## Introduction

Group Health Cooperative of Puget Sound  
521 Wall Street  
Seattle WA 98121

This brochure describes the benefits provided by Group Health Cooperative of Puget Sound under our contract (CS 1043) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure.

If you are enrolled in this Plan you are entitled to the benefits described in this brochure. If you are enrolled for Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2001, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2001, and are summarized on page 8. The amount you pay is shown on the back cover of this brochure.

---

## Plain Language

---

The President and Vice President are making the Government's communication more responsive, accessible, and understandable to the public by requiring agencies to use plain language. In response, a team of health plan representatives and OPM staff worked cooperatively to make this brochure clearer. Except for necessary technical terms, we use common words. "You" means the enrollee or family member; "we" means Group Health Cooperative of Puget Sound.

The plain language team reorganized the brochure and the way we describe our benefits. When you compare this Plan with other FEHB plans, you will find that the brochures have the same format and similar information to make comparisons easier.

If you have comments or suggestions about how to improve this brochure, let OPM know. Visit OPM's "Rate Us" feedback area at [www.opm.gov/insure](http://www.opm.gov/insure) or e-mail us at [fehbwcomments@opm.gov](mailto:fehbwcomments@opm.gov) or write to OPM at Insurance Planning and Evaluation Division, P.O. Box 436, Washington, DC 20044-0436.

## Section 1. Facts about this HMO plan

---

This Plan is a health maintenance organization (HMO). We require you to see specific providers, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive covered services from Plan providers, you generally will not have to submit claim forms or pay bills. You only pay the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

**We cannot guarantee that any one provider, hospital, or other provider will be available and/or remain under contract with us. You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans if a provider leaves our Plan.**

### How we pay providers

We contract with individual providers, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

### Who provides my health care?

Group Health Cooperative of Puget Sound is a Mixed Model Prepayment (MMP) Plan. The Plan provides medical care by doctors, nurse practitioners, and other skilled Medical personnel working as medical teams. Specialists are available as part of the medical teams for consultation and treatment.

For Central and Eastern Washington and Northern Idaho and Whatcom Division members only: All participating providers are practitioners who provide routine care within their private office settings in the community.

The first and most important decision each member must make is the selection of a primary care provider. The decision is important since it is usually through this provider that all other health services, particularly those of specialists, are obtained. It is the responsibility of your primary care provider to obtain any necessary authorizations from the Plan before referring you to a specialist or making arrangements for hospitalization. Services of other providers are covered only when there has been a Plan approved written referral by the member's primary care provider, with the following exception: a woman may see a participating General and Family Practitioner, Physician's Assistant, Gynecologist, Certified Nurse Midwife, Doctor of Osteopathy, Obstetrician or Advanced Registered Nurse Practitioner who provide women's health care services directly, without a referral from her primary care provider, for medically appropriate maternity care, reproductive health services, preventive care and general examination, gynecological care and medically appropriate follow-up visits for the above services. If your chosen provider diagnoses a condition that requires referral to other specialists or hospitalization, you or your chosen provider must obtain preauthorization and care coordination in accordance with applicable Plan requirements.

### Patients' Bill of Rights

OPM requires that all FEHB Plans comply with the Patients' Bill of Rights, recommended by the President's Advisory Commission on Consumer Protection and Quality in the Health Care Industry. You may get information about us, our networks, providers, and facilities. You can also find out about Care Management, which includes medical practice guidelines, disease management programs and how we determine if procedures are experimental or investigational. OPM's FEHB website ([www.opm.gov/insure](http://www.opm.gov/insure)) lists the specific types of information that we must make available to you.

If you would like more information about us, call 888/901-4636, or write to Group Health Cooperative, Customer Service, P.O. Box 34590, Seattle WA 98124-1590. You may also contact us by fax at 206/901-4612 or visit our website at <http://www.ghc.org> for Western Washington and <http://www.ghnw.org> for Eastern and Central Washington and Northern Idaho.

## Service Area

To enroll in this Plan, you must live or work in our Service Area. Group Health Cooperative providers practice in the following areas. Our service area is:

### Western Washington (entire counties):

- Island
- King
- Kitsap
- Lewis
- Mason
- Pierce
- San Juan
- Skagit
- Snohomish
- Thurston
- Whatcom

### In Grays Harbor County, the following cities, by Zip Code:

- Elma (98541)
- Malone (98559)
- McCleary (98557)
- Oakville (98568)
- Porter (98573)

### In Jefferson County, the following cities, by Zip Code:

- Brinnon (98320)
- Chimacum (98325)
- Gardner (98334)
- Hadlock (98339)
- Nordland (98358)
- Port Ludlow (98365)
- Port Townsend (98368)
- Quilcene (98376)

(which are east of a line drawn southward from Port Angeles)

### Central and Eastern Washington (entire counties):

- Benton
- Columbia
- Franklin
- Kittitas
- Spokane
- Walla Walla
- Whitman
- Yakima

(those counties within a 70 mile radius of downtown Spokane)

### Northern Idaho (entire counties):

- Kootenai
- Latah.

