG). funds which pass through the Pennsylvania Department of Public Welfare (DPW) to OESS.

SECTION 5110 (CONT.)

.09 OESS supports supervised transitional housing and substance abuse supportive services which include: case management, job readiness/employment counseling (life skills training), housing counseling, personal/group counseling, and post service follow-up for one year.

State Food Purchase Program

.10 The State Food Purchase Program is funded by the Pennsylvania Department of Agriculture (PDA) through the Office of Emergency Shelter and Services (OESS).

.11 There are four separate components to this program designed to assist emergency feeding organizations in preventing hunger and under-nutrition in their communities. These components are; shelter/soup kitchen, shared maintenance program of the Greater Philadelphia Food Bank, vendor purchased food, and a homeless outreach program. Food is purchased directly by OESS for shelters and soup kitchens and food is made available to cupboards, religious and community organizations through shared maintenance and vendor purchases. The coordination and direction of these components with respect to their use of State Food Purchase Program funds and resources and the determination of resource allocations will be managed by OESS.

The Emergency Food Allocation Program (TEFAP)

.12 The Emergency Food Allocation Program is a federally funded program. The funds pass through the Pennsylvania Department of Agriculture (PDA) to OESS.

.13 The Share Philadelphia Food Program, Inc. is the only contracted service provider with this program. NFP plans, coordinates and monitors the receipt and delivery of Government donated commodities to distribution sites and is reimbursed by OESS for the administrative, distribution and storage expenditures of the TEFAP program.

SECTION 5120 - FEDERAL CFDA NUMBERS/OTHER REGULATIONS

.01 The Federal CFDA numbers for OESS funding are as follows:

Emergency Shelter Grants Program	14.231
Innovative Homeless Initiative Project	14.245
PENNFREE Program	93.959
The Emergency Food Allocation Program:	
Commodity value	10.569
Administrative Costs	10.568

.02 All other programs are funded by the Commonwealth of Pennsylvania, therefore, a CFDA is not applicable.

Bridge Housing Program

.03 Applicable Other Regulations

- Contract between the Department and the agency (including all exhibits, addendum and modifications).
- Commonwealth of Pennsylvania - Department of Public Welfare (By Program) Grant Instructions and Requirements.
- Single Audit Supplement, Commonwealth of Pennsylvania - Department of Public Welfare.

Case Management Program

.04 Applicable Other Regulations

- Contract between the Department and the agency (including all exhibits, addendum and modifications).
- Commonwealth of Pennsylvania - Department of Public Welfare (By Program) Grant Instructions and Requirements.
- Single Audit Supplement, Commonwealth of Pennsylvania - Department of Public Welfare.

Emergency Shelter Grants Program (DCA - McKinney)

.05 Applicable Other Regulations

- Contract between the Department and the agency (including all exhibits, addendum and modifications).
- City of Philadelphia - Shelter Standards.

SECTION 5120 (CONT.)

- The Pennsylvania Emergency Shelter Grant Program Guidelines; the Department of Housing and Urban Development (HUD) program requirements; 24 CFR Part 576, Emergency Shelter Grants Program.

Host Program

.06 Applicable Other Regulations:

- Contract between the Department and the agency (including all exhibits, addendum and modifications).
- Commonwealth of Pennsylvania - Department of Public Welfare (by Program) Grant Instructions and Requirements.
- Single Audit Supplement, Commonwealth of Pennsylvania - Department of Public Welfare.

Housing Assistance Program

.07 Applicable Other Regulations

- Contract between the Department and the agency (including all exhibits, addendum and modifications).
- Commonwealth of Pennsylvania - Department of Public Welfare (By Program) Grant Instructions and Requirements.
- Single Audit Supplement, Commonwealth of Pennsylvania - Department of Public Welfare.

Human Services Development Fund

.08 Applicable Other Regulations

- Contract between the Department and the agency (including all exhibits, addendum and modifications).
- Commonwealth of Pennsylvania - Department of Public Welfare (By Program) Grant Instructions and Requirements.
- Single Audit Supplement, Commonwealth of Pennsylvania - Department of Public Welfare.
- City of Philadelphia - Shelter Standards.

SECTION 5120 (CONT.)

Innovative Homeless Initiatives Project

.09 Applicable Other Regulations

- Contract between the Department and the agency (including all exhibits, addendum and modifications).
- The Department of Housing and Urban Development (HUD) program requirements; 24CFR Part 570, Community Development Block Grants.

.10 Applicable Other Regulations

- Contract between the Department and the agency (including all exhibits, addendum and modifications).
- Commonwealth of Pennsylvania - Department of Public Welfare (By Program) Grant Instructions and Requirements.
- Single Audit Supplement, Commonwealth of Pennsylvania - Department of Public Welfare.
- Federal Regulations - 45 CFR Part 96.

State Food Purchase Program

.11 Applicable Other Regulations

- Contract between the Department and the Agency (including all exhibits, addendum and modifications).
- Commonwealth of Pennsylvania - Department of Agriculture State Food Purchase Program Grant Agreement.

Temporary Emergency Food Allocation Program

.12 Applicable Other Regulations

- Contract between the Department and the agency (including all exhibits, addendum and modifications).
- Commonwealth of Pennsylvania - Department of Agriculture Program Management Agreement.
- United States Department of Agriculture (USDA) under the provisions of Public Law 98-8.

SECTION 5130 - PROGRAM COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Findings and Questioned Costs.

Bridge Housing Program/PENNFREE Program/Host Program

.02 In order for an individual to be eligible for these programs, he/she must be homeless or near homeless, based upon such definition as stipulated in the contract and program regulations. Each program must develop a sliding fee scale for room and board and charge appropriate clients for services according to the scale (Note: The amount charged should not exceed 30% of the client's gross income minus income taxes, if applicable). If monies are collected from a Bridge Housing client for room and board, a portion of those funds may be reserved to assist a client at the time of his discharge from the program to establish a living arrangement. This assistance should be provided to the client indirectly in the form of payments on behalf of the client, so that the client's eligibility for public assistance benefits is not jeopardized. It is not necessary to include this activity in the completion of the Income and Expense Report submitted to OESS; however, the program should maintain clearly documented records on the activity for audit purposes. In addition, program income is to be utilized as the first source of program funds to pay for program expenses, prior to OESS funds utilization.

.03 The audit procedures for the above are to:

- Evaluate the system of internal control over program eligibility and client funds.
- Determine that the type of records to be maintained have been established and are in use.
- Perform a check of the files maintained to support a client's eligibility in the program in accordance with the regulations and definition of homeless or near homeless.
- Perform a test of client fund records in order to determine that the clients are not being charged in excess of 30% of their gross income minus income taxes.
- Determine that program income is applied to program expenses and that OESS is only billed for the net expenses after program income.

.04 When reporting to the City of Philadelphia, the auditor must include client funds as one of the categories of internal control structure reviewed as part of the audit and report such in Independent Auditor's Report on Internal Control Structure.

SECTION 5130 (CONT.)

Case Management Program

.05 Each client must be homeless or near homeless, based upon the definition of homeless or near homeless, stipulated in the contract and the program regulations.

.06 The audit procedure for the above is to perform a test check to determine client eligibility for service.

Emergency Shelter Grants Program (DCA - McKinney)

.07 The service provider (agency) is required by contract between the Department and Agency to establish and maintain client service records to reflect actual services provided.

.08 The audit procedures for the above are to:

- Determine that an adequate system for client service records has been established and is properly maintained.
- Test-check client records for client and program eligibility.

Human Services Development Fund

.09 Based on Pa. Code 55 Section 2050.22 regulations, the provider shall determine the financial eligibility for clients receiving adult services.

.10 The auditor procedure for the above is to perform a test check of clients to determine that financial eligibility criteria are established and adhered to.

Housing Assistance Program

.11 In accordance with Section B. of the DPW Housing Assistance Grant requirements regarding Client Eligibility. Eligibility is limited to:

- Families with children under age 21, or
- Individuals under age 21 who are, or within six months prior to the month in which assistance is requested, have been living with a specified relative in a place of residence maintained by one or more of such relatives as his or their own home, are eligible for emergency housing assistance payments. These are voucher or vendor payments for rent and security deposits authorized during one period of 30 consecutive days in any 12 consecutive months, but may include payments which are to meet needs which arose

before such 30-day period. Payments may be made up to the maximum amounts shown below, if the Family or Budget Group meets the following criteria:

- (a) Have an income at or below eighty percent (80%) of the poverty level; and

SECTION 5130 (CONT.)

- (b) Have a written agreement with the landlord to rent to them; and
- (c) Have anticipated income sufficient to pay the rent in the future.

.12 The audit procedure for the above is to test-check client eligibility for adherence to eligibility criteria for above (a) and (b) only.

Innovative Homeless Initiatives Program

.13 The service provider (agency) is required by contract between the Department and Agency to establish and maintain client service records to reflect actual services provided.

.14 The audit procedures for the above are to:

- Determine that the type of records to be maintained have been established and are in use.
- Test-check client records for client and program eligibility.

.15 The audit procedures for the above are to:

- Determine that an adequate system for client service records has been established and is properly maintained.
- On a test check basis, determine whether adequate documentation exists concerning disposition of the security deposit.

State Food Purchase Program

.16 Program monitoring is an important part of program administration.

.17 The audit procedure for the above is to determine that an adequate system of program monitoring exists.

Temporary Emergency Food Allocation Program

.18 Program monitoring is an important part of program administration.

.19 The audit procedure for the above is to determine that an adequate system of program monitoring exists.

SECTION 5140 - FINANCIAL COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Findings and Questioned Costs.

.02 The financial compliance procedures in Sec. 5140.03 and .04, are applicable to all Fee-for-Service projects listed in Section 5110:

.03 Revenues for a Fee-for-Service funded programs are based upon a set fee or rate of reimbursement for each authorized unit of service rendered by the provider agency to eligible clients. The agency invoices OESS on a monthly basis, by client, for such services. The Fee-for-Service type of funding requires special types of audit tests, since there are no expenses reported to OESS. The auditor is to determine the appropriateness of the units billed, the units of service actually provided and any offsetting revenue earned.

.04 Audit procedures should include the following:

- Does the agency have a system in place to accurately accumulate the units of service, by client? In addition, are third party revenues maximized prior to billing those units to OESS.
- Obtain from the Agency an accurate Summary of Services Billed for the audit period.
- Determine appropriateness of units of service billings to OESS, by testing that:
 - Units of Service reported on the Monthly Census Log are supported by agency and client records;
 - Units of Service agree in amount, number of family members, and dates of service;
 - Verify that clients listed in Monthly Census Log have completed Monthly Individual Sign-In Logs (MISIL);
 - Test MISIL for accuracy; and
 - Verify that information on MISIL matches the Monthly Census Log.

.05 Each program must maintain an inventory list of all fixed assets which were purchased at a cost of \$300 or more with grant funds. For purposes of the grant, a fixed asset is an item that can be:

- Expected to have a useful life of more than one year;
- Used repeatedly without materially changing or impairing its physical condition; and
- Kept in serviceable condition by normal repair, maintenance or replacement of components.

SECTION 5140 (CONT.)

.06 The list should be maintained according to purchases each fiscal year beginning with Fiscal Year 1989-90. This requirement is not retroactive for purchases made prior to July 1, 1989. If the inventory list differs from the Schedule of Equipment Purchases Form submitted with the proposed budget, an explanation should be on file for monitoring purposes.

.07 The audit procedure for the above is to determine adequate inventory records are maintained to accurately account for all fixed assets.

SECTION 5150 - SUPPLEMENTAL FINANCIAL SCHEDULES AND REPORTS

.01 The organization's audit report must include the following supplemental financial schedule, for each City of Philadelphia contract, in addition to the financial statements as specified in Sections 400 and 500 of this Audit Guide. A designation has been made for those supplemental schedules required for a "single audit" report (Section 400) or a "program audit" report (Section 500). The auditor will be required to issue an opinion on the Supplemental Schedules listed below as specified in Section 400 of this Audit Guide.

<u>Supplemental Financial Schedule</u>	<u>Section Ref. to Sample Format</u>	<u>Single Audit Report</u>	<u>Program Audit Report</u>
<ul style="list-style-type: none"> Reconciliation of Agency Reported Expenditures/Revenues to Audited Expenditures/Revenues (1) 	5150.02	Yes	Yes

(1) The statement must present expenditures and revenues as reported to OESS, report any additional accruals and other adjustments to reconcile the amount reported on the Statement of Functional Expenditures by Contract/Program and Revenues by Funding Source. The reconciliation schedule is required only for those contracts where the amounts reported by the agency to OESS differ from the final audited amounts. An explanation of any "other adjustment" must be provided. The accrual explanation, at a minimum, should indicate the type of expense accrued.

The explanation(s) to "other adjustments", however, must be detailed by the type of expense category, and then totaled by cost center.

SECTION 6000

DEPARTMENT OF PUBLIC HEALTH

SECTION 6001 - GENERAL INFORMATION

.01 The Philadelphia Department of Public Health provides a broad range of services. It has grown since its inception during the nineteenth century to a multi-faceted agency which serves thousands of Philadelphians each year.

.02 The Department of Public Health serves the public through many roles. It offers ambulatory care services, health promotion and education programs, assures the well-being of all residents through its environmental protection programs and offers essential treatment to residents with specialized health needs. The Department's programs are used by Philadelphians of all ages and races and by residents throughout the city.

.03 Information and auditing and reporting requirements for the following Department of Public Health program services are provided in the referenced Sections of the Audit Guide.

- AIDS Activities Coordinating Office (Section 6100)
- Coordinating Office for Drug and Alcohol Abuse Programs (Section 6200)
- Office of Mental Health and Mental Retardation (Section 6300)
- Division of Early Childhood, Youth and Women's Health (Section 6400)
- Division of Disease Control (Section 6500)

SECTION 6100

AIDS ACTIVITIES COORDINATING OFFICE

SECTION 6101 - GENERAL INFORMATION

.01 In its role as the major provider and supporter of Human Immunodeficiency Virus (HIV) prevention and care services in Philadelphia county and the Philadelphia metropolitan area, the mission of the AIDS Activities Coordinating Office (AACO) is to stop the transmission of HIV in Philadelphia. Charged with coordination of all City of Philadelphia activities related to HIV/AIDS, AACO provides education, prevention, care and surveillance programs and services for individuals living with or at risk of contracting HIV Disease. All AACO activities are directed towards the elimination of barriers to care and services and the provision of appropriate, high quality services to every individual affected by the HIV pandemic.

.02 The AIDS Activities Coordinating Office pursues and achieves its mission through six major units. These are: the AACO Education and Prevention Services Unit, the Client Services Unit, the Information Services Unit, the Surveillance and Seroprevalence Unit, the Program Services Unit and the Fiscal Operations Unit. Of these units, the two having responsibility for development and monitoring of contract service activities are the Program Services and Fiscal Operations and Data Services Units. Program development and monitoring are the responsibility of the former while fiscal and contract management rests with the latter.

SECTION 6110 - PROGRAM DESCRIPTIONS AND OPERATIONS

.01 AACO provides its programs and services via its six major units as follows:

a. AACO Education and Prevention Services Unit:

The AACO Education and Prevention Services Unit consists of four components:

- AACO Education and Training Unit
- The Prison AIDS Project Education Unit
- The Prison CTR/PCRS Program
- The CARE Outreach Training Project

The Activities of this unit fall into the following five main categories:

1. HIV/AIDS focused training and certification programs for direct service staff of AACO funded prevention agencies. These programs support the effective and consistent delivery of Prevention Services and Care Outreach Services.
2. HIV/AIDS focused training, workshops and other educational outreach efforts targeted to address the needs of the general community and professionals who provide related services to the community (i.e., fire fighters, social workers, counselors, etc).
3. The Prison AIDS Project provides a range of HIV/AIDS related workshops and programs targeted to meet the needs of the incarcerated men, women, and the correctional staff in the Philadelphia Prison System (PPS). This unit also works to assure the consistency and continuity of health education efforts provided by other AACO funded programs within PPS.
4. Prevention counseling and testing , and related services for residents of the Philadelphia Prisons and the Youth Study Center. This includes follow-up; coordination services and referral services to Prison based medical services and HIV specific support services. Staff seeks to assure the continuity of HIV related care during and after incarceration.

SECTION 6110 (CONT.)

5. The Care Outreach Training Project supports Ryan White Title I Care Act Grant outreach efforts by providing training for all contracted Care Outreach providers.

b. The AACO Client Services Unit (CSU):

The AACO CSU provides a seamless and easily accessible point of entry for services for those HIV infected and affected individuals and families by combining the direct client services currently offered through AACO with an information and referral helpline. As a result, the CSU:

- Provides intake services to individuals requesting case management services funded by AACO,
- Provides information and referral services for all other AACO funded programs,
- Processes and evaluates individuals' request for Organizational for Community Housing Development (OCHD) AIDS Housing,
- Handles client and provider grievances about AACO funded services.

c. The AACO Information Services Unit (ISU):

The AACO ISU is responsible for developing and implementing a comprehensive and coordinated information plan for AACO. This plan includes HIV care and prevention services, as well as, internal staff support. The ISU designs and researches consumer (e.g., PLWA, AACO, service providers) needs, evaluates the services provided by AACO contractors in response to those needs, and facilitates the improvement of systems that address those needs.

d. The AACO Surveillance and Seroprevalence Unit:

The AACO Surveillance and Seroprevalence Unit includes the following activities: Adult/adolescent/pediatric HIV/AIDS surveillance (HIV surveillance implementation date to be announced), Enhanced Perinatal HIV Exposure Surveillance (EPS), HIV Testing Survey (HITS), Supplemental HIV/AIDS Surveillance (SHAS), Survey of HIV Disease and Care (SHDDC) and Behavioral Surveillance. HIV/AIDS surveillance is the core activity that defines the Unit. AIDS has been reportable in Philadelphia, Pennsylvania since the year 1983 and to date there have been over sixteen thousand (16,000) cases identified among Philadelphia residents. HIV surveillance is expected to be implemented in Philadelphia by the end of calendar year 2003 and will be blended with AIDS surveillance activities. The goal of HIV/AIDS surveillance is complete and timely case reporting. Ancillary activities that support case reporting are surveillance of hospital medical records discharge summaries, surveillance of death certificates and laboratory reporting of conditions with a close epidemiological relationship with AIDS, soon to be expanded to tests that are positive of presence of HIV infection. All of the other activities are intended to supplement the core HIV/AIDS surveillance data.

e. The AACO Program Services Unit (PSU):

The AACO PSU is responsible for monitoring the programmatic components for all HIV/AIDS related prevention and care services in the Eligible Metropolitan Area (EMA). The PSU is responsible for oversight of specific agencies and for all grantee HIV/AIDS related funding provided to the agency. This enables the PSU unit to ensure that Ryan White Title I Care Act Grant activities are effectively integrated with HIV prevention and other service that the agency may provide. The PSU prepares, in collaboration with each of the providers, contract service provisions/work plans that detail the program activities to be conducted during the contract period. The PSU is responsible for ensuring that these program objectives are achieved and for providing technical assistance as needed and assesses the quality and utilization of those services. Review of the agencies' budgets, invoices, monthly data reports, as well as interviewing agency staff on a variety of issues, which include agency performance and evaluation, are also performed.

