Introduction

CIGNA HealthCare of New York, Inc.
499 Washington Boulevard
Jersey City, NJ 07310

This brochure describes the benefits of CIGNA HealthCare of New York, Inc. under our contract (CS 2388) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled for Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2001, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2001, and are summarized on page 6. Rates are shown at the end of this brochure.

Plain Language

The President and Vice President are making the Government's communication more responsive, accessible, and understandable to the public by requiring agencies to use plain language. In response, a team of health plan representatives and OPM staff worked cooperatively to make this brochure clearer. Except for necessary technical terms, we use common words. "You" means the enrollee or family member; "we" means CIGNA HealthCare of New York, Inc.

The plain language team reorganized the brochure and the way we describe our benefits. When you compare this Plan with other FEHB plans, you will find that the brochures have the same format and similar information to make comparisons easier.

If you have comments or suggestions about how to improve this brochure, let us know. Visit OPM's "Rate Us" feedback area at www.opm.gov/insure or e-mail us at fehbwebcomments@opm.gov or write to OPM at Insurance Planning and Evaluation Division, P.O. Box 436, Washington, DC 20044-0436.

Section 1. Facts about this HMO plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You only pay the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance. We compensate our participating providers in ways that are intended to emphasize preventive care, promote quality of care, and assure the most appropriate use of medical services. You can discuss with your provider how he is compensated by us. The methods we use to compensate participating providers are:

Discounted fee for service – payment for service is based on an agreed upon discounted amount for the services provided.

Capitation **–** Physicians, provider groups and physician/hospital organizations are paid a fixed amount at regular intervals for each Member assigned to the physician, provider group or physician/hospital organization, whether or not services are provided. This payment covers the physician and/or, where applicable, hospital or other services covered under the benefit plan. Medical groups and physician/hospital organizations may in turn compensate providers using a variety of methods.

Capitation offers health care providers a predictable income, encourages Physicians to keep people well through preventive care, eliminates the financial incentive to provide services that will not benefit the patient, and reduces paperwork.

Providers paid on a "capitated" basis may participate with us in a risk sharing arrangement. They agree upon a target amount for the cost of certain health care services, and they share all or some of the amount by which actual costs are over target. Provider services are monitored for appropriate utilization, accessibility, quality and Member satisfaction.

We may also work with third parties who administer payments to Participating Providers. Under these arrangements, we pay the third party a fixed monthly amount for these services. Providers are compensated by the third party for services provided to Healthplan participants from the fixed amount. The compensation varies based on overall utilization.

Salary – Physicians and other providers who are employed to work in our medical facilities are paid a salary. The compensation is based on a dollar amount, decided in advance each year, that is guaranteed regardless of the services provided. Physicians are eligible for any annual bonus based on quality of care, quality of service and appropriate use of Medical Services.

Bonuses and Incentives – Eligible Physicians may receive additional payments based on their performance. To determine who qualifies, we evaluate Physician performance using criteria that may include quality of care, quality of service, accountability and appropriate use of Medical Services.

Per Diem – A specific amount is paid to a hospital per day for all health care received. The payment may vary by type of service and length of stay.

Case Rate – A specific amount is paid for all the care received in the hospital for each standard service category as specified in our contract with the provider (e.g., for a normal maternity delivery).

Who provides my health care?

We contract with a group of doctors and hospitals to provide your health care. You will select a primary care physician who supervises your total health care needs. You may see a Plan gynecologist for annual routine examination without a referral.

Patients' Bill of Rights

OPM requires that all FEHB Plans comply with the Patients' Bill of Rights, recommended by the President's Advisory Commission on Consumer Protection and Quality in the Health Care Industry. You may get information about us, our networks, providers, and facilities. OPM's FEHB website (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- CIGNA HealthCare of New York is in compliance with all State and Federal licensing and certification requirements and has received its three year certification by the National Committee on Quality Assurance (NCQA) in 1998.
- CIGNA HealthCare of New York is a Health Services Corporation licensed in the State of New York since 1986.