If you receive care outside our service area, we will pay only for emergency services as described on pages 28 and 29, or those services covered under “Benefits Available Away From Home” described on page 35. We will not pay for any other health care services.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the service area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Plan members who are temporarily outside the service area of this Plan may have access to care with Plans that have Reciprocity Agreements with this Plan. The Plans are as follows: Kaiser Permanente Plans; the American Association of Health Plans (AAHP) for urgent care only; and Alliance of Community Health Plans (ACHP). If you need services when out of the area, and are in the service area of a Kaiser Permanente Plan, you may obtain care from any Kaiser Permanente Provider, medical office, or medical center. If you plan to travel and wish to obtain more information about the benefits available to you, please call Customer Service at 888/901-4636.

## Section 2. How we change for 2001

---

### Program-wide changes

- The plain language team reorganized the brochure and the way we describe our benefits. We hope this will make it easier for you to compare plans.
- This year, the Federal Employees Health Benefits Program is implementing network mental health and substance abuse parity. This means that your coverage for mental health, substance abuse, medical, surgical, and hospital services from providers in our plan network will be the same with regard to deductibles, coinsurance, copays, and day and visit limitations when you follow a treatment plan that we approve. Previously, we placed cost sharing and day or visit limitations on mental health and substance abuse services and none on other medical, surgical and hospital services.
- Many healthcare organizations have turned their attention this past year to improving healthcare quality and patient safety. OPM asked all FEHB plans to join them in this effort. You can find specific information on our patient safety activities by calling Customer Service at 888/901-4636 **or** checking our website at <http://www.ghc.org> for Western Washington and <http://www.ghnw.org> for Eastern and Central Washington and Northern Idaho. You can find out more about patient safety on the OPM website, [www.opm.gov/insure](http://www.opm.gov/insure). To improve your healthcare, take these five steps:
  - Speak up if you have questions or concerns.
  - Keep a list of all the medicines you take.
  - Make sure you get the results of any test or procedure.
  - Talk with your doctor and health care team about your options if you need hospital care.
  - Make sure you understand what will happen if you need surgery.
- We clarified the language to show that anyone who needs a mastectomy may choose to have the procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure. Previously, the language referenced only women.

### Changes to this Plan

- Your share of the non-Postal premium for Enrollment Code 54 will increase by 1.2% for Self Only and decrease by 1.7% for Self and Family, and for Enrollment Code VR it will increase by 8.4% for Self Only or 6.1% for Self and Family.
- For all inpatient hospital care you now pay a \$100 inpatient copayment per day for 3 days, to a maximum of \$300 per person per year. Previously, you did not have a copayment for any inpatient hospital stay (See page 25).
- For all inpatient mental health or substance abuse care you now pay a \$100 inpatient copayment per day for 3 days, to a maximum of \$300 per person per year. Previously, you were limited to 30 days inpatient care for mental health or substance abuse and paid 20% of charges (See page 30).
- For all outpatient mental health or substance abuse visits you now pay a \$10 copayment. Previously, the first 20 visits were covered in full and you paid a \$15.70 copayment for all other visits (See page 30).
- For authorized partial hospitalization for mental health or substance abuse treatment, you pay a \$25 per day copayment. Previously, there was no copayment (See page 30).
- For prescription drugs prescribed by your Plan provider and obtained at a Plan pharmacy, you will have a \$10 copayment per prescription unit or refill for up to a 30-day supply. Previously, your pharmacy copayment was \$7 (See page 33).
- The Norplant device now has a \$200 copay. Previously, the copay was \$140 (See page 33).

---

## Section 3. How you get care

---

### Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, please call our Customer Service at 888/901-4636.

### Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments, deductibles, and/or coinsurance, and you will not have to file claims.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members.

We list Plan providers in our provider directories, which we update periodically. You may call Customer Service at 888/901-4636.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in our provider directories. The list is also on our websites.

### What you must do to get covered care

You and each family member should choose a primary care physician.