SECTION 6110 (CONT.)

f. The AACO Fiscal Operations Unit:

AACO's Fiscal Operations Unit is responsible for award generation, budget/fiscal review, contract conformance and payment processing for awards that result in contracts between AACO and community-based service providers and fiscal conduits. Fiscal Operations also assists in development of budgets for all federal, state and local grant applications. It monitors and reports on all fiscal related activities required by the grantor(s) and does so by individual funding stream.

.02 Program-funding is the most common method employed by AACO to fund its provider agencies. This method allows AACO to fund a provider agency's actual eligible expenditures for a provider agency's service(s), offsetting these expenses by anticipated revenues to be received directly by the provider, and establishing the remaining deficit as its authorized level of funding (allocation). Reimbursement is affected on a "last-dollar-in" basis and is based upon actual eligible expenses incurred less actual revenue generated, up to the maximum contract funding.

SECTION 6120 - FEDERAL CFDA NUMBERS/OTHER REGULATIONS

.01 The following Federal CFDA numbers are applicable to AACO Programs:

<u>Program</u>	<u>CFDA No.</u>
HIV Prevention Project	93.940
AIDS Surveillance and Seroprevalence Grant	93.944
HIV Emergency Relief Grant (Ryan White)	93.914

SECTION 6130 - PROGRAM COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Findings and Questioned Costs.

AIDS Care Services

.02 AACO has many contracts with agencies whose services are provided directly to those individuals who are HIV positive and/or have been diagnosed as having AIDS. Care services help individuals maintain their self worth, independence and dignity while living with AIDS. Such services include, but are not limited to primary care, dental, skilled nursing, transportation, homemaker services, respite care, case management and other required services. Quarterly narrative reports must contain specific information. In addition to the reporting requirements, the resultant auditing procedure is also stipulated.

SECTION 6130 (CONT.)

- Skilled nursing agencies are required to submit in their monthly reports statistics reflecting the number of Medicaid waivers completed per month. The auditor should determine, on a test basis, that reports include this information and are in compliance with the contract service provisions.
- Agencies providing homemaker services must include in their monthly reports statistics reflecting the number of clients served each month and the number of hours provided per client per month. Minimum and maximum numbers of clients and hours are provided in the contract service provisions. The auditor should determine, on a test basis, that reports include this information and are in compliance with the provisions.
- Agencies providing transportation services must include statistics reflecting the number of trips taken per month and the number of clients transported per month in each monthly report. As with homemaker services, minimum and maximum numbers of trips to be taken and clients to be transported are provided in the contract service provisions. The auditor should determine, on a test basis, that reports include this information and are in compliance with the provisions.

.03 AIDS Case Management services consist of thorough assessments of clients' needs and the development and monitoring of a formal services plan for each client. Agencies providing this type of service assign case managers who aid clients with their daily living needs. These needs vary with each client; therefore, documentation of services provided is extremely important.

.04 AACO's analytical staff must be able to make their programmatic decisions based on monthly reports from provider agencies. These reports are similar in format to other services' monthly reports; however, more specific information is required. Although no standardized forms are available to agencies at the present time, AACO program staff are in the process of developing a standardized statistical form to be included in future contracts. Nonetheless, statistical information regarding number of clients seen per month, per case manager, is important to AACO.

.05 Currently, all case management service providers are required to keep a file on each client served. Each client case record file should contain the following list of documents:

- Assessment Form
- Data Entry Form
- Case Management - Client Agreement Form
- Authorization to obtain release of information.
- Surveillance letters:
 - (a) To physician
 - (b) To AACO Surveillance Unit.

SECTION 6130 (CONT.)

- Agency Consent Form
- Buddy Agreement Form
- Buddy Program Work Sheet
- Treatment Care Plan
- Physician Release Form
- Case Management Activities Log
- Progress Notes Form

.06 The auditor should determine on a test basis that:

- The statistical information reported by the organization to AACO on the monthly statistical reports are traceable to, and in agreement with, supporting records.
- Client files contain the information required under Section 6130.08.

Counseling and Testing Services

.07 The counseling and testing programs are required to provide AACO with a monthly report which includes various statistical, programmatic, and staffing information.

.08 The auditor should determine, on a test basis, that the:

- Statistical information included on the report is traceable to records maintained by the Organization to support the report submitted to AACO. The statistical information needed to be verified by the auditor includes number of individuals pre-tested, number of individuals counseled and not tested, number of individuals tested, and number of individuals post-tested.

HIV Prevention: Education and Risk Reduction

.09 The education and risk reduction programs are required to provide AACO with a monthly report which includes various statistical, programmatic, and staffing information.

.10 The auditor should determine, on a test basis that the statistical information included on the report is traceable to records maintained by the organization to support the report(s) submitted to AACO.

.11 For hotline services, all calls received must be documented on a hotline call record form. This is a standardized form which must be completed by a counselor during each telephone conversation.

SECTION 6130 (CONT.)

.12 The auditor should determine, on a test basis, that the hotline call record forms are utilized and maintained on file at the organization.

SECTION 6140 - FINANCIAL COMPLIANCE PROCEDURES

.01 Audit procedures should include the following:

- Does the Agency have a system in place to adequately account for all applicable income received or earned by the agency and that such income was properly reported to AACO.
- Determine that billings to AACO and reimbursement from AACO are net of other non-AACO revenue.

.02 All agencies under contract with the City of Philadelphia through AACO must submit monthly invoices. The purpose of the invoice procedures package is to effectively and efficiently process requests for payment from each contract agency. The package indicates what types of reports are required, the information to be included in each report and shows examples of how each report should look.

.03 In order for an agency to invoice AACO (City of Philadelphia) for the expenditure of funds allocated through a contract, the submission of a cover letter, an invoice, a monthly budget performance report, and a personnel roster is required. Authorized advance payments must be requested in a letter. Additional information may also be required. Actual requirements for the preceding documents are detailed as follows:

- Invoices must include all of the following:
 - a) date submitted;
 - b) period of service for which invoice is being submitted for;
 - c) contract number;
 - d) contract name;
 - e) current period's expenses (as categorized in the contract budget.)
- Monthly Budget Performance Reports must accompany each invoice. This report identifies expenditures in the categories listed on the AACO approved line item budget form and must show current month and year-to-date expenses as well as total budget and the total amount remaining for each line item of the budget. Each column (current month, year-to-date, annual budget, budget amount remaining) must be totaled. Revenue offsetting program/contract costs must be indicated and subtracted from total expenses in all columns.
- Personnel Rosters must also accompany each invoice. Each roster must identify names of personnel being charged to a specific program/contract as well as expenditures for each position title. Columns showing current month and year-to-date expenses as well as total budget and total amount remaining for each position must be included and each column must be totaled.

SECTION 6150 - SUPPLEMENTAL FINANCIAL SCHEDULES AND REPORTS

.01 The organization's audit report must include the following mandatory supplemental financial schedule for each and every AACO award that is part of a City of Philadelphia contract, in addition to the financial statements as specified in Sections 400 and 500 of this Audit Guide. A designation has been made for the supplemental schedule required for a "single audit" report (Section 400) on a "program audit" report (Section 500). The auditor will be required to issue an opinion on the Supplemental Schedules listed below as specified in Section 400 of this Audit Guide.

<u>Supplemental Financial Schedule</u>	<u>Section Ref. to Sample Format</u>	<u>Single Audit Report</u>	<u>Program Audit Report</u>
<ul style="list-style-type: none"> Schedule of Program Expenditures and Program Revenue (1) (2) 	6150.02	Yes	No (1) (2)

Explanatory Notes (apply to both Single, and Program, Audits):

- (1)** The schedule (Statement of Expenditures and Revenues) must reflect the categorization of expenditures by the AACO budget with the organization (see section 6150.02) **for each and every AACO award** that is part of a City of Philadelphia contract.
- (2)** The schedule must reconcile the AACO award funding source fiscal year(s) to the organization's actual operating fiscal year.

SECTION 6200

COORDINATING OFFICE FOR DRUG AND ALCOHOL ABUSE PROGRAMS

SECTION 6201 - GENERAL INFORMATION

.01 The Coordinating Office for Drug and Alcohol Abuse Programs (CODAAP) is a component of the Philadelphia Department of Health, and also serves as the single county authority for the County of Philadelphia reporting to the State Office of Drug/Alcohol Abuse Programs. Acting in these dual capacities, CODAAP has a broad range of responsibilities which fall into the general categories of planning, funding, monitoring and coordination. Under the category of planning, CODAAP's efforts result in the preparation of a three year plan which is updated annually. This plan details local efforts to address all aspects of the citywide campaign against substance abuse. Based upon the priorities established in the plan, CODAAP allocates federal, state and local resources to service providers within the City. It also monitors these service providers against service projections and budgets established at the beginning of each fiscal year, and federal, state, and local standards/regulations. The provision of program and fiscal management technical assistance, as well as the dissemination of information concerning additional available funding sources for the expansion of treatment/prevention programs, are also responsibilities of the office. Another responsibility of CODAAP, is the liaison function it provides between contract programs and federal/state funding and regulatory agencies.

.02 In addition to its overall management responsibilities, CODAAP is engaged in a number of more direct activities. CODAAP provides and/or arranges training for provider agency staff and medical and human services professionals, as well as educational activities for the general public. It arranges for speakers and educational materials for community meetings, health fairs, special programs, and other educational activities. It provides and distributes educational materials to agencies, organizations, and the general public, and publishes a Resource Guide to D&A services available in the Philadelphia area. It also publishes the CODAAP REPORT, a newsletter for drug/alcohol treatment and prevention professionals.

SECTION 6210 - PROGRAM DESCRIPTIONS AND OPERATIONS

.01 CODAAP provides the following types of program services.

.02 Treatment Services:

Treatment services supported by CODAAP include outpatient counseling and therapy, methadone maintenance, residential treatment programs, and detoxification. More than 50 facilities located throughout the city deliver these services to almost 18,000 clients a year, nearly 7,500 at any given time.

.03 Prevention Services:

CODAAP supported prevention services reach more than 120,000 students and citizens in Philadelphia each year. These prevention services are both school and community-based.

SECTION 6210 (CONT.)

School-based programs include the presentation of a drug and alcohol prevention curriculum in the lower grades, a small group problem-solving approach in the middle grades, and more intensive peer counseling at the high school level. These services are provided in more than 80 public and parochial schools in all areas of the city.

.04 Community-based services include presentations and workshops for parents, residents of housing projects, church groups, and recreation centers, etc.

.05 The above noted CODAAP operations are funded through potential providers via a contract award which may be either program funded or fee-for-service funded. The following briefly describes those funding mechanisms:

- Program funded projects are privately administered and staffed and are reimbursed for their total personnel, operating and fixed asset expenses as predetermined by the City of Philadelphia - CODAAP less all interest or other incomes derived by the Agency from the use of agreement funds.
- Fee-for-service are service providers which are privately administered, staffed and partially funded by a contracted per diem or fee rate by the City of Philadelphia - CODAAP.

SECTION 6220 - FEDERAL CFDA NUMBERS/OTHER REGULATIONS

.01 The following federal CFDA numbers are applicable to CODAAP programs:

<u>Reference</u>	<u>CFDA Number</u>	<u>Formal Reference</u>
Dept. of the Army	14.235	Homeless Alcoholic Men Supportive Housing Program
Treatment Court	16.579	Byrne Formula Grant Program
Treatment Court	16.592	Local Law Enforcement Block Grant Program
PENN DOT	20.600	State and Community Highway
Governor's Discretionary Fund	84.186	Governor's Discretionary Fund
OSAP	93.194	Office of Substance Abuse
FOCIS	93.229	Female Offenders Comprehensive and Integrated Services Network
CSAT	93.230	Center for Substance Abuse Treatment
Safety Program ADAMH	93.959	Alcohol & Drug Abuse Mental Health Block Grant Prevention
Family Preservation	93.667	Social Services Block Grant

.02 In addition to the above the auditor should be familiar with the following document:

- Fiscal Management Guidelines for County Drug and Alcohol Programs.
- Fiscal Federal Block Grant Regulations.

SECTION 6230 - PROGRAM COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Findings and Questioned Costs

.02 Service objective projection and implementation are integral parts of the CODAAP contracting process. Each year prior to the allocation of funds, CODAAP contract programs must submit a set of service projections estimating the number of services they will provide to clients during the year. Some of the data an agency may report to CODAAP could be, for example, the number of residential days, number of counseling hours, methadone visits, and school presentations. CODAAP program staff review this information as to its propriety, and programs are instructed to change projections in cases where over or under projecting is identified.

.03 During the year, approximately 10 working days following the end of each quarter, programs are required to submit reports to CODAAP indicating their progress in meeting their projections. In cases where a ten percent (10%) deviation from what was projected is evident, programs must submit a written narrative explaining the deviation.

.04 As service objective reporting constitutes such an important aspect in CODAAP's efforts to test the viability of the service system, it is expected that the auditor solicit from each contract agency answers to the following questions, and include any deficiencies noted as a compliance finding in any final audit report:

- How does the program collect its quarterly service objective implementation information? Indicate which staff are involved, the data used in this process, and describe.
- Determine the process used by the program to check the accuracy/validity of the quarterly service objective reports to CODAAP. If no validation process is used, determine why not and report upon.
- What steps does the program take to address consistent patterns of under implementation/over implementation of projected service objectives? What staff are involved in this process? How are they involved?

SECTION 6240 - FINANCIAL COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Findings and Questioned Costs.

SECTION 6240 (CONT.)

.02 The financial and compliance procedures for CODAAP are provided on the following pages based upon two types of program services:

- a. Program Funded Projects (Section 6240.03 to 6240.07)
- b. Fee-for-Service Projects (Section 6240.08 and 6240.09)

Program Funded Projects

Revenues:

.03 Program-funding is the most common method employed by CODAAP to fund its provider agencies. This method allows CODAAP to fund a provider agency's actual eligible expenditures for a provider agency's service(s), offsetting these expenses by anticipated revenues to be received directly by the provider, and establishing the remaining deficit as its authorized level of funding (allocation). Reimbursement is affected on a "last-dollar-in" basis and is based upon actual eligible expenses incurred less actual revenue generated, up to the maximum contract funding.

.04 Audit procedures should include the following:

- Does the Agency have a system in place to adequately account for all applicable income received or earned by the agency and that such income was properly reported to CODAAP.
- That Community Behavioral Health and Behavioral Health Services Initiatives billings for the program are fully recorded and that re-billings are submitted on claims which have been initially denied for payment.
- That Community Behavioral Health and Behavioral Health Services Initiatives payments are recorded on the accrual basis recognizing any applicable reserves for uncollectable amounts (after pursuing all means of collecting on payments as discussed above).

Expenditures:

.05 The Agency reports expenses to CODAAP in Section III of Form 311 "Year-To-Date Fiscal Report and Cash Request." This report breaks down the expenses into personnel services, operating expenses, and fixed assets. The auditor should utilize this report as the basis of determining the appropriateness of amounts reported to CODAAP and to develop audit procedures to test these expenses. The audit procedures developed are to include, at a minimum, appropriate procedures from Section 300 of the Guide, required compliance matters from the Fiscal Management Guidelines for CODAAP, and consider the following items:

- Personnel costs charged to the program as reported to CODAAP on the Personnel Roster Report are appropriate, properly supported and allocations of time are documented.
- Administrative overhead costs appear reasonable and are based upon a documented allocation plan. The auditor should consider appropriate procedures from Section 300 - Indirect Costs.

SECTION 6240 (CONT.)

- Capital expenditures or depreciation expense are not eligible for reimbursement.
- Items charged to rent expense are in fact only for building rent expense and do not include any use charges in lieu of rent. Additionally, that rent expense charged by a related party be examined for reasonableness based upon comparable space at current market prices. The related party transaction must be disclosed in the notes to the financial statements in accordance with Financial Accounting Standards Board requirements (SFAS No. 57).
- Interest expense charged to the program is only due to temporary loans the Agency had to obtain to cover cash flow deficiencies due to lack of timely payments from CODAAP.

.06 Budget Modifications changes in AGENCY's program budget and Service Objectives may be authorized by CITY where such changes are the result of a written request, with supporting documentation, submitted to and approved by the Director of CODAAP. AGENCY shall make no such changes prior to its receipt of written approval by said Director. Said budgets and Service Objectives will be maintained in an AGENCY file kept by CITY. All final requests for budget and/or Service Objective modifications, with supporting justification, shall be submitted to CITY by April 1st for approval. Budget and/or Service Objectives revisions will not be reviewed unless supporting justification is provided. Failure to comply with the provisions of this paragraph may result in non-reimbursement of expenses resulting from such modifications.