If you want more information about us, call 1-800-832-3211, or write to CIGNA HealthCare of New York, Inc., 499 Washington Boulevard, Jersey City, NJ 07310. You may also visit our website at www.cigna.com/healthcare.

Service Area

To enroll with us, you must live in our service area. This is where our providers practice. Our service area is: The Counties of Bronx, Kings, Nassau, New York (Manhattan), Orange, Putnam, Queens, Richmond, Rockland, Suffolk, and Westchester.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care. We will not pay for any other health care services.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we change for 2001

Program-wide changes

- The plain language team reorganized the brochure and the way we describe our benefits. We hope this will make it easier for you to compare plans.
- This year, the Federal Employees Health Benefits Program is implementing network mental health and substance abuse parity. This means that your coverage for mental health, substance abuse, medical, surgical, and hospital services from providers in our plan network will be the same with regard to deductibles, coinsurance, copays, and day and visit limitations when you follow a treatment plan that we approve. Previously, we placed higher patient cost sharing and shorter day or visit limitations on mental health and substance abuse services than we did on services to treat physical illness, injury, or disease.
- Many healthcare organizations have turned their attention this past year to improving healthcare quality and patient safety. OPM asked all FEHB plans to join them in this effort. You can find specific information on our patient safety activities by calling our Customer Service Department at 1-800-832-3211, **or** checking our website www.cigna.com/healthcare. You can find out more about patient safety on the OPM website, www.opm.gov/insure. To improve your healthcare, take these five steps:
  - •• Speak up if you have questions or concerns.
  - •• Keep a list of all the medicines you take.
  - •• Make sure you get the results of any test or procedure.
  - •• Talk with your doctor and health care team about your options if you need hospital care.
  - •• Make sure you understand what will happen if you need surgery.
- We clarified the language to show that anyone who needs a mastectomy may choose to have the procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure. Previously, the language referenced only women.

Changes to this Plan

- Your share of the non-Postal premium will increase by 64.0% for Self Only or 69.9% for Self and Family.
- We no longer cover eye refractions.

Section 3. How you get care

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 1-800-832-3211.

Where you get covered care

You get care from "Plan providers" and "Plan facilities." You will only pay copayments, deductibles, and/or coinsurance, and you will not have to file claims unless you receive emergency services from a provider who does not have a contract with us.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The list is also on our website.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website.

What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care. When you enroll, you choose a Primary Care Physician (PCP). Each family member also chooses a PCP. Your PCP is your personal doctor and serves as your health care manager. If you do not select a PCP, we will assign one for you. If your PCP leaves our network, you will be able to choose a new PCP. You may voluntarily change your PCP for other reasons but not more than once in any calendar month. We reserve the right to determine the number of times during a year that you will be allowed to change your PCP. If you select a new PCP before the fifteenth day of the month, the designation will be effective on the first day of the month following your selection. If you select a new PCP on or after the fifteenth day of the month, the designation will be effective on the first day of the month following the next full month. For example, if you notify us on June 10, the change will be effect on July 1. If you notify us on June 15, the change will be effective on August 1.

Some Primary Care Physicians belong to provider organizations which usually refer to a network of Specialty Care Physicians and Hospitals that are in the provider organization. Your choice of Primary Care Physician may affect the Hospital(s) and Specialty Care Physicians to which you may be referred. Therefore, you may not have access to every specialist or Participating Provider in your Service Area. Before you select a PCP, you should check to see if that PCP is associated with the specialist or facility you prefer to use.

• Primary care

Your primary care physician can be a general practitioner, family practitioner, internist or pediatrician. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

• Specialty care

Your primary care physician will refer you to a specialist for needed care. However, you may see an OB/GYN for well-woman care or go to a hospital for emergency care without a referral.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will work with the Plan to develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic or disabling condition and lose access to your specialist because we:
  - terminate our contract with your specialist for other than cause; or
  - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or
  - reduce our service area and you enroll in another FEHB Plan,

  you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

• Hospital care

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 1-800-832-3211. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefit of the hospitalized person.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

Services requiring our prior approval

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

A referral or Prior Authorization must be obtained prior to receiving services performed by any health care provider EXCEPT:

For services provided by

- Your Primary Care Physician;
- OB/GYN Services; and
- Emergency Services or Urgently Needed Care.