This decision is important, since your primary care physician provides or arranges for most of your health care. There are several ways to select a physician; you may contact Customer Service 888/901-4636 or your chosen plan facility for assistance.

- **Primary care**

Your primary care physician (such as a family practitioner or pediatrician), will arrange for most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call Customer Service at 888/901-4636 or contact your chosen plan facility. We will help you select a new one.

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care. However, you may see a woman’s health care specialist or a mental health provider without a referral. A woman may see a participating General or Family Practitioner, Physician’s Assistant, Gynecologist, Certified Nurse Midwife, Doctor of Osteopathy, Obstetrician or Advanced Registered Nurse Practitioner who provide women’s health care services directly, without a referral from her primary care provider, for medically appropriate maternity care, reproductive health services, preventive care and general examination, gynecological care and medically appropriate follow-up visits for the above services. If the chosen provider diagnoses a condition that requires a referral to other specialists or hospitalization, you or your chosen provider must

obtain preauthorization and care coordination in accordance with applicable Plan requirements.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic or disabling condition and lose access to your specialist because we:
  - terminate our contract with your specialist for other than cause; or
  - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or
  - reduce our service area and you enroll in another FEHB Plan,

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact our Customer Service Department at 888/901-4636 or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

- **Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility if required.

If you are in the hospital when your enrollment in our Plan begins, call our Customer Service department immediately at 888/901-4636. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92<sup>nd</sup> day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person.

### **Circumstances beyond our control**

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

### **Services requiring our prior approval**

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

We call this review and approval process “prior approval.” Your physician must obtain “prior approval” for the following services: Hospitalization, Specialty Care and orders for Durable Medical Equipment. Upon obtaining “prior approval,” all of the above are subject to the applicable copays or coinsurance.

---

## Section 4. Your costs for covered services

---

You must share the cost of some services. You are responsible for:

- **Copayments**

A copayment is a fixed amount of money you pay to the provider when you receive services.

Example: When you see your primary care physician you pay a copayment of \$10 per office visit. When you are admitted to the hospital you pay \$100 per day up to a \$300 maximum per person per year.

- **Deductible**

A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. Copayments do not count toward any deductible. Our Plan's deductible is an amount you pay for emergency care received at non-Plan facilities.

NOTE: If you change plans during open season, you do not have to start a new deductible under your old plan between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.

- **Coinsurance**

Coinsurance is the percentage of our allowed charges for specific benefits that you must pay for your care.

Example: In our Plan, you pay 50% of our allowed charges for infertility services, 20% of our allowed charges for durable medical equipment; devices, equipment and supplies and ambulance services; and varying amounts for dental care.

### **Your out-of-pocket maximum for deductibles, coinsurance, and copayments**

After your copayments, coinsurance, and deductibles total \$1,000 per person or \$2,000 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments, coinsurance, and deductibles for the following services do not count toward your out-of-pocket maximum, and you must continue to pay copayments, coinsurance, and deductibles for these services:

- Infertility services
- Medical devices, equipment and supplies
- Dental care
- \$100 non-Plan emergency care deductible
- Ambulance services

Be sure to keep accurate records of your copayments, coinsurance, and deductibles since you are responsible for informing us when you reach the maximum.

### What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

---

### What to do in case of emergency:

**Emergencies within our service area:** If you are in an emergency situation, please call your primary care doctor. In extreme emergencies, if you are unable to contact your doctor, contact the local emergency system (e.g., the 911 telephone system) or go to the nearest hospital emergency room. Remember, it is your responsibility to notify the Plan.

If you need to be hospitalized in a non-Plan facility, the Plan must be notified within 24 hours by calling the Plan notification line at 888/457-9516, unless it was not reasonably possible to do so. If you are hospitalized in a non-Plan facility and a Plan doctor believes that better care can be provided in a Plan hospital, you will be transferred when medically feasible with ambulance charges covered in full. If you have questions about acute illnesses other than emergencies, you should call your primary care physician.

Benefits are available for care received from non-Plan providers in a medical emergency only if the delay in reaching a Plan provider would have resulted in death, disability or significant jeopardy to your condition.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers.

If you are admitted to an in-Plan hospital or designated facility directly from the emergency room, we will waive the in-Plan copayment.

**Emergencies outside our service area:** Benefits are available for medically necessary health service that is immediately required because of injury or unforeseen illness.

If you need to be hospitalized, the Plan must be notified within 24 hours or on the first working day following your admission, unless it was not reasonably possible to do so. If you are hospitalized in a non-Plan facility and a Plan doctor believes that better care can be provided in a Plan hospital, you will be transferred when medically feasible with ambulance charges covered in full.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers.