.07 Based upon the above the auditor should determine that:

- The budgetary amounts reported in Section III of the Year-To-Date Fiscal Report and Cash Request are the final amounts approved, including any modifications.
- If applicable, the Agency has followed the modification process as detailed above.

Fee-for-Service Projects

Revenues:

.08 Revenues for a fee-for-service funded program are based upon a set fee or rate of reimbursement for each authorized unit of service rendered by the provider agency to eligible clients. The agency invoices CODAAP on a monthly basis, by client, for such services on Form 310 - Fee-for-Service Invoice/Report. The fee-for-service type of funding requires special types of audit tests, since there are no expenses reported to CODAAP. The auditor is to determine the appropriateness of the units billed, the units of service actually provided and any offsetting revenue earned.

.09 Audit procedures should include the following:

- Does the agency have a system in place which accumulates the units of service by client and by type. In addition, are third party revenues maximized prior to billing those units to CODAAP.
- Obtain from the Agency a Summary of Services Billed by Type (this will be utilized in the audit report - see Supplemental Financial Statements Section 6250) for the audit period.
- Determine appropriateness of units of service billings to CODAAP by testing that:

SECTION 6240 (CONT.)

- Service units reported on Form 310 are supported by agency and client records and that the units agree in amount, type of service, date service was rendered, and were adjusted appropriately for any third party (non-CODAAP) revenue.
- Rate per unit billed to CODAAP is appropriate after all deductions have been made for first and/or third party revenues.

SECTION 6250 - SUPPLEMENTAL FINANCIAL SCHEDULES AND REPORTS

.01 The organization's audit report must include the following supplemental financial schedules, for each City of Philadelphia contract, in addition to the financial statements as specified in Sections 400 and 500 of this Audit Guide. A designation has been made for those supplemental schedules required for a "single audit" report (Section 400) or a "program audit" report (Section 500). The auditor will be required to issue an opinion on the Supplemental Schedules listed below as specified in Section 400 of this Audit Guide.

.02 The supplemental financial schedules for a program funded and a fee-for-service project, are as follows:

Program Funded Project

<u>Supplemental Financial Schedule</u>	<u>Section Ref. to Sample Format</u>	<u>Single Audit Report</u>	<u>Program Audit Report</u>
• Statement of Functional Expenditures by Contract/Program and Revenues by Funding Source (1)	6250.03	Yes	No (3)
• Reconciliation of Agency Reported Expenditures/Revenues to Audited Expenditures/Revenues (2)	6250.04	Yes	Yes

Explanatory Notes:

- (1) Statement will present expenditures by cost center and revenues by category type as reported and utilized in Form 311 - Year-to-Date Fiscal Report and Cash Request. **A separate financial reporting for each CODAAP award must be presented.** In addition, the supplemental financial statement must detail the costs by budget cost category and type of revenue. Combining multiple CODAAP awards in one financial statement is not acceptable.
- (2) The statement must present expenditures and revenues as reported to CODAAP, report any additional accruals and other adjustments to reconcile the amount reported on the Statement of Functional Expenditures by Contract/Program and Revenues by Funding Source. The reconciliation schedule is required only for those contracts where the amounts reported by the agency to CODAAP differ from the final audited amounts. An

SECTION 6250 (CONT.)

explanation of any "other adjustment" must be provided. The accrual explanation, at a minimum, should indicate the type of expense accrued.

The explanation(s) to "other adjustments", however, must be detailed by the type of expense category, and then totaled by cost center.

- (3) The statement of revenues and expenditures should contain the captions provided in the sample report format.

Fee-for-Service Projects

<u>Supplemental Financial Schedule</u>	<u>Section Ref. to Sample Format</u>	<u>Single Audit Report</u>	<u>Program Audit Report</u>
<ul style="list-style-type: none"> • Statement of Units of Service and Program Revenue 	6250.05	Yes	Yes

Explanatory Note:

- (4) The statement is to present the following information for each individual type of CODAAP Fee-for-Service Award.
 - The total units of service per the audit would represent the units reported by the subrecipient to CODAAP, net of any adjustments the auditor determines appropriate based upon his/her audit of the units of service billed. Where the audited units of service reflected on this statement differ from the total reported by the subrecipient, the auditor must provide on this schedule or on a following page the explanation of the difference with the amount adjusted.
 - The approved unit rate is that unit rate by type of service reflected in the contract between the subrecipient and CODAAP.
 - The gross cost is the result of multiplying the total units of service per audit by the approved unit rate.
 - The program income is that income applicable to the particular program service. **The details of the program revenue by type of service must be provided in the "Detail of Program Revenue" section of the statement.**
 - The net billing per audit is the result of subtracting the program revenue from the gross cost.

The above statement format is required for each unit of service award the subrecipient has entered into with CODAAP. A separate statement for each CODAAP award is to be presented, therefore, combining more than one CODAAP contract on a statement is not acceptable.

SECTION 6300

OFFICE OF MENTAL HEALTH AND MENTAL RETARDATION

SECTION 6301 - GENERAL INFORMATION

.01 The mission of the Philadelphia Office of Mental Health and Mental Retardation (OMH/MR) encompasses five sets of diverse activities intended to ensure that Philadelphia residents who experience mental retardation and/or acute and extended mental illness will receive the services, support and opportunities they need. The five sets of diverse activities include:

- Strengthening the capacity of providers of services to respond to individual needs and the needs of unique groups.
- Strengthening the capacity of consumers of services as well as their families and communities to acquire needed services and arrange for more mature networks of support.
- Restructuring the governmental and private sector relationships between the OMH/MR-sponsored service system, State service system, private system and the consumers of services who are the priority populations for Philadelphia OMH/MR.
- Creating long-term relationships with institutions of higher education which increase the potential that those who require in-service training and pre-service education will have educational opportunities that 1) encourage employment in those services affecting the OMH/MR priority consumers and 2) offer training and education consistent with the orientation and treatment outcomes sought by the OMH/MR.
- Fostering the integration and community acceptance of persons experiencing mental retardation or mental illness for the improvement of delivery systems and for the benefit of the individuals those systems serve.

SECTION 6310 - PROGRAM DESCRIPTIONS AND OPERATIONS

.01 The above noted OMH/MR operations are funded to potential providers via a contract award. The Commonwealth of Pennsylvania, Department of Public Welfare (DPW) regulations provide for the general use of two basic methods of funding, although other methods may be used with the prior written approval of the Secretary of DPW. The two basic methods are:

- Program Funding: Also referred to as deficit financing, program funding is the most common method employed by the OMH/MR to fund its Provider Agencies. This method allows the OMH/MR to fund a Provider Agency's actual eligible expenditures for a Provider Agency's service(s), offsetting these expenses by

SECTION 6310 (CONT.)

anticipated revenues to be received directly by the provider, and establishing the remaining deficit as its authorized level of funding (allocation).

- Unit of Service Funding: Also referred to as fee-for-service funding, this method is based upon establishing a set fee or rate of reimbursement for each authorized unit of service rendered by a Provider Agency to eligible clients. The fee or rate may be set through negotiation with the OMH/MR or may be established by DPW or a designated third party such as Community Behavioral Health (CBH).

.02 In addition, the Philadelphia OMH/MR currently funds mentally retarded residents in State licensed private facilities throughout the Commonwealth of Pennsylvania. Interim Care was developed for mentally retarded clients who met stringent criteria for institutional care but for whom no institutional placement was available. Clients placed in Interim Care are considered to be in need of 24-hour a day care and for the most part are expected to require this care for the rest of their lives. Today the life management plans for all Interim Care clients state that progression to the least restrictive service environment is a primary goal. Plans have been underway and will continue throughout this period to place Interim Care clients in Family Living, Teaching Family and/or other Community Living Arrangements.

SECTION 6320 - FEDERAL CFDA NUMBERS/OTHER REGULATIONS

.01 The following Federal CFDA numbers are applicable to the Mental Health and Mental Retardation Programs:

Mental Health

<u>Reference</u>	<u>CFDA Number</u>	<u>Formal Reference</u>
MH SSBG	93.667	Social Services Block Grant
MH Access	93.125	Homeless Access to Community Care/SVC/Support
MH CMHBG	93.958	Community Mental Health Block Grant
MH PATH HMLESS	93.150	Mental Health Services for the Homeless
MH CASSP	84.027	Federal Child and Adolescent Service System Program
(PHMC) Homeless Assistance	93.151	Project Grants for Health Services to the Homeless
CMHI-Federal	93.104	Child Mental Health Initiative
HIV AIDS-Federal	93.216	HIV/Aids - Mental Health Services

SECTION 6320 (CONT.)

Mental Retardation

MR Federal SSBG	93.667	Social Services Block Grant
Fed WVER Maint.	93.778	Medical Assistance (Title XIX)
TSM Administrative Reimburs.	93.778	Admin. Chargeable to Targeted Services Management
Early Intervention SSBG	93.667	EI-Social Services Block Grant
Early Intervention	84.181	Infants and Toddlers w/Disabilities

.02 In addition to the above the auditor should be familiar with the following documents:

- Commonwealth of Pennsylvania, Department of Public Welfare – Single Audit Bulletin (February 1998)
- Guide to County Service Provider Audit Management, issued by the Commonwealth of Pennsylvania, Department of Public Welfare. (April 1992)
- Commonwealth of Pennsylvania - Pennsylvania Code - Title 55, Public Welfare -- DPW's 4300 Regulations, "County MH/MR Fiscal Manual."
- OMH/MR Manual, issued July 1987 by the City of Philadelphia, Department of Public Health, Office of Mental Health and Mental Retardation.
- OMH/MR Annual Expenditures Reporting Instructions Supplement and Annual Allocation Notice and Budget Instructions
- Pennsylvania Code, Title 55, Chapter 5221, Mental Health Bulletin Numbers 00-89-08, 5220-89-01 and 5220-89-02

SECTION 6330 - PROGRAM COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Schedule of Findings and Questioned Costs.

.02 The program compliance procedures for MH/MR are provided on the following pages:

SECTION 6330 (CONT.)

Mental Health Programs

Client Liability: (1)

.03 Based on the 4305 Client Liability Regulations, the County Program or designate shall determine the financial liability for clients receiving community mental health or mental retardation services funded in whole or in part by the County MH/MR Program that is not listed as an exempt service as described in subsection 4305.11 (Exempt Services). As indicated in subsection 4305.40 (Redeterminations), client liabilities should be done on each client at least every 12 months. In addition, Agencies should be assisting clients who are eligible in applying for Supplemental Security Income (S.S.I.), Supplemental Security Disability Income (S.S.D.I.), and Medical Assistance (M.A.).

.04 The audit procedures should include a check for evidence that client liabilities are being done every 12 months. Dated and signed copies of client liability forms should be found in the client record. In addition, check for evidence that, where eligible, clients are applying for S.S.I., S.S.D.I., and M.A. *(A sample copy of liability form is enclosed as Exhibit 1.)*

Agency Fee Schedule:

.05 Based on subsections 4305.101 through 4305.103 of the 4305 Liability Regulations, Provider Agencies must develop fee schedules based on the actual cost of delivering services.

.06 The audit procedures should include a check for evidence that the Agency's fee schedule is actually based on the cost of providing services.

Inpatient Letters of Agreement:

.07 Because of their cash flow problems and because the inpatient advance has not been clearly identified to the CMHC's, the centers have often not reimbursed inpatient providers in a timely manner. Conversely, inpatient bills have not always been submitted by providers to the centers in a timely manner. The effect has been a reluctance of the inpatient providers to accept County funded patients with a resultant back-up of clients in the Psychiatric Emergency Services.

.08 In order to solve the problem, the County (OMH/MR) has required the CMHC's to establish letters of agreement with their primary inpatient providers based on utilization. These agreements must contain the following:

- a. An estimated inpatient "budget" for the Provider for the current fiscal year. The budget may be based on a two-year history or any mutually acceptable basis;
- b. A statement that appropriate regulations and policies will be adhered to by both parties;
- c. A deadline for billing;

(1) A "DPW Community MH/MR Program Client Liability Training Manual" is available for reference, if needed, from OMH/MR.

SECTION 6330 (CONT.)

- d. A close out date for final bills not to occur later than 18 weeks after the close of the fiscal year;
- e. An agreement to follow an advance payment and final reconciliation process with dates for billings and payments; and
- f. An agreement on the type of accounting records to be maintained by the Inpatient Provider.

Agency Client Service Recordkeeping:

.09 As mandated in the State's 5200 Regulations, each Agency must maintain files for each client it serves. As the source of client data for the County, each Agency must maintain the minimum information necessary for identifying each client, the service the client is receiving, the length of service, referral or transfer data and discharge information. Base Service Units must also maintain information related to involuntary and voluntary inpatient commitment.

.10 The client records within a given Agency should have a consistent format, but each particular form may be individualized to suit the needs of the Agency. Each record should contain at minimum:

- Admission summaries
- History forms:
 - (1) Medical (including lab tests)
 - (2) Psychiatric
 - (3) Social
- Treatment Plan (dated and signed by a psychiatrist)
- Progress notes (dated)
- Liability determination (dated)
- Discharge summaries

.11 The audit procedures should include a check that client record contains the material described above so that a client's admission, prior treatment, treatment, financial, and disposition status can be checked against information provided to OMH/MR through the automated data system. (Please note that this is merely a check for the presence of the required material in the record and does not require a judgment as to the content of the material.)

Community Residential Rehabilitation (CRR) Program:

.12 The CRR Program provides structured, therapeutic residential services to the chronically mentally ill. This program addresses several basic goal areas: increasing independent living skills, stabilization following hospitalization, prevention of hospitalization and homelessness. A therapeutic milieu encourages peer input and control in setting and enforcing behavioral norms, expectations and privileges.

SECTION 6330 (CONT.)

.13 Productive daytime activity (partial hospitalization, social or vocational rehabilitation services, school, part-time employment, etc.) is an expectation for those participating in the CRR Program. Individual service plans must coordinate residential treatment with day treatment services in order to further progress toward meeting rehabilitation goals and to provide added support during time of crisis.

.14 As part of the placement process, clients are required to abide by the rules of CRRs and to sign a Service Agreement which sets forth the responsibilities of the Provider Agency and the client during the client's stay at the CRR. The agreement must be in conformance with Section 8605.4 of the Mental Health Community Residential Rehabilitation Services (CRRS) 8600 Regulations which require the following:

- a. The agreement is negotiated during the intake process;
- b. It is signed by both parties (Provider and client);
- c. It specifies the arrangements and charges for housing and food;
- d. It specifies the goals to be achieved and services to be provided;
- e. It specifies the rights and responsibilities of the client;
- f. It includes a copy of the CRR's "house rules", client rights, client Grievance Procedures, and termination policy;
- g. It specifies any liability for the cost of service other than room and board; and
- h. It is updated and signed again whenever any of the terms change.

.15 The audit procedures should include a check that a written Service Agreement exists between the client in a CRR and the CRR Provider and check that the Provider is using a standard and uniform agreement which contains the above items for all clients.

Mental Health Intensive Case Management

.16 Intensive Case Management (ICM) was established as a primary direct service to both adults with serious and persistent mental illness and children and adolescents with or at risk of serious mental illness. It is designed to ensure access to community agencies, services, and persons whose functions are to provide the support, training, and assistance required for a stable, safe, and healthy community life. Services are offered within the parameters imposed by funding and other resources. The families of children and adolescents are also eligible for ICM Services as they relate to the treatment plan of the child. ICM Services are services which will assist eligible persons in gaining access to needed resources such as medical, social, educational, and other services.

SECTION 6330 (CONT.)

.17 ICM Program Services requirements stipulate that:

- ICM Services are currently available to persons admitted to a healthcare facility. However, Medical Assistance (MA) cannot be billed for Case Management Services or for ICM Services provided to persons in a jail.
- Needed services to persons in ineligible environments are expected to be provided using State funds.
- ICM services are to be provided in accordance with a written client specific service plan.

.18 The auditing procedures for determining compliance with program services would require the auditor to ascertain whether procedures are in place to ensure that Providers of service have complied with these requirements and evaluate/assess the Provider's implementation of the procedures

include: adults, 18 years of age or older, who have a serious and persistent mental illness; and children and adolescents with, or at risk of, serious mental illness. Two of three specific criteria must be met for a person to be considered eligible; however, a waiver of this requirement may be granted by the County Administrator. The families of children and adolescents are also eligible for ICM services as they relate to the treatment of the child (Section 5221.12, Chapter 5221 Regulations).

.19 The auditor for determining compliance to program eligibility should:

- Review the Provider's established procedures for determining eligibility and evaluate for adequacy.
- Test selected program records and verify that eligibility was determined.
- If the sample contains persons for whom a waiver of eligibility has been granted, verify that adequate documentation of that waiver is maintained in the case file.

.20 The ICM programs require matching reporting on operations. This requires that an authorized representative must certify that State matching funds are available for Medicaid eligible costs. A State Match Verification Form which corresponds directly to the invoice (i.e. line for line) must be completed for each invoice submitted to the Department for processing through the MAMIS System and must be maintained within the Provider Agency for a minimum of four years.

.21 The auditor should determine that the above matching requirement is met by a review of procedures the Organization has in place in completing the form, and that the completed form is properly filed.

SECTION 6330 (CONT.)

Family Based Mental Health Service Program

.22 The Family Based Mental Health Service Program (FBMHS) was established as a primary team to deliver services to families with at least one child with mental illness who is at risk of placement outside of the home. It provides mental health treatment to families so that they may continue to care for their children with serious mental illness or emotional disturbance at home. Services are offered within the parameters imposed by funding and other resources. This Program reduces psychiatric hospitalization by enabling families to maintain their role as primary care givers for their children.

