## OFFICE OF PERSONNEL MANAGEMENT

### 5 CFR Part 330

RIN 3206-AF36

#### Full Consideration of Displaced Defense Employees

**AGENCY:** U.S. Office of Personnel Management.

**ACTION:** Final regulation.

**SUMMARY:** The Office of Personnel Management (OPM) is issuing a final rule to remove the regulations regarding full consideration of displaced Department of Defense employees because the implementing statute has expired and the program has been superseded.

**EFFECTIVE DATE:** This regulation is effective on May 19, 2000.

**FOR FURTHER INFORMATION CONTACT:** Jacqueline Yeatman on (202) 606-0960, FAX (202) 606-2329, TDD (202) 606-0023 or by email at jryeatma@opm.gov.

**SUPPLEMENTARY INFORMATION:** The regulations at 5 CFR part 330 subpart I were published April 9, 1993, implementing section 4432 of the National Defense Authorization Act for Fiscal Year 1993 (Pub. L. 102-484). The statute provided up to 2 years of full consideration in non-Defense jobs for Department of Defense employees who were separated by reduction in force between October 23, 1991 and September 30, 1997. This section of Public Law 102-484 preceded the regulations at 5 CFR part 330 Subpart G, which in 1996 established the Interagency Career Transition Assistance Plan (ICTAP). DOD employees separated by reduction in force are currently eligible for ICTAP selection priority for vacancies in non-Defense agencies under those regulations. Because this section of the Public Law has expired and been

superseded by the ICTAP, OPM is deleting the current material in part 330 (subpart I) and reserving this subpart for future use.

#### Regulatory Flexibility Act

I certify that this regulation will not have a significant economic impact on a substantial number of small entities because it affects only Federal employees.

#### Executive Order 12866, Regulatory Review

This rule has been reviewed by the Office of Management and Budget in accordance with Executive Order 12866.

## FEDERAL ELECTION COMMISSION

[Notice 2000-8]

#### Public Financing of Presidential Primary and General Election Candidates

**AGENCY:** Federal Election Commission.

**ACTION:** Final rule; announcement of effective date.

**SUMMARY:** On November 15, 1999, the Commission published the text of revised regulations governing publicly financed Presidential campaigns. 64 FR 61777 (Nov. 15, 1999). The revised rules modify the Commission's audit procedures. They also address the "bright line" between primary and general election expenses, and the formation of Vice Presidential committees prior to nomination. The Commission announces that these rules are effective as of April 19, 2000.

**EFFECTIVE DATE:** April 19, 2000.

**FOR FURTHER INFORMATION CONTACT:** Ms. Rosemary C. Smith, Assistant General Counsel, 999 E Street, NW, Washington, DC 20463, (202) 694-1650 or toll free (800) 424-9530.

**SUPPLEMENTARY INFORMATION:** The Commission is announcing the effective date of revised regulations at 11 CFR 9007.1, 9034.4 and 9038.1, and new regulations at 11 CFR 9035.3. The revisions to 11 CFR 9007.1 and 9038.1 replace the Exit Conference Memorandum that is currently provided to audited committees at the exit conference following an audit with a Preliminary Audit Report that will be approved by the Commission before it is provided to the audited committees after the exit conference. Revised 11 CFR 90934.4 clarifies the applicability of the so-called "bright line" rules that govern expenditures made in connection with both the primary and the general election, and revises those portions allocating payroll and overhead costs for the use of campaign offices prior to a candidate's nomination. New 11 CFR 9035.3 addresses when contributions to, and expenditures by, Vice Presidential committees must be aggregated with contributions to, and expenditures by, the primary campaign of that party's eventual Presidential nominee, for purposes of the contribution and expenditure limits for publicly funded Presidential campaigns. Sections 9009(c) and 9039(c) of Title 26, United States Code, require that any rules or regulations prescribed by the Commission to carry out the provisions of Title 26 of the United States Code be transmitted to the Speaker of the House of Representatives and the President of the Senate thirty legislative days prior to final promulgation.