## Section 5 (e). Mental health and substance abuse benefits

### Parity

Beginning in 2001, all FEHB plans' mental health and substance abuse benefits will achieve "parity" with other benefits. This means that we will provide mental health and substance abuse benefits differently than in the past.

When you get our approval for services and follow a treatment plan we approve, cost-sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

### Here are some important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are provided only when we determine they are clinically appropriate to treat your condition.
- Plan doctor must provide or arrange your care.
- Be sure to read Section 4, "Your costs for covered services" for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You pay
<p><b>Mental health and substance abuse benefits</b></p> <p>We will cover all diagnostic and treatment services for the treatment of mental health and substance abuse conditions that are clinically necessary and recommended by the member's primary physician and approved by the Plan Medical Director or designee.</p> <p><b>Examples of mental health inpatient and outpatient treatment can include:</b></p> <ul style="list-style-type: none"> <li>• Diagnosis evaluation</li> <li>• Diagnostic tests</li> <li>• Consultation services</li> <li>• Psychiatric treatment (individual, family and group therapy) by providers such as psychiatrists, psychologists, or clinical social workers</li> <li>• Hospitalization (including professional services)</li> <li>• Services in approved alternative care settings such as partial hospitalization</li> <li>• Medication management visits</li> </ul> <p><b>Examples of substance abuse inpatient and outpatient treatment can include:</b></p> <ul style="list-style-type: none"> <li>• Diagnosis, treatment and counseling for alcoholism and drug addiction</li> <li>• Diagnostic tests</li> <li>• Detoxification</li> <li>• Hospitalization (including inpatient professional services)</li> <li>• Medication management visits</li> <li>• Alcohol and drug education</li> <li>• Services in approved alternative care settings such as intensive outpatient treatment</li> </ul>	<p>Cost sharing and limitations for benefits that we cover (for example, visit/day limits, copayments, and out-of-pocket maximums) for mental health and substance abuse are based on the cost sharing and limits for similar benefits under our Plan medical, hospital, prescription drug, diagnostic testing, and surgical benefits.</p> <p>For example:</p> <ul style="list-style-type: none"> <li>• The same \$10 copayment that applies when you visit a specialist for a physical illness or disease applies to a visit to a mental health or substance abuse provider for a therapy session.</li> <li>• The same \$10 copayment for a prescription drug to treat a mental health or substance abuse condition as you would for a prescription to treat a physical illness or disease.</li> <li>• The same \$100 inpatient copayment per day for 3 days; maximum of \$300 per person per calendar year as you would for a physical illness or disease.</li> </ul> <p>A \$25 copayment per day for partial hospitalization; no day limit</p> <p>A \$10 copayment for each office visit</p> <p>Nothing for diagnostic tests</p>

## Mental health and substance abuse benefits (Continued)

*Not covered by the Plan: The same exclusions that apply to other benefits apply to these mental health and substance abuse benefits.*

*Examples of mental health inpatient and outpatient treatment that the Plan excludes are:*

- *Psychiatric evaluation or therapy that is court ordered as a condition of parole or probation unless determined by a Plan provider to be necessary and appropriate*
- *Psychological testing that is not medically necessary*
- *Services that are custodial in nature*
- *Assessment and treatment services that are primarily vocational and academic in nature (i.e., educational testing)*
- *Services provided under a Federal, state, or local government program*
- *Services rendered or billed by a school or a member of its staff*
- *Continued services if you do not substantially follow your treatment plan*
- *Treatment not authorized by a Plan provider, provided by the Plan, or specifically contracted for by the Plan*

*Note: OPM will base its review of disputes about treatment plans on the treatment plans clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.*

*All charges*

### Special transitional benefit

If a mental health or substance abuse professional provider is treating you under our plan as of January 1, 2001, you will be eligible for continued coverage with your provider for up to 90 days under the following condition:

- If your mental health or substance abuse professional provider with whom you are currently in treatment leaves the plan at our request for other than cause.

If this condition applies to you, we will allow you reasonable time to transfer your care to a different Plan mental health or substance abuse professional provider. During the transitional period, you may continue to see your treating provider and will not pay any more out-of-pocket than you did in the year 2000 for services. This transitional period will begin with our notice to you of the change in coverage and will end 90 days after you receive our notice. If we write to you before October 1, 2000, the 90-day period ends before January 1 and this transitional benefit does not apply.