.23 Family Based Services requirements stipulate that:

- At least one child with mental health diagnosis is with an adult care giver willing to receive services within their home. The child must be at risk of psychiatric hospitalization or out-of-home placement.
- Providers of service must be licensed by the Office of Mental Health, included in the County MH/MR annual plan and enrolled with the Office of Medical Assistance.
- Treatment plans must be formulated within five days of initial service, and authorized by the County Administrator or designee within 30 days of the first date of service.
- Services which involve more than one child care system must develop a jointly written plan which documents service responsibilities of each system and be included in the treatment plan within the first 30 days of service.
- All staff must have Act 33/80 clearance before providing services. Documentation of clearance and maintenance of record keeping requirements set forth in PA Code Chapter 1101 (Medical Assistance General Provisions), must be on file at contract provider offices.

.24 The auditing procedures for determining compliance with program services would require the auditor to ascertain whether procedures are in place to ensure that Providers of service have complied with the requirements stipulated above and to evaluate/assess the Provider's implementation of the required procedures.

.25 Eligibility for Family Based Services is determined by the administering Agency. Eligibility for MA is determined by the County Assistance Office (CAO). Children and adolescents and their families are eligible for service if the child or adolescent is 18 years of age or younger and has a mental illness or emotional disturbance and is determined to be at risk for out of home placement. The determination to recommend treatment can be made by a physician, licensed psychologist or child service agency. The recommendation must occur prior to initiation of services and be documented. The specific criteria must be met for a family to be considered eligible as they relate to the treatment of the child (Section 5260.91, Chapter 5260 Regulations). A waiver of the requirement may be granted by the County Administrator.

SECTION 6330 (CONT.)

.26 The auditor determining compliance to the program eligibility should:

- Review the Provider's established procedures for determining eligibility and evaluate for adequacy.
- Test selected program records and determine that eligibility was performed in accordance with the regulations specified above.
- If the sample contains persons for whom a waiver of eligibility has been granted, determine that adequate documentation of that waiver is maintained in the case file.

.27 Family Based Services required matching reporting on operations. This requires that an authorized representative must certify that State matching funds are available for Medicaid eligible costs. A State Match Verification Form which corresponds directly to the invoice (i.e., line for line) must be completed for each invoice submitted to the Department for processing through the Medical Assistance Management Information System (MAMIS) System and must be maintained within the Provider Agency for a minimum of four years.

.28 The auditor should determine that the above matching requirements are met by a review of procedures the Organization has in place for completing the form, and that the completed form is properly filed.

Cost Settlement Policy and Procedures for Community Based Medicaid Initiatives

.29 As indicated in the Mental Health Bulletin No. OHM-94-06 (Exhibit 16), the following programs are subject to cost settlement:

<u>Program</u>	<u>Corresponding PAC Codes:</u>
MH Intensive Case Management	7703, 8703, 6706
MH Family Based Services	7733
MH Resource Coordination	2708, 8708
MR Targeted Services Management	2771
MH Crisis Intervention (Res)	8416

The Cost Settlement Report (CSR) as implemented in this bulletin serves as the vehicle to capture the interim reconciliation to actual costs for community based Medicaid initiatives. This calculation is based upon unaudited expenditures and accrued Medicaid revenues for each service activity. CSR's must be completed by all independent contractors for each service activity within each fiscal reporting period. The CSR is designed to compare overall expenditures eligible for DPW State/Federal participation to combined DPW State/Medicaid accrued revenues. Please be advised that Targeted Services Management reflects a total case management function and agencies should include the non-MA eligible components for cost settlement.

SECTION 6330 (CONT.)

.30 The City of Philadelphia OMH/MR is requiring providers of the above programs to include a CSR for each distinct program funded by OMH/MR as part of the Supplemental Financial Schedules included as part of their year end audit. **Based upon this requirement the auditor is to perform sufficient auditing procedures on the Cost Settlement Report (CSR) in order to express an opinion on the CSR as part of the overall audit.**

Mental Retardation Programs

Community Living Arrangement (CLA) Base Program:

.31 This program serves individuals with mental retardation who require supervision, training and a variety of services to enable them to live in the least restrictive setting in the community. Services include room and board, habilitation training, recreation and access to medical and specialized therapies (i.e. physical, occupational and speech therapy) on an as needed basis.

.32 The audit procedures should include a check, on a test basis, that:

1. Signed Room and Board Agreement is utilized. The State residential regulations (PA DPW Title 55 Chapter 6200) require that an agreement, outlining room and board charges, be executed, in writing, between the client and the Residential Provider. *(The items to be included in a Room and Board Agreement are included in the sample enclosed and labeled as Exhibit 2.)* The agreement must include these items; however, the Agency may develop its own form.

The charge for room and board is 72% of the maximum SSI level exclusive of liability. The maximum SSI level usually changes annually, on a calendar year basis.

2. Evidence of client insurance (i.e. Medical Assistance Card, Blue Cross Policy, HMO Policy). (The majority of CLA clients have Medical Assistance coverage and those who have excess resources which preclude Medical Assistance should have private carrier coverage.)

Waiver Community Living Arrangement Program:

.33 This program serves individuals with mental retardation who require supervision, training and a variety of services to enable them to live in the least restrictive setting in the community. Services include room and board, habilitation training, recreation and access to medical and specialized therapies (i.e. physical, occupational and speech therapy) on an as needed basis.

SECTION 6330 (CONT.)

.34 The audit procedures should include a check, on a test basis, that:

1. Signed Room and Board Agreement is utilized. The State residential regulations require that an agreement outlining room and board charges be executed in writing between the client and the residential provider. *(The items to be included in a Room and Board Agreement are included in the sample enclosed and labeled as Exhibit 3.)* The agreement must include these items; however, the Agency may develop its own form.) The maximum charge is seventy-two percent (72%) of the maximum SSI level.
2. Evidence of client insurance (i.e. Medical Assistance Access Card, Blue Cross Policy, HMO Policy). (The majority of CLA clients have Medical Assistance coverage and those who have excess resources which preclude Medical Assistance should have private carrier coverage.)
3. A current (dated within the last 365 days) PA 162. A PA 162 demonstrates eligibility for waiver funding and indicates if there is a client liability. *(See Exhibit 3 for sample PA 162.)* This does not apply to clients receiving S.S.I. Those clients are only required to have a PA 162 documenting initial eligibility.

Adult Day Care (ADC) Program:

.35 Day Care Services for adults provide a program of activities within a protective non-residential setting. Specific activities and services include but are not limited to: assisting in performing the basic tasks of everyday living, providing a planned program of social, recreational, and developmental activities; referring to and advocating for specialized health, therapeutic, rehabilitation of social services; providing for a nutritious meal and snack program; working with transportation arrangements.

.36 The audit procedures should include a test for:

1. Evidence of current license. Each ADC Center is licensed by the Commonwealth of Pennsylvania. A copy of the license must be maintained at the site to meet State regulations.
2. A spot check to insure that clients have current program plans (within the last 365 days). The State ADC Regulations require that each client have an individual day program plan which was completed within the last 365 days. The Plan outlines clients' goals and general activities for the client during that period. These plans must be maintained at the ADC site.
3. A check to insure that emergency procedures are prominently posted. Current State regulations require that emergency procedures (i.e. evacuation in the event of fire or medical emergency) be prominently posted at the program site.

SECTION 6330 (CONT.)

Vocational Day Program:

.37 This day program for adults provides activities and services that include: vocational evaluation, a systematic assessment of a client's service needs and their potential for employment and the identification of employment objectives, personal work adjustment training, training that emphasizes the development of skills in interpersonal relationships, appropriate attitude toward work, good work habits and other behavior necessary for higher vocational placement; work activity training, a service that provides that handicapped person with an opportunity to work and attain sufficient vocational, personal, social, and independent living skills to progress to a higher level vocational placement; and employment training, a service that provides training and employment to individuals who are not readily absorbed into the regular labor force due to their limitations. All these services are provided in a sheltered setting.

.38 The audit procedures should include a test for:

1. Evidence of current license. Each Adult Day Care (ADC) Center is licensed by the Commonwealth of Pennsylvania. A copy of the license must be maintained at the site to meet State regulations.
2. A spot check to insure that clients have current program plans (within the last 365 days). The State ADC Regulations require that each client have an individual day program plan which was completed within the last 365 days. The Plan outlines clients goals and general activities for the client during that period. These plans must be maintained at the ADC site.
3. A check to insure that emergency procedures are prominently posted. Current State regulations require that emergency procedures (i.e. evacuation in the event of fire or medical emergency) be prominently posted at the program site.
4. Evidence that a client handbook exists and has been distributed to clients and staff. State Regulations require that each Vocational Program develop and distribute to participants a client handbook which outlines the program and general requirements of the program. A copy of the handbook must be maintained at the site.
5. A record of client earnings "year-to-date" should be maintained at the program.

Transition to Work Program:

.39 This is a program that provides services to recent mentally retarded high school graduates to help them make the transition from school to the working world and community life. This program assists the student in developing functional skills and provides work training in real jobs.

.40 At this time, there are no specific programmatic audit requirements.

SECTION 6330 (CONT.)

Competitive Employment:

.41 This is service that involves the placement of an individual into real work for real pay. The individual being placed is job ready and motivated to work. Limited follow-up services are necessary to ensure job retention. The individual is employed by a company or industry rather than by the rehabilitation facility and the client is usually limited to the initial job training and short-term follow up services.

.42 At this time, there are no specific programmatic audit requirements.

Supported Employment:

.43 Supported Employment is a new approach to providing vocational services which combines placement of severely handicapped persons in competitive jobs, with training on the job and long-term support services. Characteristics of Supported Employment are: real work in a real work place, training on the job site, substantial pay (minimum wage or higher), long-term support services, job placement which is physically and socially integrated within the business/industry, services which are coordinated and specific to the client's needs and disabilities and significant consumer and/or advocate involvement in the development of the Supported Employment program.

.44 At this time, there are no specific programmatic audit requirements.

Early Intervention Program (EIP):

.45 This program makes available one or more of the sixteen authorized services as defined in MR Bulletin #00-92-09, entitled "Early Intervention Services for Infants and Toddlers", to an eligible child. An eligible child is a child who is experiencing a 25% delay in one or more developmental areas and whose age is between the date of birth through the second year. Early Intervention (EI) services are currently funded by the Department of Public Welfare (DPW) for children under three years of age through the Philadelphia Office of Mental Health and Mental Retardation (OMH/MR). Eligibility for Early Intervention Services is determined in accordance with MR Bulletin #4225-91-05, entitled Screening, Evaluation, and Eligibility for Infants and Toddlers.

.46 Services are provided in the home, a community setting or in a center. The center may be operated by a specialized Early Intervention provider or by an agency in the community such as a hospital or day care center. Services in a community center are provided by staff of an early intervention provider agency. These services are designed to meet the developmental needs of each eligible child and the needs of the family as they relate to enhancing the child's development. Service needs shall be determined by a team of individuals, including the parents and members of the discipline(s) most appropriate to the child's developmental needs; these services must be documented in a plan of care document known as an Individual Family Service Plan (IFSP).

.47 In order to determine eligibility for EIP Services, a child's file should contain a Child Health Appraisal form (or a similar type Health Appraisal Form) which must be signed by a physician. A sample form is provided as Exhibit 10. The auditor should perform sample testing to determine whether the form was completed and signed by a physician.

SECTION 6330 (CONT.)

.48 In addition to the general audit requirements which pertain to all services funded by OMH/MR, compliance testing for Early Intervention Services must include testing to determine that services are appropriately reported, since services are reimbursed on a fee-for-service basis. Compliance testing must also be included to determine that costs associated with specific early intervention service recipients are assigned to the appropriate funding sources. Service costs which are reimbursed by the OMH/MR must be restricted to recipients who reside in Philadelphia County and who are under three years of age. Service costs associated with recipients residing in counties other than Philadelphia must be charged to the respective county of residence. Service costs of children three or older, regardless of their county of residence, are reimbursed by the Pennsylvania Department of Education through a contract with the School District of Philadelphia.

.49 DPW implemented a unit of service funding model of reimbursement in FY '98. Published rate ceilings established on the DPW fee schedule will apply to all EIP service activities including those reimbursed by the OMH/MR. All services covered on the fee schedule will be reimbursed on a fee for service basis only. The OMH/MR will not assume liability for provider service costs in excess of the ceilings nor for costs associated with non-direct service billable activities which exceed the levels negotiated in the approved budget.

An Early Intervention Cost Reconciliation Report will be submitted with the final invoice which will disclose the financial ramifications of providing various service activities within an Early Intervention program activity (PAC) by comparing actual costs to reimbursement from anticipated fees. **The auditor must include an audited copy of this report in the financial statements. Based upon this requirement the auditor is to perform sufficient auditing procedures on the Cost Settlement Report in order to express an opinion on it as part of the overall audit.**

Compliance Testing

- Determine that the provider agency has an internal control structure system which properly:
 - a. Accumulates and documents the early intervention service data reported to OMH/MR's RIM unit each month.
 - b. Distributes costs and applicable revenues among the various funding sources which reimburse services associates with specific populations. Service costs must be distributed in direct relation to services delivered to respective populations and the system employed must take in to account that the funding source of a specific recipient may change during the course of the fiscal year as a result of aging out (turning three years of age) of OMH/MR's service population. In programs where mixed populations are served, numbers of children enrolled cannot be used in place of actual services delivered to distribute costs among funding sources since the level of services received may vary significantly among children served.

SECTION 6330 (CONT.)

- On a test basis, determine that documentation exists which supports the eligibility of early intervention individuals served.
- On a test basis, determine that the services reported to OMH/MR's RIM unit (as discussed in item a. above) are supported by attendance records or other appropriate supporting documentation.

ICF/MR:

.50 A community based facility that provides a variety of services to mentally retarded individuals including residential care, day services, transportation, specialized therapies and case management services.

Program is financed with State and Federal funds, with the Federal share of the cost of the program ranging from 50% to 80%. It is administered by the State within broad Federal guidelines.

.51 At this time, there are no specific programmatic audit requirements.

SECTION 6340 - FINANCIAL COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Independent Auditor's Report(s) on Specific Compliance Applicable to Major or Non-major Federal, State and City Financial Assistance, as appropriate.

.02 The financial compliance procedures for MH/MR are provided on the following pages based upon the following types of categories:

- a. Mental Health and Mental Retardation Programs (Section 6340.03 to 6340.33).
- b. Interim Care Facilities (Section 6340.34 and 6340.35).
- c. Client Funds (Section 6340.36 to 6340.40).

SECTION 6340 (CONT.)

Mental Health and Mental Retardation Programs

OMH/MR Manual:

.03 The Philadelphia Office of Mental Health and Mental Retardation (OMH/MR) Manual, called the "OMH/MR Manual", issued July 1987, serves the purpose of promulgating official policies and procedures governing requirements for Providers of Services contracting with OMH/MR. The OMH/MR Manual is intended to become a comprehensive single source of directives, references, and information to be observed and maintained by all contractors.

.04 As an official OMH/MR body of directives, the Manual is generally referenced in every contract executed with OMH/MR under Administration and Program Compliance, and it is binding on all contractors, as applicable. The Manual is divided into three parts:

- Part I - General
- Part II - Mental Health
- Part III - Mental Retardation

.05 The Pennsylvania Department of Public Welfare (DPW) has adopted 55 PA. Code CH.4300 (4300 Regulations) which specify requirements for the general fiscal management of County mental health and mental retardation programs and the reimbursement of costs by DPW. These regulations are incorporated by reference in this Manual in order that OMH/MR and its contracted Providers of services will be in compliance with these regulations in administering and providing mental health and mental retardation services which are funded by DPW. The manual also includes policies and procedures which cover situations which are unique to the Philadelphia MH/MR Program, areas which are not covered by DPW Regulations, or areas where DPW regulations require administrative interpretation.

.06 First issuance of the OMH/MR Manual was distributed to Contract Agencies during the week of August 10-14, 1987. One objective during initial development of Manual sections was to incorporate those previously issued OMH/MR numbered memos which contained Policies and Procedures which were still current or needed some revision to become current. That objective has been achieved in large measure, but the Manual is not completed yet. Additional policy information needs to be developed. Therefore, fiscal year 1987-88 is considered a transition period between the former numbered memo system and the new Manual system. The Manual contains official OMH/MR Policies and Procedures as of July 1, 1987. The numbered memo system was retired effective June 30, 1987. During this transition and implementation phase, it may occur that some past policies and procedures may not have been incorporated into the Manual at a given time. If a question arises regarding a past policy or procedure which is not addressed in the Manual, Agency Directors are advised to seek clarification from the appropriate OMH/MR Senior Staff person: the MH or MR Program Administrator, the Deputy Administrator, or the Fiscal Administrator. Feedback and discussion of such apparent omissions is useful and necessary to make the Manual most effective. However, it is generally assumed that if a policy is not identified in the Manual, it does not exist.

SECTION 6340 (CONT.)

.07 The entire OMH/MR Manual is incorporated into all contracts as applicable, by reference as administration and program compliance requirements. Compliance with Manual directives will be considered in monitoring and evaluating contractors.

.08 All new Manual sections and revisions will be issued under a cover "OMH/MR MEMORANDUM" (See Section 1.07 "Forms"). These cover memos will be identified by Fiscal Year and sequential numbering, as issued. For example: OMH/MR Memorandum #87-1, 87-2, etc. In order not to miss any Manual issues, Providers should make sure that numbered cover memos received are in sequence without omissions. It is advisable to retain these cover memos for a period to insure that complete Manual updates are received.

.09 Providers are responsible to determine internal distribution needs, to take timely action to share Manual information with appropriate staff, to orient staff to policies and procedures, to implement necessary activities, and to monitor and evaluate on-going compliance.

.10 Audit procedures should include the following:

- By inquiry, has the OMH/MR Manual been read by appropriate Agency officials and placed into use.
- Have appropriate individuals at the Agency obtained copies of the Manual for use in program operations.

Recordkeeping, Accounting and Cost Requirements/Standards:

.11 OMH/MR has established certain minimum standards regarding recordkeeping, accounting and cost requirements/standards. The OMH/MR allowable cost standards to a great extent are the same as the DPW allowable cost standards promulgated under the Title 4300 Regulations, the OMH/MR standards impose additional restrictions on the use of funding and/or in a few instances, represent more restrictive modifications of DPW standards.

