

1. Overview & Program Directives

- Introduction 1-1
- Policy 1-1
 - Safety
 - Fire Management and Ecosystem Sustainability
 - Response to Wildfire
 - Use of Wildland Fire
 - Rehabilitation and Restoration
 - Protection Priorities
 - Wildland/Urban Interface
 - Planning
 - Science
 - Preparedness
 - Suppression
 - Prevention
 - Standardization
 - Interagency Cooperation
 - Communication and Education
 - BLM Administrator And Employee Roles
 - Evaluation
 - Economic Efficiency
 - Fire Cause Determination and Cost Recovery
 - Employee Responsibility
- Fire Management Objectives 1-6

2. Program Roles & Performance Standards

- BLM Administrator Roles 2-1
 - Director
 - State Director
 - Field Office Manager
 - Management Performance Requirements for Fire Operations
- Fire Management Staff Roles 2-5
 - National Office
 - State Office
 - Field Office
 - Fire Management Staff Performance for Fire Operations
- Requirements for Fire Management Positions..... 2-9
 - Field Office
 - Training for Designated Agency Administrators
- Delegation of Authority 2-11

3. Interagency Coordination & Cooperation

TABLE OF CONTENTS

Introduction	3-1
Interagency Assistance	3-1
Coordination	3-1
National Level Coordination	
National Wildfire Coordinating Group	
Federal Fire and Aviation Leadership Council	
Federal Fire and Aviation Safety Team (FFAST)	
Interior Fire Coordination Committee	
National Interagency Fire Center	
National Multi-Agency Coordination Group	
Interagency Mobilization	3-3
National Dispatch/Coordination System	
National Interagency Coordination Center	
Geographic Area Coordination Centers	
Local Unit/Interagency Dispatch Centers	
Agreements & Contracts	3-5
Mutual Aid Agreements	
Annual Operating Plans	
Contracts	
Emergency Assistance	
FEMA	
International Assistance	
U.S.-Mexico	
U.S.-Canada	
International Disasters Support	

4. Safety

Policy	4-1
Objectives	4-1
Work and Rest	4-2
Heat Stress	
Smoke and Carbon Monoxide	
“Six Minutes for Safety” Training	
Fire Emergency Driving	
Seat Belts	
Personal Protective Equipment (PPE)	4-3
Head Protection	
Eye and Face Protection	
Hearing Protection	
Neck Protection	
Leg Protection	
Foot Protection	
Fire Shelters	
Risk Management Process	4-5

TABLE OF CONTENTS

Five Step Risk Management Process
Situational Awareness
Hazard Assessment
Hazard Control
Decision Point
Evaluate
Fireline Safety 4-7
Incident Briefings
