The Embassy of the Socialist Republic of Vietnam presents its compliments to the Import Administration, International Trade Administration, United States Department of Commerce and has the honor to inform the later as follows:

According to the notice of 52943 Federal Register/ Vol. 67, No. 157 on August 14, 2002 and in the spirit of cooperation to make a contribution into the Department of Commerce's investigation to clear up the anti-dumping case against import of certain frozen fish fillets from Vietnam, Vietnam's Government will submit its comments on Vietnam's market economy status. Since this is the first time Vietnam is involved into an anti-dumping investigation, in order to be sure that the comments by Vietnamese side are as comprehensive and informative as needed, a reasonable timeframe is required for the preparation. Therefore Vietnam's Government would like to request the US Department of Commerce for a minimum additional time of two weeks beyond the current September 4, 2002 deadline

The Embassy of Vietnam avails itself this opportunity to renew to the Import Administration, International Trade Administration , United States Department of Commerce, the assurances of its highest consideration.