.12 The auditor should determine Agency compliance with the following provisions and report any deficiencies in the accountants' report on internal accounting control. (The reference at the conclusion of each requirement is a reference to the OMH/MR Manual.)

- Regardless of level and type of fiscal reporting required by the OMH/MR, agency records must be maintained in accordance with the Account Structure Manual. This account structure, as described in the State Mental Health and Mental Retardation Regulations, is a uniform classification for the recording of expenditures incurred and revenues received in the delivery of contracted program services. All Agencies are required to maintain records by this structure unless the County Administrator grants a waiver of these requirements. Additionally, Agencies must maintain records at the site level for all residential programs which serve mixed populations that are categorically funded. It is recommended that records for all MR Vocational or Adult Day Care programs also be maintained at the site level since categorically funded clients may be

SECTION 6340 (CONT.)

placed in such programs. These records must be maintained so that the information will be available upon request by the OMH/MR or for inspection by Federal, State or local authorities. (6.07.02)

- All program Providers will maintain and report fiscal data on the modified basis of accrual accounting. (4300.146)

Revenues:

.13 The costs of providing services to Philadelphia clients who are mentally ill or mentally retarded are reimbursed from a variety of sources and through several payment mechanisms. Some funds are received directly by the Organization that provides the direct service to the client. Other funds are allotted to the OMH/MR to provide services directly, to distribute among Provider Organizations, and to cover the administrative costs of the OMH/MR, the Department of Public Health, and the City in overseeing these services and Providers.

.14 The Department of Public Health utilizes two basic methods of funding program activities. The two basic methods are:

- Program Funding:

Program funding is the most common method employed by the OMH/MR to fund its Provider Agencies. This method allows the OMH/MR to fund a Provider Agency's actual eligible expenditures for a Provider Agency's service(s), offsetting these expenses by anticipated revenues to be received directly by the Provider, and establishing the remaining deficit as its authorized level of funding (allocation). Reimbursement is effected on a "last-dollar-in" basis and is based upon actual eligible expenses incurred less actual revenue generated.

- Unit of Service Funding:

This method, also referred to as fee-for-service funding is based upon establishing a set fee or rate of reimbursement for each authorized unit of service rendered by a Provider Agency to eligible clients. The fee or rate may be set through negotiation with the OMH/MR or may be established by DPW or a designated third party such as Blue Cross. DPW requirements and/or restrictions related to unit of service funding are set forth in Sections 4300.111 through 4300.118 of the Title 4300 Fiscal Regulations.

.15 The Agency is able to provide program services by utilizing funds received from the following sources:

- First Party Revenue:
 - Program Service Fees: Payments made by the client or a legally responsible relative for services rendered. These payments are commonly referred to as client liability and the amount of such liability (if any) is determined in accordance with 55 PA. Code CH 4305.

SECTION 6340 (CONT.)

- Third Party Revenue:
 - Medicaid: Payments made for the delivery of psychiatric (medical) services to clients certified as categorically or medically needy under the Title XIX - Medical Assistance Program. Payments are in accordance with pre-determined rates and are for only those medical services specified in the Pennsylvania Annual Medicaid Plan. These payments may be from the Pennsylvania Department of Public Welfare, or Community Behavioral Health (CBH).
 - Private Insurance: Payments made on behalf of clients for services eligible for health care coverage such as Blue Cross/Shield; HMO's; private insurance carriers; union benefits, etc.
- Other Revenue:
 - Room and Board Charges: Payments made by or on behalf of clients for the provision of room and board within residential programs funded by the OMH/MR. Charges are assessed in accordance with 55 PA. Code CH. 6200.
 - Other Income: Other income sources would include interest earned on revenue and/or advance payments received from OMH/MR; service or production contract revenue; contributions; gifts and bequests; other miscellaneous income.
- OMH/MR Funding:
 - OMH/MR Allocation: Payments are made to the Provider based upon the program funding and units of service contracts previously described.

.16 When examining Agency revenues the auditor is to consider the following items which are the revenue requirements of Title 55, Department of Public Welfare Section 4300.158.

- Allocations from the Department are to defray part of the cost of county programs authorized by the act and approved by the Department. Income for the amounts paid for the same purpose from a public or private source directly to participating counties, facilities or individuals shall be deducted from approved expenditures to determine the amount eligible for Departmental participation.
- The Department will not participate in costs for a mentally disabled person until the person, who has been admitted or committed, or is receiving services or benefits under the act, has exhausted his eligibility and receipt of benefits under other private, public, local, Commonwealth or Federal programs.
- Unrestricted donations and gifts shall be considered as income to reduce gross eligible expenditures in arriving at expenditures eligible for Departmental participation.

SECTION 6340 (CONT.)

- Donations and gifts may be used for paying expenses which are eligible or ineligible for Departmental participation if given or restricted by the donor for that purpose.
- Donations and gifts from fund-raising organizations may be used for paying expenses which are eligible or ineligible for Departmental participation if given or restricted by the fund-raising organization for that purpose.
- Interest earned on Departmental funds shall be considered as other income to reduce total expenditures in arriving at eligible expenditures for Departmental participation.

.17 Audit procedures for program funded contracts should include the following:

- Does the Agency have a system in place to adequately account for all applicable income received or earned by the Agency and that such income was properly reported to OMH/MR.
- That first and third party revenue is maximized prior to billing OMH/MR for services.
- That third party billings for the program are fully recorded and that re-billings are submitted on claims which have been denied for payment.
- That first and third party payments are recorded and reported to OMH/MR for all services delivered through June 30th recognizing any applicable reserves for uncollectable amounts (after pursuing all means of collecting on payments as discussed above).
- For Agencies which report retained revenue to OMH/MR, determine if amount reported is consistent with current OMH/MR policies and such funds have been restricted and utilized for OMH/MR use only. The Schedule of Adjustments on the Program Activity Invoice Summary must be completed to report any changes to retained revenue previously reported in the invoice.
- That clients which have been billed to OMH/MR have been previously determined to be ineligible for Medical Assistance or have no private insurance coverage. (This procedure only entails an examination of information available at the Agency (on a test basis) and does not intend or require contact with any Provider clients.)

.18 Audit procedures for unit of service contracts should include the following:

- Does the Agency have a system in place which:
 - Accumulates the units of service by client, by type and bills those units to OMH/MR.
 - Maximizes first and third party revenue prior to billing OMH/MR for services.

SECTION 6340 (CONT.)

- That clients which have been billed to OMH/MR have been previously determined to be ineligible for Medical Assistance or have no private insurance coverage. (This procedure only entails an examination of information available at the Agency (on a sample basis) and does not intend or require contact with any Provider clients.)
- Utilizing the "Service Rendered Report and Invoice" - MH/MR Form 13 (*sample enclosed as Exhibit 4*), determine that:
 - Service units reported on the form are supported by Agency and client records and that the units agree in amount, type of service and date service was rendered.
 - Rate per unit billed to MH/MR is contractually correct by each type of service.
 - Appropriate deductions have been reported for any first or third party revenue in columns 13, 14 or 15 on the form.
- That Agency reimbursement for inpatient and partial hospitalization services comply with:
 - Policies and limitations prescribed in Sections 4300.111 through 4300.118 of the Title 4300 Fiscal Regulations.
 - OMH/MR maximum rate of reimbursement for inpatient services is the Community Behavioral Health (CBH) per diem. Providers may negotiate lower rates based upon the actual cost of providing psychiatric inpatient services; however, if the CBH rate is used, the Provider must maintain copies of CBH rate authorization letters for each Inpatient Provider for whom reimbursement is requested from the OMH/MR. Providers must maintain rate authorization letters for both the interim and final audited rates.
 - OMH/MR maximum rate of reimbursement for partial hospitalization prescribed by DPW in the current Medical Assistance Fee Schedule for respective adults or children's services and for services which do or do not offer transportation services.
 - Policies and procedures prescribed in OMH/MR Memo #475, revised March 25, 1981. (*Enclosed as Exhibit 5*)

Retained Revenue:

.19 Retained revenue realized by a Provider must be accounted for in a restricted fund designated solely for use in OMH/MR funded services. The use of these funds is discretionary and is not subject to prior approval of OMH/MR as long as the funds are expended for OMH/MR funded services. Chapter 4300.108 of the Pennsylvania Code for County Mental Health and Mental Retardation Fiscal Manual, requires:

SECTION 6340 (CONT.)

- a. *The Department will participate in an allowance for service providers to retain revenues, accruing at the close of the contract period, in excess of eligible expenses realized under the contract.*
- b. *The Department's participation will be limited to an amount not to exceed 3.0% of the total gross revenues applicable to the contract.*
- c. *The Department will participate in an allowance for retained revenue only when the County explicitly approves retained revenue by including specific provisions in the contract. Retained revenue may be included in the contract budget, be allowed as an incentive for agencies to operate efficiently and pursue third-party revenues or allowed in combination as a budget item and efficiency incentive.*
- d. *The contract shall identify the accounting unit or entity for computing revenues in excess of eligible expenditures. It may be an organizational unit, service or activity. It shall include only those expenditures and revenues associate with providing services under the contract and to which the retained revenue allowance applies. The objective is to match revenues and expenses with the accounting entity and the provision of services.*

.20 The auditor is to perform auditing procedures in order to determine the amount of retained revenue and that the Provider Agency has complied with the retained revenue provision of the:

- Regulations cited above in 4300.108
- OMH/MR contract provisions
- Policies and procedures as prescribed in the Annual Budget and/or Invoice/Expenditures Reporting Instructions, and fund restrictions as specified in Section 6340.19 of this Guide.

Medicaid Waiver:

.21 In order to satisfy requirements imposed by the Federal Health Care Financing Administration (HCFA) and the Pennsylvania Department of Public Welfare (DPW), the Philadelphia Office of Mental Health and Mental Retardation implemented special reporting requirements for the 2176 Medicaid Waiver Program. The Philadelphia Office of Mental Health and Mental Retardation (OMH/MR) implemented an automated system to generate Services Rendered Reports (SRR) which provides the financial data to prepare the MR "2176" Waiver Project Report. This report is submitted to the DPW on a quarterly basis. The service costs generated through the SRR are a result of calculating units of service, reported by contract providers to the Research and Information management (RIM) component of the OMH/MR, times provider approved budget rates, by type of service. The MR "2176" Wavier Project Report is used by DPW to prepare Federal reimbursement claims through the Medicaid program.

SECTION 6340 (CONT.)

In FY 1999, the OMHMR adopted similar reporting procedures to address the requirements of the Infant, Toddlers, and Families Medicaid Waiver which was implemented by DPW in its Early Intervention Program in January, 1999.

.22 In the automated system, residential reporting is accomplished on an exception basis with the contract providers' obligation primarily being to advise the OMH/MR of client admissions, absences (absences are defined as 24 consecutive hours not in residence) or discharges not reflected in monthly reports issued by OMH/MR. Providers are also obligated to report individuals' absences from Waiver Residential Programs on a monthly basis on the Monthly Waiver Residential Program Absence Report (*Exhibit 6*).

.23 Waiver Day Program Service Units (Adult Developmental Training, Facility Based Vocational Services and Community Integrated Employment) are reported by providers through monthly reports submitted either electronically or on manually prepared forms. Specialized therapy services and Early Intervention services are also reported in a like manner.

.24 Audit procedures relating to the above would require an assessment of the Agency's control procedures and resultant reporting of client admissions, discharges and absences from residential programs.

Audit procedures are to include, on a test basis, a determination that the services reported are documented (i.e. by attendance records).

Personnel Action Plan:

.25 The Personnel Action Plan (PAP) is a system to monitor, approve, and audit personnel transactions and costs in Agencies providing MH/MR services through program-funded contracts with the OMH/MR.

.26 Under PAP, all program-funded positions are classified into one of several broadly defined functional categories. A maximum salary reimbursement rate is established for each category. A maximum reimbursement rate for benefits cost is also established. Under the DPW 4300 Regulations, effective July 1, 1987, a total compensation option is available. This permits the County to reimburse Agencies for wages and benefits costs up to the combined total of the State's salary and benefits maximum reimbursement rates added together.

Agencies are at liberty to pay salaries or benefits above or below PAP reimbursement rates, but OMH/MR and the State will support such costs only to the extent that they do not exceed PAP maximums or approved contract budget amounts.

.27 Compliance with PAP policies and procedures is a contract requirement. Failure to comply will result in disallowances, and corrective actions will be required. Non-compliance will also result in non-payment of invoices.

.28 The auditor should determine Agency compliance with the following provisions as required in Section 7.0 of the OMH/MR Manual and report any deficiencies in the accountants' report on compliance or internal accounting control, as appropriate.

SECTION 6340 (CONT.)

- Agencies must develop a manual of personnel policies and procedures, and a current copy must be on file at all times with OMH/MR. At a minimum, the Agency Personnel Manual must contain specific statements of compliance with:
 - Pennsylvania Human Relations Act 56.
 - Governor's Code of Fair Practices.
 - Title VI of U.S. Civil Rights Act of 1964, as applicable to any Federally assisted program.
 - Act 33 of 1985, to amend the Pennsylvania Child Protective Services Law, for Agencies providing services to children.
 - Philadelphia Fair Practices Act, for Agencies operating in Philadelphia County.
 - The Agency Personnel Manual must also contain written Agency policies regarding: Recruitment, selection, appointment, probationary periods; classification and pay determination; increments; leave management (hours of work, vacation, sick leave, holidays, overtime/compensatory time, other leaves with or without pay); training, and tuition reimbursement; insurances and retirement plans; promotions; performance evaluations; appeals and grievances; separations/terminations.
 - Agencies must maintain a current organization chart showing lines of authority, position number, PAP codes, and incumbent names. In addition, a personnel roster must be maintained which shows position number, PAP code, incumbent name and social security number, and current salary.
 - All employee job positions must be approved on the PAP at a maximum salary reimbursement rate. Prior-approval by OMH/MR is required to establish new job positions. Agencies are at liberty to pay salaries or benefits above or below PAP reimbursement rates, but OMH/MR and the State will support such costs only to the extent that they do not exceed PAP maximums or approved contract budget amounts.
- (Note: The auditor must include checking job positions and pay rates of any employee selected for testing (as required in Section 307 of the Guide) to the PAP).
- The maximum reimbursement for psychiatric consultations will be at the prevailing rates not to exceed the amounts listed in Exhibit 8 per consultation hour for Board-eligible psychiatrists per consultation hour for Board-certified psychiatrists where such services are provided through a contractual agreement and do not exceed 22 hours/ week.

SECTION 6340 (CONT.)

In any case where a contract psychiatrist works in excess of a 15 hour week, written justification as to why this individual is not a half-time salaried employee must be presented to the Office of Mental Health and Mental Retardation before any reimbursement will be committed.

Any Agency which reimburses a psychiatrist on an hourly rate must do so on the basis of a signed contract, and must maintain that contract for at least five years after the period of the contract. Please note the requirements for contracts as identified in the Title 4300 MH/MR Program Fiscal Manual.

- The maximum fringe benefit percentage rate to be applied in determining eligible compensation can be found in Exhibits 7 and 8.

Administration:

.29 For the purpose of accounting and reporting, administration is defined as general managerial functions or activities which are supportive to but not an intrinsic part of the provision of direct services. These administrative functions or activities include executive supervision, personnel management, accounting, auditing, legal services, purchasing, billing, community board activities, activities associated with management information systems (does not include maintenance of individual client case records), and clerical activities which are supportive to these administrative functions or activities.

.30 The auditor should determine Agency compliance with the following provisions as required in Section 6.07.03 (Subpart D) of the OMH/MR Manual and report any deficiencies in the accountants' report on compliance or internal accounting control, as appropriate.

- All administrative costs whether allocated directly or by formulae to program activities must be included within administration and must not be reported as direct expenses of a program activity.
- The Agency is to have, in place, a method of properly allocating administration costs. The method of allocation is at the discretion of the Agency as long as it is verifiable and results in an equitable distribution among program activities. **(The auditor must identify the method of allocation and express an opinion on the equitableness of the Agency's cost allocation plan/method as prescribed in Section 4300.94 of the Title 4300 Regulations.)**

Cost Allocations/Indirect Costs:

.31 Contracted Agencies are required to determine and assign the actual costs related to the provision of program services. The auditor should determine Agency compliance with the following provisions as required in Section 6.07.03 (Subsection C) of the OMH/MR Manual and report any deficiencies in the accountants' report on compliance or internal accounting control, as appropriate.

The auditor must state the method(s) of allocating costs or revenues.

SECTION 6340 (CONT.)

Costs and or revenues

- The allocation method used by the Agency should be practical, reasonable, and verifiable and must result in an equitable distribution of costs and revenue. Records must be maintained and an audit trail established for initial budget estimates and amounts subsequently invoiced to the OMH/MR. Methods of allocation used for a specific program activity must be consistently applied in budgeting and invoicing.
- Where staff working on MH/MR programs are not directly assignable and work on multiple program activities on a significant or regular basis, then the time and related benefit costs must be allocated among activities. (A "significant basis" is defined as at least ten percent (10%) of total time worked. A "regular basis" means once a week, bi-weekly, etc.). Based upon this required allocation, specific requirements are as follows:
 - Documentation must be maintained in support of the actual time allocation as well as for initial budget estimates.
 - Staff must be required, on a daily basis, to complete a schedule which identifies hours worked by a specific program activity.
 - The time schedule must be signed by both the employee and his/her supervisor.
- Other (non-personnel) direct program costs not chargeable to a specific activity shall be prorated based on the overall ratio resulting after the allocation of staff and other assignable program costs.
- Client-specific costs (e.g. specialized therapy) or revenue (e.g. room and board charges or client liability) must be directly allocated and cannot be a part of a general distribution method. If an Agency can allocate common or shared costs directly, then appropriate records must be maintained in support of the direct allocation (e.g. staff time records).
- The charging of indirect costs to a program must be in accordance with all requirements prescribed in section 4300.94 of the State DPW 4300 Regulations. In situations where a "program activity" is serving a mixed population whose services are funded by 2 or more DPW categorical allocations, costs or revenues must be directly assigned to the specific client/populations. If such costs or revenues cannot be assigned directly to the specific client/population, then the Contracting Agency must develop appropriate methods of allocating common or shared costs and revenues.

