

EXHIBIT 3 - AUTHORIZATION AND CONSENT (5-80)

The Government hereby gives its authorization and consent (without prejudice to any rights of indemnification) for all use and manufacture, in the performance of this subcontract or any part hereof or any amendment hereto or any subcontract hereunder (including any lower-tier subcontract), of any invention described in and covered by a patent of the United States (a) embodied in the structure or composition of any article the delivery of which is accepted by the Company under this subcontract or (b) utilized in the machinery, tools, or methods the use of which necessarily results from compliance by the Seller or the using subcontractor with (i) specifications or written provisions now or hereafter forming a part of this subcontract, or (ii) specific written instructions given by the Company directing the manner of performance. The entire liability to the Government for infringement of a patent of the United States shall be determined solely by the provisions of the indemnity clauses, if any, included in this subcontract or any subcontract hereunder (including all lower-tier subcontracts), and the Government assumes liability for all other infringement to the extent of the authorization and consent hereinabove granted.
