

EXHIBIT 2C - ROYALTY PAYMENTS CERTIFICATION (5-86)

In order that the Company may be informed regarding royalty payments to be made by a subcontractor where the amount of the royalty payment is reflected in the subcontract price or is to be reimbursed by the Company, check one of the following:

- The subcontract price or estimated cost includes no amount representing the payment of royalty by the offeror directly to others in connection with the performance of the subcontract.

- The subcontract price or estimated cost includes an amount for royalty payment expected to be made in connection with the proposed award. The offeror shall set forth below: (1) the amount of each payment; (2) the name of the licensor; (3) either the patent numbers involved or such other information as will permit identification of the patents and patent applications and the basis on which royalties will be paid.
