

Robbs Hut Workday Saturday Sept. 20, 2008

Hosted by the El Dorado Nordic Ski Patrol

Join members of the El Dorado Nordic Ski Patrol on our annual workday at Robbs Hut in the beautiful Eldorado National Forest. Robbs Hut has been rented and enjoyed by the public for years. It sits atop Robbs Peak right next to the historic lookout. Each year we clean, paint, and do general repairs to help keep it in top shape. We will be meeting in Pollock Pines at 8 am before heading up. Please sign up by calling our message phone. Non Patrol members will sign a one day volunteer agreement with the Eldorado National Forest. This is a great way to meet the Patrol, learn what we do, and help keep this great Hut available to the public!

Hosted by the El Dorado Nordic Ski Patrol

“skiing with a mission to serve the public”