### Limitation

We may limit your benefits if you do not follow your treatment plan

**Here are some important things to keep in mind about these benefits:**

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- All benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, “Your costs for covered services” for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

**There are important features you should be aware of.** These include:

- **Who can write your prescription.** A Plan physician or referral doctor must write the prescription.
- **Where you can obtain them.** You must fill the prescription at a Plan pharmacy.
- **We use a formulary.** Prescriptions written by Plan physicians are dispensed in accordance with the Plan’s drug formulary. A drug formulary is a list of preferred pharmaceutical products that health plans, working with pharmacists and physicians, have developed to encourage greater efficiency in the dispensing of prescription drugs without sacrificing quality. Non-formulary drugs prescribed by a Plan physician or referral doctor will be covered based on medical necessity.
- **These are the dispensing limitations.** Prescription drugs prescribed by Plan doctors and filled at Plan pharmacies will be dispensed for up to a 30-day supply. You will be required to pay a copay for each 30-day supply. If your prescription is for more than a 30-day supply, such as a 90-day supply, you are responsible for 3 copays, one for each 30-day supply. You pay the same copay for generic drugs or name brand drugs when generic substitution is not permissible. When generic substitution is permissible (i.e., a generic drug is available and the prescribing provider does not specify the use of a name brand drug), but you request the name brand drug, you will pay the price difference between the generic and name brand drug as well as the copay.

**Section 5 (g). Special Features**

Feature	Description
<b>Consulting Nurse Service</b>	For urgent care information and after hours care between 5:30 PM and 8:30 AM call toll-free 1-800/297-6877 for Western WA or 1-800/497-2210 for Eastern WA and Idaho.
<b>Services for deaf and hearing impaired</b>	Members who are hearing or speech-impaired may use the following number to access a Group Health Facility, staff member, or Group Health provider. Seattle Area 1-877/901-4678 Spokane Area 1-800/833-6388
<b>Reciprocity benefit</b>	Plan members who temporarily reside or are traveling outside the service area of this Plan may have access to care with Plans that have Reciprocity Agreements with this Plan. The Plans are as follows: Kaiser Permanente Plans; the American Association of Health Plans (AAHP); and Alliance of Community Health Plans (AHCP). If you need services when out of the area, and are in the service area of a Kaiser Permanente Plan, you may obtain care from any Kaiser Permanente provider, medical office, or medical center. If you plan to travel and wish to obtain more information about the benefits available to you, please call our Customer Service Center at 888/901-4636
<b>Travel benefit</b>	If you are traveling, and are outside the Plans' service area by more than 100 miles, certain health services, i.e., follow-up care and continuing care, are covered. You pay a \$25 copay per follow-up or continuing care visit, up to a maximum Plan copayment of \$1,200 per person per calendar year. You must pay the provider at the time you receive the services. If the services are covered under this benefit, you will be reimbursed the reasonable charges for the care, up to a maximum of \$1,200 per person per calendar year, and the \$25 copay per visit will be deducted from the payment you receive from the Plan.  Submit a claim to the Plan for the services on a HCFA Form 1500, with necessary supporting documentation, i.e., itemized bills and receipts, along with an explanation of the services, and the identification information from your ID card. Send the claims to Group Health Cooperative, Claims Administration, P.O. Box 34585, Seattle, WA 98124-1585.

**Here are some important things to keep in mind about these benefits:**

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient; we do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, “Your costs for covered services” for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The following is a summary of the Plan’s dental benefits. Please call the Plan’s member Services Department at 206/522-2300 or 800/554-1907 for more information on additional exclusions and limitations.
- You are not required to receive your care from specified dental providers.
- Benefits are provided only for services included in the list of covered dental services and no charges will be paid in excess of the reasonable and customary charge. No dental benefit will be paid for any dental service or supply which is incomplete or temporary.

## Section 5 (i). Non-FEHB benefits available to Plan members

---

The benefits on this page are not part of the FEHB contract or premium, **and you cannot file an FEHB disputed claim about them.** Fees you pay for these services do not count toward FEHB deductibles or out-of-pocket maximums.

**Complimentary Choices network:** Alternative care services such as Acupuncture, Massage Therapy, etc., available to all members on a non-covered, discounted, fee-for-service basis. You may choose any provider in the Complimentary Choices network without a referral, and receive a 20% discount on the fee that you pay the provider. For more information please call Customer Service.

### Group Health Cooperative Resource Line

**The Group Health Resource Line** is a free information and referral service available to all GHC consumers. Volunteer staff provides up-to-date information about health education, community resources and senior services. The Resource Line includes information on a wide variety of health promotion and disease-oriented topics. It also includes information about Take Care store products, classes within GHC, support groups and pamphlets. This service is available by calling 206/326-2800 or 1-800/992-2279 outside the Seattle dialing areas.