SECTION 6340 (CONT.)

Other Matters:

.32 The following matters should be addressed by the auditor in determining the Agency's compliance with program regulations. Any deficiencies should be reported in the accountants' report on compliance or internal accounting control. (The reference at the conclusion of each requirement is a reference to the OMH/MR Manual.)

a. Employee Leave:

The cost of employee leave allowable/recognized during the fiscal year is for leave actually paid and not for time earned/accrued but not paid. (6.07.03 - Subsection A)

b. Interest Expenses and Earnings:

Interest expenses are considered eligible expenditures if incurred in compliance with the Title 4300 MH/MR Program Regulations and if these expenses are within the Agency's authorized allocation. Interest earnings also must be considered as a revenue offset against eligible expenditures in determining the level of financial participation by the OMH/MR in program activities.

Records must be maintained by the Agency in support of actual interest charges or earnings which are to be assigned to program activities funded by the OMH/MR. If separate bank accounts are not maintained, a practical, reasonable, and verifiable method(s) must be developed to support debt service charges or interest earnings assigned to program activities funded by the OMH/MR. Debt service charges which result from payment sanctions imposed by the OMH/MR or which are due to spending in excess of the levels authorized by the OMH/MR are not eligible for reimbursement. (6.07.03 - Subsection E)

c. Depreciation Allowance:

OMH/MR will participate in a usage payment (depreciation allowance) for fixed assets (excluding real estate), acquired on or after July 1, 1987, which are not expensed or amortized as expenditures paid by OMH/MR funding. A depreciation allowance is not permitted for fixed assets acquired prior to July 1, 1987. To claim a depreciation allowance, the conditions specified in Section 4300.105 must be met. (6.09.01 - Subsection E1)

d. Chief Executive Officer - Maximum Reimbursement (Unit of Service Funding):

The Pennsylvania Department of Public Welfare (DPW) 4300 Regulations, effective July 1, 1987, establish a new title, definition, and variable salary maximum reimbursement rates for contract service Provider Agency Directors.

SECTION 6340 (CONT.)

The terms Catchment Area Services Director (CA SD, defined in Memorandum 44), Executive Director, Agency Director, or Limited Agency Director, have been replaced in PAP usage by the term Chief Executive Officer. The title is defined by DPW as follows: "The Chief Executive Officer (CEO) is the principal officer to whom all Agency staff are subordinate and whose authority is circumscribed only by a Board of Directors." (7.28)

The reimbursement maximums, which the auditor is to determine are being adhered to by the Agency, are enclosed as *Exhibit 7*.

.33 For all OMH/MR Providers, excluding Private License Facilities, there is a bi-annual "Fiscal Site Visit" that is conducted by personnel of the Providers respective OMH/MR fiscal office. The visit prompts written correspondence to the Provider's Executive Director detailing the visit's findings. The auditor should obtain a copy of the most recent site visit letter and determine what corrective action the Organization has implemented to resolve any findings noted in the letter. A lack of corrective action by the Organization would indicate a compliance deficiency.

Interim Care Facilities

.34 Interim Care Facilities are funded by OMH/MR on a unit of service basis. The reimbursements are contingent upon receipt by OMH/MR of the "Interim Care Report and Invoice", Form 55-M-2331 (*Exhibit 9*), or the "Service Rendered Report and Invoices", Form MH/MR-13 (*Exhibit 4*), from the Provider for each month of service. These invoices, however, use an interim per diem rate stipulated in the contract. The OMH/MR will reconcile and reimburse the final contract cost and per diem based on the certified audit submitted by the Provider.

.35 This audit will need to specifically comply with section 4300.116(b)(3) which requires the following:

- Verification that the units of service billed were provided and billed at the proper rate.
- Establishment of actual unit costs.

Client Funds

.36 Regulations established by the Pennsylvania Department of Public Welfare (55 Pa. Code Ch. 6400) require that residents of facilities for the Mentally Retarded have the right to manage their personal financial affairs, or to have their funds maintained in an account for them, if they are unable to do so themselves. They have the right to receive, purchase, have and use personal property.

.37 Mental Retardation Bulletin #600-88-08, "Administration and Management of Client Funds," also establishes requirements for the handling of the financial affairs for clients in community residential facilities.

SECTION 6340 (CONT.)

.38 The use of funds received from Social Security or Supplemental Security Income benefits is subject to Federal regulations (Social Security Act - Section 205 (J)(1); Social Security Operations Manual - Section 1631 (a)(2)(A)). Provider Agencies may apply for and serve as "representative payees" for clients of the program who are unable to handle their own finances, or whose family/guardian/next friend is unable, unwilling or absent to handle the person's finances. Representative payees must adhere to Social Security Administration (SSA) guidelines for the management and use of these benefits.

.39 The OMH/MR with the issuance of Section 6.12 of the OMH/MR Manual has supplemented the above-mentioned regulations and has elaborated on the accounting and permissible expenditure of the funds of clients who live in County funded residences. The following are useful references relating to client funds:

- Mental Retardation Bulletin 6000-88-08(g)(4), November 7, 1988.
- State Bulletin mandates that the Provider's system of internal control over client funds be evaluated and that a representative sample of client accounts be tested as part of the process.
- Office of Mental Health and Mental Retardation Manual Section 6.12 (January 1989)

.40 Where the Agency being audited has a program which includes client funds, the auditor is required to perform certain procedures regarding the Agency's management's administration of client funds. Regarding this policy statement the auditor is expected to:

- Read and become familiar with the requirements of OMH/MR Manual Section 6.12.
- As part of a review of the Agency's internal control structure, include in such a review of management's control policies and procedures over client funds in accordance with OMH/MR Manual Section 6.12.
- Perform, on a test basis, a check of Agency records regarding client funds to determine adherence to OMH/MR Manual Section 6.12 - Client Funds Appendix "Fiscal and Accounting Procedures." At a minimum, this test check must include:
 - A determination that the type of records to be maintained have been established and are in use.
 - A test check that documentation to support the client fund transactions recorded exist and meet OMH/MR Section 6.12 requirements.

SECTION 6340 (CONT.)

Continuing Participation Allowance

.41 For regulations concerning the continuing participation allowance, please refer to: (1) PA Code Title 55 Public Welfare DPW 4300.87, (2) OMH/MR Manual Section 6, page 24, e-2-a and (3) Chapter 4300 County Mental Health/Mental Retardation Program Fiscal Manual - Questions and Responses from regional Orientation Sessions dated 6/5/87.

.42 Audit procedures for continuing participation allowance should include a determination whether the agency has adhered to the following requirements:

- Has the 8% continuing participation allowance been invoiced to OMH/MR for debt-free real estate?
- Is the 8% continuing participation allowance based on original cost of the building or on the fair market value whichever is the lesser amount?
- Has the 8% continuing participation allowance been invoiced only for improvements and renovations made within one year of the date of acquisition?
- Has the appraisal for the property been determined by an individual who holds an approved designation?
- To qualify for continuing participation allowance, donated property must not be restricted for use in the county program and the 8% continuing participation allowance for the donated property must be based on the fair market value at the time of donation.

SECTION 6350 - SUPPLEMENTAL FINANCIAL SCHEDULES AND REPORTS

.01 The Organization's audit report must include the following supplemental financial schedules for each City of Philadelphia – Office of Mental Health/Mental Retardation contract, and special purpose auditors' reports, in addition to the financial statements and auditors' reports as specified in Sections 400 and 500 of this Audit Guide. A designation has been made for those supplemental schedules and reports required for a "single audit" report (Section 400) or a "program audit" report (Section 500). The auditor will be required to issue an opinion on the Supplemental Schedules listed below (MH/MR and Interim Care Facilities) as specified in Section 400 of this Audit Guide.

.02 The supplemental financial schedules and reports for MH/MR and Interim Care Facilities Programs are as follows:

SECTION 6350 (CONT.)

Mental Health/Mental Retardation

<u>Supplemental Financial Schedule/Report</u>	<u>Section Ref. to Sample Format</u>	<u>Single Audit Report</u>	<u>Program Audit Report</u>
• Audited Program Activity Invoice Summary (1)	6350.03	Yes	Yes
• Schedule of Adjustments on Program Activity Invoice Summary (2)	6350.04	Yes	Yes
• Statement of Units of Service (3)	6350.05	Yes	Yes
• Audited Cost Settlement Report (CSR) (4)	6350.06	Yes	Yes
• Audited Early Intervention Cost Settlement (EICSR) (5)	6350.07	Yes	Yes
• Independent Auditors' Report on Cost Allocation Plan - Audited Period (6)	6350.08	Yes	Yes
• Independent Auditors' Report on Cost Allocation Plan - Upcoming Budget Period (6)	6350.09	Yes	Yes

Explanatory Notes:

- (1) The auditor is to utilize the Agency prepared Audited Program Activity Invoice Summary (PAIS) report as the financial statement. The completed schedule must be signed by the Agency Executive Director and the auditor.
- (2) **The (PAIS) included in the audit report must be based on audited expenditures and revenues. It is unacceptable to include in the audit, the unaudited PAIS submitted with the final invoice.** The auditor is required to prepare a schedule that will illustrate the original reported amount, the audited amount, and the difference, where applicable. A schedule must be included in the Audit Report detailing all adjustments between the original Final Program Activity Invoice Summary submitted to the OMH/MR, and the Audited Program Activity Invoice Summary. **If no audit adjustments occurred or if the adjustments have no effect on the final invoice, this must be stated on the audited PAIS and on the Schedule of Adjustments to the PAIS.** Where the Program Activity invoiced amounts were revised, the auditor is required to designate on the "audited" report by an asterisk (*), the amounts which are revised.

SECTION 6350 (CONT.)

(2) (Continued)

If a revised final Program Activity Invoice Summary is submitted to the OMH/MR after the initial final Program Activity Invoice Summary, a separate adjustment column must be included in the Audit Report. The reconciliation schedule along with the explanation must be clear and concise as to what program activity, expenditure, revenue and net to be funded was effected. (Only those activities/categories adjusted are to be presented on the schedule of adjustments.)

The format for presenting the adjustments on the **Schedule of Adjustments on the PAIS** is as follows:

Original Final	(If necessary)			
Program Activity	Revised Final	Program Activity	(If necessary)	Audited Program
<u>Invoice Summary</u>	<u>Adjustments</u>	<u>Invoice Summary</u>	<u>Adjustments</u>	<u>Activity Invoice</u>
				<u>Summary</u>

- (3) **If the auditor has no adjustments to the Agency submitted Program Activity Invoice Summary, the auditor must submit a Schedule of Adjustments stating that no adjustments have been made to the submitted invoice.**
- (4) **The (EICSR) included in the audit report must be based on audited expenditures, revenues and units of service. It is unacceptable to include in the audit, the unaudited EICSR that was submitted with the final invoice. If no audit adjustments occurred or if the adjustments have no effect on the final invoice, this must be stated on the audited PAIS. Where the invoiced amounts were revised, the auditor is required to designate on the "audited" report by an asterisk (*), the amounts which are revised numbers.**
- (5) The Commonwealth of Pennsylvania Department of Public Welfare, Mental Health Bulletin No.OMH-94-06 states that the county program is responsible for determining any variances between unaudited and audited Cost Settlement Reports (CSR), reporting any changes to state grant funding and requesting Medical Assistance Management

Information System (MAMIS) Gross Adjustments. In order to enable the City of Philadelphia OMH/MR to adhere to these reporting requirements, subrecipient agencies are to prepare the CSR and submit such to OMH/MR and their independent auditors must provide an opinion on the CSR as part of their independent auditor's report on supplemental financial schedules.

The provider agency is to submit the Final Invoice CSR to OMH/MR with the "unaudited" line at the top of the report checked off. The CSR that is included in the audited financial statements must have the "audited" line at the top of the report checked off (the unaudited check at this time is to be removed.) The CSR report "audited" must include any and all changes required on any reported data so that the auditor may render an opinion on the schedule. If the unaudited CSR report includes errors or requires changes it must be redone for the correct audited amounts.

SECTION 6350 (CONT.)

Please refer to Exhibit 16 in this guide for instructions on the CSR.

- (6) The Commonwealth of Pennsylvania, Department of Public Welfare, Title 4300.94 requires agencies to "obtain an opinion from a public accounting firm on the equitableness of its administrative cost allocation plan." (The cost allocation plan's methodology is at the discretion of the Agency; however, it shall result in a fair and equitable distribution of costs and shall be in direct relation to actual benefits accruing to the services to which costs are charged. **The auditor must state the method(s) of allocating costs or revenues.**)

Interim Care Facilities

<u>Supplemental Financial Schedule/Report</u>	<u>Section Ref. to Sample Format</u>	<u>Single Audit Report</u>	<u>Program Audit Report</u>
• Audited Program Activity Invoice Summary (1)	6350.03	Yes	Yes
• Statement of Units of Service (2)	6350.05	Yes	Yes
• Independent Auditors' Report on Cost Allocation Plan - Audited Period (3)	6350.08	Yes	Yes
• Independent Auditors' Report on Cost Allocation Plan - Upcoming Budget Period (3)	6350.09	Yes	Yes

Explanatory Notes:

- (1) The auditor is to present on this schedule the audited actual eligible costs as determined in compliance with all applicable provisions of the DPW 4300 County MH/MR Fiscal Manual.
- (2) The auditor is to complete this form which reflects the audited summary of services rendered to the OMH/MR and the resulting payments based on actual unit costs. This schedule also shows the computation of the audited unit cost. If the form identifies a surplus, the amount will be recouped by the OMH/MR; however, if the deficit situation exists, it is considered the liability of the Provider. If a Provider is being reimbursed under multiple rates, a form should be completed for each rate.

The client population classification must be completed in order to determine the percentage of state funded clients. If the percentage of state funded clients exceeds fifty percent (50%) the establishment of actual unit cost rate will be based upon the allowable costs standards. See Section 4300.116 of the State DPW 4300 Regulations.

SECTION 6350 (CONT.)

If the percentage is below fifty percent (50%) the Department will participate in the fee charged the general public and the Provider is not required to negotiate or determine unit costs based on allowable cost standards.

- (3) The Commonwealth of Pennsylvania, Department of Public Welfare, Title 4300.94 requires Agencies to "obtain an opinion from a public accounting firm on the equitableness of its cost allocation plan." (The cost allocation plan's methodology is at the discretion of the Agency; however, it shall result in a fair and equitable distribution of costs and shall be in direct relation to actual benefits accruing to the services to which costs are charged.)
The auditor must state the method(s) of allocating costs or revenues.

SECTION 6350.04

ABC NOT-FOR-PROFIT CORPORATION
Office of Mental Health/Mental Retardation
* Schedule of Adjustments on Program Activity Invoice Summary
July 1, 20XX to June 30, 20XX

Contract Number XXXXXX
Code (Case Management XXXX)

<u>Program Activity</u>	<u>Total Per Invoice</u>	<u>Total Per Audit</u>	<u>Adjustment/ Difference</u>
Personnel	\$ xxxx	\$ xxxxx	\$ xx (A)
Operating	xxx	xxx	<xx> (B)
Administration	xx	xx	xx (C)
** Retained revenues allowance	<u>xx</u>	<u>xx</u>	<u>xx</u> (D)
Total	xxxx	xxxx	xx
Revenue	<u>xxxx</u>	<u>xxxx</u>	<u>xx</u> (E)
Net to be funded	<u>\$ xxx</u>	<u>\$ xxx</u>	<u>\$ x</u> (F)

Explanation of Adjustment/Difference:

- (A) Accrual of salaries and applicable benefits as of June 30, 20XX.
- (B) Reclassification of expenses from operating.
- (C) Reclassification of expenses correctly chargeable to administration.
- (D) Previous adjustments have resulted in more/less available as retained revenue.
- (E) The \$ xx difference results from:

1. Accrual of revenue at June 30, 20XX not recorded by Agency.	\$ xx
2. Adjustment for Medicaid billing on denied payments collected, not previously recorded	<u>x</u>
	<u>\$ xx</u>
- (F) Resultant effect due to previous adjustments.

NOTE

- * This schedule must be included even if the auditor has no adjustments. The schedule heading would remain and the auditor is to make a statement on the schedule that there were no adjustments to the Program Activity Invoice Summary.
- ** Any changes to retained revenue allowance to amounts previously reported on the year end invoice must be reflected on this schedule as an adjustment/difference.

SECTION 6350.08

INDEPENDENT AUDITOR'S REPORT ON COST ALLOCATION PLAN
(For Audited Fiscal Year)

We have audited the financial statements of *(Name of Organization)* for the year ended June 30, 20XX and have issued our report thereon dated September 15, 20XX. As part of our audit, we audited the method used by *(Name of Organization)* to allocate indirect costs as reflected in the City of Philadelphia, Department of Public Health, Office of Mental Health and Mental Retardation program activity invoice summary as required by the Commonwealth of Pennsylvania, Department of Public Welfare, Section 4300.94 of the Title 4300 Regulations.

The Commonwealth of Pennsylvania, Department of Public Welfare, Section 4300.94 of the Title 4300 Regulations state that "The overall objective of the allocation process is to distribute the indirect costs of the Agency to its various services or cost categories in reasonable proportion with the benefits provided to these services or categories." The Regulations require that the method used "shall result in a fair and equitable distribution of costs and shall be in direct relation to actual benefits accruing to the services to which costs are charged."

The method of allocating costs for the year ended June 30, 20XX was *(describe method)*.