A Referral must be obtained directly from your Primary Care Physician. Your Primary Care Physician must provide a referral if you receive services and benefits such as Specialty Care Physician services. If you receive services which require a referral without a referral from your Primary Care Physician, you will be obligated to pay for the unauthorized Services. **We will not pay for such unauthorized Services.**

Certain benefits and services require Prior Authorization from us. Prior Authorization must always be obtained through your Plan Provider. If Prior Authorization is required from us, your Primary Care Physician or Specialty Care Physician will make arrangements with our Medical Director. Prior Authorization is required for the following types of benefits and services such as: Inpatient and Outpatient Hospital Services, Rehabilitative Therapy, Skilled Nursing Facility Services, Home Health Services, Second Surgical Opinions, Services provided by a Non-Plan Provider, Durable Medical Equipment and Prosthetic Devices.

If your coverage is terminated prior to the date of service, the service will not be covered, regardless of any Prior Authorization given by us or your Primary or Specialty Care Physician.

Section 4. Your costs for covered services

You must share the cost of some services. You are responsible for:

- **Copayments**

A copayment is a fixed amount of money you pay to the provider when you receive services.

Example: When you see your primary care physician you pay a copayment of $10 per office visit.

- **Deductible**

A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. We do not have a deductible.

NOTE: If you change plans during open season, you do not have to start a new deductible under your old plan between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.

- **Coinsurance**

Coinsurance is the percentage of our negotiated fee that you must pay for your care. We do not have coinsurance.

Your out-of-pocket maximum for copayments

After your copayments total $1,500 per person or $3,000 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments for the following services do not count toward your out-of-pocket maximum, and you must continue to pay copayments for these services:

- prescription drugs
- dental services
- mental health/substance abuse
- external prosthetic appliances

Be sure to keep accurate records of your copayments since you are responsible for informing us when you reach the maximum.

IMPORTANT

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

Emergencies inside or outside our Service Area: In the event of an emergency, get help immediately. Go the nearest emergency room, the nearest hospital or call or ask someone to call 911 or your local emergency service, police or fire department for help. You do not need a Referral from your PCP for Emergency Services, but you do need to call your PCP as soon as possible for further assistance and advice on follow-up care. If you require specialty care or a hospital admission, your PCP will coordinate it and handle the necessary authorizations for care or hospitalization. Participating Providers are on call twenty-four (24) hours a day, seven (7) day a week, to assist you when you need Emergency Services.

If you receive Emergency Services outside the Service Area, you must notify us as soon as reasonably possible. We may arrange to have you transferred to a Participating Provider for continuing or follow-up care if it is determined to be medically safe to do so.

Emergency Services are defined as the medical, psychiatric, surgical, hospital and related health care services and testing, including ambulance service, which are required to treat a medical or behavioral condition, the onset of which is sudden, that manifests itself by symptoms of sufficient severity, including pain, that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in: (a) placing the health of the person afflicted with such condition in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy; or (b) serious impairment to such person's bodily functions; or (c) serious dysfunction of any bodily organ or part of such person; or (d) serious disfigurement of such person.

Continuing or follow-up treatment, whether in or out of the Service Area, is not covered unless it is provided or arranged for by your PCP or upon Prior Authorization of the Plan Medical Director.

