

Dated: December 6, 2000.

Troy H. Cribb,

Assistant Secretary for Import Administration.

Appendix

1. Cost of Production and Constructed Value: Monetary Corrections for Inflation
2. Constructed Value: Calculation of Profit and Selling Expense Rates
3. Normal Value: Difference-In-Merchandise Adjustment
4. Adverse Facts Available
5. Normal Value: Third-Country Sales
6. Normal Value: Home Market Price Calculation
4. Cost of Production: Financial Expense Ratio—Eicosal
7. Cost of Production: Financial Expense Ratio—Pacific Star
8. Cost of Production: General, Selling and Administrative Expense
9. Cost of Production: Cost Test Freight Expense
10. Constructed Value: Provision for Catastrophic Loss
11. Constructed Value: Use of Verified Data
12. Export Price: Treatment of U.S. Credit Expense

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

International Trade Administration

[C-357-813]

Notice of Postponement of Preliminary Countervailing Duty Determination: Honey from Argentina.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary determination in the countervailing duty investigation of honey from Argentina from January 2, 2001 until no later than March 5, 2001. This extension is made pursuant to section 703(c)(1)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act.

EFFECTIVE DATE: December 15, 2000.

FOR FURTHER INFORMATION CONTACT: Dana Mermelstein or Doug Campau, Office of AD/CVD Enforcement VII, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-1391 or (202) 482-1395, respectively.

Postponement of Preliminary Determination: On October 26, 2000, the Department initiated the countervailing duty investigation of honey from Argentina. See *Notice of Initiation of*

Countervailing Duty Investigation: Honey From Argentina, 65 FR 65835 (November 2, 2000). On December 5, 2000, petitioners made a timely request pursuant to 19 CFR 351.205(e) for a postponement of the preliminary determination in accordance with section 703(c)(1) of the Tariff Act of 1930, as amended (the Act). Petitioners requested a postponement because of the complicated nature of the case, to allow petitioners adequate time to analyze submitted responses, and to allow time for the Department to determine the extent to which particular subsidies are being used.

For reasons identified by the petitioners, we see no compelling reason not to postpone the preliminary determination. See *Memorandum from Deputy Assistant Secretary for AD/CVD Enforcement Joseph A. Spetrini to Assistant Secretary for Import Administration Troy H. Cribb*, dated December 8, 2000 (on file in the public file of the Central Records Unit, Room B-099 of the Department of Commerce). Therefore, we are postponing the preliminary determination under section 703(c)(1)(A) of the Act. We will make our preliminary determination in this investigation no later than March 5, 2001.

This notice of postponement is published pursuant to section 703(c)(2) of the Act.

Dated: December 8, 2000.

Joseph A. Spetrini,

Deputy Assistant Secretary, AD/CVD Enforcement Group III.

BILLING CODE 3510-DS-P

COMMODITY FUTURES TRADING COMMISSION

Agency Information Collection

Activities: Notice of Intent to Renew Collection 3038-0016, Compliance With Requirements for Designation as a Contract Market

AGENCY: Commodity Futures Trading Commission.

ACTION: Notice.

SUMMARY: The Commodity Futures Trading Commission (CFTC) is announcing an opportunity for public comment on the proposed collection of certain information by the agency. Under the Paperwork Reduction Act of 1995 (PRA), 44 U.S.C. 3501, et seq., Federal agencies are required to publish notice in the Federal Register concerning each proposed collection of information, including each proposed extension of an existing collection of

information, and to allow 60 days for public comment in response to the notice. This notice solicits comments on compliance for requirements for designation as a contract market.

DATES: Comments must be submitted on or before February 13, 2001.

ADDRESSES: Comments may be mailed to Lamont L. Reese, Division of Economic Analysis, U.S. Commodity Futures Trading Commission, 1155 21st Street, NW, Washington, DC 20581.

FOR FURTHER INFORMATION CONTACT: Lamont L. Reese (202) 418-5310; FAX: (202) 418-5527; email: Ireese@cftc.gov.

SUPPLEMENT INFORMATION: Under the PRA, Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. "Collection of information" is defined in 44 USC 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 USC 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the Federal Register concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the CFTC is publishing notice of the proposed collection of information listed below.

With respect to the following collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
 - Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
 - Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

Compliance with Requirements for Designation as a Contract Market, OMB control number 3038-0016—Extension

Under Commission Rules 1.50 and 5.2, contract markets must demonstrate that they continue to meet the

designation requirements contained in the Commodity Exchange Act, 7 U.S.C. 1, et seq., and that contract markets, prior to listing trading months for a then-dormant contract, submit a justification showing that the terms and

conditions of the contract are in conformance with current commercial practices and that the contract can be expected to serve an economic purpose. These rules are promulgated pursuant to the Commission's rulemaking authority

contained in Sections 5 and 5a of the Commodity Exchange Act, 7 U.S.C. 7 and 7a (1994).

