#### Prevailing Rate Systems; Abolishment of the Marion, Indiana, Nonappropriated Fund Wage Area

**AGENCY:** Office of Personnel Management.

**ACTION:** Final rule.

**SUMMARY:** The Office of Personnel Management is issuing a final rule to abolish the Marion, Indiana, nonappropriated fund Federal Wage System wage area and redefine its six counties as areas of application to nearby nonappropriated fund wage areas for pay-setting purposes. This change is being made because the closure of Fort Benjamin Harrison left the Department of Defense without an activity in the wage area capable of hosting local wage surveys.

**DATES:** This regulation is effective on March 31, 1999.

**FOR FURTHER INFORMATION CONTACT:** Jennifer Hopkins, (202) 606-2848, FAX: (202) 606-0824, or email to [jdhopkin@opm.gov](mailto:jdhopkin@opm.gov).

**SUPPLEMENTARY INFORMATION:** On September 10, 1996, the Office of Personnel Management (OPM) published an interim rule (61 FR 47661) to abolish the Marion, IN, nonappropriated fund (NAF) Federal Wage System (FWS) wage area and redefine its six counties having continuing FWS employment. The Federal Prevailing Rate Advisory Committee (FPRAC), the statutory national labor-management committee responsible for advising OPM on matters concerning the pay of FWS employees, recommended by majority vote that we abolish the Marion, IN, NAF wage area and redefine its six

counties as areas of application to nearby NAF wage areas. Marion County, Grant County, Miami County, and Allen County, IN, were redefined to the Greene-Montgomery, Ohio, NAF wage area. Martin County, IN, was redefined to the Hardin-Jefferson, Kentucky, NAF wage area, and Vermilion County, Illinois, was redefined to the Lake, IL, NAF wage area. This change was necessary due to the closure of the Marion wage area's host activity, Fort Benjamin Harrison, which left the wage area without an activity having the capability to conduct annual local wage surveys.

Employees being paid rates from the Marion, IN, NAF wage schedule were converted to new wage schedules on December 10, 1996. OPM published an interim rule making this change and provided a 30-day public comment period. During this period, OPM did not receive any comments. Based on the previous recommendation of FPRAC, the interim rule is being adopted as a final rule without any changes.

#### Prevailing Rate Systems; Removal of Umatilla County, Oregon, from the Spokane, Washington, Nonappropriated Fund Wage Area

**AGENCY:** Office of Personnel Management.

**ACTION:** Final rule.

**SUMMARY:** The Office of Personnel Management is issuing a final rule to remove Umatilla County, Oregon, from the Spokane, Washington, nonappropriated fund Federal Wage System wage area because nonappropriated fund Federal Wage System employees are no longer stationed in Umatilla County, and no Federal agency anticipates such future employment in the county.

**DATES:** This regulation is effective on March 31, 1999.

**FOR FURTHER INFORMATION CONTACT:** Jennifer Hopkins, (202) 606-2848, FAX: (202) 606-0824, or email to [jdhopkin@opm.gov](mailto:jdhopkin@opm.gov).

**SUPPLEMENTARY INFORMATION:** On December 23, 1997, the Office of Personnel Management (OPM) published an interim rule (62 FR 66973) to remove Umatilla County, Oregon, from the Spokane, Washington, nonappropriated fund (NAF) Federal Wage System (FWS) wage area. The change was made effective on January 1, 1998. The Federal Prevailing Rate Advisory Committee (FPRAC), the statutory national labor-management committee responsible for advising OPM on matters concerning the pay of FWS employees, recommended by consensus that we remove Umatilla County, OR, from the Spokane, WA, FWS wage area. The Spokane wage area is composed of one survey county, Spokane County, and three area of application counties, Adams County, WA, Walla Walla County, WA, and Umatilla County, OR. The removal of Umatilla County is appropriate because there are no NAF FWS employees stationed in the county, and no Federal agency anticipates future NAF employment. According to section 5343(a)(1)(B)(i) of title 5, United States Code, NAF wage areas "shall not extend

beyond the immediate locality in which the particular prevailing rate employees are employed.”

On January 1, 1998, the minimum wage for the state of Oregon increased to \$6.00 per hour. Under section 532.205 of title 5, Code of Federal Regulations, the highest minimum wage applicable within a wage area must be applied to the entire wage area. Pay rates for NAF FWS employees stationed in Adams, Spokane, and Walla Walla Counties, WA, would have been increased to the higher minimum wage amount for the state of Oregon even though there are no NAF FWS employees working in Umatilla County, OR. OPM published an interim rule making this change and provided a 30-day public comment period. During this period, OPM did not receive any comments. Based on the previous recommendation of FPRAC, the interim rule is being adopted as a final rule without any changes.

#### Prevailing Rate Systems; Abolishment of the Norfolk, Massachusetts, Nonappropriated Fund Wage Area

**AGENCY:** Office of Personnel Management.

**ACTION:** Final rule.

**SUMMARY:** The Office of Personnel Management is issuing a final rule to abolish the Norfolk, Massachusetts, nonappropriated fund Federal Wage

System wage area and redefine its five counties as areas of application to nearby wage areas for pay-setting purposes. This change is being made because the closure of the Naval Air Station at South Weymouth, MA, left the Department of Defense without an activity in the wage area capable of hosting local wage surveys.

**DATE:** This regulation is effective on March 31, 1999.

**FOR FURTHER INFORMATION CONTACT:** Jennifer Hopkins, (202) 606-2848, FAX: (202) 606-0824, or email to jdhopkin@opm.gov.

**SUPPLEMENTARY INFORMATION:** On September 23, 1996, the Office of Personnel Management (OPM) published an interim rule (61 FR 49649) to abolish the Norfolk, MA, nonappropriated fund (NAF) Federal Wage System (FWS) wage area and redefine its five counties having continuing FWS employment. The Federal Prevailing Rate Advisory Committee, the statutory national labor-management committee responsible for advising OPM on matters concerning the pay of FWS employees, recommended by majority vote that we abolish the Norfolk, MA, NAF wage area and redefine its five counties as areas of application to nearby NAF wage areas. Norfolk County, Plymouth County, and Suffolk County, MA, were redefined to the Middlesex, MA, NAF wage area. Barnstable County and Nantucket County, MA, were redefined to the Newport, Rhode Island, NAF wage area. This change was necessary due to the closure of the Norfolk wage area's host activity, the Naval Air Station South Weymouth, which left the wage area without an activity having the capability to conduct annual local wage surveys.

Employees being paid rates from the Norfolk, MA, NAF wage schedule were converted to new wage schedules on November 15, 1996. No permanent employee's wage rate was reduced as a result of this change. The interim rule provided a 30-day period for public comment, during which we did not receive any comments. Therefore, the interim rule is being adopted as a final rule.

#### Airworthiness Directives; Boeing Model 747 Series Airplanes

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Final rule.

**SUMMARY:** This amendment adopts a new airworthiness directive (AD), applicable to certain Boeing Model 747 series airplanes, that requires a one-time detailed visual inspection of the outboard sequence carriage attachment fitting for the presence and condition of a shim and any loose fastener, and follow-on corrective actions, if necessary. This amendment is prompted by a report that a piece of the left wing inboard foreflap came off during a landing approach and struck and penetrated the airplane fuselage. The actions specified by this AD are intended to prevent the failure of the outboard sequence carriage fitting, which could allow the wing inboard foreflap to separate and penetrate the fuselage, possibly injuring passengers and crewmembers.
