Introduction

Medical Mutual of Ohio, dba HMO Health Ohio
2060 East Ninth Street
Cleveland, Ohio 44115-1355

This brochure describes the benefits of HMO Health Ohio under our contract (CS 2015) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure.

If you are enrolled in this Plan you are entitled to the benefits described in this brochure. If you are enrolled for Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2001, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2001, and are summarized on page 7. Rates are shown at the end of this brochure.

Plain Language

The President and Vice President are making the Government's communication more responsive, accessible, and understandable to the public by requiring agencies to use plain language. In response, a team of health plan representatives and OPM staff worked cooperatively to make this brochure clearer. Except for necessary technical terms, we use common words. "You" means the enrollee or family member; "we" means HMO Health Ohio.

The plain language team reorganized the brochure and the way we describe our benefits. When you compare this Plan with other FEHB plans, you will find that the brochures have the same format and similar information to make comparisons easier.

If you have comments or suggestions about how to improve this brochure, let us know. Visit OPM's "Rate Us" feedback area at www.opm.gov/insure or e-mail us at fehwebcomments@opm.gov or write to OPM at Insurance Planning and Evaluation Division, P.O. Box 436, Washington, DC 20044-0436.

Section 1. Facts about this HMO plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You only pay the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments.

Patients' Bill of Rights

HMO Health Ohio is a mixed model prepayment plan that provides care through a network of doctors, using groups of doctors, staff model arrangements, and IPA systems. Both primary care and specialist doctors are part of the network. Different members of the same family may select different centers or doctors.

OPM requires that all FEHB Plans comply with the Patients' Bill of Rights, recommended by the President's Advisory Commission on Consumer Protection and Quality in the Health Care Industry. You may get information about us, our networks, providers, and facilities. OPM's FEHB website (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Medical Mutual of Ohio is the oldest health insurance company in Ohio. HMO Health Ohio has been in existence since January 1, 1992.
- HMO Health Ohio has over 28,000 participating physicians.
- Medical Mutual of Ohio has been awarded three-year **Commendable** accreditation status for HMO Health Ohio by the National Committee for Quality Assurance (NCQA), a leading independent evaluator of health plans.

If you want more information about us, call 800/522-2066, or write to HMO Health Ohio, P.O. Box 6018, Cleveland, Ohio 44101, Attn: HMO Member Services. You may also contact us by fax at 216/694-2910 or visit our website at <http://www.mmoh.com>.

Service Area

To enroll with us, you must live or work in our service area. This is where our providers practice.

Our service area is:

The Ohio counties of Ashland, Ashtabula, Carroll, Columbiana, Cuyahoga, Geauga, Holmes, Huron, Lake, Lorain, Medina, Portage, Richland, Stark, Summit, Tuscarawas and Wayne.

Ordinarily, you must get your care from providers who contract with us. Benefits for care outside the service area are limited to emergency services, as described on pages 30-31.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependants live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we change for 2001

Program-wide changes

- The plain language team reorganized the brochure and the way we describe our benefits. We hope this will make it easier for you to compare plans.
- This year, the Federal Employees Health Benefits Program is implementing network mental health and substance abuse parity. This means that your coverage for mental health, substance abuse, medical, surgical, and hospital services from providers in our HMO plan network will be the same with regard to deductibles, coinsurance, copays, and day and visit limitations when you follow a treatment plan that we approve. Previously, we placed visit limitations and limitations on the allowed number of admissions per calendar year and days per admission for mental health and substance abuse services than we did on services to treat physical illness, injury, or disease.
- Many healthcare organizations have turned their attention this past year to improving healthcare quality and patient safety. OPM asked all FEHB plans to join them in this effort. You can find specific information on our patient safety activities by calling 800/522-2066, **or** checking our website <http://www.mmoh.com>. You can find out more about patient safety on the OPM website, www.opm.gov/insure. To improve your healthcare, take these five steps:
 - Speak up if you have questions or concerns.
 - Keep a list of all the medicines you take.
 - Make sure you get the results of any test or procedure.
 - Talk with your doctor and health care team about your options if you need hospital care.
 - Make sure you understand what will happen if you need surgery.

We clarified the language to show that anyone who needs a mastectomy may choose to have the procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure. Previously, the language referenced only women.

Changes to this Plan

- Your share of the non-postal premium will increase by 3.3% for Self Only. Your share of the non-postal premium will decrease 15% for Self and Family.
- The new HMO Health Ohio Customer Service **toll-free** number is 800/522-2066.

Section 3. How you get care

Identification cards

We will send you an identification (ID) card. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or obtain a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 800/522-2066.

Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments and you will not have to file claims.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards. Both primary care and specialist doctors are part of the network. Different members of the same family may select different centers or doctors.

We list Plan providers in the provider directory, which we update periodically. The list is also on our website. (www.mmoh.com)

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website. (www.mmoh.com)

What you must do

The first and most important decision each member must make is the selection of a primary care doctor. The decision is important since it is through this doctor that all other health services, particularly those of specialists, are obtained. It is the responsibility of your primary care doctor to obtain any necessary authorizations from the Plan before referring you to a specialist or making arrangements for hospitalization. Services of other providers are covered only when there has been a referral by a member’s primary care doctor.

- **Primary care**

Your primary care physician can be a physician, or group of physicians, trained in family or general practice, internal medicine, pediatrics or osteopathic medicine who has a contractual obligation with HMO Health Ohio to provide the primary care services listed in this brochure. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care. However, you may seek Plan provider care for Obstetrician/Gynecologist and vision without a referral. For mental conditions and substance abuse call SuperMed Behavioral Health Care Management Department at 800/258-3186.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic or disabling condition and lose access to your specialist because we:
 - terminate our contract with your specialist for other than cause; or
 - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or
 - reduce our service area and you enroll in another FEHB Plan,you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the program, contact your new Plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

• **Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 800/522-2066. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or

- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the hospital benefit of the hospitalized person; we cover your other non-hospital care.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

Services requiring our prior approval

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

Your physician must obtain approval before sending you to a hospital, referring you to a specialist, or recommending follow-up care.

Section 4. Your costs for covered services

You must share the cost of some services. You are responsible for:

- **Copayments** A copayment is a fixed amount of money you pay when you receive services.

Example: When you see your primary care physician you pay a copayment of \$10 per office visit.
- **Deductible** We do not have a deductible.
- **Coinsurance** We do not have coinsurance.

Your out-of-pocket maximum Your out-of-pocket expenses for benefits under this Plan are limited to the stated copayments required for a few benefits.

Section 5. Benefits – OVERVIEW

(See page 7 for how our benefits changed this year and page 55 for a benefits summary.)

NOTE: This benefits section is divided into subsections. Please read the important things you should keep in mind at the beginning of each subsection. To obtain claims forms, claims filing advice, or more information about our benefits, contact us at 800/522-2066 or at our website at www.mmoh.com.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

If you are in an emergency situation, please call your primary care doctor. In extreme emergencies, if you are unable to contact your doctor, contact the local emergency system (e.g., the 911 telephone system) or go to the nearest hospital emergency room.

Emergencies within our service area:

Be sure to tell the emergency room personnel that you are a Plan member so they can notify the Plan. You or a family member should notify the Plan within 48 hours, unless it was not reasonably possible to do so. It is your responsibility to ensure that the Plan has been timely notified.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If you are hospitalized in non-Plan facilities and Plan doctors believe care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers.

The Plan pays reasonable charges for emergency services to the extent the services would have been covered if received from Plan providers.

Emergencies outside our service area:

Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If a Plan doctor believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers.

The Plan pays reasonable charges for emergency care services to the extent the services would have been covered if received from Plan providers.

Parity

Beginning in 2001, all FEHB plans' mental health and substance abuse benefits will achieve "parity" with other benefits. This means that we will provide mental health and substance abuse benefits differently than in the past.

When you get our approval for services and follow a treatment plan we approve, cost-sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

Here are some important things to keep in mind about these benefits:

- All benefits are subject to the definitions, limitations, and exclusions in this brochure.
- Be sure to read Section 4, *Your costs for covered services* for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PREAUTHORIZATION OF THESE SERVICES.** See the instructions after the benefits description below.

Preauthorization

To be eligible to receive these benefits you must follow your treatment plan and all the following authorization processes:

This may be arranged by calling the SuperMed Behavioral Health Care Management Department at 800/258-3186. It is not necessary to obtain a referral from your primary care doctor.

Special transitional benefit

If a mental health or substance abuse professional provider is treating you under our plan as of January 1, 2001, you will be eligible for continued coverage with your provider for up to 90 days under the following conditions:

- If your mental health or substance abuse professional provider with whom you are currently in treatment leaves the plan at our request for other than cause.

If this condition applies to you, we will allow you reasonable time to transfer your care to a Plan mental health or substance abuse professional provider. During the transitional period, you may continue to see your treating provider and will not pay any more out-of-pocket than you did in the year 2000 for services. This transitional period will begin with our notice to you of the change in coverage and will end 90 days after you receive our notice. If we write to you before October 1, 2000, the 90-day period ends before January 1 and this transitional benefit does not apply.