Benefit Description	You pay
Emergency within our service area	
• Emergency care at a Plan doctor's office	$10 per office visit
• Emergency care at a Plan urgent care center	$10 per office visit. Copayment waived if admitted to hospital
• Emergency care as an outpatient or inpatient at a hospital, including doctors' services	$50 per office visit. Copayment waived if admitted to hospital
Not covered: Elective care or non-emergency care	*All charges*
Emergency outside our service area	
• Emergency care at a doctor's office	$10 per office visit
• Emergency care at an urgent care center	$10 per office visit. Copayment waived if admitted to hospital
• Emergency care as an outpatient or inpatient at a hospital, including doctors' services	$50 per office visit. Copayment waived if admitted to hospital
Not covered: • *Elective care or non-emergency care* • *Emergency care provided outside the service area if the need for care could have been foreseen before leaving the service area*	*All charges.*
Ambulance	
Professional ambulance service when medically appropriate. See 5(c) for non-emergency service.	Nothing

Section 5 (e). Mental health and substance abuse benefits

IMPORTANT

Parity

Beginning in 2001, all FEHB plans' mental health and substance abuse benefits will achieve "parity" with other benefits. This means that we will provide mental health and substance abuse benefits differently than in the past.

When you get our approval for services and follow a treatment plan we approve, cost-sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

Here are some important things to keep in mind about these benefits:

- All benefits are subject to the definitions, limitations, and exclusions in this brochure.
- We have no calendar year deductible.
- Be sure to read Section 4, *Your costs for covered services* for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PREAUTHORIZATION OF THESE SERVICES.** See the Instructions after the benefits description below.

IMPORTANT

Benefit Description	You pay
Mental health and substance abuse benefits	
All diagnostic and treatment services recommended by a Plan provider and contained in a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure. Note: Plan benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve.	Your cost sharing responsibilities are no greater than for other illness or conditions.
• Professional services, including individual or group therapy by providers such as psychiatrists, psychologists, or clinical social workers • Medication management	$10 per office visit
• Diagnostic tests	Nothing
• Inpatient Services provided by a hospital or other facility • Outpatient Services in approved alternative care settings such as partial hospitalization, residential treatment, facility based intensive outpatient treatment	Nothing Nothing, however a provider copayment may apply.
Not covered: Services we have not approved. *Note: OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.*	*All charges*

Mental health and substance abuse benefits continued on next page.

Preauthorization

To be eligible to receive these benefits you must follow your treatment plan and all the following authorization processes:

Mental Health and Substance Abuse Services are provided by CIGNA Behavioral Health, Inc. You do not need a referral to receive these services. However, to obtain these services, you **must** call CIGNA Behavioral Health directly, their phone number can be found on your ID Card, to get more information or speak with someone about a specific problem. A representative is available to assist you twenty-four (24) hours a day, seven (7) days a week. The representative will provide you with a choice of providers in your area and will authorize an appropriate number of visits.

Special transitional benefit

If a mental health or substance abuse professional provider is treating you under our plan as of January 1, 2001, you will be eligible for continued coverage with your provider for up to 90 days under the following condition:

- If your mental health or substance abuse professional provider with whom you are currently in treatment leaves the plan at our request for other than cause.

If this condition applies to you, we will allow you reasonable time to transfer your care to a Plan mental health or substance abuse professional provider. During the transitional period, you may continue to see your treating provider and will not pay any more out-of-pocket than you did in the year 2000 for services. This transitional period will begin with our notice to you of the change in coverage and will end 90 days after you receive our notice. If we write to you before October 1, 2000, the 90-day period ends before January 1 and this transitional benefit does not apply.

Limitation

We may limit your benefits if you do not follow your treatment plan.

Section 5 (f). Prescription drug benefits

IMPORTANT

Here are some important things to keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- All benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- We have no calendar year deductible.
- Be sure to read Section 4, *Your costs for covered services* for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

IMPORTANT

There are important features you should be aware of. These include:

- **Who can write your prescription.** A plan physician or licensed dentist must write the prescription.
- **Where you can obtain them.** You may fill the prescription at a plan retail pharmacy, or by plan mail-order pharmacy. You must fill the prescription at a plan retail pharmacy. You may fill your maintenance medications by mail through a plan mail-order pharmacy.
- **We use a formulary.** A formulary is a listing of approved drug products. The drugs and medications included have been approved in accordance with parameters established by us. This list is subject to periodic review and is amended as required. Only those medications included on the formulary are covered.

