Troy H. Cribb,

Chairman, Committee for the Implementation of Textile Agreements.

Committee for the Implementation of Textile Agreements

March 22, 1999.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on November 30, 1998, by the Chairman, Committee for the Implementation of Textile Agreements. That directive concerns imports of certain cotton, wool, man-made fiber, silk blend and other vegetable fiber textiles and textile products, produced or manufactured in Romania and exported during the twelve-month period which began on January 1, 1999 and extends through December 31, 1999.

Effective on March 29, 1999, you are directed to combine the charges for Categories 647 and 648 and establish a new limit of 185,931 dozen¹ for merged Categories 647/648 for the twelve-month period beginning on January 1, 1999 and extending through December 31, 1999, pursuant to a Memorandum of Understanding dated March 4, 1999 between the Governments of the United States and Romania.

Textile products in Categories 647/648 which have been released from the custody of the U.S. Customs Service under the provisions of 19 U.S.C. 1448(b) or 1484(a)(1) prior to the effective date of this directive shall not be denied entry under this directive.

Products in Categories 647 and 648 exported during 1998 shall be charged to the applicable category limits for that year (see directive dated November 25, 1997) to the extent of any unfilled balances. In the event the limits established for that period have been exhausted by previous entries, such products shall be charged to the limit set forth in this directive for merged Category 647/648.

The Committee for the Implementation of Textile Agreements has determined that this action falls within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

Troy H. Cribb,

Chairman, Committee for the Implementation of Textile Agreements.