Limitation

We may limit your benefits if you do not follow your treatment

Accidental injury benefit

You Pay

Restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury. These services must be initiated within 90 days from the date of the accident. We do not cover services necessary because of injury as a result of chewing or biting.

Nothing.

Dental benefits

We have no other dental benefits.

Section 6. General exclusions – things we don't cover

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness or condition.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations; or
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.

Section 7. Filing a claim for covered services

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Facilities will file on the UB-92 form. For claims questions and assistance, call us at 800/522-2066.

When you must file a claim -- such as for out-of-area care -- submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number;
- Name and address physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer --such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

Submit your claims to: HMO Health Ohio, P.O. Box 6018, Cleveland, Ohio 44101, Attn: HMO Member Services. You may also contact us by fax at 216/694-2910, or visit our website <http://www.mmoh.com>.

Prescription drugs

Submit your claims to: Paid Prescriptions, P.O. Box 709, Lee Summit, MO 64063.

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

When we need more information Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

Section 8. The disputed claims process

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization:

Step	Description

Box 6018, Cleveland, Ohio 44101; andInclude a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andInclude copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms. |
| 2 | We have 30 days from the date we receive your request to: <ol style="list-style-type: none">Pay the claim (or arrange for the health care provider to give you the care); orWrite to you and maintain our denial -- go to step 4; orAsk you or your medical provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3. |
| 3 | You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days. <p>If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.</p> <p>We will write to you with our decision.</p> |
| 4 | If you do not agree with our decision, you may ask OPM to review it. <p>You must write to OPM within:</p> <ul style="list-style-type: none">90 days after the date of our letter upholding our initial decision; or120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or120 days after we asked for additional information. <p>Write to OPM at: Office of Personnel Management, Office of Insurance Programs, Contracts Division xx, P.O. Note: If you want OPM to review different claims, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must provide a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

- 5 OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.
- 6 If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

NOTE: If you have a serious or life threatening condition (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- (a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 800/522-2066 and we will expedite our review; or
- (b) We denied your initial request for care or preauthorization/prior approval, then:
 - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
 - You can call OPM's Health Benefits Contracts Division 3 at 202/606-0755 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage You must tell us if you are covered or a family member is covered under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

If we pay second, we will determine our allowance. After the first plan pays, we will pay either what is left of our allowance or our regular benefit, whichever is less. We will not pay more than our allowance. If we are the secondary payer, we may be entitled to receive payment from your primary plan.

What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A.
- Part B (Medical Insurance). Most people pay monthly for Part B.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare + Choice is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on the type of Medicare managed care plan you have.

• The Original Medicare Plan

The Original Medicare Plan is available everywhere in the United States. It is the way most people get their Medicare Part A and Part B benefits. You may go to any doctor, specialist, or hospital that accepts Medicare. Medicare pays its share and you pay your share. Some things are not covered under Original Medicare, like prescription drugs.

When you are enrolled in this Plan and Original Medicare, you still need to follow the rules in this brochure for us to cover your care. Your Plan PCP must continue to authorize your care.

We will waive some copayments. (see page 46)

(Primary payer chart begins on next page.)

The following chart illustrates whether Original Medicare or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

Primary Payer Chart		
A. When either you -- or your covered spouse -- are age 65 or over and ...	Then the primary payer is...	
	Original Medicare	This Plan
1) Are an active employee with the Federal government (including when you or a family member are eligible for Medicare solely because of a disability),		✓
2) Are an annuitant,	✓	
3) Are a reemployed annuitant with the Federal government when...		
a) The position is excluded from FEHB.....	✓	
b) Or, the position is not excluded from FEHB.....		✓
Ask your employing office which of these applies to you.		
4) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge),		
5) Are enrolled in Part B only, regardless of your employment status,	✓ (for Part B services)	✓ (for other services)
6) Are a former Federal employee receiving Workers' Compensation and the Office of Workers' Compensation Programs has determined that you are unable to return to duty,	✓ (except for claims related to Workers' Compensation.)	
B. When you -- or a covered family member -- have Medicare based on end stage renal disease (ESRD) and...		
		✓
2) Have completed the 30-month ESRD coordination period and are still eligible for Medicare due to ESRD,	✓	
3) Become eligible for Medicare due to ESRD after Medicare became primary for you under another provision,	✓	
C. When you or a covered family member have FEHB and...		
1) Are eligible for Medicare based on disability,		
a) And are an annuitant.....	✓	
b) And are an active employee.....		✓

Please note, if your Plan physician does not participate in Medicare, you will have to file a claim with Medicare.

