Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget a request for review of a revised information collection. RI 92-22, Annuity Supplement Earnings Report, is used annually to obtain the amount of personal earnings from annuity supplement recipients to determine if there should be a reduction in benefits paid to the annuitant.

Comments are particularly invited on: Whether this information is necessary for the proper performance of functions of the Office of Personnel Management, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

Approximately 2,500 RI 92-22 forms are completed annually. Each form requires approximately 15 minutes to complete. The annual estimated burden is 625 hours.