In our opinion, the cost allocation plan of *(Name of Organization)* results in a distribution of indirect costs, as reflected in the City of Philadelphia, Department of Public Health, Office of Mental Health and Mental Retardation program activity invoice summary for the year ended June 30, 20XX in accordance with Section 4300.94 of the Title 4300 Regulations issued by the Commonwealth of Pennsylvania, Department of Public Welfare.

This report is intended for the information of the audit committee, management, and the City of Philadelphia, Department of Public Health. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

SECTION 6350.09

INDEPENDENT ACCOUNTANT'S REPORT ON COST ALLOCATION
(For Upcoming Budget Year)

At your request, we have performed the procedures enumerated below with the respect to the administrative costs distribution included in the Line Item Budget for the year ended June 30, 20XX submitted by the *(Name of Organization)* to the City of Philadelphia, Department of Health. Our review was made solely to assist you in your filing requirements with the City of Philadelphia, Department of Public Health.

The procedures we performed are summarized as follows:

- a. We reviewed a schedule contained within the 20XX Line Item Budget which reflected the allocation factors utilized in distributing administrative costs.
- b. We confirmed our understanding of the method of allocating administrative costs through a review of supporting work papers and by discussions with management responsible for allocation factors.
- c. We compared the *(Name of Organization)*'s method of allocating costs to those requirements as specified in Section 4300.94 of the Title 4300 Regulations Related Methods for Allocating Indirect Costs in order to determine whether the cost allocation is in compliance with those regulations.
- d. We compared the allocation methods used between the current fiscal year and prior fiscal year to determine consistency between years. The cost allocation method is *(describe method)*.

The Commonwealth of Pennsylvania, Department of Public Welfare, Section 4300.94 of Title 4300 Regulations state "The overall objective of the allocation process is to distribute the indirect costs of the Agency to its various services or cost categories in reasonable proportion with the benefits provided to these services or cost categories." The Regulations require that the method used result in a fair and equitable distribution of costs which shall be in direct relation to actual benefits accruing to the services to which costs are charged.

Because the above procedures do not constitute an audit made in accordance with generally accepted auditing standards, we do not express an opinion on the amount of administrative costs distributed to the Center nor on any other amounts contained within the June 30, 20XX budget submitted to the City of Philadelphia, Department of Public Health. Had we performed additional procedures or had we conducted an audit in accordance with generally accepted auditing standards, other matters might have come to our attention that would have been reported to you. This report relates only to the items specified above and does not extend to any financial statements of the *(Name of Organization)*, taken as a whole.

SECTION 6350.09 (CONT.)

This report is intended for the information of the audit committee, management, and the City of Philadelphia, Department of Public Health. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

This Exhibit should be obtained from either the subrecipient or the Department of Health.

This Exhibit should be obtained from either the subrecipient or the Department of Health.

**TYPE OF SERVICE CODE
(Column 2)**

- 1 Short-Term Inpatient
- 2 Partial
- 3 Vocational Rehabilitation
- 4 Social Rehabilitation and Training
- 5 Interim Care
- 6 Group Homes
- 7 Outpatient
- 8 Emergency

**RENDERED BY CODE
(Columns 6 - 9)**

- 1 Psychiatrist
- 2 Other physician
- 3 Psychologist
- 4 Social worker, caseworker
- 5 Nurse
- 6 Speech or hearing therapist
- 7 Rehab counselor
- 8 Mental health worker
- 9 Other

**OTHER CODE
(Column 10)**

- 01 Initial Evaluation
- 02 Extended evaluation
- 03 Individual psychotherapy
- 04 Electro-shock therapy
- 05 Anesthesia for electro-shock
- 06 Neurologic evaluation
- 07 Neurologic (follow-up)
- 08 Electroencephalogram
- 09 Psychological evaluation
- 10 Projective test battery
- 11 Human figure drawings
- 12 Roschach
- 13 Sentence completion
- 14 Thematic apperception test
- 15 Bender Gestalt
- 16 Speech evaluation
- 17 Audiologist training
- 18 Hearing aid evaluation
- 19 Audiologic evaluation
- 20 Dactylogic therapy
- 21 Hospital visit by a psychiatrist
- 22 Other (specify)

**CLIENT STATUS CODE
(Column 11)**

- 1 Further service required and will be rendered
- 2 Transferred to another service-record code of referral service - use disposition codes on CDL
- 3 Discontinued from service - client will no longer receive service from the agency
- 4 Terminated by the BSU - client has been terminated from the county MH/MR program by the BSU

TYPE OF FUNDING

- 1 On staff of county administrator
- 2 Program funded
- 3 Fee-for-service

This Exhibit should be obtained from either the subrecipient or the Department of Health.

SECTION 6400

DIVISION OF EARLY CHILDHOOD, YOUTH AND WOMEN'S HEALTH

SECTION 6401 - GENERAL INFORMATION

.01 The mission of the Division of Early Childhood, Youth and Women's Health (DECYWH) is to provide high quality health and supportive social services by setting and developing policy and programs that improve the health of women, children and parenting families. DECYWH is responsible for a wide variety of programs related to: 1) promoting healthy pregnancy outcomes by improving the health and quality of the life of women in their childbearing years; 2) providing follow-up to infants and their families identified as high risk or at-risk for later health and developmental problems; 3) providing free comprehensive gynecology in eight of the City's Health Care Centers; 4) providing free family planning services in all of the City's Health Care Centers; 5) increasing outreach to, and use of health and support services by, pregnant, and post-partum women and their families; 6) promoting well baby care and childhood health by improving access to and the availability of primary child health services, including those for children with special health care needs; 7) increasing public awareness of the need for and availability of these services; 8) promoting the health of pregnant women, mothers and children by increasing their awareness and practice of positive health behaviors; 9) facilitate collaboration and implement activities that will benefit children with special health care needs; and, 10) providing the management and administration of the Childhood Lead Poisoning Prevention program (CLPPP).

.02 The Philadelphia Department of Health, Division of Early Childhood, Youth and Women's Health submitted its Title V needs assessment and three-year workplan (2000 – 2003), resulting in a three year grant with the Pennsylvania Department of Health, Bureau of Family Health. This grant is to perform activities set forth in the contract with the Department of Health. The activities performed will counterpart those of the Department of Health and Human Services, the federal Title V Maternal and Child Health Agency. These activities involve the development and linkage of the following three components: (1) accessible, coordinated and comprehensive preventive and primary care services for pregnant women, mothers, and infants up to one year of age; (2) accessible, coordinated, and comprehensive preventive and primary care services for children and adolescents age 1 through 20 years of age inclusive; and (3) children with special health care needs.

The activities provided under the management and administration of the Childhood Lead Poisoning Prevention Program (CLPPP) is through a separate contract with the Philadelphia Department of Health.

Beginning July 1, 1999, the services conducted as a result of the needs assessment and workplan are: 1) to provide and assure pregnant women, mothers and children (particularly those with low income or with limited availability of health services) access to quality maternal and child health services; 2) to reduce infant mortality and the incidence of preventable diseases, 3) to promote the health of mothers and infants by providing prenatal, delivery and postpartum care for low-income, at-risk pregnant and post-partum women; and 4) to promote the health of children by providing preventive and primary health care services for low-income children. These activities involve the development and linkage of the following three components: 1) pregnant women,

SECTION 6401 (CONT.)

mothers and infants up to one year of age; 2) services for children and adolescents age one through 20, inclusive; and 3) childhood lead poisoning prevention services.

.03 Based on findings from the needs assessment, and the workplan submitted, funds received from the State Health Department are used by DECYWH to continue its mission of providing accessible, high-quality health and social support services. Additionally, DECYWH will expand and enhance core public health functions such as infrastructure building, leadership and community health planning. Several principal findings emerged from the needs assessment that were distinct to the maternal and child health community. The following is a summary of the principal findings:

1. Maternal and child health problems and outcomes are inextricably related to social, economic, environmental and behavioral circumstances.
2. The system of health, education and social services in Philadelphia is complex and difficult to navigate.
3. Many consumers lack adequate knowledge about behaviors and services that will help to improve their health and the health of their families.
4. Health insurance is a major concern that affects consumers' health behaviors and health care utilization.
5. Women, children and adolescents require services targeted to their unique, age-appropriate needs.
6. Managed care will continue to be the primary force in shaping maternal and child health care delivery.
7. The full implementation of welfare reform will have a significant impact on maternal and child health care delivery.
8. The growing diversity of the Philadelphia population presents a challenge to health and social service agencies to meet the needs of a more multicultural community.
9. The DECYWH community will continue to be challenged to demonstrate performance and achieve desired outcomes.

.04 In addition, DECYWH continues to receive funding from the Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau, Division of Perinatal Systems and Women's Health to administer the Healthy Start Initiative (HSI) grant through the implementation of innovative programs to reduce infant mortality in West and Southwest Philadelphia. Healthy Start is in its ninth year of operation. Currently, Healthy Start is responding to a federal grant for application for an additional nine months of funds for the period of September 1, 2000 through May 31, 2001. The grant will continue to provide continued support to the Healthy Start Consortium and successful services models, as well as, mentoring new and existing HSI communities. The HSI program will directly address the Healthy People 2010 goal related to elimination health disparities, and in particular, the objectives related to maternal and infant health. As always, providers are required to adhere to all conditions placed on the Philadelphia Department of Public Health for the receipt of these funds.

SECTION 6410 – PROGRAM DESCRIPTIONS AND OPERATIONS

.01 The Division of Early Childhood, Youth and Women’s Health, contracts primarily with nonprofit agencies to provide services designed to reduce infant mortality and promote positive health outcomes and improve the quality of life of at-risk families. These agencies provide the following services:

Comprehensive Maternity Care: For residents of Philadelphia County, through the Maternity Services Project (MSP), comprehensive maternity care services are reimbursed on a capitation basis to prenatal providers for all pregnant women who are uninsurable because of undocumented residency status and/or incomes, incomes at or below 185 percent of Federal poverty, or because they are uninsured teens. An additional reimbursement for specialized tests, using the Blue Cross/Blue Shield Schedule C, is also made to the prenatal provider. A documented denial of Medical Assistance coverage and a separate listing with patient’s name, identification number, specialized test and a stated reason for the test, along with an invoice is required for reimbursement.

Services include medical and obstetrical intra-partum and postpartum care, laboratory, x-ray and medications, oral health screening and dental referrals, referrals to recognized diagnostic and treatment agencies, social services, nutritional counseling, prenatal and childbirth education, and follow-up services that include the provision and/or arrangement and coordination of family planning services, and linkage of infants to care.

Targeted Outreach and Referral: A range of community-based agencies provides Outreach services. Agencies identify and assist pregnant women, post-partum women, and infants who are not enrolled into prenatal, post-partum, family planning and well-baby care. In addition, Outreach programs are designed to serve clients who are known to be “at-risk” as a result of the numerous barriers that impede access to, and appropriate use of, health and health-related social services, by conducting: 1) a targeted outreach to pregnant women, post-partum women and infants residing in homeless shelters, public housing, substance abuse treatment centers; 2) targeted outreach designed to prevent congenital syphilis by referring pregnant women, post-partum women with infants for appropriate health care and social service; 3) extensive case finding/outreach services to at-risk Latina pregnant women; 4) a hotline referral service to pregnant women seeking prenatal care and children seeking health insurance information; 5) service to ensure that Southeast Asian women who are pregnant and/or parenting gain access to health care and supportive services with translation, health education information and advocacy; 6) accessible community-based clinical social work interventions with at-risk pregnant women, post-partum women and infants with effective linkage and service coordination to appropriate health and health-related social support services; and, 7) link and ensure provision of health care to pregnant women through the lending of necessary items and goods.

Community Health Education: Education is provided by community based organizations. These organizations provide culturally sensitive health education to low-income pregnant and parenting women and their families. Education services are provided individually, as well as, in groups (workshops, forums). Clients are connected to needed services through referral to health care and related social service providers. Follow-ups on referral services are provided to assure client’s linkage to needed services(s).

Sexual Assault Treatment and Counseling: DECYWH funds on-site treatment and counseling in selected hospital emergency rooms to victims of an alleged sexual assault. A hotline provides counseling and referral to assault victims. The program also provides training to health

SECTION 6410 (CONT.)

professionals on how to better handle sexual assault cases, as well as the collection of evidence for the Police Laboratory.

Substance Abuse Treatment: These services have been established to identify pregnant substance abusers and connect them to treatment and prenatal care, and to provide counseling services on site.

Home Visiting Services: Trained community residents provide in-home services to parenting women and their families through home health education and by helping to coordinate needed support services. Nurses and social workers provide specialized in-home services to infants and children.

Adolescent Services: Community-based organizations, based throughout the Healthy Start Initiative service area, provide services that focus on the unique needs of adolescents. Adolescent programs utilize a variety of peer models to fulfill the overall goal for each year is to decrease adolescent pregnancy and to improve health care and parenting skills for pregnant and parenting adolescents.

Special Programs: DECYWH funds innovative pilot programs based on a philosophy of community collaboration; outcomes measures are part of the requirements.

Funding Mechanisms

.02 The above named services are provided by non-profit providers through a City contract (award) which may be program funded, fee-for-service funded, or capitation funded. The following briefly describes those funding mechanisms:

- Program funded projects are privately administered.
- Fee-for-service providers are contracted for specific services, e.g. home nursing.
- Capitated reimbursement by DECYWH to Maternity Services Program Prenatal Providers is for enrolling uninsurable pregnant women and/or women, women who are at least 185% of poverty, and uninsured teens into prenatal care. Additional reimbursements for specialized testing costs, using the Blue Cross/Blue Shield Schedule C as a guide, are also made.
- Hospital providers deliver comprehensive Healthy Beginnings Plus services at the City's District Health Centers. Prenatal providers reimburse the City annually at a per session rate for the use of space, health center staff assistance, and utilities.

Budget/Billings

.03 Program funded budgets are submitted for review and approval prior to the commencement of the new fiscal year on the prescribed budget forms. Approved budgets become Exhibits of the City contract. Expenditure reports are to be submitted monthly (by the

SECTION 6410 (CONT.)

15th day of each month) using similar budget forms. Expenditure reports are reviewed via the budget expenditure forms.

.04 Fee-for-service contracts reflect the approved rate and basis for billing as per Exhibit "B" on the contract. Monthly invoices are to be submitted listing the dates services were provided, to whom the services were provided, and the approved fee.

.05 The Maternity Services Project (MSP): Enrollment Report, New Enrollment Invoice, and Special Testing Invoices are prepared and submitted to the Division of Early Childhood, Youth and Women's Health by the Prenatal Provider for all MSP eligible pregnant women and adolescents. Documented uninsurable status for pregnant enrollees generates a capitation fee for comprehensive prenatal care. Also, for those enrollees requiring specialized testing, reimbursements are made if the patient's name, identification number, the name of the specialized test, and a stated reason for the test is given. The MSP Budget/Expenditure Report Review is also used to support the denial or acceptance of reimbursements. The MSP Specialized Test Invoice are attached to the Budget/Expenditure Report Review and routed to the DECYWH clerk, program analyst, and contracts support staff to review, correct information, and give final approval of expenditures. Approved expenditure information is electronically entered before MSP reimbursements are finally generated.

.06 City health center prenatal providers are invoiced on a monthly basis for 1/12 of anticipated yearly revenues.

SECTION 6420 - FEDERAL CFDA NUMBER/OTHER REGULATIONS

.01 The CFDA Numbers are as follows:

- Maternal & Child Health Block Grant is 93.994
- Healthy Start Initiative is 93.926A (will submit an application for a Healthy Start Phase II, Year '04 Grant covering, September 1, 2000 – May 31, 2001)

.02 In addition to the above, if the contract's funding consists of a mixture of state monies and Federal block grant and other monies, all funding under the contract shall be subject to these block grant conditions. Provider shall not use such funds in a manner not in accordance with the Maternal and Child Health Services Block Grant legislation at 42 U.S.C. 701 et seq., and the Provider assures that no block grant funds shall be used to:

- A. (1) Provide inpatient services, other than inpatient services provided to children with special health care needs or to "at risk" pregnant women, infants/children follow-up program and such other inpatient services as the Secretary of the U.S. Department of Health and Human Services (HHS) may approve in writing; (the use of block grant funds provided through this contract to provide permitted inpatient services shall be limited to those services specifically set forth in this contract's work statement and/or budget);
- (2) Make cash payments to intended recipients of health services;

SECTION 6420 (CONT.)

(3) Purchase or improve land, purchase, construct, or permanently improve (other than minor remodeling if provided for in the line item budget of this contract) any building or other facility, or purchase major medical equipment; (no equipment may be purchased unless the line item budget specifically provides for such purchase); or

(4) Satisfy any requirement for the expenditure of non-federal funds as a condition for the receipt of federal funds;

(5) Provide funds for research or training to any entity other than a public or nonprofit private entity; or

(6) Pay for any item or service (other than an emergency item or service) furnished by an individual or entity or at the medical direction or on the prescription of a physician during the period when the individual, entity, or the physician is excluded under subchapter V (Maternal and Child Health Services Block Grant, 42 U.S.C. Section 701 et seq.), subchapter XVIII (Medicare, 42 U.S.C. Section 1395 et seq.), subchapter XIX (Medicaid, 42 U.S.C. Section 1396 et seq.), or subchapter XX (Block Grants to States for Social Services, 42 U.S.C. Section 1397 et seq.) of Chapter 7 of the Social Security Act pursuant to 42 U.S.C. Sections 1320a-7, 1320c-5, or 1395u(j)(2).

(a) These sections forbid the use of block grant funds to pay for any item or service provided by an individual or entity, or at the medical direction or on the prescription of a physician, when the Secretary of HHS has excluded such individual, entity, or physician from the right or privilege to participate in or receive funds through the program of Titles V, XVII, XIX, or XX. Exclusion necessarily results, or may result, from such events generally (non-inclusive) as the following: conviction for criminal offenses, including fraud, or patient abuse or neglect, under Federal or State health care programs; conviction relating to obstruction of investigations; convictions relating to controlled substances; license revocation or suspension; submission of claims for excessive charges or unnecessary services; failure to disclose certain information required or requested by HHS or state agencies; default on health education loans or scholarships; filing improper claims for medical payments; or violation of certain Medicare requirements.

