COMMISSION ANNOUNCEMENTS

U.S. SECURITIES AND EXCHANGE COMMISSION

REORGANIZATION OF FUNCTIONS PRESENTLY PERFORMED BY THE OFFICE OF OIL AND GAS

Richard H. Rowe, Director of the Division of Corporation Finance, announced a reorganization of the functions presently performed by the Division's Office of Oil and Gas and its Office of Engineering. Effective immediately, all of the Division's engineers and geologists are consolidated in one office, which has been designated the Office of Engineering. J. Lawrence Muir, presently Chief of the Office of Oil and Gas, has been designated Chief of the new Office of Engineering. The Oil and Gas engineers and geologists, the mining engineers, and the evaluation engineer in the new consolidated office will provide review assistance to the Division's operating branches on technical oil and gas, mining, and other engineering matters.

The Branch of Corporate Analysis and Examination which has been located in the Office of Oil and Gas has been transferred to one of the Division's Assistant Directors for Operations, Ernestine M. R. Zipoy. This branch will continue to review filings of oil and gas drilling programs and registration statements covering the sale of interests in oil and gas rights, with appropriate technical assistance from the new Office of Engineering.

H. Burlin Texier, presently Special Counsel to the Office of Oil and Gas, has been named Special Counsel to the Division's Office of Tender Offers and Small Issues. In his new position, Mr. Texier will handle matters relating to suspensions of the exemption from registration for fractional undivided interests in oil and gas rights presently provided by Regulation B. In addition, he will provide assistance on legal matters related to oil and gas filings, as well as provide other services to the Office of Tender Offers and Small Issues.

R. HOE & COMPANY, INC. ADVISORY REPORT FILED

The Commission has filed an advisory report with the U.S. District Court for the Southern District of New York with respect to an internal plan of reorganization, under Chapter X of the Bankruptcy Act, of R. Hoe & Company, Inc., a manufacturer of woodworking saws. The debtor has outstanding almost two million shares of two issues of common stock, Class A and common, both publicly held.

Under the plan administrative and priority creditors will be paid in full in cash, while unsecured creditors will be paid in full in cash short-term notes and new common stock. Class A shareholders will receive new common stock but common stockholders will not participate since no value was available for their shares. The Commission in its report concluded that the plan can be found to be fair and equitable and feasible if amended, inter alia, to provide that Class A shareholders receive about 20% of the outstanding shares of reorganized Hoe rather than the 4.5% originally provided. (Rel. CR-319)

REGISTRATION OF AMSWISS INTERNATIONAL CORP. SUSPENDED; GLENN WOO BARRED

Administrative Law Judge Jerome K. Soffer has issued an initial decision suspending for 60 days the registration under Section 15(b) of the Securities Exchange Act of 1934 of Amswiss International Corp., of Jersey City, N.J., and barring Glenn Woo, president of Amswiss, from association with any broker or dealer. The sanction against Woo contains a proviso that after 18 months he may apply to the Commission for leave to become associated with a broker or dealer in the performance of back office operations only.

The sanctions imposed in the public interest were based upon findings that Amswiss and Woo, between March 22 and July 21, 1971 wilfully violated and wilfully aided and abetted violations of the registration provisions of Sections 5(a) and 5(c) of the Securities Act in connection with the offer and sale of the common stock of Meridian

Fast Food Services, Inc.; that between March 22, 1971 and February 14, 1972, they wilfully violated and wilfully aided and abetted violations of the antifraud provisions contained in Sections 17(a) of the Securities Act, Section 10(b) of the Exchange Act and Rule 10b-5 thereunder; and that on August 15, 1976, a final judgment of permanent injunction was entered against them in the U.S. District Court for the Southern District of New York enjoining them from further violations of the securities laws. In particular, Amswiss and Woo were found to have engaged in a manipulation of the price of the Meridian common stock on behalf of others. Among other things, they acquired most of the trading float of the stock, effected transactions at arbitrarily inflated prices, caused selective purchases to be made, dominated and controlled the market in said stock, and induced others to act as market-makers, all for the purpose of artifically increasing the price of the Meridian stock. Moreover, it was found that they failed to disclose to the purchasers and sellers of Meridian the manner in which the trading therein was being conducted.

The decision is subject to review by the Commission on its own motion or on petition of a party.