- **Seniors:** The Resource Line specializes in information for seniors, including listings on home care, transportation and other resources in your community. In addition, pamphlets are available on coping with stress and depression, routine foot care, medication tips, and sleeping better.
- **Health promotion:** The Group Health Resource Line has pamphlets to help you learn how to reduce fat in your diet, manage stress, and keep track of your medications. Call and ask for the Fats of Life packet, Managing Everyday Stress workbook, or the Medication Record wallet card.

### Group Health Cooperative Health Promotion Programs

- **The Free and Clear Program:** Group Health's tobacco cessation program is offered as an individual phone-based program or as a group program with classes. Free & Clear is a medically proven program shown to double your chances of successful quitting. Participants receive a Free & Clear kit with program and support materials. Individual program participants receive five phone calls from a tobacco cessation specialist. Group participants attend eight classes taught by a qualified instructor. Call the Center for Health Promotion today for more information, to register for the Free & Clear program, or to request a program brochure, 206/287-2527 or 1-800/462-5327 outside the Seattle dialing area.
- **Advance Directive Program:** Public programs are available throughout the area to educate people about Living Wills, Durable Power of Attorney for Healthcare and other advance directives. Group Health and Senior Rights Assistance schedule volunteers who work individually with people to explain how to use these documents. For more information or to request a copy of advance directives, call the Group Health Resource Line.
- **Senior Caucus:** All Group Health enrollees who are seniors are invited to chapter meetings for interesting programs on health promotion topics such as: self-care, exercise, humor and chronic conditions. To receive a mailed announcement of the location, time and topic of the chapter nearest you, call the Group Health Resource Line.

## Section 6. General exclusions — things we don't cover

---

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary subject to prevent, diagnose, or treat your illness, disease, injury, or condition and we agree, as discussed under *What Services Require Our Prior Approval* on page 11.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Procedures, services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest;
- Procedures, services, drugs, or supplies related to sex transformations; or
- Procedures, services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.

---

## Section 7. Filing a claim for covered services

---

When you see Plan providers, receive services at Plan hospitals and facilities, or fill your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment or coinsurance.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

### **Medical and hospital benefits**

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Facilities will file on the UB-92 form. For claims questions and assistance, call us at 888/901-4636.

When you must file a claim — such as for out-of-area care — submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer —such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

**Submit your claims to: Group Health Cooperative, Claims Administration, P.O. Box 34585, Seattle WA 98124-1585**

### **Prescription drugs**

Outpatient drugs and medicines obtained at non-Plan pharmacies are not covered.

### **Deadline for filing your claim**

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

### **When we need more information**

Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

---

## Section 8. The disputed claims process

---

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization:

Step	Description
<b>1</b>	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none"><li>(a) Write to us within 6 months from the date of our decision; and</li><li>(b) Send your request to us at: Group Health Cooperative, Appeals Department, P.O. Box 34589, Seattle WA 98134; and</li><li>(c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and</li><li>(d) Include copies of documents that support your claim, such as providers' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.</li></ul>
<b>2</b>	<p>We have 30 days from the date we receive your request to:</p> <ul style="list-style-type: none"><li>(a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or</li><li>(b) Write to you and maintain our denial — go to step 4; or</li><li>(c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3.</li></ul>
<b>3</b>	<p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.</p> <p>If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.</p> <p>We will write to you with our decision.</p>
<b>4</b>	<p>If you do not agree with our decision, you may ask OPM to review it.</p> <p>You must write to OPM within:</p> <ul style="list-style-type: none"><li>• 90 days after the date of our letter upholding our initial decision; or</li><li>• 120 days after you first wrote to us — if we did not answer that request in some way within 30 days; or</li><li>• 120 days after we asked for additional information.</li></ul> <p>Write to OPM at: Office of Personnel Management, Office of Insurance Programs, Contracts Division 3, P.O. Box 436, Washington, D.C. 20044-0436.</p>

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.

Note: If you want OPM to review different claims, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must provide a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

**5** OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

OPM's review of disputes about Group Health Cooperative's treatment plans will be based on the treatment plan's clinical appropriateness. OPM will generally not order the Plan to provide one clinically appropriate treatment plan rather than another.

**6** If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

**NOTE: If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- (a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 888/901-4636 and we will expedite our review; or
- (b) We denied your initial request for care or preauthorization/prior approval, then:
  - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
  - You may call OPM's Health Benefits Contracts Division 3 at 202/606-0755 between 8 a.m. and 5 p.m. eastern standard time.

