

Notice of Opportunity To Apply for Membership

Membership Obligations

Members will be expected to serve a term of two years. However, to set up a staggered membership renewal, one-third of the private sector members from this initial appointment will serve for a two year term; a second third will serve for a three year term and a final third for a four year term. Each year, a third of the ACA membership will be replaced.

Nominations are now being sought for private sector members to serve for a two, three, or four year period from January 1, 2000 until December 31, 2001–2004, respectively. Members will serve at the discretion of the Secretary and shall serve as representatives of the business community and, specifically, the industry in which their business is engaged. Annual Responses: 1,775.

Needs and Uses: Public Law 102-484, section 4464, required the Department of Defense to develop policy and procedures to validate and credit increased compensation for qualifying public and community service employment performed by retired personnel of the Armed Forces under the "Temporary Early Retirement Authority Program." Public Law 103-337, section 542, extended this program to the Coast Guard. This information, which uses DD Form 2676, will allow DoD and Coast Guard to collect necessary information to recompute retired pay when the participating member qualifies under this program. Respondents to this program will be registered public or community service employers. The data are submitted by the Defense Manpower Data Center to either the Defense Finance and Accounting Service (DFAS) or the Coast Guard Finance Center for update of final pay information files. When a member reaches age 62, the Finance Centers will recompute retirement pay, adding whatever public or community service employment was validated during the enhanced retirement qualification period.

Frequency: On occasion; Annually.
Respondents Obligation: Required to Obtain or Retain Benefits.
