CIVIL PROCEEDINGS

U.S. SECURITIES AND EXCHANGE COMMISSION

COMPLAINT NAMES WILLIAM W. TAYLOR

The New York Regional Office announced that on February 18 a complaint was filed in the U.S. District Court for the Southern District of New York against William W. Taylor of Trenton, New Jersey. The complaint charges Taylor with violating antifraud provisions and margin provisions of the securities laws by placing orders for the purchase of various option contracts and money market funds without intending to pay for the purchases and failing to make timely and proper payment for the purchases.

The complaint alleges that from June 1980 through January 1981, Taylor, using accounts at eight brokerage firms located in four states, purchased options and money market funds representing a total purchase cost of approximately \$385,000. The complaint further alleges that Taylor did not intend to make payment for these purchases, and to date has made payment at only one brokerage firm where it was to his pecuniary benefit to do so. The Commission's complaint seeks a Temporary and Permanent Injunction, as well as other equitable relief, against Taylor.

On February 27, the court issued a Temporary Restraining Order to prevent further violations of the securities laws as charged in the complaint and to freeze the assets of the defendant pending the determination of the Commission's Motion for a Preliminary Injunction. (SEC v. William Wallace Taylor, S.D.N.Y., 81 Civil 0966 [LWP]). (LR-9318)

ROGER MAGGIO CONSENTS

IN CABLE TELEVISION TAX SHELTER INJUNCTIVE ACTION

The New York Regional Office announced that on February 26 a Final Judgment of Permanent Injunction and Order for Other Equitable Relief by Consent (Judgment and Order) was signed by the Honorable Morris E. Lasker, U.S. District Judge for the Southern District of New York, against Roger H. Maggio, permanently enjoining him from further violations of the registration and antifraud provisions of the securities laws. Maggio consented to the entry of the Judgment and Order without admitting or denying the allegations of the Commission's complaint.

The Commission's complaint alleges that Maggio and others violated the aforementioned provisions of the securities laws in connection with the offer and sale to over 700 investors of approximately \$88,100,000 worth of unregistered securities in the form of tax sheltered investment interests in cable television systems.

Earlier, 22 defendant companies of which Maggio is alleged to be a principal, as well as two other alleged principals, also consented to the entry of Judgments and Orders against them without admitting or denying the allegations of the Commission's complaint. (SEC v. Cable/Tel Corp., et al., S.D.N.Y., 80 Civil 7170 MEL). (LR-9319)

CRIMINAL PROCEEDINGS

THOMAS A. SARTAIN, OTHERS CONVICTED

The San Francisco Branch Office announced that on February 27 Thomas A. Sartain, James D. Lang, Jr., and Michael J. Scotto, were found guilty of eights counts of mail fraud by a jury in the U.S. District Court for the Northern District of California, after a six-week trial. Sentencing is scheduled for March 26, 1981.

Based upon the same facts which underlay the criminal prosecution each defendant had been permanently enjoined, with his consent, by the same federal district court in June 1976, from future violations of the securities laws. Sartain has also been barred by the Commission from being associated with any broker or dealer. (U.S. v. Thomas A. Sartain, et al., N.D. Cal., Criminal Action No. CR-79-0335-SAW). (LR-9320)

NOTICE

Many requests for copies of documents referred to in the "SEC News Digest" have erroneously been directed to the Government Printing Office. Copies of such documents, registration statements, and other filings may be ordered by writing to the Public Reference Branch, Securities and Exchange Commission, Washington, D.C. 20549. When you are ordering more than one, we prefer that the documents be listed in alphabetical order by registrant name to expedite service. Cost estimates are given on request. Two types of service are available through the Public Reference Branch, one of which (priority service) is also available directly from the SEC's service contractor.

REGULAR SERVICE — The regular service reproduction cost is 10c per page, including applicable sales taxes, plus postage (\$5.00 minimum order). Regular service orders will be shipped within seven calendar days of the receipt by the SEC's service contractor of your request, forwarded from the Public Reference Branch. Slight delays may occur if the materials to be copied are not already in the contractor's master files.

PRIORITY SERVICE —Copies of documents may be ordered by telephone directly from the SEC's service contractor by calling 301/951-1350. The priority reproduction cost is 35¢ per page plus postage and applicable sales taxes (\$10.00 minimum order). Priority service orders will be shipped by 4:00 PM of the working day following the day of your telephoned request for materials already in the contractor's master files. Cost estimates are given on request.

All other reference material is available in the SEC Docket.