These are the dispensing limitations. –

- Your copayment for generic retail prescription drugs is $7. Your copayment for name brand retail prescription drugs is $14. Each prescription order or refill is limited to a consecutive thirty (30) day supply at a retail participating pharmacy, unless limited by the drug manufacturer's packaging.
- Your copayment for generic mail order prescription drugs is $14. Your copayment for name brand mail order prescription drugs is $28. Each prescription order or refill is limited to a consecutive ninety (90) day supply at a mail order participating pharmacy, unless limited by the manufacturer's packaging.

Each prescription order or refill is further limited to:

- Those drugs and medicines that appear on the formulary
- "generic" drugs unless a generic alternative does not exist or substitution is not permitted by state law.

Coverage for prescription drugs are subject to a Copayment. In no event will the Copayment exceed the cost of the drug.

In the event you insist on:

(i) a more expensive name brand drug where a generic drug would otherwise have been dispensed, you are financially responsible for the amount by which the cost of the name brand drug exceeds the generic drug, plus the name brand copayment; or

(ii) a non-formulary drug, you will be financially responsible for the full cost of the non-Formulary drug.

- **When you have to file a claim.** Please refer to Section 7 "Filing a claim for covered services".

Prescription drug benefits begin on the next page.

Benefit Description	You pay
Covered medications and supplies	
We cover the following medications and supplies prescribed by a Plan physician and obtained from a Plan pharmacy or through our mail order program: • Drugs and medicines that by Federal law of the United States require a physician's prescription for their purchase, except as excluded below • Disposable needles and syringes for the administration of covered me dications • Drugs for sexual dysfunction (contact Plan for dose limits) • Oral and injectable contraceptive drugs and contraceptive devices (such as diaphragms) • Nutritional supplements (formulas) as medically necessary for the therapeutic treatment of phenylketonuria (PKU), branched-chain ketonuria, galactosemia and homocystinuria as administered under the direction of a Primary Care Physician. • Intravenous fluids and medication for home use, implantable drugs, including Norplant, and some injectable drugs are covered under Medical and Surgical Benefits. • Diabetic supplies such as test strips • Insulin, copay charge applies to each vial • Oral agent for controlling blood sugar	**Retail Pharmacy** $7 per generic drug. $14 per name brand drug. **Mail Order** $14 per generic drug. $28 per name brand drug. Note: If there is no generic equivalent available, you will still have to pay the brand name copay.
Here are some things to keep in mind about our prescription drug program: • A generic equivalent will be dispensed if it is available, unless your physician specifically requires a name brand. If you receive a name brand drug when a Federally-approved generic drug is available, and your physician has not specified Dispense as Written for the name brand drug, you have to pay the difference in cost between the name brand drug and the generic.	
Not covered: • *Drugs and supplies for cosmetic purposes* • *Vitamins (except for prenatal vitamins), and fluoride products, nutrients and food supplements even if a physician prescribes or administers them* • *Non-prescription medicines* • *Over the counter drugs* • *Drugs obtained from a non-Plan pharmacy except for out-of-area emergencies* • *Medical supplies such as dressings and antiseptics* • *Drugs to enhance athletic performance* • *Smoking cessation drugs and medications, including nicotine patches* • *Diet pills or appetite suppressants (except when used in the treatment of morbid obesity)* • *Replacement of drugs due to loss or theft* • *Prescriptions more than one year from the original date of issue* • *Injectable fertility drugs (see Infertility benefit under Medical and Surgical Benefits for limited coverage)*	*All charges.*

