

Attached is a copy of the Excel inventory tracking spreadsheet, with enough detail to allow you to filter on any number of issues: location, zoning, size, current use, if a particular parcel is available for sale, etc.

The following is a key to understanding the initials used as column headings:

S-T-R	Section, Township, Range
Date	Date acquired by County
Zoning	Refer to jurisdiction in which parcel resides for restrictions and permitting
Assessed value	This is the valuation placed upon raw land and improvements by the county's Assessor for purposes of establishing land taxes.
Building	Improvement square footages
Pro P	Represents County's use of the property
Category Description	Type of use (tax title)
Coun N	Council District in which parcel resides
Kin D	Kind of property
City	AL = Algona AU = Auburn BE = Bellevue BO = Bothell BU = Burien CA = Carnation DM = Des Moines DU = Duvall FW = Federal Way KC = King County KM = Kenmore KE = Kent KI = Kirkland MV = Maple Valley NB = North Bend RM = Redmond RN = Renton SA = Sammamish SE = Seattle

Recording Number is the deed transferring ownership to County.
