

SKYWARN WEATHER SPOTTER TRAINING ANNOUNCEMENT

**Site: Lewis County Sheriff's Office Training Room
Law & Justice Building, First Floor
(345 West Main St, Chehalis, WA 98532 - see map below)**

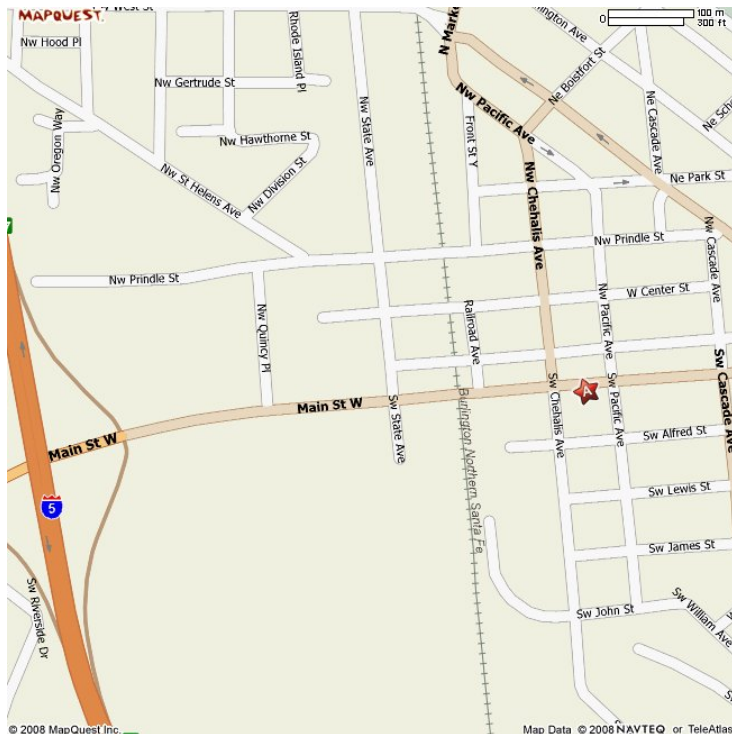

Date: Wednesday, September 24, 2008

Time: 6:00 – 8:30 PM

**RSVP: Lewis County Emergency Management
(360) 740-1151 or e-mail: dem@co.lewis.wa.us**

The National Weather Service will train new and veteran spotters, including interested citizens, amateur radio, CERT, citizen corps, and fire and law enforcement staff, on how to look for and report significant weather events. Training includes video demonstrations. Spotters are needed, particularly in rural parts of Lewis County such as west of I-5, as well as those who have weather instrumentation, such as an anemometer.

If planning to attend this spotter training session, please RSVP so an appropriate number of handout materials can be on hand. Class capacity is 50, so sign up early! We look forward to seeing you at this or other Skywarn Weather Spotter training sessions, and receiving your hazardous weather reports.

Take I-5 to the Main St exit (exit 77) or SR 6 from Pe Ell to Chehalis and Main St.

Go east on Main St.

Parking is available in the lot just east of the County Admin Bldg.

The training room is near the east entrance to the building.