## Section 9. Coordinating benefits with other coverage

---

### When you have other health coverage

You must tell us if you or a family member are covered under another group health plan, or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, after the primary plan pays, we will apply benefits as described in this brochure to any balances left owing.

- **What is Medicare?**

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A.
- Part B (Medical Insurance). Most people pay monthly for Part B.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare managed care plan is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on the type of Medicare managed care plan you have.

- **The Original Medicare Plan**

The Original Medicare Plan is available everywhere in the United States. It is the way most people get their Medicare Part A and Part B benefits. You may go to any doctor, specialist, or hospital that accepts Medicare. Medicare pays its share and you pay your share. Some things are not covered under Original Medicare, like prescription drugs.

When you are enrolled in this Plan and Original Medicare, you still need to follow the rules in this brochure for us to cover your care. Your care must continue to be authorized by your Plan PCP or preauthorized as required.

We will not waive any of our copayments, coinsurance, and deductibles.

**(Primary payer chart begins on next page.)**

The following chart illustrates whether Original Medicare or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

<b>Primary Payer Chart</b>		
<b>A. When either you — or your covered spouse — are age 65 or over and ...</b>	<b>Then the primary payer is...</b>	
	<b>Original Medicare</b>	<b>This Plan</b>

a) And are an annuitant, or .....	✓	
b) Are an active employee .....		✓

Please note, if your Plan physician does not participate in Medicare, you will have to file a claim with Medicare.

**Claims process** — You probably will never have to file a claim form when you have both our Plan and Medicare.

- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claims will be coordinated automatically and we will pay the balance of covered charges. You will not need to do anything. To find out if you need to do something about filing your claims, call us at 888/901-4636.

• **Medicare managed care plan**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare managed care plan. These are health care choices (like HMOs) in some areas of the country. In most Medicare managed care plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare managed care plans cover all Medicare Part A and B benefits. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare managed care plan, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at [www.medicare.gov](http://www.medicare.gov). If you enroll in a Medicare managed care plan, the following options are available to you:

**This Plan and our Medicare managed care plan:** You may enroll in our Medicare managed care plan and also remain enrolled in our FEHB plan. When you elect to become part of our Medicare managed care plan, we will waive your outpatient copayment and your hospital emergency room copayment. We will also waive all coinsurances and deductibles. You are responsible for your outpatient drug copayment.

**This Plan and another Plan's Medicare managed care plan:** You may enroll in another plan's Medicare managed care plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare managed care plan is primary even out of the managed care plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments, coinsurance, or deductibles.

**Suspended FEHB coverage and a Medicare managed care plan:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare managed care plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare managed care plan premium). For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next open season unless you involuntarily lose coverage or move out of the Medicare managed care plan's service area.

• **Enrollment in Medicare Part B**

**Note:** If you choose not to enroll in Medicare Part B, you would not be eligible to enroll in our Medicare managed care plan, but you still can be covered under the FEHB Program. We cannot require you to enroll in Medicare.

## **TRICARE**

TRICARE is the health care program for eligible dependents of military persons and retirees of the military. TRICARE includes the CHAMPUS program. If both TRICARE and this Plan cover you, we pay first. See your TRICARE Health Benefits Advisor if you have questions about TRICARE coverage.

## **Workers' Compensation**

We do not cover services that:

- you need because of a workplace-related disease or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover you up to the benefit limits of this plan. You must use our providers.

## **Medicaid**

When you have this Plan and Medicaid, we pay first.

### **When other Government agencies are responsible for your care**

We do not cover services and supplies when a local, State, or Federal Government agency directly or indirectly pays for them.

### **When others are responsible for injuries**

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact our Customer Service at 888/901-4636 for our subrogation procedures.