Claims process --You probably will never have to file a claim form when you have both our Plan and Medicare.

- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claims will be coordinated automatically and we will pay the balance of covered charges. You will not need to do anything. To find out if you need to do something about filing your claims, call us at 800/522-2066, or visit our website <http://www.mmoh.com>.

We waive some costs when you have Medicare -- When Medicare is the primary payer, and your doctor is part of our provider network, we will waive some out-of-pocket costs, as follows:

- Our office visit copays

- **Medicare managed care plan** If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare managed care plan. These are health care choices (like HMOs) in some areas of the country. In most Medicare managed care plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare managed care plans cover all Medicare Part A and B benefits. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare managed care plan, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at www.medicare.gov. If you enroll in a Medicare managed care plan, the following options are available to you:

This Plan and another Plan's Medicare managed care plan you may enroll in another plan's Medicare managed care plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare managed care plan is primary, even out of the managed care plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments.

Suspended FEHB coverage and a Medicare managed care plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare managed care plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare managed care plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next open season unless you involuntarily lose coverage or move out of the Medicare+Choice service area.

- **Enrollment in Medicare Part B**

Note: If you choose not to enroll in Medicare Part B, you can still be covered under the FEHB Program. We cannot require you to enroll in Medicare.

TRICARE

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. If both TRICARE and this Plan cover you, we pay first. See your TRICARE Health Benefits Advisor if you have questions about TRICARE coverage.

Workers' Compensation

We do not cover services that:

- you need because of a workplace-related disease or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your benefits. You must use our providers.

Medicaid

When you have this Plan and Medicaid, we pay first.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal Government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.

Us/We	Us and we refer to HMO Health Ohio.
You	You refers to the enrollee and each covered family member.

Section 11. FEHB facts

No pre-existing condition limitation

We will not refuse to cover the treatment of a condition that you had before you enrolled in this Plan solely because you had the condition before you enrolled.

Where you can get information about enrolling in the FEHB Program

See www.opm.gov/insure. Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

When benefits and premiums start

The benefits in this brochure are effective on January 1. If you are new to this Plan, your coverage and premiums begin on the first day of your first pay period that starts on or after January 1. Annuitants' premiums begin on January 1.

Your medical and claims records are confidential

We will keep your medical and claims information confidential. Only the following will have access to it:

- OPM, this Plan, and subcontractors when they administer this contract;
- This Plan, and appropriate third parties, such as other insurance plans and the Office of Workers' Compensation Programs (OWCP), when coordinating benefit payments and subrogating claims;
- Law enforcement officials when investigating and/or prosecuting alleged civil or criminal actions;
- OPM and the General Accounting Office when conducting audits;
- Individuals involved in bona fide medical research or education that does not disclose your identity; or
- OPM, when reviewing a disputed claim or defending litigation about a claim.

When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

•When FEHB coverage ends

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage.

• Spouse equity coverage

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. But, you may be eligible for your own FEHB coverage under the spouse equity law. If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage* and Former Spouse Enrollees, or other information about your coverage choices.

•TCC

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure.

•Converting to individual coverage

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends. If you canceled your coverage or did not pay your premium, you cannot convert;
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

Getting a Certificate of Group Health Plan Coverage

If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan.

If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

Inspector General Advisory

Stop health care fraud Fraud increases the cost of health care for everyone. If you suspect that a physician, pharmacy, or hospital has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at 800/522-2066 and explain the situation.
- If we do not resolve the issue, call **THE HEALTH CARE FRAUD HOTLINE--202/418-3300** or write to: The United States Office of Personnel Management, Office of the Inspector General Fraud Hotline, 1900 E Street, NW, Room 6400, Washington, DC 20415.

Penalties for Fraud

Anyone who falsifies a claim to obtain FEHB Program benefits can be prosecuted for fraud. Also, the Inspector General may investigate anyone who uses an ID card if the person tries to obtain services for someone who is not an eligible family member, or is no longer enrolled in the Plan and tries to obtain benefits. Your agency may also take administrative action against you.

2001 Rate Information for HMO Health Ohio

Non-Postal rates apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to career Postal Service employees. Most employees should refer to the FEHB Guide for United States Postal Service Employees, RI 70-2. Different postal rates apply and special FEHB guides are published for Postal Service Nurses and Tool & Die employees (see RI 70-2B); and for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization. Refer to the applicable FEHB Guide.