The Commission estimates the burden of this collection of information as follows:

ESTIMATED ANNUAL REPORTING BURDEN

17 CFR Section	Annual number of respondents	Frequency of response	Total annual responses	Hours per response	Total hours
1.50; 5.2	11	On occasion	2	250	500

There are no capital costs or operating and maintenance costs associated with this collection.

This estimate is based on the number of requests or such letters in the last three years. Although the burden varies with the type, size, and complexity of the request submitted, such request may involve analytical work and analysis, as well as the work of drafting the request itself.

Dated: December 12, 2000.

Jean A. Webb,

Secretary of the Commission.

BILLING CODE 6351-01-M

DEPARTMENT OF DEFENSE

Office of the Secretary

Notice of Availability of The National Missile Defense Deployment Final Environmental Impact Statement

AGENCY: Office of the Secretary, Ballistic Missile Defense Organization, DoD.

ACTION: Notice of availability.

SUMMARY: The Ballistic Missile Defense Organization (BMDO) announces the availability of the National Missile Defense (NMD) Deployment Final Environmental Impact Statement (FEIS). The FEIS assesses the potential impacts associated with the deployment of the NMD system.

DATES: The review period for the FEIS will end on January 16, 2001 and comments must be received by this date.

ADDRESSES: Written comments and inquiries on the FEIS or a request for a copy of the FEIS should be directed to: SMDC-EM-V (Ms. Julia Hudson), U.S. Army Space and Missile Defense Command, PO Box 1500, Huntsville, AL 35807-3801, telephone (256) 955-4822.

FOR FURTHER INFORMATION CONTACT: Ms. Julia Hudson, telephone (256) 955-4822.

SUPPLEMENTARY INFORMATION: The BMDO announced the availability of the

National Missile Defense Deployment Draft Environmental Impact Statement (DEIS) on October 1, 1999 (64 FR 190 53364) providing notice that the DEIS was available for comment. The public review period was from October 1, 1999 through January 19, 2000. Public hearings were held October 26 through November 9, 1999. Comments from the DEIS review and public hearings have been considered and included along with responses in the FEIS.

Additionally, availability of an Upgraded Early Warning Radar Supplement to the NMD Deployment DEIS was announced on March 3, 2000 (65 FR 43 11560) with the public comment period from March 3, 2000 to May 12, 2000. This analysis and the comments and responses to the supplement to the DEIS have been included in the NMD Deployment FEIS.

The NMD system would be a fixed, land-based, non-nuclear missile defense system with a land and space-based detection system capable of responding to limited strategic ballistic missile threats to the United States. Potential deployment locations for the NMD elements include sites in Alaska and North Dakota. In addition, as the operational requirements are refined other regions may be identified.

The Preferred Alternative is deployment of a NMD system with up to 100 Ground-Based Interceptor (GBI) silos and Battle Management Command and Control (BMC2) facilities at Fort Greely, Alaska; and an X-Band Radar (XBR) at Eareckson Air Station (AS) (Shemya Island), Alaska. Under the Preferred Alternative, the NMD system would make use of the existing Early Warning Radars (EWR), upgraded for NMD and the existing space-based detection system that would be in place at the time of deployment. The existing EWRs are located at Beale Air Force Base (AFB), California, Clear AS, Alaska, and Cape Cod AS, Massachusetts. If the proposed action to modify the EWRS to support a NMD deployment is selected, its

implementation is contingent upon the outcome of the Air Force EIS that addresses modernization, maintenance, and sustainment of operations at the three radar facilities. The BMDO would reassess its proposed usage of the EWR facilities in light of the results of the Air Force EIS prior to installation of the NMD modifications. Due to the ongoing development of the operational requirements, proposed In-Flight Interceptor Communication System (IFICS) Data Terminals locations were not identified as the EIS was being drafted. The FEIS therefore analyzed the expected impacts on a programmatic basis. The BMDO will perform supplemental, site-specific environmental analysis for the IFICS data terminals and fiber optic cable line alignments, as required, based on the initial analysis in the FEIS.

Copies of the FEIS have been distributed to Federal, state, and local agencies; public officials; and organizations and individuals that previously requested copies of the DEIS or FEIS. Copies of the FEIS will be available for review at public libraries in communities adjacent to the potential NMD deployment sites. These communities include: Cavalier, Fargo, Grand Forks, and Langdon in North Dakota; Anchorage, Anderson, Delta Junction, Fairbanks, Healy, Kodiak, and Nenana in Alaska; Live Oak, Marysville, and Yuba City in California; Bourne, Falmouth, Mashpee, Sandwich, and West Barnstable in Massachusetts. The library locations and the FEIS are also available on the BMDO internet site:

www.acq.ods.mil/bmdo/bmdolink/html/nmd.html

Dated: December 11, 2000.

Patricia L. Toppings,

Alternate OSD Federal Register Liaison Officer, Department of Defense.