## Section 10. Definitions of terms we use in this brochure

---

<b>Calendar year</b>	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
<b>Copayment</b>	A copayment is a fixed amount of money you pay when you receive covered services. See page 12.
<b>Coinsurance</b>	Coinsurance is the percentage of the benefit allowance that you must pay for your care. See page 12.
<b>Covered services</b>	Care we provide benefits for, as described in this brochure.
<b>Custodial care</b>	Care furnished for the purpose of meeting non-medically necessary personal needs which could be provided by persons without professional skills or training, such as assistance in mobility, dressing, bathing, eating, preparation of special diets, and taking medication. Custodial care is not covered by the Medicare managed care plan, or Medicare, unless provided in conjunction with skilled nursing care and/or skilled rehabilitation services.
<b>Deductible</b>	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See page 12.
<b>Experimental or investigational services</b>	The Plan makes its determination of experimental or investigational treatment, including medical and surgical services, drugs, devices and biological products upon review of evidence provided by evaluations of national medical associations, consensus panels, and/or other technological evaluations, including the scientific quality of such supporting evidence and rationale. The information it reviews comes from the U.S. Food and Drug Administration, and from scientific evidence in published medical literature, as well as in published peer-reviewed medical literature
<b>Group health coverage</b>	Coverage offered by your employer
<b>Medical necessity</b>	Medical services or hospital services which are determined by the Plan Medical Director or designee to be:  a) Rendered for the treatment or diagnosis of an injury or illness; and  b) Appropriate for the symptoms, consistent with diagnosis, and otherwise in accordance with sufficient scientific evidence and professionally recognized standards; and  c) Not furnished primarily for the convenience of the Member, the attending physician, or other Provider of service.  Whether there is “sufficient scientific evidence” shall be determined by the Plan based on the following: peer-reviewed medical literature; publications, reports, evaluations, and regulations issued by state and federal government agencies; Medicare local carriers, and intermediaries; and such other authoritative medical sources as deemed necessary by the Plan.

**Plan allowance**

Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Fee-for-service plans determine their allowances in different ways. We determine our allowance as follows: the charges are consistent with those normally charged by the provider or organization for the same services or supplies; and the charges are within the general range of charges made by other providers in the same geographical area for the same services or supplies.

**Us/We**

Us and we refer to Group Health Cooperative of Puget Sound

**You**

You refers to the enrollee and each covered family member.

## Section 11. FEHB facts

---

### No pre-existing condition limitation

We will not refuse to cover the treatment of a condition that you had before you enrolled in this Plan solely because you had the condition before you enrolled.

### Where you can get information about enrolling in the FEHB Program

See [www.opm.gov/insure](http://www.opm.gov/insure). Also, your employing or retirement office can answer your questions, give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

### Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

## **When benefits and premiums start**

The benefits in this brochure are effective on January 1. If you are new to this Plan, your coverage and premiums begin on the first day of your first pay period that starts on or after January 1. Annuitants' premiums begin on January 1.

## **Your medical and claims records are confidential**

We will keep your medical and claims information confidential. Only the following will have access to it:

- OPM, this Plan, and subcontractors when they administer this contract;
- This Plan, and appropriate third parties, such as other insurance plans and the Office of Workers' Compensation Programs (OWCP), when coordinating benefit payments and subrogating claims;
- Law enforcement officials when investigating and/or prosecuting alleged civil or criminal actions;
- OPM and the General Accounting Office when conducting audits;
- Individuals involved in bona fide medical research or education that does not disclose your identity; or
- OPM, when reviewing a disputed claim, or defending litigation about a claim.

## **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as temporary continuation of coverage (TCC).

## **When you lose benefits**

- **When FEHB coverage ends** You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage.

- **Spouse equity coverage**

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. But, you may be eligible for your own FEHB coverage under the spouse equity law. If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices.

- **TCC**

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from [www.opm.gov/insure](http://www.opm.gov/insure).

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends. If you canceled your coverage or did not pay your premium, you cannot convert;
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

## **Getting a Certificate of Group Health Plan Coverage**

If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan.

If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

## **Inspector General Advisory**

**Stop health care fraud!** Fraud increases the cost of health care for everyone. If you suspect that a physician, pharmacy, or hospital has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at 888/901-4636 and explain the situation.
- If we do not resolve the issue, call **THE HEALTH CARE FRAUD HOTLINE—202/418-3300** or write to: The United States Office of Personnel Management, Office of the Inspector General Fraud Hotline, 1900 E Street, NW, Room 6400, Washington, DC 20415.

Anyone who falsifies a claim to obtain FEHB Program benefits can be prosecuted for fraud. Also, the Inspector General may investigate anyone who uses an ID card if the person tries to obtain services for someone who is not an eligible family member, or is no longer enrolled in the Plan and tries to obtain benefits. Your agency may also take administrative action against you.

## 2001 Rate Information for Group Health Cooperative of Puget Sound

**Non-Postal rates** apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

**Postal rates** apply to career Postal Service employees. Most employees should refer to the FEHB Guide for United States Postal Service Employees, RI 70-2. Different postal rates apply and special FEHB guides are published for Postal Service Nurses and Tool and Die employees (see RI 70-2B); and for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-21N).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization. Refer to the applicable FEHB Guide.
