Small Business Owners – Learn how to effectively go after and secure federal contracts while at the same time meeting with the right contracting officers and corporate buyers! Representatives from the federal, state and private sectors will be on hand and will be actively seeking to do business with you! Workshops are also designed to assist you in understanding the complexities of financing, certifications and teaming. Come prepared to take your business to the next level! **Last year New Mexico's businesses received over \$6 billion dollars in federal contracts.** Don't be left out!
