

7.0 LIST OF PREPARERS AND CONTRIBUTORS

PREPARERS		
U.S. Department of Agriculture/Rural Development		
Stephanie Strength	<u>Engineering and Environmental</u>	Project Manager
U.S. Army Corps of Engineers		
Douglas Berka	BS, Agriculture-Soils 26 years experience	Cooperating Agency
URS Corporation		
Name	Education And Experience	Project Role
Mary Hagerty, P.E.	BS, Geology and Civil Engineering MS, Geotechnical Engineering 21 years experience	Principal author
Ken Hagg, P.E.	BS, Civil Engineering 36 years experience	Air resources and impacts, Peer review
CONTRIBUTOR/REVIEWER		
U.S. Department of Agriculture/Rural Development		
Ayesh Abu-Eid	Power Supply Division	Reviewer
Richard Fristik	<u>Engineering and Environmental</u>	Reviewer
David Hui	Power Supply Division	Reviewer
Wei Moy	Power Supply Division	Reviewer
Mark Plank	Engineering and Environmental	Reviewer
Dennis Rankin	<u>Engineering and Environmental</u>	Reviewer
Steven Slovikosky	Power Supply Division	Reviewer
Victor Vu	Power Supply Division	Reviewer
URS Corporation		
Name	Education And Experience	Project Role
Richard Bird, PE	BS, Civil Engineering MS, Geotechnical Engineering 40 years experience	Groundwater and wells technical review
Mark Felton, CPSS, PWS, AICP, CPAg	BS, Agriculture-Agronomy 23 years experience	Wetlands
Robert Greene	BS, Environmental Science 25 years experience	Noise technical review
Gregg Hagerty	BS, Civil Engineering 15 years experience	Technology alternatives, mercury risk assessment
Stephen Jenkins	BS, Chemical Engineering 30 years experience	Technology alternatives, especially IGCC

Name	Education And Experience	Project Role
Dave Kocour	BGS, Environmental Studies 21 years experience	Socioeconomics and environmental justice technical review
Joe Kuebler	BS, Chemical Engineering 32 years experience	Peer review
David Lamoree	BS, Chemical Engineering	Air resources and impacts
Rachel Lyles	BS, 1996	GIS
Marion Skouby, PE	BS, Civil Engineering 40 years experience	Groundwater technical review
Jennifer Schwent	BS, Biology MS, Botany 10 years experience	Wetlands
Jim Orr	BS, Biology 20 years experience	Technical review of fisheries and wildlife, threatened and endangered species
Michelle Wernig	15 years experience	Technical editor