Section 5 (g). Special Features

Feature	Description
Flexible benefits option	Under the flexible benefits option, we determine the most effective way to provide services. • We may identify medically appropriate alternatives to traditional care and coordinate other benefits as a less costly alternative benefit. • Alternative benefits are subject to our ongoing review. • By approving an alternative benefit, we cannot guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and we may withdraw it at any time and resume regular contract benefits. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process.
24 hour nurse line	For any of your health concerns, 24 hours a day, 7 days a week, you may call 1-800-832-3211 and talk with a registered nurse who will discuss treatment options and answer your health questions.
Services for deaf and hearing impaired	Deaf/Hearing impaired individuals may access the member services department by calling their state relay line.
High risk pregnancies	Healthy Babies is a program that provides guidance and support to women from pre-pregnancy through post-partum care. This program is designed to promote better maternity care, reduce the number of premature births and educate expectant parents.
Centers of Excellence for transplants/heart surgery/etc.	CIGNA HealthCare members have access to the CIGNA Lifesource Organ Transplant Network® which is an organization of participating hospitals which provides organ transplant services. As part of the rigorous credentialing program, each hospital's transplant program is evaluated for patient outcome, as well as waiting period, housing arrangements, "patient friendly" environment and the availability of transportation, before it is included in the CIGNA Lifesource Organ Transplant Network®.
Travel benefit/services overseas	We cover you for emergency services anywhere in the world.

Section 5 (h). Dental Benefits

IMPORTANT

Here are some important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan dentists must provide or arrange your care.
- We have no calendar year deductible.
- We cover hospitalization for dental procedures only when prior authorized by the Plan Medical Director and a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient; we do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services* for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

IMPORTANT

Benefit Description	You pay
Accidental injury benefit	
We cover restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury.	$10 per office visit.
Dental benefits	
We have no other dental benefits.	

Section 5 (i). Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, **and you cannot file an FEHB disputed claim about them**. Fees you pay for these services do not count toward FEHB deductibles or out-of-pocket maximums.

Guest Privileges

If you or a covered family member temporarily moves outside of the service area for at least 90 days, you may be eligible for the Plan's "guest privileges" program. The "guest privileges" program allows participants to enroll as "guests" in another CIGNA HealthCare site. This program is only available when you or your covered family member is temporarily relocating to an approved CIGNA guest site. Guest privileges is an ideal way to arrange for benefits in situations such as: a temporary job transfer/work assignments; college child attending school away from home, etc. You should be aware that your FEHBP benefits will NOT follow you to the guest site. You will be covered by the CIGNA HealthCare "guest privileges" program plan of benefits. Contact member services at 1-800-832-3211 for more information.

Section 6. General exclusions — things we don't cover

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition and we agree, as discussed under *Services Requiring Our Prior Approval* on page 9.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations; or
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.

Section 7. Filing a claim for covered services

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical, hospital and drug benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Facilities will file on the UB-92 form. For claims questions and assistance, call us at 1-800-832-3211.

When you must file a claim – such as for out-of-area care – submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number;
- Name and address physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer – such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

Submit your claims to: Please refer to your ID card for the address to mail any claims.

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

Section 8. The disputed claims process

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization:

Step	Description
1	Ask us in writing to reconsider our initial decision. Write to us at: CIGNA HealthCare of New York, Inc., 499 Washington Boulevard, Jersey City, NJ 07310. You must: (a) Write to us within 6 months from the date of our decision; and (b) Send your request to us at: CIGNA HealthCare of New York, Inc., 499 Washington Boulevard, Jersey City, NJ 07310; and (c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and (d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.
2	We have 30 days from the date we receive your request to: (a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or (b) Write to you and maintain our denial – go to step 4; or (c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request – go to step 3.
3	You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days. If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.
4	If you do not agree with our decision, you may ask OPM to review it. You must write to OPM within: • 90 days after the date of our letter upholding our initial decision; or • 120 days after you first wrote to us – if we did not answer that request in some way within 30 days; or • 120 days after we asked for additional information. Write to OPM at: Office of Personnel Management, Office of Insurance Programs, Contracts Division III, P.O. Box 436, Washington, D.C. 20044-0436. Send OPM the following information: • A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure; • Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms; • Copies of all letters you sent to us about the claim; • Copies of all letters we sent to you about the claim; and • Your daytime phone number and the best time to call.

