Re: First National Bank, Arcadia, Louisiana, Charter Number: 14328
Domestic Branch Application; Control Number 2000-SW-05-0009

Dear Mr. Brannon:

This is to inform you that the Comptroller of the Currency (OCC) has conditionally approved First National Bank's application to establish a domestic branch at the following address: 305 Smith Street, Farmerville, Union Parish, Louisiana 71241. This approval is subject to the following condition:

C First National Bank must adhere to its board-approved capital plan dated January 14, 2000.

The above condition of this approval is a condition "imposed in writing by the agency in connection with the granting of any application or other request" within the meaning of 12 U.S.C. §1818. As such, the condition is enforceable under 12 U.S.C. §1818.

This decision is granted based on a thorough review of all information available, including the representations and commitments made in the application and by the bank's representatives. The bank must advise the Southwestern District Office in writing in advance of the desired opening date, so that the OCC may issue the necessary authorization letter. If the branch is not opened within 18 months from this date, the conditional approval will automatically terminate, unless the OCC grants an extension.

This letter is not intended to authorize approval of the official branch name. As a result of the Garn-St. Germain Depository Institutions Act of 1982, the OCC is no longer responsible for the approval of national bank or branch names. In selecting a branch name, the Board of Directors

should follow the guidelines outlined in the May 1, 1998 *Interagency Statement: Branch Names*, which says, in part, “. . . an insured depository institution that intends to use a different name for a branch or other facility should take reasonable steps to ensure that customers will not become confused and believe that its facilities are separate institutions or that deposits in the different facilities are separately insured.”

If the branch is closed, a 90-day advance notice of proposed branch closing must be submitted to the OCC pursuant to 12 U.S.C. §1831r-1.

A separate letter is enclosed requesting your feedback on the OCC's handling of the referenced application. We would appreciate your response so we may improve our service. Questions or comments regarding this preliminary approval should be directed to Applications Examiner Wanda Johnson or to me at (214) 720-7052. All correspondence and documents should include the referenced application control number.

Yours truly,

/s/
