TERMS AND CONDITIONS

ADDITIONAL TERMS AND CONDITIONS OF QUOTATION

1. General Terms and Conditions listed on the customer copy of packing lists and invoices from Invitrogen Corporation will apply except where otherwise agreed in writing by an authorized representative of Invitrogen Corporation.
2. In order to receive quoted prices, the quotation number must be referenced at time of order. Credits will not be issued for orders not referencing quotation numbers.
3. The effective dates of this quotation appear in the upper right corner of each page unless otherwise noted. Exceptions are noted within the body of this quotation.
4. The quantities noted on this quotation reflect minimum order requirements necessary to receive quoted prices.
5. Percentage discounts in this quotation will be calculated from Invitrogen's current list price for the applicable product. Invitrogen reserves the right to change its list prices at any time. Any increase or decrease to the list price of a product would result in a change to your discounted price.
6. Certain discounts are based on categories of products (e.g., "Pricing Product Line" or "PPL" discounts) that might change over time. Invitrogen reserves the right to re-align products within a category or add or remove products to or from a specific category at any time. Such re-alignment, addition or removal may result in a change to your discounted price for a particular product.
7. This quotation may be terminated by Invitrogen Corporation upon written notice.
8. This quotation contains confidential Invitrogen Corporation pricing information which if disclosed to third parties could cause competitive harm to Invitrogen Corporation. Subject to overriding obligations to third party funding agencies or governmental entities, the customer agrees to keep all pricing information contained herein confidential.