Note: If you want OPM to review different claims, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must provide a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

5 OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

6 If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

NOTE: If you have a serious or life threatening condition (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

(a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 1-800-832-3211 and we will expedite our review; or

(b) We denied your initial request for care or preauthorization/prior approval, then:

- If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
- You can call OPM's Health Benefits Contracts Division III at 202-606-0737 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage

You must tell us if you are covered or a family member is covered under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called "double coverage."

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

• What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A.
- Part B (Medical Insurance). Most people pay monthly for Part B.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare + Choice is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on the type of Medicare managed care plan you have.

• The Original Medicare Plan

The Original Medicare Plan is available everywhere in the United States. It is the way most people get their Medicare Part A and Part B benefits. You may go to any doctor, specialist, or hospital that accepts Medicare. Medicare pays its share and you pay your share. Some things are not covered under Original Medicare, like prescription drugs.

When you are enrolled in this Plan and Original Medicare, you still need to follow the rules in this brochure for us to cover your care. Your care must continue to be authorized by your Plan PCP, or recertified as required.

We will not waive any of our copayments or coinsurance.

(Primary payer chart begins on next page.)

The following chart illustrates whether Original Medicare or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

b) Are an active employee		✔

- **Claims process –** You probably will never have to file a claim form when you have both our Plan and Medicare. Please note, if your Plan physician does not participate in Medicare, you will have to file a claim with Medicare.
- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claims will be coordinated automatically and we will pay the balance of covered charges. You will not need to do anything. To find out if you need to do something about filing your claims, call us at 1-800-832-3211, or write to CIGNA HealthCare of New York, Inc., 499 Washington Boulevard, Jersey City, NJ 07310. You may also visit our website at www.cigna.com/healthcare. In this case we do not waive any out-of-pocket costs.

• Medicare managed care plan

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare managed care plan. These are health care choices (like HMOs) in some areas of the country. In most Medicare managed care plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare managed care plans cover all Medicare Part A and B benefits. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare managed care plan, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at www.medicare.gov. If you enroll in a Medicare managed care plan, the following options are available to you:

This Plan and another Plan's Medicare managed care plan: You may enroll in another plan's Medicare managed care plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare managed care plan is primary, even out of the managed care plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments, coinsurance, or deductibles.

Suspended FEHB coverage and a Medicare managed care plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare managed care plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare managed care plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next open season unless you involuntarily lose coverage or move out of the Medicare + Choice service area.

• Enrollment in Medicare Part B

Note: If you choose not to enroll in Medicare Part B, you can still be covered under the FEHB Program. We cannot require you to enroll in Medicare.

TRICARE

TRICARE is the health care program for eligible dependents of military persons and retirees of the military. TRICARE includes the CHAMPUS program. If both TRICARE and this Plan cover you, we pay first. See your TRICARE Health Benefits Advisor if you have questions about TRICARE coverage.

Workers' Compensation

We do not cover services that:

- you need because of a workplace-related disease or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your benefits. You must use our providers.

Medicaid

When you have this Plan and Medicaid, we pay first.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal Government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

Section 10. Definitions of terms we use in this brochure

Calendar year

January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.

Copayment

A copayment is a fixed amount of money you pay when you receive covered services. See page 10.

Coinsurance

Coinsurance is the percentage of our allowance that you must pay for your care. See page 10.

Covered services

Care we provide benefits for, as described in this brochure.

Deductible

A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See page 10.

Experimental or investigational services

Experimental, investigational and unproven services are medical, surgical, diagnostic, psychiatric, substance abuse or other health care technologies, supplies, treatments, procedures, drug therapies or devices that are determined by the Healthplan Medical Director to be:

- not approved by the U.S. Food and Drug Administration (FDA) to be lawfully marketed for the proposed use and not recognized for the treatment of the particular indication in one of the standard reference compendia (The United States Pharmacopoeia Drug Information, The American Medical Association Drug Evaluations; or the American Hospital Formulary Service Drug Information) or in medical literature. Medical literature means scientific studies published in a peer-reviewed national professional medical journal;
- the subject of review or approval by an Institutional Review Board for the proposed use;
- the subject of an ongoing clinical trial that meets the definition of a phase I, II or III Clinical Trial as set forth in the FDA regulations, regardless of whether the trial is subject to FDA oversight; or
- not demonstrated, through existing peer-reviewed literature to be safe and effective for treating or diagnosing the condition or illness for which its use is proposed.

