❖ CONSENT TO CRIMINAL RECORD CHECK ❖

Currently, most individuals who work with vulnerable populations in Oregon are subject to a criminal record check. The check will assist The Office of the Long-Term Care Ombudsman in making an informed decision about candidate qualifications. In assessing the pertinence of a conviction record, the agency will consider such factors as the nature of the crime, when and where it occurred, and the duties of the position for which application is made.

After the initial screening, you will receive a consent form asking for the information needed to conduct a criminal record check. The check will be completed before you begin your training.

I authorize The Office of the Long-Term Care Ombudsman to conduct a criminal record check and I agree to provide the Office with the information necessary to conduct the check.

Yes No Will you be able to attend monthly meetings, continuing education and/or support meetings (see job description for details)?

Yes No Do you have reliable transportation, so you will be able to make regular facility visits and/or attend meetings?

Yes No As this is an official position with the State of Oregon, do you understand that your name and telephone number will be available to the public? For example, ombudsmen's names and numbers are posted in their assigned facilities, contact information for committee members is given to potential volunteers, and all volunteer appointments to the program are announced to local newspapers.

I understand that any oral or written statement that is false, fraudulent or misleading that is contained in this form, or made in the course of any related application process, whether made by me or others at my request, will result in rejection of my application, denial of appointment to a volunteer position or dismissal if discovered after appointment.

❖ OFFICE OF THE LONG-TERM CARE OMBUDSMAN ❖

MISSION STATEMENT

Our mission is to enhance the quality of life, improve the level of care, protect the rights of the individual and promote the dignity of each Oregon citizen living in a nursing facility, residential care facility, assisted living facility or adult foster care home.

CERTIFIED OMBUDSMAN JOB RESPONSIBILITIES

Certified Ombudsmen are appointed by the State Long-Term Care Ombudsman to enhance the quality of life for the residents of long-term care facilities. Each Certified Ombudsman has legislative authority to enter a facility and approach residents and staff members in order to fulfill the program's mission. Certified Ombudsmen are obligated to respond to all complaints made by or on behalf of residents. They serve as impartial fact-finders, problem-solvers and resource brokers. Though Certified Ombudsmen must be professional, impartial and fair in pursuit of their mission, they are first and foremost resident advocates and will approach every problem from this essential perspective.

Certified Ombudsmen commit to spending a minimum of ten hours a month on their ombudsman responsibilities. Volunteers must complete a six-day certification training and attend ten hours of continuing education annually. A one-year minimum commitment is requested.

RAP/CHAT VOLUNTEER (FRIENDLY VISITOR) JOB RESPONSIBILITIES

RAP/CHAT volunteers regularly visit with facility residents, reducing the isolation and depression experienced by many residents of long-term care facilities and provide individual attention that helps residents maintain their maximum level of functioning.

The volunteers commit to spending a minimum of four hours a month visiting residents. They must attend a one-day training before placement and are expected to routinely attend support and continuing education sessions, generally offered four times a year.

RECRUITMENT AND SCREENING COMMITTEE JOB RESPONSIBILITIES

Members of the Recruitment and Screening Committees are appointed by the State Long-Term Care Ombudsman to recruit and screen volunteers to serve as Certified Ombudsmen and to create public awareness of the Ombudsman Program and its services. Typical activities include individual contacts, media campaigns and public speaking, as well as screening potential volunteers. The committees manage the RAP/CHAT programs, including the training, placement and supervision of the RAP/CHAT volunteers. Committees generally meet once a month. The position requires four to six hours monthly and participation in at least one training activity annually.
