Be the first to attend the Automated Export System (AES) Compliance Seminar in the Roanoke Valley since the release of the New Foreign Trade Regulations (FTR). The Salem-Roanoke County Chamber of Commerce is pleased to sponsor an AES Compliance Seminar and Workshop on September 9, 2008. The U.S. Census Bureau will participate as presenters. The Census Bureau experts will teach you about export regulations, explain your responsibilities under the laws, and thoroughly cover the filing of required export information through the AES.

In the afternoon, there will be an AESPcLink Workshop where participants can enjoy the benefits of FREE electronic filing of their export information via the Windows-based desktop PC Component AESPcLink. Receive certification on using the AESPcLink program! Come learn how to successfully file your export information in this hands-on PC training workshop. All training is provided by the U.S. Department of Commerce/U.S. Census Bureau/Foreign Trade Division in collaboration with the Salem-Roanoke County Chamber of Commerce and Greenfield Education and Training Center. **As space is very limited for the computer workshops reservations will be on a first-come, first-served basis.**