Medical necessity

Medically necessary covered Services and Supplies are those covered Services and Supplies that are determined by our Medical Director to be:

- No more than required to meet your basic health needs; and
- consistent with the diagnosis of the condition for which they are required; and
- consistent in type, frequency and duration of treatment with scientifically based guidelines as determined by medical research; and
- required for purposes other than the comfort and convenience of the patient or his Physician; and
- rendered in the least intensive setting that is appropriate for the delivery of health care; and
- of demonstrated medical value.

Medical necessity *(continued)*

In general, the Healthplan will not cover any health care service that the Healthplan, in its sole judgment, determines is not medically necessary. However, if an external appeal agent certified by the State overturns the Healthplan denial, the Healthplan shall cover the procedure, treatment service, pharmaceutical product, or durable medical equipment for which coverage had been denied, to the extent that such procedure, treatment service, pharmaceutical product, or durable medical equipment is otherwise covered under the terms of this Agreement.

Us/We

Us and we refer to CIGNA HealthCare of New York, Inc.

You

You refers to the enrollee and each covered family member.

Section 11. FEHB facts

No pre-existing condition limitation

We will not refuse to cover the treatment of a condition that you had before you enrolled in this Plan solely because you had the condition before you enrolled.

Where you can get information about enrolling in the FEHB Program

See www.opm.gov/insure. Also, your employing or retirement office can answer your questions, and give you *a Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

When benefits and premiums start

The benefits in this brochure are effective on January 1. If you are new to this Plan, your coverage and premiums begin on the first day of your first pay period that starts on or after January 1. Annuitants' premiums begin on January 1.

Your medical and claims records are confidential

We will keep your medical and claims information confidential. Only the following will have access to it:

- OPM, this Plan, and subcontractors when they administer this contract;
- This Plan, and appropriate third parties, such as other insurance plans and the Office of Workers' Compensation Programs (OWCP), when coordinating benefit payments and subrogating claims;
- Law enforcement officials when investigating and/or prosecuting alleged civil or criminal actions;
- OPM and the General Accounting Office when conducting audits;
- Individuals involved in bona fide medical research or education that does not disclose your identity; or
- OPM, when reviewing a disputed claim or defending litigation about a claim.

When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

• When FEHB coverage ends

You will receive an additional 31 days of coverage, for no additional premium, when:

- •• Your enrollment ends, unless you cancel your enrollment; or
- •• You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage.

• Spouse equity coverage

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. But, you may be eligible for your own FEHB coverage under the spouse equity law. If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees,* or other information about your coverage choices.

• TCC

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees,* from your employing or retirement office or from www.opm.gov/insure.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends. If you canceled your coverage or did not pay your premium, you cannot convert;
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

Getting a Certificate of Group Health Plan Coverage

If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan.

If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

Inspector General Advisory

Stop health care fraud! Fraud increases the cost of health care for everyone. If you suspect that a physician, pharmacy, or hospital has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at 1-800-832-3211 and explain the situation.
- If we do not resolve the issue, call **THE HEALTH CARE FRAUD HOTLINE – 202-418-3300** or write to: The United States Office of Personnel Management, Office of the Inspector General Fraud Hotline, 1900 E Street, NW, Room 6400, Washington, DC 20415.

Penalties for Fraud

Anyone who falsifies a claim to obtain FEHB Program benefits can be prosecuted for fraud. Also, the Inspector General may investigate anyone who uses an ID card if the person tries to obtain services for someone who is not an eligible family member, or is no longer enrolled in the Plan and tries to obtain benefits. Your agency may also take administrative action against you.