(b) In entering into this contract and by invoicing for or accepting payment thereunder, provider assures that the provider is not in a state of exclusion per notice from HHS, and that no contract funds have been or shall be utilized to pay any individual or entity whether provider's employee, subcontractor, or otherwise, as prohibited by 42 U.S.C. Section 704(b) or this contract.

(c) Provider shall immediately provide written notice to the Pennsylvania Department of Health of any exclusion notice from HHS which exclusion is effective at any time during the term of this contract. Exclusion of the provider by HHS shall constitute a material breach and shall automatically terminate the contract as of the effective date of the exclusion.

SECTION 6420 (CONT.)

(d) Provider shall be liable for repayment of any contract funds either accepted by the provider for services or items while the provider is in a state of exclusion by HHS or utilized by the provider to pay for any item or service contrary to the requirements of 42 U.S.C. Section 704(b) or this contract.

B. Provider assures that, under this contract, it and any subcontractors shall cooperate fully with the Commonwealth to enable it to comply with any reporting, audit, or fiscal requirements imposed under 42 U.S.C. Section 706 and 300w-5.

C. The Contractor assures that should the federal government conduct any investigation or should the Department be a party to any hearing under U.S.C. 300w-5 or 300w-6 that the Contractor (Provider) any subcontractors will cooperate in general with the Commonwealth in such investigation or hearing (both prior to and during the time of such hearing) and specifically will make available for examination and copying by the Commonwealth, the U.S. Department of Health and Human Services, or the Comptroller General of the United States documentary records required under 42 U.S.C. 300w-6.

.03 For contract funding relating to the Healthy Start Grant, the contracts have certain special terms and conditions, which the auditor should read and apply in the performance of the audit.

SECTION 6430 - PROGRAM COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Independent Auditor's Report(s) on Specific Compliance Applicable to Major or Non-major Federal, State and City Financial Assistance, as appropriate.

Program Service Reporting

.02 Health center services providers must complete quarterly reports in accordance with the Guidelines for Submitting Health Center Services Quarterly Reports for the services specified in Exhibit "A" of their contract. Reports are reviewed internally and a Quarterly Report Response is completed critiquing the findings of the reports. Other program reports include the MSP Quarterly Report. In addition, DECYWH's staff will conduct annual site visit at health care center prenatal sites.

All support services-program providers must complete two (2) semi-annual and annual reports, conditioned agencies must submit reports quarterly. There are several monthly internal reporting requirements for data submission that complements providers program reports to DECYWH, such as the State's Maternal and Child Health Block Grant Quarterly Report and the Service

SECTION 6430 (CONT.)

Level Performance Report generated to the Health Commissioner, Health Fiscal and the Mayor's Office. In addition, DECYWH's staff will now conduct a minimum of three site visits per year to support service agencies. Those agencies identified with emerging problems may warrant additional site visits. DECYWH staff will provide feedback regarding these visits by way of written reports.

.03 Semi-annual and annual program reporting, in addition to monthly client data submission from support services agency's, constitutes an important aspect in DECYWH efforts to

determine success of the various program initiatives. Therefore, it is expected that the auditors solicit from each contract provider answers to the following questions, and include any deficiencies noted in the audit report:

- How do the providers collect their monthly program services data? Indicate which staff are involved, the data used in this process, and describe.
- Determine the process used by the providers to check the accuracy/validity of the monthly data / semi-annual and annual program reports submission to DECYWH. If no validation process is used, determine why not and report upon.
- What steps does the provider take to address consistent patterns of underutilization/overutilization of projected services? What staff is involved in this process? How are they involved?

Payment of Services

.04 In regard to the Primary/Preventive Health Services for Pregnant Women, Mothers, and Infants up to Age One, no enrollee shall be directly billed for any services covered under this contract whether provided directly or by subcontractor, except when the enrollee's family income is above the limits for program services as described therein. In accordance with 42 U.S.C. Sections 705(a)(5)(D) and 701 (b)(2), if any charges are imposed for the provision of health services, such charges 1) shall be pursuant to a public schedule of charges, 2) shall not be imposed with respect to services provided low income mothers or children, and 3) shall be adjusted to reflect the income, resources, and family sizes of the individual provided the service. The term "low income" means, with respect to an individual or family, such an individual or family with an income determined to be below the income official poverty level defined by the Federal Office of Management and Budget and revised annually (or more often) by the U.S. Department of Health and Human Services in accordance with 42 U.S.C. Section 9902(2). As of their effective dates such revisions are incorporated by reference as a part of this contract.

.05 The Contractor shall utilize third party reimbursement sources as required by this contract.

SECTION 6430 (CONT.)

.06 Audit procedures on the above are to include a determination, on a test basis, that only enrollees billed directly for any service covered under the MCH contract meet the family income criteria specified.

.07 The Contractor shall provide uninsured children with health insurance coverage at no cost to their families. Funding will provide coverage for comprehensive outpatient and preventive services.

.08 The auditor is to determine that enrolled children meet the age and income criteria as established.

Maternity Service Providers

.09 Under the Maternity Service Program each prenatal provider is required to comply with the following:

- a. The Contractor shall assure that all prenatal patients enrolled in the in the City health center Healthy Beginning Plus (HBP) sites shall receive health care in accordance with the current standards in the HBP Maternity Services Manual.
- b. The Contractor shall guarantee availability of Family Planning Services and document that each women receiving maternity services through this contract receives contraception counseling during her 9th month of pregnancy or as a part of the postpartum visit, and each woman who is receptive receives a contraceptive method prior to her postpartum discharge from the hospital or health care facility. The contractor shall also assure documentation of referrals to a provider of interconceptional care that includes family planning at the conclusion of outpatient Postpartum Care.
- c. If there is tracking and home visiting to specified at-risk or high-risk infants, the infants may be identified in the neonatal period as having certain conditions that put them at risk for developmental delays, chronic illnesses, and in some instances, hearing impairment. They require careful follow-up to ensure that they receive timely reassessments and care following discharge from neonatal nursery care. These infants may include infants of drug abusing mothers and/or HBSAG, HIV, and Sexually Transmitted Disease (STD) Positive mothers. The Provider shall refer these infants to the At Risk Prenatal and Infant/Children Follow-up Program to ensure that these infants receive the health care that they need.
- d. To be eligible, residents of Philadelphia shall meet the following additional requirements:
 - (1) Maternity Services
 - uninsured teens, 17 years of age or younger

SECTION 6430 (CONT.)

- undocumented residency status and/or
 - incomes at or below 185 percent of the Federal poverty level
- e. The Prenatal Provider shall establish a grievance procedure, as stated in their contract with the Office of Maternal & Child Health. All maternity service participants shall be informed of the grievance procedure through which an oral or written complain concerning the program or services may be submitted and shall receive a timely follow-up and written response from the Contractor. The Contractor shall maintain documentation of all complaints and reports of follow-up and shall have copies of these documents available for department review upon request. The contractor service participants are informed of the grievance procedure.
- f. The Contractor shall provide for linkages and coordination of Title V and Title XIX-Medical Assistance (MA) Services.

.10 The auditor is to test that referrals into the Maternity Services meet the criteria for eligibility, as specified in item d. above.

SECTION 6440 - FINANCIAL COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department Program has specified auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. The audit requirements listed on the following pages are not all inclusive and do not represent an audit program for conducting a financial and compliance audit of the program(s). The audit requirements listed are presented as highlights of areas of special interest to the Department. Any deficiencies noted as a result of the procedures are to be disclosed in the Independent Auditor's Report(s) on Specific Compliance Applicable to Major or Non-major Federal, State and City Financial Assistance, as appropriate.

.02 The financial and compliance procedures for DECYWH are provided on the following pages based upon two types of program services:

- a. Program Funded Projects (Section 6440.03 to 6440.07)
- b. Fee-for-Service projects (Section 6440.08 and 6440.09)

Program Funded Projects:

Revenues:

.03 Program-funded is the most common method employed by DECYWH to fund its provider agencies. This method allows DECYWH to fund a provider agency's actual eligible

SECTION 6440 (CONT.)

expenditures for a provider agency's service(s), offsetting these expenses by anticipated revenues to be received directly by the provider, and establishing the remaining deficit as its authorized level of funding (allocation). Reimbursement is effected on a "last-dollar-in" basis and is based upon actual eligible expenses incurred less actual revenue generated, up to the maximum contract funding.

.04 Audit procedures should include the following:

- Does the Agency have a system in place to adequately account for all applicable income received or earned by the agency and that such income was properly reported to DECYWH.
- That Medical Assistance billings for the program are fully recorded and that re-billings are submitted on claims which have been denied for payment.
- That Medical Assistant payments are recorded on the accrual basis recognizing any applicable reserves for uncollectable amounts (after pursuing all means of collecting on payments as discussed above).

Expenditures:

.05 The Provider reports expenses to DECYWH in Section III "Contract Expenses." This report breaks down the expenses into personnel services, operating expenses, and fixed assets. The auditor should utilize this report as the basis of determining the appropriateness of amounts reported to DECYWH and to develop audit procedures to test these expenses. The audit procedures developed are to include, at a minimum, appropriate procedures from Section 300 of the Guide, required compliance matters from the Title V Contract, and consider the following items:

- Personnel costs charged to the program as reported to DECYWH on the Personnel Roster Report (Exhibit 3e) are appropriate, properly supported and allocations of time are documented.
- Administrative overhead costs appear reasonable and are based upon a documented allocation plan. The auditor should consider appropriate procedures from Section 300 - Indirect Costs.
- Capital expenditures are not reported by the agency under the category of "Building Maintenance Expense".
- Items charged to rent expense are in fact only for building rent expense and do not include any use charges in lieu of rent. Additionally, that rent expense charged by a related party be examined for reasonableness based upon comparable space at current market prices.

SECTION 6440 (CONT.)

- Interest expense charged to the program is only due to temporary loans the agency had to obtain to cover cash flow deficiencies due to lack of timely payments from DECYWH.

Budget Modifications:

.06 The contract between DECYWH and the provider has a notation that the budget can be revised with the written approval of the Director of DECYWH. Detailed justification must accompany all requests for a budget revision. The impact on services should be addressed also.

.07 Based upon the above the auditor should determine that:

- The budgetary amounts reported on the Program Invoice Summary Form and Section III Contract Expenses are the final amounts approved, including any modifications.
- If applicable, the Provider has followed the modification process as detailed above prior to revising the budget and expending funds for previously unauthorized expenses.

Fee-for-Service Projects:

.08 Revenues for a fee-for-service funded program are based upon a set fee or rate of reimbursement for each authorized unit of service rendered by the provider agency to eligible clients. The provider invoices DECYWH on a monthly basis, by client, for such services. The fee-for-service type of funding requires special types of audit tests, since there are no expenses reported to DECYWH. Determining the appropriateness of the units billed is the major concern for the auditor.

.09 Audit procedures should include the following:

- Does the agency have a system in place which accumulates the units of service by client, by type, and bills those units to DECYWH.
- Are the same services billed to another funding source, resulting in a duplicate billing.
- Obtain from the agency a Summary of Services Billed by Type (this will be utilized in the audit report - see Supplemental Financial Statements Section 6450) for the audit period.
- Determine appropriateness of units of service billings to DECYWH by testing that:
 - Summary of Services Billed by type agrees with monthly services billed to DECYWH.
 - Service units reported are supported by provider and client records and that the units agree in amount, type of service and date service was rendered.

SECTION 6440 (CONT.)

- Rate per unit billed to MCH is contractually correct by each type of service.

SECTION 6450 - SUPPLEMENTAL FINANCIAL SCHEDULES AND REPORTS

.01 The Organization’s audit report must include the following supplemental financial schedules for each City of Philadelphia contract, in addition to the financial statements and auditor’s reports as specified in Sections 400 and 500 of this Audit Guide. A designation has been made for those supplemental schedules required for a “Single Audit” Report (Section 400) or a “Program Audit” Report (Section 500). The auditor will be required to issue an opinion on the Supplemental Schedules listed below as specified in Section 400 of this Audit Guide.

.02 The supplemental financial schedules for a program funded and a fee-for-service project, are as follows:

Program Funded Project

<u>Supplemental Financial Schedule</u>	<u>Section Ref. to Sample Format</u>	<u>Single Audit Report</u>	<u>Program Audit Report</u>
• Statement of Functional Expenditures by Contract/Program and Revenues by Funding Source (1)	6450.03	Yes	No (3)
• Reconciliation of Agency Reported Expenditures/Revenues to Audited Expenditures/Revenues (2)	6450.04	Yes	Yes

Explanatory Notes:

- (1) Statement will present expenditures by cost center and revenues by category type as reported and utilized in the Instructions for Maternal and Infant Health Program Reporting Budget Forms.
- (2) The statement must present expenditures and revenues as reported to MIH, report any additional accruals and other adjustments to reconcile the amount reported on the Statement of Functional Expenditures by Contract/Program and Revenues by Funding Source. The reconciliation schedule is required for each contract. An explanation need not be provided for any accrual amounts; however, an explanation of any “other adjustment” must be provided when such adjustment is ten percent (10%) or more than the amounts reported by the provider to DECYWH. Where there are no adjustments, the auditor must still present a reconciliation schedule and just state that there were no reconciling items.

SECTION 6450 (CONT.)

- (3) The Statement of Revenues and Expenditures should contain the captions provided in the sample report format.

Fee-for-Service Projects

<u>Supplemental Financial Schedule</u>	<u>Section Ref. to Sample Format</u>	<u>Single Audit Report</u>	<u>Program Audit Report</u>
• Schedule of Fee-for-Service (4)	6450.05	Yes	Yes
• Reconciliation of Reported Units to Audited Units of Service (5)	6450.06	Yes	Yes

Explanatory Note:

- (4) The schedule is to present units of service rendered as reported to DECYWH, plus or minus auditor's adjustments, rate per unit and total fee-for-service.
- (5) The schedule must present units of service as reported to DECYWH, plus or minus auditor's adjustments, and adjusted units of service. The adjusted units of service must agree to the units reflected on the Scheduled of Fee-for-Service. If the amounts reported to DECYWH agree with amounts reflected in Scheduled of Fee-for-Service the auditor must still present a Reconciliation Schedule but just state that there were no adjustments.

SECTION 6500

DIVISION OF DISEASE CONTROL

SECTION 6501 - GENERAL INFORMATION

.01 The mission of the Division of Disease Control (DDC) is to protect the health of Philadelphia residents against preventable communicable and non-communicable diseases. The Division has traditionally concentrated its efforts on the control of sexually transmitted diseases (STDs), acute communicable diseases (CDs) (such as hepatitis, meningitis and rabies) and vaccine-preventable diseases (such as measles, mumps, rubella). DDC has also been called upon to respond to newly emerging pathogens, such as cryptosporidiosis, E. coli, and expect to continue to be called upon to do so in future years. Also, a major initiative of DDC has been the drive to significantly improve the preschool immunization levels to protect this population against vaccine-preventable diseases.

SECTION 6510 - PROGRAM DESCRIPTIONS AND OPERATIONS

.01 Two currently operating program services under DDC's purview include:

a. Sexually Transmitted Diseases (STD) Control Program

The Centers for Disease Control and Prevention has provided Philadelphia with financial assistance to assist in maintaining the following Sexually Transmitted Disease (STD) Control Program activities:

1. Citywide screening of women for gonorrhea and chlamydia.
2. Partial support for citywide blood tests for syphilis;
3. Surveillance for gonorrhea, chlamydia and syphilis to insure accurate and complete morbidity reporting from public and private laboratories and physicians;
4. Field followup of selected persons with positive lab tests for gonorrhea, chlamydia or syphilis and their sex partners;
5. Maintenance and enhancement of existing LAN-based STD Program Management System;
6. Provision of supplemental physician hours for STD patient management; and,
7. Support for public and professional STD education activities.

SECTION 6510 (CONT.)

b. Federal Childhood Immunization

The Centers for Disease Control & Prevention (CDC), through its Prevention Health Services (PHS) grants, awarded the Philadelphia Department of Public Health (PDPH) its own Childhood Immunization Project commencing on January 1, 1995. Prior to 1995, PDPH had received its Childhood Immunization funding through a contract with the Pennsylvania Department of Health. The purpose of this funding is to eliminate the occurrence of vaccine-preventable childhood disease in Philadelphia by improving the quality and quantity of vaccination-delivery services in the city so that a minimum of 90 percent of children are age-appropriately immunized.

SECTION 6520 - FEDERAL CFDA NUMBERS/OTHER REGULATIONS

.01 The following Federal CFDA numbers are applicable to DDC Programs:

<u>Program</u>	<u>CFDA No.</u>
Sexually Transmitted Diseases	93.977
Federal Childhood Immunization	93.268

SECTION 6530 - PROGRAM COMPLIANCE PROCEDURES

.01 As discussed in Sections 300 and 500 of this Audit Guide, each City of Philadelphia Department program has specific auditing requirements. These requirements are in addition to those areas of audit specified in Sections 300 and 500 of this Guide. At the current time, since each DDC contract awarded to a subrecipient has different quantifiable compliance requirements, the auditor is to read the DDC contract and perform testing of the compliance provisions specified in each contract. Any deficiencies noted as a result of the procedures are to be disclosed in the Independent Auditor's Report(s) on Specific Compliance Applicable to Major or Nonmajor Federal, State and City Financial Assistance, as appropriate.

SECTION 6540 - FINANCIAL COMPLIANCE PROCEDURES

.01 At this time there are no additional specific financial compliance audit procedures for any of the programs listed in Section 6510, other than those procedures required by Section 307 of this Audit Guide.

SECTION 6550 - SUPPLEMENTAL FINANCIAL SCHEDULES AND REPORTS

.01 At this time there are no supplemental financial reports and schedules for any of the programs listed in Section 6510.
