ORAL STATEMENT OF RALPH TIMBERLAKE

Tuesday
October 3, 2006
3:30 - 7:30 p.m.

(On Tuesday, October, 2006, at 6:00 p.m at the Bevill Center, 500 Sparkman Drive, Huntsville, Alabama, came before the undersigned authority, RALPH TIMBERLAKE, who made the following statement:)

MR. RALPH TIMBERLAKE: I'm Ralph Timberlake. I would just like to make a few comments as a rate payer and homeowner in Huntsville. I'm not very pleased with the program, though I do thank my Congress people for this much needed legislation dealing with conservation of energy. However, it seems to me that the consumer does not appear to be the real winner in this thing here. I think it needs to be revamped, rethought out. And before going forward, I would like to say, I thank the TVA for, once, coming to Alabama. It is very nice to know that democracy still lives and is alive and well, because it's good when the government comes out and takes input from its citizens. A few heads are better than one head in giving good, sound advice. Thank you very much. My address is 2117 Atkins Drive, Huntsville, Alabama, and it's RalphTimberlake@hotmail.com.

(End of statement.)

STATE OF ALABAMA COUNTY OF MADISON
