FSIS NOTICE	71-07	10/31/07
--------------------	-------	----------

UPDATE ON HARDCOPIES OF FSIS NOTICE 65-07 AND HOW TO COMPLETE THE TRAINING

This notice informs inspection program personnel that on Friday, November 2, 2007, FSIS will mail a packet to inspection program personnel who have received the *E. coli* O157:H7 Checklist via e-mail and a packet to establishment management that contains:

1. a hard copy of FSIS Notice 65-07, Notice of Reassessment for *Escherichia Coli* O157:H7 Control and Completion of a Checklist for All Beef Operations, with the original attachments 1, 2, 3, 5, 6 and 7, and the revised Attachment 4;
2. the training CD; and
3. a hard copy of the final version of the *E. coli* O157:H7 Checklist, which inspection program are to complete and submit on-line by November 30, 2007.

Although inspection program personnel may wait to receive the training CD, they also can access the training at:

http://www.fsis.usda.gov/FSIS_Employees/Online_References/index.asp#Notice

As stated in FSIS Notice 65-07, inspection program personnel are allotted up to two hours of 01 or 02 time to complete the training and test in Aglearn at:

<http://www.aglearn.usda.gov/>

Inspection program personnel are to use result code "U-Performed PE/Checklist" to indicate when they have completed the training and test in lieu of performing a food safety 01 or 02 procedure. To determine the product for which the scheduled 01 or 02 will not be performed, inspection program personnel are to use the chart in revised Attachment 4. Procedures for products with the lowest risk factor are to be replaced first.

DISTRIBUTION: Electronic

NOTICE EXPIRES: 11/1/08

OPI: OPED

Inspection program personnel are to complete the training and Aglearn test before completing the *E. coli* O157:H7 checklist. The Resources Management Analyst will run a weekly training report for the Deputy District Managers to verify that inspection program personnel have completed the training.
