Existing Information Collection: Court
Orders Affecting Retirement Benefits,
5 CFR 838.221, 838.421, and 838.721**

AGENCY: Office of Personnel
Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) has submitted to the Office of Management and Budget a request for review of an existing information collection. The regulations describe how former spouses give us written notice of a court order requiring us to pay benefits to the former spouse. Specific information is needed before OPM can make court-ordered benefit payments.

Approximately 19,000 former spouses apply for benefits based on court orders annually. We estimated it takes approximately 30 minutes to collect the information. The annual burden is 9,500 hours.

Request for Review of a Revised
Information Collection: Standard
Forms 2800 and 2800A**

AGENCY: Office of Personnel
Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) will submit to the Office of Management and Budget (OMB) a request for review of a revised information collection. SF 2800, Application for Death Benefits Under the Civil Service Retirement System (CSRS), is needed to collect information so that OPM can pay death benefits to the survivors of Federal employees and annuitants. SF 2800A, Documentation and Elections in Support of Application for Death Benefits When Deceased Was an Employee at the Time of Death, is needed for deaths in service only so that survivors can make the needed elections regarding military service.

Comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the Office of Personnel Management, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

Approximately 68,000 SF 2800's are processed annually. The form requires approximately 45 minutes to complete. An annual burden of 51,000 hours is estimated. Approximately 6,800 applicants will use SF 2800A annually. This form also requires approximately 45 minutes to complete. An annual burden of 5,100 hours is estimated. The total burden is 56,100 hours.

Rule 11Aa3-2, SEC File No. 270-439, OMB
Control No. 3235-0500.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request a revision of revision to the existing collection of information discussed below.

Rule 11Aa3-2 provides that self-regulatory organizations (SROs) may, acting jointly, file a National Market System Plan ("NMS Plan") or may propose an amendment to an effective NMS Plan by submitting the text of the plan or amendment to the Secretary of the Commission, together with a statement of the purpose of such plan or amendment and, to the extent applicable, the documents and information required by paragraphs (b)(4) and (5) of Rule 11Aa3-2. A recently-adopted amendment to Rule 11Aa3-2 will require all participants in NMS Plans to arrange for posting on a designated Web site a current and complete version of the NMS Plans and amendments to such NMS Plans.

The collection of information is designed to permit the Commission to achieve its statutory directive to facilitate the development of a national market system. The information is used to determine if a NMS Plan, or an amendment thereto, should be approved and implemented.

The respondents to the collection of information are self-regulatory
