

INFRASTRUCTURE REDUCTION Y-12's FOOTPRINT REDUCTION DRIVES FORWARD

FY01 and FY02 Trailer Removal Highlights

- Removed a total of 33 trailer units
- Cleared nearly 20,000 square feet of space
- Used an innovative "as is/where is" sales approach, avoiding \$90,000 in disposition labor costs and generating \$3,500 for reinvestment in Y-12
- Arranged for the reuse of 6 trailers in community service applications
- Maintained a perfect safety record
