|  |  | States prohibited from terminating coverage of employees (after Apr. 20, 1983) and permitted to reinstate coverage for a terminated group. |
|  |  | Rehired federal employees whose previous service was covered. |
|  |  | Persons exercising reemployment rights to noncovered federal employment retain exemption after a period (not limited to 365 or fewer days) of military or national guard service or work for an international organization. |
|  |  | Generally, all legislative branch employees except those who were participating on Dec. 31, 1983, and are also currently participating in the Civil Service Retirement System or another federal retirement system. |
|  |  | Employees of nonprofit organizations who are also participating on a mandatory basis in the Civil Service Retirement System are treated like federal employees for Social Security tax and coverage purposes. They are therefore not covered unless hired on or after Jan. 1, 1984, or reemployed after a break in service of more than 365 days. |
| 1986. | Elective by employer | Churches or church-related organizations may elect irrevocably to have services performed by their employees excluded from covered employment. Their employees are then treated as self-employed for Social Security purposes. |
|  |  | State and local government employees hired after Mar. 31,1986-Hospital Insurance (Part A) program only. |
|  | Elective by individual | Members of the clergy and of religious orders who filed an application for exemption from coverage may revoke the exemption if the revocation is filed before the due date of the individual's federal income tax return for the first taxable year beginning after Oct. 22, 1986. |
| 1987 .. |  | Members of uniformed services reserve components on inactive duty training. Irregularly employed farm workers (if employer's annual expenditures for farm labor is at least $\$ 2,500$ ). Services performed in trade or business of spouse or by children aged 18 or older in trade or business of parent. For employers, the full amount of covered tips. |
| 1990 .. |  | State and local government employees except (1) students employed by the educational institution they attend not under a state or local government retirement system and (2) election workers paid less than the mandated amount (\$100). |
| 1994 ....... |  | Threshold for exclusion of wages paid to election workers raised from $\$ 100$ to $\$ 1,000$ annually beginning Jan. 1, 1995, and will be indexed for wage increases each year after Dec. 31, 1999. |
|  |  | Police and fire fighters under a public retirement system can be covered for Social Security in all states. |
|  |  | Threshold for coverage of domestic employees' earnings raised from $\$ 50$ per calendar quarter to $\$ 1,000$ per calendar year per employer; amount subject to annual automatic adjustments. Domestic workers no longer covered for years in which they were under age 18, unless they are no longer in school and domestic employment is their principal occupation. Coverage of earnings of domestic workers on farms becomes subject to new annual threshold for domestic workers instead of annual threshold for agricultural employees. |
