BICILLIN[®] L-A NEWS *(penicillin G benzathine suspension)*

November 21, 2006

Dear Trading Partners,

King Pharmaceuticals, Inc. is pleased to announce a new Bicillin[®] L-A with product package and design changes. **The new Bicillin[®] L-A SKU's will be available in limited quantities by submitting manual purchase orders to Customer Service via fax through the end of December 2006.** Effective January 1, 2007 we will begin accepting EDI orders for these new Bicillin[®] L-A SKU's.

What has changed?

- No Tubex Injector[®]
- Improved Package Design
- New King NDC & Label
- New Pricing (*attached*)

NDC Changes:

OLD NDC		NEW NDC
61570-146-10	Bicillin L-A Pediatric 1mL pre-filled syringe (21 gauge x 1" needle)	60793-700-10
61570-147-10	Bicillin L-A 2mL pre-filled syringe (21 gauge x 1-1/2" needle)	60793-701-10
61570-148-10	Bicillin L-A 4mL pre-filled syringe (18 gauge x 1-1/2" needle)	60793-702-10

Existing orders for the old NDC will be cancelled. Please replace your order using the new NDC. Please notify any other persons within your company and adjust your systems accordingly to enable you to receive this product.

In addition to Bicillin[®] L-A, we expect the new Bicillin[®] C-R with product package and design changes to be available by mid year 2007. Until the launch of the new Bicillin[®] C-R we will continue to allocate orders on an emergency basis.

If you have any questions, concerns or emergency requirements, please feel free to contact us at:
