**NOTICE**

Many requests for copies of documents referred to in the "SEC News Digest" have erroneously been directed to the Government Printing Office. Copies of such documents, registration statements, and other filings may be ordered by writing to the Public Reference Branch, Securities and Exchange Commission, Washington, D.C. 20549. When you are ordering more than one, we prefer that the documents be listed in alphabetical order by registrant name to expedite service. Cost estimates are given on request. Two types of service are available through the Public Reference Branch, one of which (priority service) is also available directly from the SEC's service contractor.

**REGULAR SERVICE** — The regular service reproduction cost is 10c per page, including applicable sales taxes, plus postage (\$5.00 minimum order). Regular service orders will be shipped within seven calendar days of the receipt by the SEC's service contractor of your request, forwarded from the Public Reference Branch. Slight delays may occur if the materials to be copied are not already in the contractor's master files.

**PRIORITY SERVICE** — Copies of documents may be ordered by telephone directly from the SEC's service contractor by calling 301/951-1350. The priority reproduction cost is 35¢ per page plus postage and applicable sales taxes (\$10.00 minimum order). Priority service orders will be shipped by 4:00 PM of the working day following the day of your telephoned request for materials already in the contractor's master files. Cost estimates are given on request.

All other reference material is available in the SEC Docket.
